Hi,

Marilyn Ryan Sunset Point Park and Founders Park do not have separate addresses. The address listed on the City's Property Asset Ledger is the same as Trump National: One Ocean Trails Drive, RPV, CA 90275

Acreage:

Marilyn Ryan Sunset Point Park: 1.50 acres

Founders Park: 5.21 acres

Hope that's helpful.

Matt

Katie,

I talked to Greg Pfof about the Park information he said Matt have this information. I am copying Matt also so he can e-mail all of us address (if there is one) and acre information for Marilyn Ryan Park and Founders Park.

Thank you,

Hello Siamak and Emilio,

I was hoping you could help me with a question. Do you know the acreage of Marilyn Ryan Park?

Thanks!
