RANCHO PALOS VERDES

MEMORANDUM

TO: HONORABLE MAYOR AND CITY COUNCIL
FROM: CAROLYN LEHR, CITY MANAGER *CL*
DATE: DECEMBER 21, 2011 *CL*
SUBJECT: WEEKLY ADMINISTRATIVE REPORT

THE NEW ALPR PATROL CAR IS FINALLY HERE!

Just in time for the holidays (we should have put a big red bow on it!), the Peninsula Region's new Advanced Surveillance and Protection (ASAP) patrol car was delivered to the Lomita Sheriff's Station earlier this month.

Isn't she pretty?

The patrol car is equipped with the latest Automatic License Plate Recognition (ALPR) technology, including digital cameras. ALPR is a software system that uses advanced optical character recognition (OCR) to read and record vehicle license plates. When installed in a Sheriff's patrol car, the system continuously reads, records and checks license plates through a "wanted" system as the Deputy drives through a jurisdiction. This system automatically notifies the deputy with an audible and visible alert of any "hits" it receives, such as stolen vehicles, stolen license plates, felony wanted vehicles, Amber Alerts, etc. The system can read up to 1,000 license plates per hour.

The new unit joins the one the City of Rancho Palos Verdes purchased in 2009, which is currently deployed on the east side of the City in the reporting district that includes Palos Verdes Drive East and Western Avenue. The new vehicle is being used primarily to patrol the reporting district covering the commercial and residential areas in and around Silver Spur Road and the Peninsula Shopping Center.

LEAGUE OF CALIFORNIA CITIES 2011 LEGISLATIVE SCORECARD

On December 6, 2011, the League of California Cities released its 2011 "scorecard" for legislative voting records on thirteen (13) significant pieces of State legislation (see attachment). Three critical fiscal bills (ABx1 26, ABx1 27 and SB 89) were assigned a separate score and averaged by fifty percent (50%) of the total combined weight. The League explained that these bills were weighted separately because redevelopment agencies are a critical component of job creation/infrastructure financing in many cities and the loss of city Vehicle License Fee (VLF) funds had a significant impact on recently-incorporated and other cities. The remaining ten (10) bills—which addressed a wide variety of local-control issues—were assigned and weighted by the League for the balance of fifty percent (50%) in order to arrive at a final weighted-average score.

The more closely a legislator's weighted-average score is to one hundred percent (100%) on the League scorecard, the more closely that legislator voted in agreement with the League's position during the 2011 session. The City of Rancho Palos Verdes' State legislative delegation includes State Senators Rod Wright and Ted Lieu, representing the 25th and 28th State Senate districts, respectively; and State Assembly Member Bonnie Lowenthal, representing the 54th State Assembly District. A brief summary of their League-calculated scores is provided in the table below.

| Name | District | Critical Fiscal Bills | Other Local-Control Bills | Final Weighted-Average Score |
|-------------|---------------------------|------------------------------|----------------------------------|-------------------------------------|
| Wright | 25 th Senate | 100% | 36% | 68.2% |
| Lieu | 28 th Senate | 0% | 27% | 13.6% |
| Lowenthal | 54 th Assembly | 0% | 40% | 20.0% |

It should be noted that, as a result of the decennial redistricting of the State, the City's future legislative delegation is expected to consist of representatives from the 26th State Senate District and the 66th State Assembly District. Also, in releasing the 2011 scorecard, the League offered several comments and caveats on interpreting the voting records that were analyzed:

- 1) The most powerful tool a legislator has is their vote and they should be held accountable for them, but a sampling of legislative floor votes does not always provide the full story. The League took action on many bills that are not on this list. Some bills were stopped in committees; others were amended to remove concerns. A legislator may have helped in committee or in behind-the-scenes efforts to secure a helpful amendment or broker a compromise. A legislator may have sponsored legislation or voted on other measures important to their city not reflected in this listing. Thus, a vote record only provides a partial picture.
- 2) Keep the relative importance of these bills and how they affect your community in mind. For some cities a vote on redevelopment elimination may outweigh most other bills on the list.
- 3) To protect local control and revenue, the League is compelled to play more defense than offense. Thus "No" votes and abstentions on bills the League is opposed to should often carry more weight.
- 4) All of the bills on this list are either budget-related or authored by Legislative Democrats. Few Republican-authored bills make it through the process.
- 5) Most bills on the list only required a majority vote. Democrats have 25 out of 40 seats in the Senate and 52 out of 80 seats in the Assembly. This means that the Democrat majority can pass bills without needing Republican votes. It also means that not all Democrats need to vote for bills.

