

RESOLUTION NO. 2015-72

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RANCHO PALOS VERDES ESTABLISHING THE RPV RESIDENT RECREATION PARKING PERMIT PROGRAM.

THE CITY COUNCIL OF THE CITY OF RANCHO PALOS VERDES DOES HEREBY FIND, ORDER AND RESOLVE AS FOLLOWS:

WHEREAS, Chapter 10.20 of the Rancho Palos Verdes Municipal Code authorizes the City Council to establish permit parking in areas in the City by resolution pursuant to the authority provided by California Vehicle Code Section 22507; and

WHEREAS, Del Cerro Park and the Palos Verdes Nature Preserve is located just to the south and west of Crenshaw Blvd, and visitors (non-residents) to the park and Preserve have fully utilized all available public parking in the Park and along Crenshaw Blvd for extended periods of time. These parked vehicles are precluding residents who live in the City from being able to park and enjoy public amenities, which is causing a deterioration of their residential quality of life; and

WHEREAS, the City is initiating permit parking for residents for ten parking spaces on Crenshaw Blvd to address the parking problems associated with non-residents parking cars in this area; and

WHEREAS, the establishment of permit parking for City residents along a small portion of Crenshaw Boulevard consisting of ten parking spaces, seven days a week, from dawn to dusk, is intended to reserve parking spaces along Crenshaw Blvd, and is necessary to provide reasonably available and convenient parking for the benefit of residents who live in Rancho Palos Verdes:

WHEREAS, the City Council determines that establishing permit parking would not result in significant environmental effects because the result of the program will not significantly alter existing conditions. Therefore, in accordance to the California Environmental Quality Act (CEQA), the City Council finds that establishment of the permit parking program is considered a Categorical Exemption from CEQA based on Section 15301(c) of Article 19, which states that operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographic features involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination.

NOW, THEREFORE THE CITY COUNCIL OF THE CITY OF RANCHO PALOS VERDES DOES HEREBY RESOLVE AND ORDER AS FOLLOWS:

Section 1. Required Findings. The City Council finds that the establishment of a recreation parking permit program for residents who desire to park on Crenshaw Blvd for the enjoyment of Del Cerro Park and the Nature Preserve, seven days a week, from dawn to dusk, is necessary to provide parking on this street for the residents who live in the City that is caused by long term parking of nonresident vehicles on Crenshaw Blvd. These adverse impacts have resulted in deterioration of the quality of life to the detriment of its residents and their property values. For these reasons, the City Council finds that the establishment of a designated permit parking area for the portion of the street listed in Section 2 of this Resolution is necessary to avoid the adverse impacts upon the residents and to provide reasonably available and

convenient parking for the benefit of the residents parking to enjoy the Park and Nature Preserve.

Section 2. Designation of Permit Parking Area. Based upon the findings in Section 1, the following areas are designated for resident permit parking:

Crenshaw Blvd (first 10 parking spaces along the west side from Park Place to about 200 feet northly)

Section 3. Designation of Parking Restrictions. Pursuant to Section 22507 of the Vehicle Code, the permit parking restrictions on the portions of the streets listed in Section 2 above on Crenshaw Blvd shall be as follows:

No parking except by permit only.

Section 4. Posting of Signs. The parking prohibitions contained in Section 3 of this Resolution shall not become effective until signs have been posted giving adequate notice of the parking restrictions imposed by this resolution. The Director of Public Works is hereby authorized to erect such signs. Vehicles that are parked without displaying the required permit may be towed pursuant Vehicle Code Section 22651(n).

Section 5. The City Clerk shall certify to the passage and adoption of this Resolution.

PASSED, APPROVED and ADOPTED this 21st day of July 2015.

Mayor

ATTEST:

City Clerk

State of California)
County of Los Angeles) ss
City of Rancho Palos Verdes)

I, Carla Morreale, City Clerk of the City of Rancho Palos Verdes, hereby certify that the above Resolution No. 2015-72, was duly and regularly passed and adopted by the said City Council at a regular meeting thereof held on July 21, 2015.

City Clerk
