MEMORANDUM

TO: CAROLYN LEHR, CITY MANAGER
FROM: TOM ODOM, DIRECTOR, RECREATION AND PARKS
DATE: August 24, 2011
SUBJECT: ADMINISTRATIVE REPORT

Uses at the Beach Below Trump National Golf Course

At the August 16, 2011 City Council Meeting, Council directed staff to conduct community outreach and research on future uses at the beach; namely, use as an off-leash dog beach. In May 2011, Trump National transferred the 24.4 acre parcel to the City through project entitlements. Of the 24.4-acre property, approximately five acres are accessible beach, and those five acres have been used as an informal off-leash dog beach for many years while the property has been under private ownership. Now that the property belongs to the City, the City must determine whether to enforce or amend existing ordinances requiring dogs to be on leashes in public spaces and prohibiting dogs on beaches. Staff will be conducting outreach to the general public, as well as entities that will be particularly affected by determination on uses at the beach, including current beach users, the Portuguese Bend Club, and Trump National Golf Course. Staff will be bringing results to City Council in the near future for action.

Dear Mr. Waters,

On behalf of Pet Protectors League I would like to thank the City of RPV for their continued support of the work we do. Your generous grant in the amount of \$2,000. will be applied to our Trap/Neuter/Return Program for feral cats.

We continue to receive at least 2 to 3 calls each week from residents of RPV regarding stray cats/kittens. Funding is always needed to meet these needs.

Again, thank you for your support.

Sincerely,

A handwritten signature in cursive script that reads "Donna Ciminera".