To: Members of the California State Legislature

From: Dan Carrigg, Legislative Director, LCC

Re: League 2011 Legislative Vote Records on Key City Bills

After a difficult 2011 legislative session, city officials widely requested that the League of California Cities produce a special report on legislative vote records for the year. Enclosed is a copy of that report, which contains vote records on the final floor actions on thirteen significant pieces of legislation that cities acted upon during this session. All of these bills were well-known by legislators and city officials alike as priority city bills and available in the legislative history. This report is being provided only to city officials and legislators.

Three critical fiscal bills (ABx1 26, ABx1 27, and SB 89) were assigned a separate score and averaged by 50% of the total combined weight. These bills were weighted separately because redevelopment agencies are a critical component of job creation/infrastructure financing in many cities and the loss of city Vehicle License Fee (VLF) funds had a significant impact on recently incorporated and other cities.

As you can see in the attached packet, we also cautioned our members that vote records alone do not tell the full legislative story, and we urged them to use the report only as the starting point for a discussion with you about your policy choices in 2011. We pointed out examples of other ways in which legislators were helpful to cities in 2011, even if their final vote might not reflect a supportive position.

Few would deny, however, that 2011 was one of the most strained years in memory for state-city relations. Much of this, no doubt, has been brought about by the difficult economy and related local and state budget challenges. Other contentious matters center on the perennial clash between state mandates versus community flexibility as a means of best addressing policy matters.

Our state and cities are not well served by continuing division. Both the state and cities play a vital role in serving the people of California, and we simply can't do it without each other. City leaders and the League welcome a dialogue with you in 2012 about how we can better collaborate to serve the people of California and our cities. City leaders remain committed to providing critical municipal services, enhancing community quality of life, and investing in infrastructure—all of which will support an improved economy. We welcome the chance to work with you in partnership to move California, its cities and its residents forward.

Thank you for your public service. Please let me know if you have any questions about this report. I can be reached at (916) 658-8222 or carriggd@cacities.org.

2011 Legislative Vote Records on Key City Bills

The 2011 Legislative Session was one of the most difficult in recent memory for state-city relations. The effort to eliminate redevelopment agencies, the raid of city vehicle license fees in SB 89, and numerous individual bills limiting local authority prompted city officials to request the League to produce legislative vote records on key votes affecting city revenue and authority.

The League compiled the final floor actions on 13 bills important to cities during the 2011 session. Votes on redevelopment and vehicle license fee revenues have been listed in a separate category and given 50% weight, given their importance to many cities. The remaining bills are also assigned 50% weight, and a total combined score is listed in the far right column. Votes consistent with the League's position are marked with a "+" sign, and those counter to the League's position are marked with a "-" sign. Abstentions, which can be important, are reflected with either "NV+" or "NV-" sign. Absences are noted with an "ABS" sign.

Senator Rod Wright (D-Los Angeles) and Senator Bob Huff (R-Diamond Bar) were recognized as the League's Legislators of the Year for their efforts to protect redevelopment.

Some Comments and Cautions on Vote Records:

- 1) The most powerful tool a legislator has is their vote and they should be held accountable for them, but a sampling of legislative floor votes does not always provide the full story. The League took action on many bills that are not on this list. Some bills were stopped in committees; others were amended to remove concerns. A legislator may have helped in committee or in behind-the-scenes efforts to secure a helpful amendment or broker a compromise. A legislator may have sponsored legislation or voted on other measures important to their city not reflected in this listing. Thus, a vote record only provides a partial picture.¹
- 2) Keep the relative importance of these bills and how they affect your community in mind. For some cities a vote on redevelopment elimination may outweigh most other bills on the list.
- 3) To protect local control and revenue, the League is compelled to play more defense than offense. Thus "No" votes and abstentions on bills the League is opposed to should often carry more weight.
- 4) All of the bills on this list are either budget-related or authored by Legislative Democrats. Few Republican-authored bills make it through the process.

