CITY MANAGER'S OFFICE

Upcoming Flock Safety Grant Program Information Sessions

Join us for a Zoom webinar meeting on **Thursday, November 5 at 6 PM or Monday, November 9 at 6 PM** to learn more about the Flock Safety Grant Program.

Flock Safety's license plate-reading camera system was created to reduce crime and they integrate with the Lomita Sheriff's Station to notify deputies if wanted vehicles enter your community.

Register now to learn how license plate-reading cameras can help solve crime in Rancho Palos Verdes neighborhoods and how the City can provide 50% of the cost of each security camera leased, or no more than \$1,000 per camera.

We hope to see you there. To register, select the date option that works best and visit the link:

- **Thursday, November 5 at 6 PM:**
https://us02web.zoom.us/webinar/register/WN_KUHBBCf9QZaoHJy8OsJeBw
- **Monday, November 9 at 6 PM:**
https://us02web.zoom.us/webinar/register/WN_SuV6_0BQQG-I9--D3Jly8g

To learn more about the Flock Safety Grant Program, visit rpvca.gov/flock.

Help Document the King Tides November 15-16

The California Coastal Commission is calling on the public to help photograph upcoming King Tides for the [California King Tides Project](#).

A “King Tide” is a non-scientific term used to describe very high tides caused when there is alignment of the gravitational pull between sun, moon, and Earth. When King Tides occur during floods or storms, water levels can rise higher and have the potential to cause great damage to the coastline and coastal property.

Documenting these tides helps us preview the impacts of sea level rise and understand how our shoreline is affected by high water today.

The next King Tides will arrive November 15-16. If you're able to safely take photos at the coast during King Tides you will be contributing to an important community science effort. Find your [local King Tide times](#) and learn how to [upload your photos](#) on the California Coastal Commission website at coastal.ca.gov/kingtides or with a [free app](#).

League of California Cities Update

This week, the League of California Cities Los Angeles Division, which is made up of 86 cities, including Rancho Palos Verdes, shared a memo summarizing the division’s activities in 2020. The memo is attached to this report and covers legislation and advocacy, education and programming, and communications and social media.

Letters From Dr. Ferrer and Supervisor Hahn

In recent days, the City received responses from L.A. County Department of Public Health Director Barbara Ferrer and Supervisor Janice Hahn to an October 6 letter from RPV Mayor John Cruikshank urging state and county officials to reassess reopening guidelines so that more businesses, classrooms and places of worship can operate indoors in a manner that is safe and responsible. In her letter, Dr. Ferrer expressed an understanding of the City's desire to move as its own pace given the size and diversity of L.A. County, but noted that although a low case count in one community may appear to indicate that there is a lower risk of exposure there, people could be getting exposed elsewhere, such as in the workplace. Supervisor Hahn also expressed an understanding of the desire for smaller cities to seek variances from countywide restrictions, but noted that a proposal she and Supervisor Kathryn Barger made to allow the county to grant such variances was not approved. Both letters are attached to this report.

Update on Voter Turnout for One-Day Vote Center at Hesse Park

On Wednesday, October 28, a total of 157 voters turned out to vote in person at the Hesse Park, and 77 sealed ballots were dropped off in person with the election officials.

Advisory Board Recruitments (Finance Advisory Committee and the Infrastructure Management Advisory Committee)

Staff is currently recruiting for two seats on the Finance Advisory Committee as well as **now four** seats on the Infrastructure Management Committee. Please see the attached Press Release regarding the recruitment. The Press Release has been sent to the Palos Verdes Peninsula News, Daily Breeze, and Los Angeles Times, and posted on the website, ListServe, Access

Reader Board on Channel 35 and RPV TV Ch 33; as well as the City's Facebook and Nextdoor sites. Notices were posted in various locations throughout the City. The deadline for applications to be filed in the City Clerk's Office is by 4:30 p.m. on Friday, November 27, 2020. Staff has tentatively reserved the 6:00 p.m. to 7:00 p.m. time frame prior to the December 15, 2020 meeting so that Council can conduct interviews of the applicants.

