CITY MANAGER

Homeless Outreach Portal: The Los Angeles Homeless Services Authority (LAHSA) has joined with County to launch an online tool, the Homeless Outreach Portal which is referred to as LA-HOP. LA-HOP is designed to assist people experiencing homelessness in LA County with outreach services. LAHSA will use the information provided to dispatch a homeless services outreach team to the reported individuals and area. Use the following link to make a request - <https://www.lahsa.org/portal/apps/la-hop/request>.

An individual is advised to complete an online outreach request when you see someone experiencing homelessness that needs help and/or you notice a homeless individual struggling with their physical and/or mental health. LAHSA's "street-based outreach teams" serve those who the U.S. Department of Housing and Urban Development considers "literally homeless," which is defined as an individual that has a primary nighttime residence that is a public or private place not meant for human habitation.

Palos Verdes Peninsula Regional Law Enforcement Committee: The Palos Verdes Peninsula Regional Law Enforcement Committee met on August 16, 2018. The committee is comprised of Council members from the Peninsula cities, including Rancho Palos Verdes, Rolling Hills Estates and Rolling Hills.

Captain Beringer from the Lomita Sheriff's Station presented Part 1 crime stats for the second quarter of 2018. Notably, theft from vehicles is at 28 incidents in comparison to 20 incidents in the second quarter of 2017. Additionally, residential burglary continues to remain a priority as the number of incidents has not decreased as compared to 17 incidents in the second quarter of 2016.

Situational Awareness Seminar: Personal Safety: All residents are invited to learn best practices for personal safety including "See Something/Say Something," increase situational awareness, learn what to expect during law enforcement and an overview of "Run/Hide/Fight/Treat." Erik Franco, Department of Homeland Security and Law Enforcement Instructor, will be the featured speaker at this event.

The event is scheduled for September 20, 2018 and will be held at the Norris Pavilion located at 501 Indian Valley Road in the city of Rolling Hills Estates. Two sessions will be held at 4 p.m. and 6:30 p.m. For additional information contact Alexa Davis, Assistant to the City Manager at the City of Rolling Hills Estates, at (310) 377-1577 or alexad@ci.rolling-hills-estates.ca.us.

Vacation Security Camera Loaner Program: The program has been expanded to allow a RPV resident to check out a Ring Spotlight Cam for not only being away from home while on vacation but now also for while away from home during home renovation. A resident may check out a Spotlight Cam for a 30 day period provided that program requirements are met. For additional information visit the City website at <http://www.rpvca.gov/1118/Vacation-Security-Camera-Loaner-Program> or contact Jacqueline Ruiz, Administrative Analyst in the City Manager's office, at (310) 544-5305 or jruiz@rpvca.gov.

FINANCE

Upcoming Finance Advisory Committee (FAC) Meeting: The next FAC meeting will be held on Thursday, August 30th at 7:00pm in the Community Room at City Hall. The Committee's agenda items will include a review of the proposed FY18-19 FAC Work Plan and a review of the FY18-19 Investment Policy.

OpenGov Updated with July's Financial Data: The City of RPV's revenue and expense data for the month of July is now available via OpenGov. OpenGov presents this data using easy to read dynamic charts and graphs. Users can view information by fund, program and expense type. Revenue and expense data for prior months and fiscal years is available as well. Visit www.rpvca.gov/895/OpenGov-Financial-Data to learn more.

PUBLIC WORKS

Residential Streets Rehabilitation Project, Area 8 (Miraleste Area Neighborhoods): This project consists of curb, gutter, sidewalk and street repairs in public, residential neighborhoods adjacent to Palos Verdes Drive East (Via Subida and north) and adjacent to Miraleste Drive. Phase 1 construction commenced on August 27th with concrete repairs. Door hanger notifications will continue to be provided to affected residents prior to any construction adjacent to their residence.

Labor Day Holiday Trash Collection Changes: Due to the Labor Day holiday, there will be no trash collection on Monday, September 3rd. As a result, trash collection for the entire week of 9/3/18 will be delayed by one day. In addition to the City and EDCO's quarterly newsletters, public notification/outreach have been sent through list server and Nextdoor announcements and press releases to PV News and Daily Breeze.