¹ As examples, in addition to Senator Wright and Senator Huff, the League's legislators of the year, other legislators were helpful in the battle to protect redevelopment. For example, Assembly Member Luis Alejo (D- Watsonville) led an effort by Assembly Democrats in his AB 1250 to develop reforms to redevelopment as a workable alternative to the Governor's elimination proposal. Assembly Member Diane Harkey (R- Laguna Niguel) pressed Legislative Counsel to issue an opinion on the constitutionality of the Governor's original proposal which confirmed local government concerns that it violated the Constitution. On the Senate floor, Senator Alex Padilla (D-Los Angeles) spoke eloquently against the redevelopment bills. Assembly Member Jose Solorio (D-Santa Ana) worked with the League at the end of session in an effort to restore city and Orange County VLF revenues. Most Republican legislators also voted against the elimination proposal, and those Republicans who were negotiating with the Governor over potential tax extensions sought to protect redevelopment in any agreement.

The League also appreciates the efforts of Assembly Member Bob Blumenfield (D-Van Nuys) to push through a SBx1 4 in the final hours of the legislative session which removed an unworkable maintenance of effort requirement for city COPS funds. Senator Lois Wolk (D-Davis) played a critical role in resolving local government concerns with the municipal bankruptcy bill, AB 506.

- 5) Most bills on the list only required a majority vote. Democrats have 25 out of 40 seats in the Senate and 52 out of 80 seats in the Assembly. This means that the Democrat majority can pass bills without needing Republican votes. It also means that not all Democrats need to vote for bills.

Ways to Use This Document:

- 1) Have a conversation with your legislator about the 2011 Session, and include the vote record as part of that conversation.
- 2) If your legislator has a good record on local control, thank them. They deserve it.
- 3) If your legislator's vote record is weak, ask them why. Members often try to find ways of helping while avoiding bucking leadership or a powerful sponsor. Ask your legislator what else you should take into account.
- 4) Evaluate the conversation. Is there a reliable commitment for a continued or *improved* level of responsiveness to their city's issues?
- 5) For elected city officials that provide legislative endorsements consider whether or not the legislator merits your support.

Legislation Included on League 2011 Vote Record

AB 438 (Williams). County Free Libraries: Withdrawal.

League Position: Oppose

This bill mandates specific contractual provisions for general law cities that leave county library systems and choose to contract for library staffing systems for their city-owned library. The bill exempts non-profit organizations that a city contracts with for staffing services, and sunsets in 2019. Status: Signed by Governor

AB 646 (Atkins). Imposes Compulsory Fact-finding at Request of Employee Union.

League Position: Oppose

This measure provides that in the event of impasse, after the parties agree to a mediator and the mediator cannot effect a settlement within 30 days, the employee organization can request that the parties' differences be submitted to a fact-finding panel.

Status: Signed by Governor

AB 678 (Pan). Medi-Cal Transport Reimbursements.

League Position: Support

This bill creates a mechanism for local fire departments to access existing federal funds for Medi-Cal emergency transport reimbursement through the Department of Health Care Services. Currently, each Medi-Cal reimbursement falls hundreds of dollars short of the true cost to cities, counties and fire districts. Status: Signed by Governor

AB 710 (Skinner). Mandatory Statewide Parking Standards.

League Position: Oppose

This bill would have prohibited local governments from requiring minimum parking standards beyond those prescribed in the bill for transit intensive areas. The League didn't take a position on this bill until the bill reached the Senate; therefore, the Assembly vote is not reflected on the score card. Status: Defeated on Senate Floor

AB 1220 (Alejo). Housing Elements: Statutes of Limitation.

League Position: Oppose

This bill would have expanded the statute of limitations to three years to sue a city or county on the adequacy of a housing element. This provision would have created additional uncertainty and is out of context with the 90-day statutes of limitations which apply to other elements of the general plan. Status: Vetoed by Governor

ABx1 26 (Blumenfield). Redevelopment Elimination.

League Position: Oppose

This measure eliminates redevelopment agencies and creates a process to wind-down RDA activities and dispose of their assets. Status: Signed by Governor

ABx1 27 (Blumenfield). Redevelopment: Payments.

League Position: Oppose

This measure establishes an Alternative Voluntary Redevelopment Program authorizing a redevelopment agency (RDA) to continue to exist if the city or county transfers a portion of tax increment to finance payments to schools, fire protection agencies and transit agencies. Status: Signed by Governor

SB 89 (Budget and Fiscal Review Committee). Vehicle License Fees.

League Position: Oppose

This measure includes a provision that eliminates \$130 million in general purpose vehicle license fee funding from cities and \$50 million from the County of Orange. Status: Signed by Governor

SB 136 (Yee). Public Contracts: Energy Service Contracts: Prevailing Wages.