COVID-19 Community Updates

The City continues to monitor the spread of the novel coronavirus in Los Angeles County and distributes **COVID-19 Community Updates via listserv and social media on Thursdays**, though any major announcements in between will be shared with the community. The newsletter provides a range of information, such as up-to-date case numbers for the City, and the neighboring Peninsula cities, along with information on resources and services available.

If you haven't done so already, sign up for COVID-19 Community Updates by subscribing to the Breaking News listserv at rpvca.gov/notify. An archive of COVID-19 Community Updates is available at: <http://rpvca.gov/1304/Community-Updates>

A webpage on the City website with coronavirus updates, resources and information is continuously being updated at rpvca.gov/coronavirus

And be sure to follow the City on [Nextdoor](#), [Facebook](#), [Twitter](#) and [Instagram](#)!

COVID-19 Cases

As of November 4, there are 313,562 confirmed cases of COVID-19 across Los Angeles County (population 10.17 million), including the South Bay, so the public should not think one location is safer than another and everyone should be aware and practice physical distancing. The total includes 355 cases in Rancho Palos Verdes (population 41,731), 113 in Palos Verdes Estates (population 13,190), 51 in Rolling Hills Estates

(population 8,066), 12 in Rolling Hills (population 1,874), and 13 in the unincorporated areas of the Peninsula. Countywide, 7,117 people have died.

According to the Department of Public Health, 13 deaths have been reported in Rancho Palos Verdes. The City extends its deepest condolences to the families of these residents.

For a list of cases broken down by city, demographic characteristics, and settings, visit: <http://publichealth.lacounty.gov/media/Coronavirus/locations.htm>

For an interactive dashboard with maps and graphs showing testing, cases and death data by community, poverty level, age, sex and race/ethnicity visit: http://dashboard.publichealth.lacounty.gov/covid19_surveillance_dashboard/

