SIGN PERMIT

The sign ordinance was established to prevent the unnecessary proliferation of signs throughout the city, thereby protecting the property values, safety, and quality of life in the area. Please refer to section 17.76.050 of the city's development code for specific sign guidelines and restrictions. Please contact a planner at (310) 544-5228, if you have any questions regarding the city's sign restrictions or questions regarding this application.

In order to process this application without delay, please submit the following materials:

- One (1) sign permit application signed by applicant and property owner.
- Three (3) copies of a site plan and elevations showing the location of all existing and proposed signs and their relation to adjacent buildings or structures. Signs must be labeled existing or proposed, or otherwise be clearly distinguishable.
- Three (3) copies of a sign plan identifying colors, design, and dimensions of all proposed signs.

If a Sign Permit Application requires review by the Planning Commission, the following must be submitted:

- Two (2) copies of a "vicinity map", prepared to scale, which shows all neighboring properties within a 500 foot radius of the subject property (applicant). The "Vicinity Map" must be prepared exactly as described in the attached instruction sheet.
- Two (2) sets of self-adhesive mailing labels and one (1) photocopy of the labels which list the property owner of every parcel which falls within a 500 foot radius of the subject property (applicant). The name and address of every property owner (including applicant) and the local Homeowners' Association, if any, must be typed on 8 1/2" X 11" sheets of self-adhesive labels. The mailing labels must be keyed to the corresponding lots, as shown on the vicinity map described above. The property owners mailing list must be prepared exactly as described in the attached instruction sheet. If the property owners mailing list is not prepared by a Title Company or other professional mailing list preparation service, the applicant must sign and submit the attached "Certification of Property Owners Mailing List" form.

- **Filing fee:**
  - Temporary Sign: $103.00 + $4.00 Data Processing Fee = $107.00
  - Permanent Sign: $340.00 + $4.00 Data Processing Fee = $344.00
  - Master Sign Program: $1,932.00 + $4 Data Processing Fee = $1,936.00

In addition to the above Filing Fee, a Trust Deposit may be collected if Traffic Engineer review is required and a $18.00 Historic Data Entry Fee (one time fee per property) may be required if applicable.

CITY OF RANCHO PALOS VERDES
INSTRUCTIONS FOR PREPARING A VICINITY MAP AND PROPERTY OWNERS LIST

In order to satisfy public noticing requirements, certain planning applications require the submittal of a vicinity map and accompanying property owners list. The size of the vicinity map varies by application and may involve either adjacent properties, a 100’ radius, or a 500’ radius. Please check on the application form you are submitting for the vicinity map size you must submit.

With the exception of “Adjacent Properties” maps, a vicinity map and property owners list must be prepared by a Title Company or other professional mailing list preparation service. The mailing labels must be certified as accurate by the agent preparing the mailing list. Attached is a list of firms that provide services in preparation of vicinity maps and certified mailing labels. This is not intended to be an exhaustive list and the cost of the services provided will vary.

If you have any questions regarding properties of the vicinity map or property owners list, as described below, please contact a planner at (310) 544-5228.

VICINITY MAP

The purpose of the vicinity map is to clearly show all properties within the required radius of the subject lot (applicant). The vicinity map must clearly show the required radius line, dimensioned and drawn from the exterior boundaries of the subject lot, as shown below. All neighboring properties (including lots outside R.P.V. city limits) which fall completely within, partially within or are just touched by the radius line, must be consecutively numbered and the names and the addresses of the owners provided to the City as described below. Please devise your own consecutive numbering system on the map and ignore the lot number, Assessor’s number, or any other number already found on the lots on the vicinity maps. An “adjacent properties” vicinity map does not involve a set radius but rather needs to identify all properties behind, beside, and in front of the proposed project site, as shown below. The city’s planning staff can provide the base map for preparing the vicinity map for a nominal charge. Applicants may also prepare their own maps, at a clearly marked scale of not less than 1” = 200’.

PROPERTY OWNERS MAILING LIST

The property owner of every parcel (even if vacant, rented or government owned), which falls completely or partially within the required radius on the vicinity map must be identified, placed on a mailing list and submitted to the City. The name and address of every property owner along with the assigned lot identification number, which corresponds to the vicinity map, must be neatly typed on 8 ½” x 11 sheets of Xerox or Avery self-adhesive labels, as shown below. Two (2) sets of self-adhesive labels and a Xerox copy of the list must be provided to the City with your subject application. These labels will be used by the City to mail notice of your subject application to neighboring property owners. The property owners list must be obtained from the most current L.A. County Tax Assessor’s roll. The City does not provide this service. The Assessor’s office located at 500 W. Temple Street, Room 205, Los Angeles, CA 90012. Office hours are 8:00 am to 4:30 pm Monday-Friday. The telephone number is (213) 974-3441.
