

# EDCO'S CITY-WIDE BRUSH CLEARING EVENT

## Spring Season 2021

**Help prevent brush fires by taking advantage of this event!** The City holds bi-annual brush clearing event. The Spring season brush-clearing event begins in mid-April. The goal of the event is to assist homeowners' dispose (free of charge) excess brush, shrubs, hedges, tree branches, and bushes in order to comply with the fire safety guidelines. This event is especially helpful for large and/or canyon properties, and/or homes with trees in need of trimming. The Fire Marshall deadline is June 1<sup>st</sup>.

Acceptable green waste may be in **tied** bundles, in EDCO carts, and/or in other personal cans. Greens placed in plastic bags will be accepted, however use of plastic bags are discouraged due to possible contamination issues at the processing facilities. Loose material, trash or construction and demolition material will **not** be collected.

EDCO will recycle the collected green waste. This free event is in addition to the regularly scheduled weekly green waste collection. **The event starts on April 17<sup>th</sup> for five consecutive Saturdays**, each week concentrating on a different area in RPV depending on that area's regular collection day.