Labor Day Holiday Street Sweeping Changes: Due to the Labor Day holiday, there will be no street sweeping on Monday, September 3rd. Sweeping for the El Prado Estates, San Ramon, Miraleste Hills, Mira Catalina, Mediterrania and La Rotonda areas will be performed on

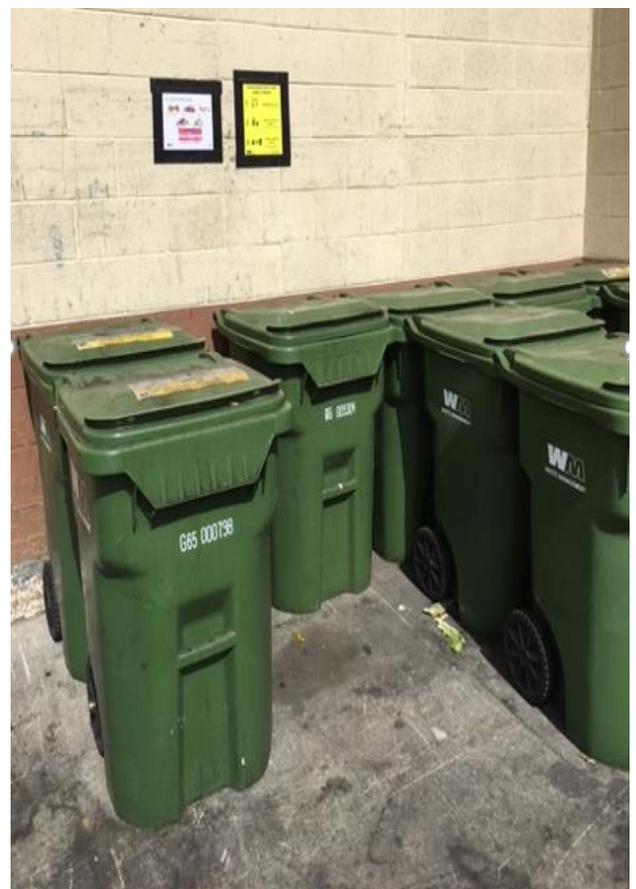

ADMINISTRATIVE REPORT

August 29, 2018

Page 5

Wednesday September 5th. Public notification/outreach has been sent through list server and Nextdoor announcements.

CalRecycle Annual Site Visit: On Tuesday 8/28/18, staff and CalRecycle representatives met to review the City's 2017 source reduction, recycling and reuse programs and receive an update on the implementation of CalGreen 2016's construction and demolition recycling requirements. Later the group went on a site visit to the Smart and Final grocery store on Western and Westmont to observe their organic waste reduction practices and programs. Staff thanks Waste Management for their participation and coordinating this site visit. Below see the organics recycling posters and bins, bailed cardboard, and reusable wooden pallets and plastic storage bins.

Next Paper Shredding Event: Mark your calendars! EDCO's next free paper/document shredding for residents will be on Saturday October 13th. Similar to previous years, electronic waste will also be collected and free mulch will be available to residents.

Maintenance Activities: This week maintenance Staff continued to water trees along the Hawthorne Blvd. Medians. We also repaired a cracked sidewalk on Granvia Altamira and Hawthorne Blvd. Additionally, Staff repaired the Hesse Park McTaggart Hall air conditioner that is used during senior citizen activities and RPV City Council Meetings. The maintenance Staff also made repairs to a broken fence along Vanderlip Park. Lastly, Staff set up a speed radar to help reduce speeding in the neighborhood of Summerland and Wycliff.

COMMUNITY DEVELOPMENT

Marymount – September 13th Neighborhood Advisory Committee Meeting: The Neighborhood Advisory Committee (NAC) meets once during the fall term and once during the spring term to review any campus operational and neighborhood concerns. The meetings typically occur near the end of each term. However, in light of the University's recent submittal of a Conditional Use Permit Revision application, the University is calling for a meeting with the NAC to discuss its current application. The meeting is scheduled for Thursday, September 13th at 10 a.m.

Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) Update: The City's NCCP/HCP is one step closer to publication in the Federal Register in accordance with NEPA. Earlier this week, the Wildlife Agencies notified the City that the City's permit application has been submitted to the Department of the Interior, and is awaiting publication in the Federal Register, at which time a 60-day public comment period will begin. The Wildlife Agencies anticipate publication in the Federal Register by the end of the summer. Once they finalize the internal decision documents, the City Council will consider adopting the final NCCP/HCP document.

The Director Approves a Noncommercial Amateur Radio Antenna at 28951 Crestridge Road: On August 24, 2018, the Director of Community Development issued a Notice of Decision (attached) approving, with conditions, an Antenna Site Plan Review to allow the construction of a 35' tall antenna structure on the property located at 28951 Crestridge Road. The antenna structure consists of a 25' tall tower with a 10' tall mast to accommodate a noncommercial amateur radio antenna affixed to the top of the mast. A copy of the Notice of Decision was sent to all interested parties and the Planning Division is currently observing the 15-day appeal period, which ends on Monday, September 10, 2018.

RPV is a Beacon Award Recipient: The Institute for Local Government recently notified the City that it will be receiving a 2018 Beacon award. The voluntary award program recognizes and celebrates achievements of cities that reduce greenhouse gas emissions and save energy. Specifically, the City will receive a Silver Level award, which highlights the City's 8% community greenhouse gas reductions, 10% energy savings and overall sustainability best practices. City Staff will provide additional information about the award ceremony as it becomes available.

Special Use Permit Extension Request for a Soil Vapor Extraction System at Golden Cove: The Special Use Permit allowing the temporary operation of a Soil Vapor Extraction (SVE) system at Golden Cove to remediate the subsurface chemical impacts related to the historical dry-cleaning operations at the shopping center ended on August 23rd. On July 18, 2018, the Applicant submitted a request to extend the Special Use Permit for an additional year (to August 23, 2019). In accordance to Condition No. 15, the operation of the SVE system must cease until a permit extension is issued. On August 23, 2018, City Staff visited the shopping center and determined that the SVE system was turned off and in compliance with permit requirements. The Planning Division continues to review the extension request for completeness. Once deemed complete, a new public notice will be issued. Staff anticipates public comments regarding the noise generated by the SVE system. To that end, Staff is working with the Applicant to proactively address this concern prior to issuing the public notice.

RECREATION & PARKS

PVIC/Docents: The Docents open house is on Wednesday evening at PVIC. The open house is intended to provide information to prospective docents and others about Los Serenos organization and becoming a docent.

The Sunset Room is rented Saturday for a rehearsal dinner and Sunday for a wedding reception, on Sunday the amphitheater is also rented for a wedding ceremony.

Hesse Park: The facilities are rented this week for eight indoor recreation classes, one non-profit group rentals, two Peninsula Seniors activities, one City meeting, and two private rentals.

Ladera Linda Park: The facilities are rented this week for two recreation classes, and two non-profit rentals.

Ryan Park: The facilities are rented this week for one youth sports league. Summer classes have ended and instructors are resetting for Fall activities beginning next week.

Volunteer Program: 28 volunteers helped staff plant, trim, prune, and beautify Abalone Cove Shoreline Park this past Sunday.

REACH: On Saturday, REACH traveled to Green Valley Lake for a day of boating, fishing and swimming. On Wednesday, REACH wrapped up the summer with a beach bonfire at Cabrillo Beach filled with singing songs, a bonfire BBQ and campfire desserts!

Healthy RPV Program:

Open Gym regular schedule:

Sundays, 10am-12pm Miraleste Intermediate School

Sundays, 2-4pm, Peninsula High School

Wednesdays, 7-9pm, Miraleste Intermediate School

Open Gym had the following attendance:

Wednesday, August 22, 2018, 18 people attended @ Miraleste

Sunday, August 26, 2018, 6 people attended @ Miraleste Gym

16 people attended @ Peninsula High

NOTICE OF DECISION

NOTICE IS HEREBY GIVEN that the Director of Community Development of the City of Rancho Palos Verdes has approved, with conditions, an Antenna Site Plan Review to allow the construction of a 35' tall antenna structure consisting of a 25' tall tower with a 10' tall mast to accommodate a noncommercial amateur radio antenna affixed to the top of the mast within the west side yard of the project site, subject to the Conditions of Approval contained in the attached Exhibit "A" (Case No. ZON2017-00389).

