

# TRAILS NETWORK PLAN UPDATE

Public Workshop No. 1

# BACKGROUND

- Bikeway Plan adopted by City Council on March 4, 1975
- General Plan adopted by City Council on June 26, 1975
- Trail Standards Study adopted by City Council on Jun 15, 1982
- Trails Network Plan adopted by City Council on November 27, 1984
- Conceptual Trails Plan (CTP) and Conceptual Bikeways Plan (CBP) adopted by the City Council on January 22, 1990.
- CTP was updated on December 6, 1991 and September 7, 1993
- CBP was updated on October 15, 1996
- 2004 Open Space Task Force Recommendations
- Preserve Trails Plan (PTP) adopted by the City Council on April 29, 2008
- PTP amended by the City Council on October 2, 2012

# TRAILS NETWORK PLAN

Collectively, the Conceptual Trails Plan (CTP) and Conceptual Bikeways Plan (CBP) make up the City's Trails Network Plan (TNP)

# WHY UPDATE THE TRAILS NETWORK PLAN?

The purpose of the Conceptual Trails Plan is to identify the trail opportunities within the community, so that the acquisition and development of new public trails, through new development proposals, public works projects, and voluntary efforts can be integrated into the City's existing public trails network. Therefore, with the exception of Category I trails (described below), which are existing, dedicated public trails, the trails contained in this document are conceptual only. The inclusion of any trail or trail segment in the Conceptual Trails Plan does not legally grant the use of these trails or trail segments by the public, or in any way guarantee their eventual implementation. Additionally, the City reserves the right to modify, realign, or eliminate any trail identified in the Plan (including Category I trails), and may add previously unidentified trails, as circumstances warrant in the future.

## PUBLIC WORKSHOP

**Any changes, additions, or deletions to the Plan should be presented for public comments at a workshop. Based on public input, recommended changes to the Trails Network Plan should be forwarded to the City Council for consideration.**

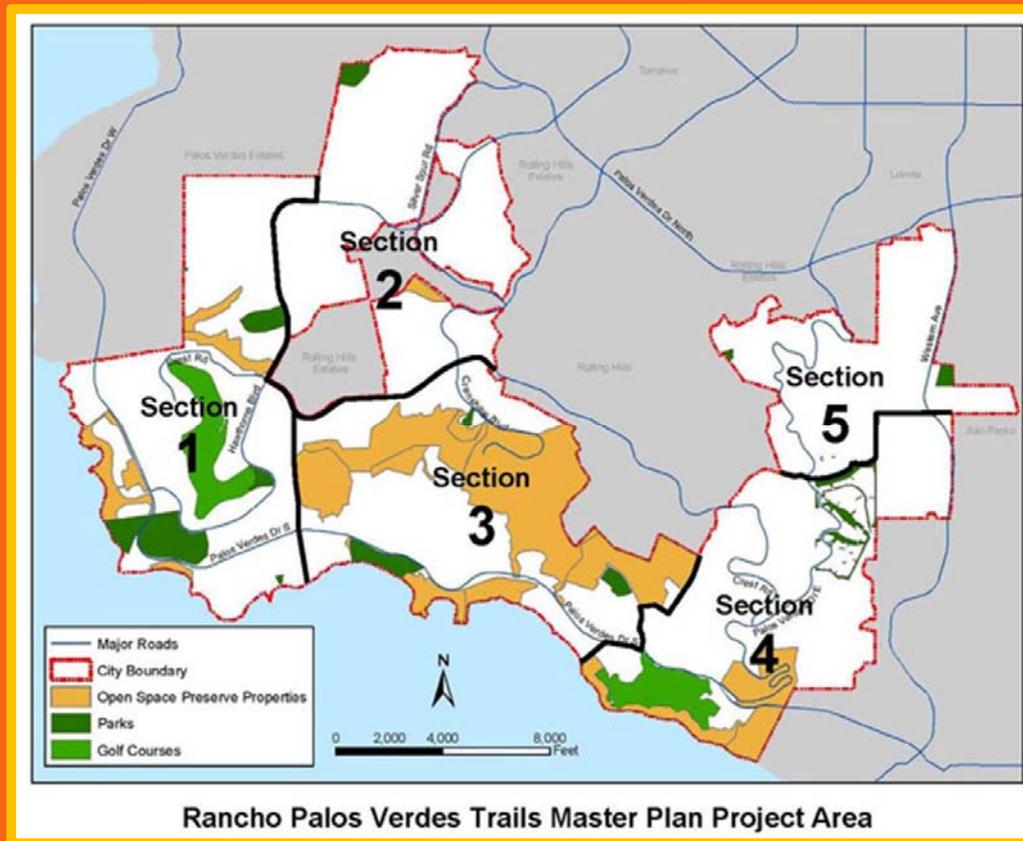

# CONCEPTUAL TRAILS PLAN – 5 TRAILS SYSTEMS

- “A” Palos Verdes Loop Trail
- “B” Top-of-the-Hill Trail System
- “C” Palos Verdes Drive Trail System
- “D” Coastal Bluff Trail System
- “E” Coastal Access Trails