League Position: Oppose

This bill triggers prevailing wage requirements for all work performed on public property in connection with energy service contracts, including energy audits and analyses. Status: Signed by Governor

SB 244 (Wolk). General Plan: Annexation. Unincorporated Communities.

League Position: Oppose

This bill requires cities to update elements of the General Plan to address "disadvantaged unincorporated communities" by the next revision of the housing element; and requires a Local Agency Formation Commission (LAFCO) to deny an application for any annexation if it is contiguous to a disadvantaged community, unless a second application is filed for its annexation. Status: Signed by Governor

SB 293 (Padilla). Public Works Contracts: Retention Proceeds.

League Position: Oppose

This bill caps retention proceeds on public works projects at 5%, unless the governing body declares that the project is substantially complex and requires a higher retention rate. These provisions have a sunset date of Jan. 1, 2016. Status: Signed by Governor

SB 469 (Vargas). Land Use: Development Project Review: Superstores.

League Position: Oppose

This bill would have discriminated against certain local land use decisions by requiring an exhaustive economic impact report to be prepared for only a narrow set of "superstores" selling non-taxable food products, but not to other large retailers with similar impacts. Status: Vetoed by Governor

SB 679 (Pavley). Energy: Energy Conservation Projects: Financial Assistance.

League Position: Support

This measure provides \$25 million to the Energy Conservation Assistance Account for revolving loans at low interest to local governments for energy efficiency retrofits of local government and non-profit buildings, hospitals, and schools.

Status: Signed by Governor

SBx14 (Budget Committee). Supplemental Law Enforcement Services Account.

League Position: Support

This measure amends and removes a provision included in ABx1 16, that would have created a new maintenance of effort (MOE) requirement on all frontline municipal police services for cities to receive COPS (Citizens' Option for Public Safety) funding. Absent this clean-up, many cities would have been unable to access their COPS grants.

+ Legislator voted with League on a bill.
 - Legislator voted against League on a bill.
 NV+ Legislator did not vote, or abstained on a bill opposed by the League, which counts as supporting League's position.
 NV- Legislator did not vote, or abstained on a bill supported by the League, which counts as opposing the League's position.
 ABS Legislator was excused from the day's session due to health, legislative district business, or other personal reasons.

Weighted Score Card

Votes were weighed 50% for critical fiscal bills and 50% for other bills that affect local control.

This report reflects the addition of AB 710.

+ Legislator voted with League on a bill.
 - Legislator voted against League on a bill.
 NV+ Legislator did not vote, or abstained on a bill opposed by the League, which counts as supporting League's position.
 NV- Legislator did not vote, or abstained on a bill supported by the League, which count as opposing the League's position.
 ABS Legislator was excused from the day's session due to health, legislative district business, or other personal reasons.

Weighted Score Card

Votes were weighed 50% for critical fiscal bills and 50% for other bills that affect local control.

Since the League did not have position on AB 710 when the bill was voted on in the Assembly, that bill is not reflected in this report.

MEMORANDUM

RANCHO PALOS VERDES

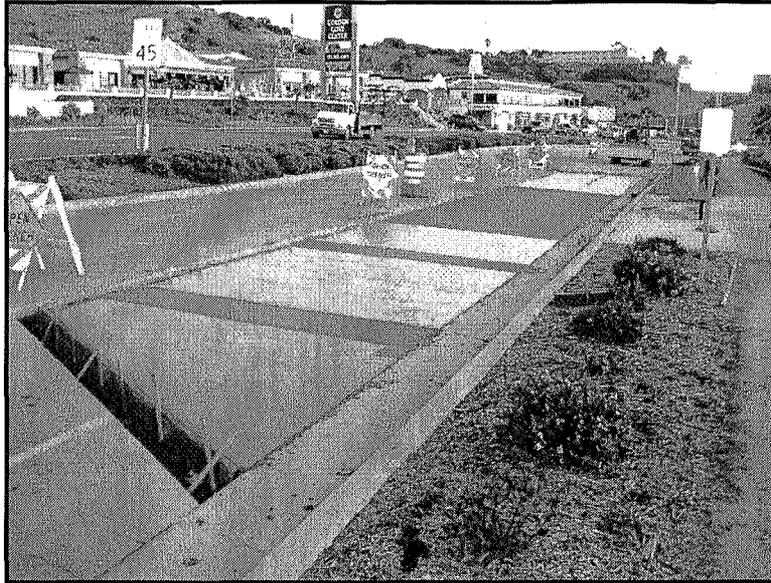

TO: CAROLYN LEHR, CITY MANAGER
FROM: TOM ODOM, DIRECTOR OF PUBLIC WORKS
DATE: DECEMBER 21, 2011
SUBJECT: WEEKLY ADMINISTRATIVE REPORT

