

# PARK RULES

## FLOWERS AND DECORATIONS

- Fences, lit candles, potted plants, plastic vases, rocks, or stones around markers, pinwheels, or food are not permitted on the grounds; decorations should not be hung from trees, plants, or shrubs and will be removed. Exceptions may be made during special seasons provided items do not pose a safety hazard.
- All large decorations that encroach upon another family's site will be removed, as well as those which obstruct the normal daily operations of the park (burials, landscaping, etc.).
- All decorations are the sole responsibility of the family. Green Hills Memorial Park is not responsible for flowers or decorations placed on a grave or mausoleum crypt.
- Artificial flowers are permitted in the Mausoleums only. Artificial flowers left on interment sites will be removed. All artificial flowers will be removed from the mausoleums once each year beginning the first Saturday in November.
- Flowers and decorations are removed each Thursday and Friday, except for special seasons as described in this brochure.
- Flowers are a lovely gift and will be left on the site or outside the mausoleum on the lawn up to two days after a funeral service. The greenery is attractive not only to people, but also to squirrels and other wildlife that like to eat flowers left behind. If you are planning to retrieve any floral arrangements after a funeral, we suggest you do so at the conclusion of the service.
- We ask that you respect the property of others. Theft of flowers or personal items is a crime and will be prosecuted.
- Green Hills Memorial Park reserves the right to remove any items except flowers during normal maintenance activities.

## REVERENCE AND SAFETY

- While visiting, we ask for quiet and reverence. Loud and abusive conduct is not allowed, and alcohol is never permitted.
- Children under the age of 16 should be accompanied by an adult at all times, especially by the lake, and should never be left alone in vehicles.
- Please lock your vehicle while visiting a site. Green Hills Memorial Park is not responsible for lost or stolen goods.
- Please drive slowly throughout the Park. We ask that visitors refrain from using skateboards, bicycles, roller blades, and roller skates.
- The Lake is a popular feature of our Park. The water is several feet deep and children should be accompanied at all times by an adult. While the feeding of the ducks is permitted, please do not throw trash or other debris in the water. Help us preserve the beauty and natural habitat of our wildlife and fish.

## PARK UPDATES

- ◇ The completion of our Administrative Office Remodel is well on its way—we are hoping to have the remodel completed within the next 60 days
  - ◆ As part of the remodel, the two temporary modular buildings on the west side of the administrative parking lot have now been removed
- ◇ (1) Additional daytime security guard has been added Monday through Friday
- ◇ Developed and implemented a standard Code of Conduct—signs detailing these codes will be placed throughout the park
- ◇ Creation of the Team App Group for the Peninsula Verde and Rolling Vista HOA and GHMP.
  - ◆ Allows for another way to communicate by making information available. The events are all set to send a reminder 24 hours before they take place. GHMP contact numbers are easily accessible and the chat room is available to communicate noise/alcohol concerns.
- ◇ Permit Filed—Potential Monument Spaces
  - ◆ This would allow for monuments with a height of up to 72" in "The Churchyard" and up to 72" or the height of the adjacent wall or hedge, whichever is shorter, in existing Private Gardens and Family Estates.
- ◇ Area 6 Update—We are currently in the process of re-organizing this storage area for dirt and supplies
