

Palos Verdes Nature Preserve Trails

PVPLC management agreement:

- No specific trail management requirement
- Permits PVPLC to work on trail projects
- PVPLC effectively works on projects as opportunity and funding permit:
 - Grants
 - Volunteer Trail crew, Eagle Scouts

Trails Project List

- Trails project list incorporates information from staff, KEEPERS, trail crew, rangers, public contact (emails, phone calls, personal communications)
- List included in Annual Report and on RPV website

Volunteer Trail Crew

- Instructor: Kurt Loheit
- Provide guidelines for safe, efficient, and responsible trail maintenance.
- Develop assessments skills to report trail conditions, work to be done and potential hazards.

Volunteer Trail Crew

- Training: 50 hours
- Hands-on skills classes held once a month
- 2012: 470 trail crew hours completed

After the Trail Skills Classes:

- Class Graduates encouraged to implement trail projects
- Adopt-a-trail
- Volunteers select from Trails Project List based on interest