UPDATE ON ARTERIAL ROADS REHAB PROJECT

The construction work for the Palos Verdes Drive West/Palos Verdes Drive South Arterial Roads Rehabilitation Project continues this week with additional concrete bus pad installations and curb and gutter repair work along Palos Verdes Drive South. Delays to traffic are anticipated to continue to be minor with single-lane closures only at localized locations along Palos Verdes Drive West and Palos Verdes Drive South. No construction work will take place the week of December 26, 2011 and work will resume on Monday, January 2, 2012.

Excavation for concrete bus pad installation – Palos Verdes Dr. South near Hawthorne Bl.

Bus pad finishing after concrete pour – Palos Verdes Dr. South near Hawthorne Bl.

DE-WATERING WELLS

ACLAD

The replacement de-watering well that was recently installed through ACLAD is scheduled to go on line this month. So. Cal. Edison will make the electrical connection during December and following a short testing period the well will begin removing ground water.

Klondike Canyon Geologic Hazard Abatement District

The Klondike Board is moving forward with plans to fund and install a de-watering well. The current planned location for the well is on City owned property behind (north) of Dauntless Drive. Public Works is working with Planning to formally identify the well site. The Klondike board anticipates that work on the well will commence in late January.

FOLLOW UP ON UNIVERSAL WASTE SYSTEMS, INC.

Due to the upcoming holidays, Universal Waste Systems (UWS) plans to reach out to customers in the Upper Barkentine area (Arrowroot, Tarragon and Barkentine) to verify their request for a change in service levels has been delayed until after the new year. Staff will provide an update in future weeks.

A handwritten signature in black ink, appearing to be "Joel Rojas", is written over the "FROM:" line of the header.

Building & Safety Division updated ISO Rating

The Insurance Services Office (ISO) has recently completed their review of the City's Building & Safety Division related to building code effectiveness, and have issued a Building Code Effectiveness Grading Classification rating of 2 for both residential and commercial construction. This is great news as it is an improvement from the last time this evaluation was conducted, when the previous rating of a 3 was given on this important survey. Insurers may have adopted, or be in the process of adopting an ISO insurance rating program that will provide rating credits to individual property insurance policies in recognition of community efforts to mitigate property damage due to natural disasters. These insurers may use the Building Code Effectiveness Grading Classification as a basis for the credits used. This is an insurance underwriting and information tool. Just 18% of the ISO evaluations that are conducted result in a Class 1, 2, or 3 rating. A building-code enforcement department that scores in this range enforces the latest model codes without amendments that would weaken the code's ability to reduce damage from natural hazards.

PVPLC and RPV Monthly Team Meeting Minutes

Attached, under separate cover, are the action minutes from the December 1, 2011 monthly meeting between the City and the PVPLC.

Applications of Note

Attached is a table with a summary of the applications of note that were submitted to the Department between December 14 and December 20, 2011.

MEMORANDUM

TO: CAROLYN LEHR, CITY MANAGER
FROM: CAROLYNN PETRU, INTERIM DIRECTOR, RECREATION AND PARKS/
DEPUTY CITY MANAGER ^{CP}
DATE: DECEMBER 21, 2011
SUBJECT: ADMINISTRATIVE REPORT

Holiday Park Hours

The park facilities are open the following hours from December 19 through December 31. They are closed on December 24, 25 and January 1 for the holidays, but will reopen on Monday, January 2.

Abalone Cove Shoreline Park: Daily 9:00 a.m. - 4:00 p.m.

Fred Hesse Jr. Community Park: Mon. - Fri. 9:00 a.m. – dusk; Sat. & Sun. 10:00 a.m. - dusk

Ladera Linda Community Center: Daily 1:00 p.m. - 5:00 p.m.

Point Vicente Interpretive Center: Daily 10:00 a.m. – 5:00 p.m.

