Direction: The collection facility is located on Gaffey Street, across the street from the DMV. It is next to a smog check shop. Drive slowly because it is easy to miss the entrance sign and pass by. Carefully cross over the railroad tracks and expect a 5–10-minute wait in line.

ELECTRONIC WASTE (E-Waste) ONLY

EDCO is the City's exclusive residential trash hauler. EDCO picks up unwanted electronics waste at curbside free of charge. The acceptable items include TVs, computer monitors, CPUs, printers, etc. However, you **must** call their customer service first and schedule an electronic/bulky item pickup. The e-waste is collected by a separate truck (not the regular trash truck), so your items will not be picked up unless you call in advance and schedule a collection. Pickup is typically scheduled on your next collection day. There is a limit of four free collections per year (and each time up to 4 items can be collected). EDCO does not accept household hazardous waste.

EDCO Customer Service: (310) 540-2977, www.rpvrecycles.com

If your item is in usable condition, please first contact a charity. There are several charitable organizations that could use your unwanted items. For example the Salvation Army (800) 958-7825, Goodwill (562) 435-7741, United Cancer Research Society (800) 443-4224, or St. Vincent de Paul (800) 974-3571, etc. Not only will your unwanted items help a needy person or a good cause, but it will also help the City meet State mandates by reducing the trash going to landfills. Your donation could also be tax deductible.