LOCATION: 28951 Crestridge Road

**APPLICANT/
LANDOWNER: Donald C. Wilt**

Said decision is subject to the following Conditions of Approval:

General Conditions:

1. Prior to the submittal of plans into Building and Safety plan check, the applicant and the property owner shall submit to the City a statement, in writing, that they have read, understand, and agree to all conditions of approval contained in this Resolution. Failure to provide said written statement within ninety (90) days following the date of this approval shall render this approval null and void.
2. The Applicant shall indemnify, protect, defend, and hold harmless, the City, and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof, from any and all claims, demands, lawsuits, writs of mandamus, and other actions and proceedings (whether legal, equitable, declaratory, administrative or adjudicatory in nature), and alternative dispute resolutions procedures (including, but not limited to arbitrations, mediations, and other such procedures) (collectively "Actions"), brought against the City, and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof, that challenge, attack, or seek to modify, set aside, void, or annul, the action of, or any permit or approval issued by, the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof (including actions approved by the voters of the City), for or concerning the project.
3. Prior to conducting any work in the public right of way, such as for curb cuts, dumpsters, temporary improvements and/or permanent improvements, the applicant shall obtain an encroachment permit from the Director of Public Works.
4. Approval of this permit shall not be construed as a waiver of applicable and appropriate zoning regulations, or any Federal, State, County and/or City laws and regulations. Unless otherwise expressly specified, all other requirements of the City of Rancho Palos Verdes Municipal Code shall apply.

5. Pursuant to Municipal Code §17.78.040, the Director of Community Development is authorized to make minor modifications to the approved plans and any of the conditions of approval if such modifications will achieve substantially the same results as would strict compliance with the approved plans and conditions. Substantial changes to the project shall be considered a revision and require approval of a revision by the final body that approved the original project, which may require new and separate environmental review and public notification.
6. The project development on the site shall conform to the specific standards contained in these conditions of approval or, if not addressed herein, shall conform to the residential development standards of the City's Municipal Code, including but not limited to height, setback and lot coverage standards.
7. Failure to comply with and adhere to all of these conditions of approval may be cause to revoke the approval of the project pursuant to the revocation procedures contained in Municipal Code §17.86.060 and administrative citations as described in Municipal Code § 1.16.
8. If the applicant has not submitted an application for a building permit for the approved project or not commenced the approved project as described in Municipal Code §17.86.070 within 180 days of the final approval date, approval of the project shall expire and be of no further effect unless, prior to expiration, a written request for extension is filed with the Community Development Department and approved by the Director.
9. In the event that any of these conditions conflict with the recommendations and/or requirements of another permitting agency or City department, the stricter standard shall apply.
10. Unless otherwise designated in these conditions, all construction shall be completed in substantial conformance with the plans stamped APPROVED by the City with the effective date of this approval.
11. This approval is only for the items described within these conditions and identified on the stamped APPROVED plans and is not an approval of any existing illegal or legal non-conforming structures on the property, unless the approval of such illegal or legal non-conforming structure is specifically identified within these conditions or on the stamped APPROVED plans.
12. The construction site and adjacent public and private properties and streets shall be kept free of all loose materials resembling trash and debris in excess of that material used for immediate construction purposes. Such excess material may include, but not be limited to: the accumulation of debris, garbage, lumber, scrap metal, concrete asphalt, piles of earth, salvage materials, abandoned or discarded furniture, appliances or other household fixtures.
13. All construction sites shall be maintained in a secure, safe, neat and orderly manner, to the satisfaction of the City's Building Official. All construction waste and debris resulting from a construction, alteration or repair project shall be removed on a weekly basis by the contractor or property owner. Existing or temporary portable bathrooms shall be provided during construction. Portable bathrooms shall be placed in a location that will minimize

disturbance to the surrounding property owners, to the satisfaction of the City's Building Official.