Robert E. Ryan Community Park: Daily 10:00 a.m. - dusk

MRCA Ranger-led Night Hikes

The next moonlight hike led by the Mountains Recreation and Conservation Authority (MRCA) Rangers will take place on January 14, 2012 in the Portuguese Bend Reserve. On these moderate hikes, park rangers share interpretive information about the Palos Verdes Nature Preserve and hiking safety tips. Interested hikers must pre-register with the City's Recreation and Parks Department by calling 310-544-5260.

Upcoming night hikes are scheduled for:

- Jan 14, 2012 7 p.m. - 9 p.m.
- Feb 11, 2012 7 p.m. - 9 p.m.

See you out there!

Online Activity Guide

The Recreation and Parks Department's Winter 2012 Online Activity Guide was updated last week to reflect the new City Council members and reorganization, as well as a few other changes. Visit the City website at <http://www.palosverdes.com/rpv> to view the new Activity Guide, featuring the upcoming 2012 privatized recreation classes and Department-run recreation programs and special events. The Activity Guide also has information about the many City park sites, the REACH Program for young adults with developmental disabilities, the Gifts for Parks Program, the Los Serenos Docent and Junior Docent Programs, and the Junior Ranger Program.

Mark your calendars for some of the 2012 highlights, including the Whale of a Day Celebration (March 3), Egg Hunt Eggstravaganza (April 7), Night at the Museum Sleepovers (February, March, and September), July 4th Celebration (July 4), Shakespeare by the Sea Performance (July 15), Coastal Cleanup Day (Sept. 15) and Breakfast with Santa (Dec. 15).

Whale Watching Update

| | | | |
|--------------------|---|----------------------|----|
| On 12/18/2011 | | Season to Date | |
| Southbound ----- | 2 | Southbound ----- | 33 |
| Northbound ----- | 0 | Northbound ----- | 2 |
| Today Whales --- | 2 | Total ----- | 35 |
| Cow/calves South - | 0 | Cow/calves South --- | 0 |
| Cow/calves North - | 0 | Cow/calves North -- | 0 |

At this point in the Whale Watch census, more southbound whales have been spotted than in the previous 25 seasons. Also spotted over the weekend were fin whales, bottlenose dolphins, and sea lions. The whale census takers are volunteers of Whale Watch, an organization that is cosponsored by the American Cetacean Society and the Cabrillo Marine Aquarium. The City provides space on the back patio for the whale watchers during the whale migration season to conduct their annual whale census.

How Does This Season Compare to Other Seasons in December?

On Thursday, December 22, the Sunset Room is rented for a wedding reception.

On Saturday, December 31, the Sunset Room is rented for a wedding ceremony and reception.

Via US Mail and Email

Mr. Michael Morris
Video Franchising Director
Communications Division
California Public Utilities Commission
505 Van Ness Avenue
San Francisco CA 94102

RE: Notice of corporate reorganization and transfer of DIVCA franchise from CoxCom, LLC to Cox Communications of California, LLC

Dear Mr. Morris,

CoxCom, LLC, dba Cox Communications (formerly, CoxCom, Inc.) (hereafter "Cox") is a State Video Franchise Holder and currently holds California Video Franchise No. 0003 ("DIVCA Franchise"). Pursuant to General Order 169, Article VI(F), this letter hereby provides notice that, as part of a corporate re-organization, CoxCom, LLC will transfer its DIVCA Franchise, to a newly formed subsidiary, Cox Communications California, LLC. Cox CA will be 100% owned by Cox. This transfer will be effective December 31, 2011.

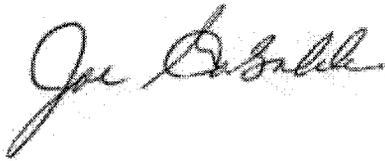

In addition to notifying the Commission of this change, Cox is sending a separate notice to each of the affected Local Entities.

Cox requests that the Commission issue an updated California Video Franchise Certificate that reflects Cox Communications California, LLC as the holder of the DIVCA Franchise.

Please let me know if you have any questions about this notice.

12/20/2011

Most sincerely,

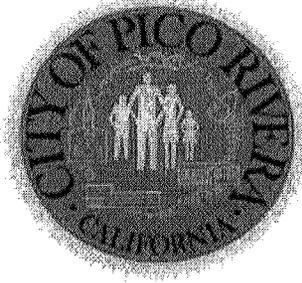

A handwritten signature in black ink, appearing to read "Joe Gabaldon". The signature is written in a cursive style with a large initial "J" and a long, sweeping underline.

Joe Gabaldon
Government Affairs Manager