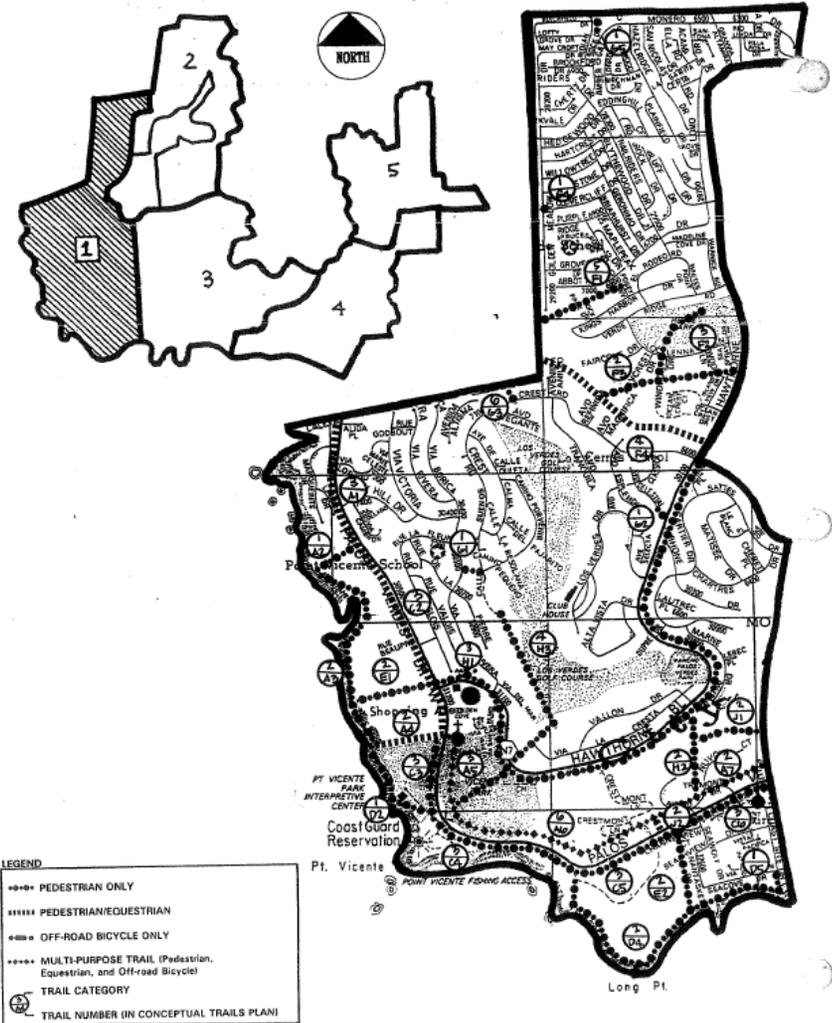

# CONCEPTUAL TRAILS PLAN – 6 TRAIL CATEGORIES

- Category 1 – Existing, dedicated trails
- Category 2 – Proposed trails crossing undeveloped privately-owned property that is planned to be developed.
- Category 3 – proposed trails which are located on existing easements, City property, or street right-of-ways and which require improvements
- Category 4 – Proposed trails which cross privately-owned land designated as open space or open space hazard, or owned by public utility or agency which require easements
- Category 5 – Proposed trail crossing privately-owned land which would primarily benefit neighborhood residents.
- Category 6 – Proposed trails which have special circumstances, considerations, or constraints.

# PRESERVE TRAILS PLAN

# TRAILS NETWORK PLAN UPDATE TASKS

Incorporate the following to the Trails Network Plan:

- Approved Preserve Trails Plan
- Approved Ocean Front Estates Trails
- Approved Terranea Resort Trails
- Approved Trump National Trails
- Approved California Coastal Trail

Additionally, assess the remaining conceptual trails described in the CTP for connectivity and viability purposes.

# TENTATIVE TIMELINE

- Workshop No. 1 (kick-off) – June 25, 2014
- Workshop No. 2 (Section 1 ) – September 2014
- Workshop No. 3 (Section 2) – October 2014
- Workshop No. 4 (Section 3) – December 2014
- Workshop No. 5 (Section 4) – February 2015
- Workshop No. 6 (Section 5) – March 2015
- Workshop No. 7 (Draft Document) – May 2015
- Planning Commission Meeting Spring 2015
- City Council Meeting – summer 2015
