CITY OF RANCHO PALOS VERDES REQUEST FOR PROPOSALS FRAUD, WASTE, & ABUSE HOTLINE SERVICES

1. INTRODUCTION AND PROJECT

The City of Rancho Palos Verdes is requesting proposals from qualified professionals to implement and coordinate a city-wide, anonymous Fraud, Waste, & Abuse Hotline. The City uses the statutory definition of fraud, waste, and abuse: *“any activity by a local agency or employee that is undertaken in the performance of the employee’s official duties, including activities deemed to be outside the scope of his or her employment, that is in violation of any local, state, or federal law or regulation relating to corruption, malfeasance, bribery, theft of government property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, misuse of government property, or willful omission to perform duty, is economically wasteful, or involves gross misconduct.” Gov. Code § 53087.6, subd. (f)(2).*

The City will select one firm, based on demonstrated competence and a cost effective approach to design, conduct, and assist in the implementation of a city-wide anonymous Fraud, Waste, & Abuse Hotline.

2. BACKGROUND

The City of Rancho Palos Verdes is a scenic, upscale, residential coastal community, with a population of 42,000, located on the Palos Verdes Peninsula of southwestern Los Angeles County.

The City of Rancho Palos Verdes is a contract city, meaning that some services are provided by contract with agencies (both public and private) and some services are delivered by the City’s own employees. Police and fire protection is provided by the County of Los Angeles. The County of Los Angeles also provides sanitary, sewer and other specialized public works services, while library services are provided through a special district. Services provided by the City are solid waste collection, construction and maintenance of streets and other infrastructure, planning and zoning activities, recreational activities, and an extensive system of public parks, open space and trails.

City Government: Rancho Palos Verdes is a General Law City and has operated under the Council-Manager form of government since incorporation in 1973. Policy-making and legislative authority are vested in the governing City Council, which consists of five Council Members, including the Mayor and Mayor Pro-Tem. The City Council is elected on a non-partisan, at-large basis. Council Members are elected to four-year staggered terms with two or three Council Members elected every two years. The Council designates the Mayor and Mayor Pro-Tem for a one-year term. The City Manager is responsible for carrying out the policies and ordinances of the governing council, for overseeing the day-to-day operations of the government, and for appointing the heads of the government’s departments. The City is fiscally sound and functions on an annual budget cycle.

Labor Force: The City of Rancho Palos Verdes has 62 authorized full time positions for FY 14-15, and its departments include an Administration Department, Finance Department, Community Development Department, Public Works Department and a Park and Recreation Department. Presently there is one bargaining unit that incorporates all employees minus the management staff.

3. SITUATION

The City began its research regarding the implementation of a confidential and anonymous city-wide Fraud, Waste, and Abuse Hotline in the fall of 2013, including the best practices associated with the development, implementation, and coordination of an internal and external Hotline. Staff received explicit direction as to the intent of the Hotline's focus and methods for implementation at the June 3, 2014 City Council meeting.

The City's elected leaders desire to provide residents, employees, and concerned persons with telephonic and web-based means for reporting potential abuses, be those related to financial or personnel concerns.

The intent of this Request for Proposals (RFP) is to solicit service proposals from qualified firms to establish, operate, and maintain a dedicated toll-free telephone and online hotline for employees and residents of Rancho Palos Verdes ("CITY"), as well as non-resident concerned persons, to anonymously report complaints of fraud, waste, abuse, and other wrongdoing in connection with City government.
