

Coastal Cleanup Day

Saturday, September 19, 2015, 9 a.m. - Noon

Abalone Cove, 5970 Palos Verdes Drive South

On Saturday morning, September 19th, at 9:00 a.m., hundreds of volunteers, including Los Serenos de Point Vicente docents and members of the Palos Verdes Peninsula Land Conservancy, will participate in a beach cleanup at Abalone Cove Beach.

Volunteers pick up trash and recyclables, as well as hundreds of pounds of invasive ice plant from the cliff side. This annual coastal cleanup day is much more than a day of cleaning one beach; people all over California and the world pitch in to help in the beautification of oceans and waterways on this day.

The City of Rancho Palos Verdes and the Los Serenos de Point Vicente Docents coordinate this California Coastal Cleanup Day.