14. Permitted hours and days for construction activity are 7:00 AM to 6:00 PM, Monday through Friday, 9:00AM to 5:00PM on Saturday, with no construction activity permitted on Sundays or on the legal holidays specified in Section 17.96.920 of the Rancho Palos Verdes Development Code. During demolition, construction and/or grading operations, trucks shall not park, queue and/or idle at the project site or in the adjoining street rights-of-way before 7AM Monday through Friday and before 9AM on Saturday, in accordance with the permitted hours of construction stated in this condition. When feasible to do so, the construction contractor shall provide staging areas on-site to minimize off-site transportation of heavy construction equipment. These areas shall be located to maximize the distance between staging activities and neighboring properties, subject to approval by the building official.
15. If construction projects that are accessible from a street right-of-way or an abutting property and which remain in operation or expect to remain in operation for over 30 calendar days, the applicant shall provide temporary construction fencing, as defined in Section 17.56.050(C) of the Development Code. Unless required to protect against a safety hazard, temporary construction fencing shall not be erected sooner than 15 days prior to commencement of construction.
16. For all grading, landscaping and construction activities, the applicant shall employ effective dust control techniques, either through screening and/ or watering.

Project Specific Conditions:

17. This approval shall allow the construction of 35' tall antenna structure consisting of a 25' tall antenna tower with a 10' tall antenna mast, to accommodate a noncommercial amateur radio antenna affixed to the top of the mast. The antenna structure shall be located within the west side yard of the project site.
18. The antenna structure shall include a horizontal antenna component at the top of the mast measuring a maximum width of 10'-6".
19. The approved antenna structure and horizontal antenna component shall maintain 30' front, 28' west side, and 27' rear yard setbacks.
20. The subject property shall be limited to the installation of only (1) non-exempt noncommercial amateur antenna and support tower. No commercial operation shall be permitted under this approval.
21. The proposed antenna and support structure shall be designed to be retractable and shall be maintained in working order.
22. The City shall inspect the antenna structure within 30 days of installation to determine compliance with these Conditions of Approval.
23. Prior to the issuance of Building Permits, all applicable soils/geotechnical reports, if required by the Building and Safety Division, shall be approved by the City's Geologist.

24. Prior to the issuance of Building Permits, a review of the proposed equipment's wind load and seismic design criteria is required to be accepted by the Building & Safety Division.
25. Prior to the issuance of Building Permits, the Applicant shall provide manufacturers' specification to the Planning Division demonstrating that the antenna equipment will not generate noise in excess of 65dBA at the property line and that the antenna equipment will be maintained at such sound levels. Prior to permit final, the Building and Safety Division shall verify the installation and operation of approved equipment described above.
26. Prior to the issuance of Building Permits, the Applicant shall submit a notarized statement, which states no commercial frequencies will be used for transmission or propagation under this approval. In addition, the statement shall state that there will be no communication for hire or for material compensation, and the Applicant will comply with FCC regulations
27. The antenna structure, including but not limited to, the tower and support features shall be painted Mission Brown.
28. This approval is granted to the property owner, Mr. Don Wilt, and is nontransferable to future property owner. Prior to the sale of the subject property, the antenna structure and its support equipment shall be removed from the project site at the cost of the property owner. The City shall inspect the property for compliance with this condition prior to transferring ownership.

This decision may be appealed, in writing, to the Planning Commission. The appeal shall set forth the grounds for appeal and any specific action being requested by the appellant. Any appeal letter must be filed within fifteen (15) calendar days of the date of this notice, or by 5:30PM on Monday, September 10, 2018. A \$2,275.00 appeal fee must accompany any appeal letter. If no appeal is filed timely, the Director's decision will be final at 5:30PM on Monday, September 10, 2018.

If you have any questions regarding this application, please contact Octavio Silva at (310) 544-5234 or via email at octavios@rpvca.gov for further information.
