

# Table of Contents

## I. Introduction

## II. Conservation and Open Space Element

<b>Goals</b>	<b>CO-1</b>
Basic Ecological Units	CO-2
<i>Climate</i>	
<i>Air Quality</i>	
<i>Topography</i>	
<i>Geologic Conditions &amp; Geotechnical Factors</i>	
<i>Mineral Resources</i>	
<i>Hydrology</i>	
<i>Biotic Resources</i>	
<i>Ocean Resources</i>	
Resource Classification	CO-26
<i>Areas of Consideration of Public Health &amp; Safety</i>	
<i>Areas of Preservation of Natural Resources</i>	
Conservation	CO-31
<i>Conservation of Areas with Multiple Resource Districts</i>	
<i>Climate Change and Energy Conservation Efforts</i>	
Cultural Resources	CO-34
<i>Paleontological, Historical &amp; Archeological Resources</i>	
<i>Cultural Resources Options</i>	

Open Space & Recreational Resources CO-38

*Open Space Resources*

*Recreational Resources*

**Policies** CO-52

### ***III. Land Use Element***

**Goals** LU-2

Natural Environment/Hazard Areas LU-4

*Hazard Areas*

*Open Space Hillside*

*Open Space Preservation*

Urban Land Areas LU-5

*Residential*

*Commercial*

*Institutional*

*Recreational*

*Agricultural*

*Infrastructure Facility*

Population Projections LU-27

Overlay Control Districts LU-29

Specific Plan Districts LU-34

Former Redevelopment Project Area LU-37

Landslide Moratorium Area LU-38

Flood Hazard Areas LU-40

Compatibility of Adjacent Activity Areas to RPV LU-40

**Policies** LU-42

## **IV. Circulation Element**

<b>Goals</b>	<b>C-2</b>
Transportation Systems	C-2
<i>Vehicular Networks</i>	
<i>Public Transportation</i>	
<i>Path and Trail Networks</i>	
Infrastructure Systems	C-17
<i>Resource Systems</i>	
<i>Disposal and Recovery Systems</i>	
<i>Flood Control and Storm Drain Systems</i>	
<i>Communication Systems</i>	
<b>Policies</b>	<b>C-34</b>

## **V. Visual Resources Element**

<b>Goals</b>	<b>VR-1</b>
Types of Visual Resources	VR-2
<i>Views</i>	
<i>Vistas</i>	
<i>Urban Design</i>	
Visual Resources of Rancho Palos Verdes	VR-3
<i>Natural Visual Resources</i>	
<i>Man-made Visual Resources</i>	
<i>Urban Design Visual Resources</i>	
Viewing Stations	VR-5
<i>Viewing Points</i>	
<i>Viewing Sites</i>	

<i>Viewing Corridors</i>	
Preservation and Enhancement of Visual Resources	VR-6
<i>Natural Areas to be Preserved</i>	
<i>Developed Areas to be Preserved</i>	
<i>Developed Areas to be Restored</i>	
<i>Visual Corridors to be Preserved</i>	
<i>Night Sky to be Preserved</i>	
Implementation Tools	VR-7
<i>View Restoration and Preservation Ordinance and Guidelines</i>	
<i>Guidelines and Procedures for Neighborhood Compatibility</i>	
<i>Coastal Specific Plan</i>	
<i>Western Avenue Specific Plans</i>	
<b>Policies</b>	<b>VR-9</b>
<b>VI. <u>Safety Element</u></b>	
<b>Goals</b>	<b>S-1</b>
Wildfire Hazard	S-2
<i>Wildland Fire</i>	
<i>Interface Fire</i>	
<i>Urban Fire</i>	
<i>Other Factors Leading to Fires</i>	
<i>Fire Hazard Zone</i>	
Flood Hazard	S-9
<i>Water Storage Facility Failure</i>	
Geologic Hazard	S-11

<i>Seismic Hazard</i>	
<i>Landslides</i>	
<i>Liquefaction</i>	
<i>Tsunamis</i>	
<i>Seiches</i>	
<i>Settlement or Subsidence</i>	
<i>Expansive Soils</i>	
<i>Coastal Cliff Retreat</i>	
<b>Other Hazards</b>	<b>S-26</b>
<i>Air Pollution &amp; Effects of Climate Change</i>	
<i>Hazard Peculiar Rancho Palos Verdes and Environs</i>	
<i>Wild and Domestic Animals</i>	
<b>Emergency Services</b>	<b>S-28</b>
<i>Emergency Medical Aid and Rescue</i>	
<i>Healthcare</i>	
<i>Flood Control</i>	
<i>Police Protection</i>	
<i>Fire Protection</i>	
<i>Disaster Preparedness and Response</i>	
<i>Emergency Communications</i>	
<b>Other Safety Services</b>	<b>S-35</b>
<i>Animal Control</i>	
<i>Air Pollution Control</i>	
<i>Codes and Ordinances</i>	
<b>Hazard Potential and Risk</b>	<b>S-38</b>
<b>Impacts</b>	<b>S-40</b>
<b>Policies</b>	<b>S-40</b>

## VII. Housing & Social Services Element

### Social Services Component

**Goals** H-3

*Social and Cultural Development*

*Senior Services*

**Policies** H-7

### Housing Element Component

**Goals and Policies** H-11

## VIII. Noise Element

**Goals** N-1

Fundamentals of Noise N-1

*Noise*

*Effects of Noise on Humans*

Components of the Noise Environment within  
the City N-3

*Transportation Noise Sources*

*Community Noise Sources*

Measurement of Noise within the City N-7

*Methodology for Developing Current Noise Level  
Contours*

Projected Noise Growth & Measures to Reduce  
Potential Noise effects N-8

*Traffic Noise Impacts*

*Construction Noise Impacts*

*Stationary Noise Impacts*

<b>Policies</b>	<b>N-13</b>
-----------------	-------------

***IX. Fiscal Element***

<b>Goals</b>	<b>F-1</b>
--------------	------------

Financial Management	F-5
----------------------	-----

Fiscal Health, Revenue and Expenditure Structure	F-10
---	------

*Fiscal Health*

*City's Revenue Base*

*Revenue Overview by Source*

*Expenditure Structure*

Fiscal Sustainability	F-19
-----------------------	------

<b>Policies</b>	<b>F-21</b>
-----------------	-------------

***X. Bibliography***

***XI. Glossary***

***XII. Appendices***
