

Important Information about Electrical System Upgrades in Your Neighborhood

September 12, 2016

Dear Neighbor,

Southern California Edison crews will be working in your neighborhood soon. We will be making improvements to the electrical infrastructure in your neighborhood. We're doing this maintenance work because we want the power grid to be modern and reliable. Thank you for your patience as we complete these upgrades.

Upgrades in Your Area

The work includes the temporary installation of 7 wood poles along Palos Verdes Drive East and Miraleste Dr.

All of the temporary wood poles are 55 feet tall.

Work Timeline*

- Install temporary wood poles the week of September 19 , 2016
- Begin the removal of the temporary wood poles approximately the middle of November.
- Work days: Monday – Friday
- Hours: 7:00 a.m. – 5:00 p.m.

* Dates and times are subject to change due to unforeseen issues or weather.

What to Expect

- You may see crews, construction vehicles, and support trucks along Palos Verdes Drive East.
- Moderate noise from construction operations and material delivery.
- The installation of the temporary wood poles will reduce the need for electrical outages while the work is completed.

If you have questions, please contact us.
