

# PARK RULES

## FLOWERS AND DECORATIONS

- Fences, lit candles, potted plants, plastic vases, rocks, or stones around markers, pinwheels, or food are not permitted on the grounds; decorations should not be hung from trees, plants, or shrubs and will be removed. Exceptions may be made during special seasons provided items do not pose a safety hazard.
- All large decorations that encroach upon another family's site will be removed, as well as those which obstruct the normal daily operations of the park (burials, landscaping, etc.).
- All decorations are the sole responsibility of the family. Green Hills Memorial Park is not responsible for flowers or decorations placed on a grave or mausoleum crypt.
- Artificial flowers are permitted in the Mausoleums only. Artificial flowers left on interment sites will be removed. All artificial flowers will be removed from the mausoleums once each year beginning the first Saturday in November.
- Flowers and decorations are removed each Thursday and Friday, except for special seasons as described in this brochure.
- Flowers are a lovely gift and will be left on the site or outside the mausoleum on the lawn up to two days after a funeral service. The greenery is attractive not only to people, but also to squirrels and other wildlife that like to eat flowers left behind. If you are planning to retrieve any floral arrangements after a funeral, we suggest you do so at the conclusion of the service.
- We ask that you respect the property of others. Theft of flowers or personal items is a crime and will be prosecuted.
- Green Hills Memorial Park reserves the right to remove any items except flowers during normal maintenance activities.

## REVERENCE AND SAFETY

- While visiting, we ask for quiet and reverence. Loud and abusive conduct is not allowed, and alcohol is never permitted.
- Children under the age of 16 should be accompanied by an adult at all times, especially by the lake, and should never be left alone in vehicles.
- Please lock your vehicle while visiting a site. Green Hills Memorial Park is not responsible for lost or stolen goods.
- Please drive slowly throughout the Park. We ask that visitors refrain from using skateboards, bicycles, roller blades, and roller skates.
- The Lake is a popular feature of our Park. The water is several feet deep and children should be accompanied at all times by an adult. While the feeding of the ducks is permitted, please do not throw trash or other debris in the water. Help us preserve the beauty and natural habitat of our wildlife and fish.

## HARVEST FESTIVAL

SUNDAY, OCTOBER 15, 2017

12:00pm—3:00pm

A day of Fall family fun awaits!

Activities include arts & crafts, maze, hayrides, pumpkin patch, food trucks, and live music by South Bay Country.

Admission is free.

# DECORATION PICK-UP SCHEDULE

## JUNE

### Father's Day Decorations (June 18)

Placement: Beginning Saturday, June 10

Removal: Beginning Thursday, June 22

## JULY

### Independence Day Decorations (July 4)

Placement: Beginning Saturday, June 24

Removal: Beginning Thursday, July 6

## AUGUST & SEPTEMBER

Regular Pickup Schedule

While we love to see all the wonderful decorations and will leave them up as long as possible, when decorations are there too long they can interfere with our ability to conduct routine park maintenance, such as cutting the lawn. For this reason, we have to take them down.

# PARK UPDATES

- ◇ We are currently in our daylight savings time operating hours of 7:00am to 6:30pm (April through October).
- ◇ A new security gate has been installed. This gate closes automatically at closing time. It also automatically closes behind exiting cars so no additional traffic can enter the park.
- ◇ The administrative office remodel has been completed and finalized by the city. We are now pending the update to our information booth which will include adding on 40 square feet, as well as an addition to the administrative building to add two bathrooms.
- ◇ The service schedule on our website has been reprogrammed. All public services will now appear on the Green Hills Memorial Park website.
- ◇ Inspiration Slope Terrace, the undeveloped area immediately behind Inspiration Slope Mausoleum, is currently in the planning stage—with the intention of breaking ground by the end of 2017. This development will consist of a retaining wall, private garden and water feature.
- ◇ New signs are now displayed throughout the park so that the Code of Conduct and Park Rules are made clearer and readily available to all park guests.
- ◇ On Monday, June 19, Green Hills leadership met with the City of Rancho Palos Verdes and representatives from the Rolling Hills Riviera Homeowners Association and Peninsula Verde Homeowners Association for our second Quarterly Neighborhood Advisory Committee. It was a productive and positive conversation, and we look forward to continuing to work closely with our neighbors and the City as we strive to continue to be a good neighbor and dedicated community partner.