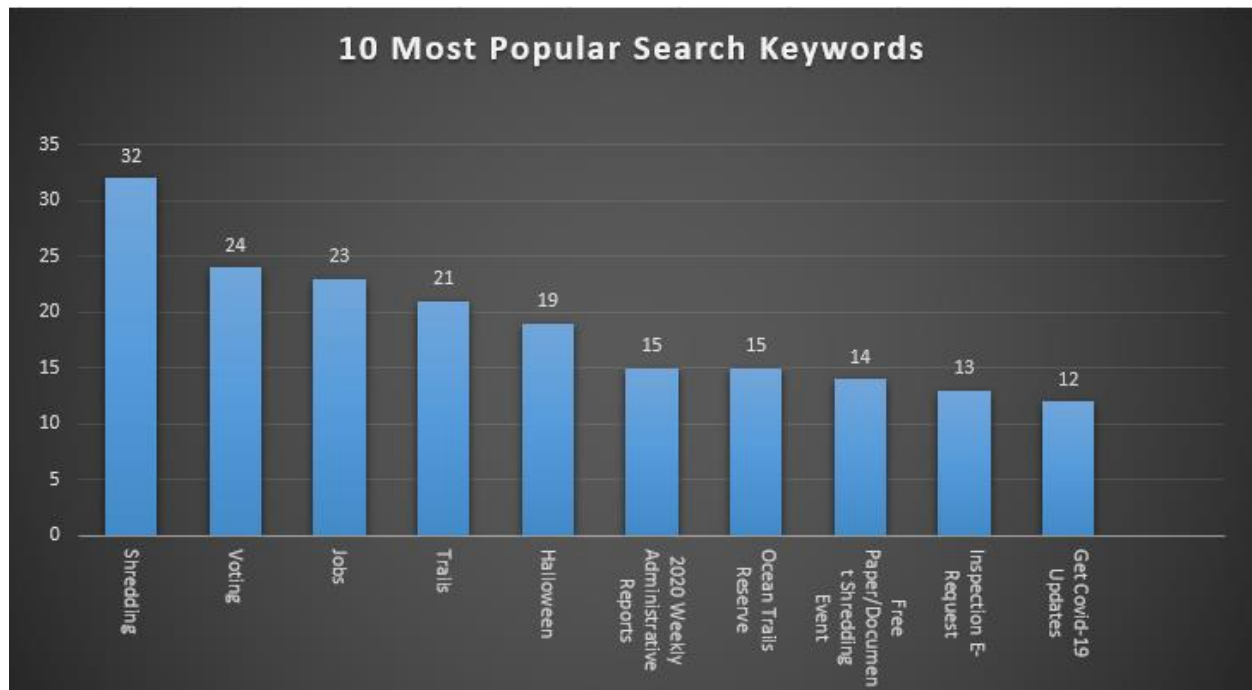

An interactive dashboard of COVID-19 cases in the South Bay maintained by the City of Torrance is available at bit.ly/2XB1fv1. The dashboard reflects information sourced by the Los Angeles County Department of Public Health.

Monthly Statistics for City's Website for October 2020

Have you ever wondered how many people visit RPV's website, what City the viewer is From, and what is the most popular thing they are looking for? Every month, the IT department will include a brief summary of the key indicators in relation to the www.rpvca.gov website in the weekly update. The graph below shows a breakdown of what the RPV website visitors searched for during the month of October:

Figure #1 – 10 Most Popular Search Keywords

As you can see, 32 guests searched the word “Shredding”, 24 guests searched for “Voting” and 21 searched for “Jobs”. This information can help determine the areas of interest for our guest but also if our website is user friendly, and monitor trends.

Figure #2 – Most Popular Pages

The RPV website has many subpages that provide extensive information on a particular subject related to the City. In October, the Main Page (www.rpvca.gov) is a clear winner with 5,744 visits! Overall, we have seen a significant drop-off compared to July.

| PAGE DESCRIPTION | UNIQUE PAGEVIEWS | Month to Month Change |
|---------------------------------------|------------------|-----------------------|
| Main Page | 5,744 | +5% |
| Abalone Cove Shoreline Park | 2,600 | -23% |
| COVID-19 Testing | 2,257 | +26% |
| Trail Conditions & Alerts | 2,157 | -20% |
| Information on Coronavirus (COVID-19) | 1,975 | -7% |

Here is an interesting table showing the breakdown of visitors by their physical location. This information is gathered based on the visitor’s IP address.

Figure #3 - Top 10 Visitor Locations

| Visitor Location (City) | Visits |
|---|--------|
|  Rancho Palos Verdes, California, United States | 2,888 |
|  Los Angeles, California, United States | 2,866 |
|  San Pedro, California, United States | 2,012 |
|  Torrance, California, United States | 1,125 |
|  Diamond Bar, California, United States | 956 |
|  La Canada Flintridge, California, United States | 808 |
|  Santa Ana, California, United States | 714 |
|  Long Beach, California, United States | 697 |
|  Redondo Beach, California, United States | 682 |
|  Irvine, California, United States | 561 |

And finally, a brief breakdown of what kind of Internet-enabled device was used to access City's website. The City will continue to make efforts to make the City's website more mobile responsive and to provide more mobile friendly ways to access City's information (stay tuned for a City mobile app in Fall of 2020!)

Figure #4 - Top 3 Type of Devices Used to access City's Website:

| DEVICE TYPE | TOTAL VISITS |
|--|--------------|
|  Desktop | 22,181 |
|  Smartphone | 19,949 |
|  Tablet | 1,614 |

Emergency Preparedness

Wildfire Preparedness

With an uptick in recent brush fires across the Los Angeles County region, Peninsula residents are reminded to be on heightened alert and to be prepared for wildfire.

- If you see something, say something. Report any sign of smoke or fire immediately to your local fire department by dialing 9-1-1. If you dial 9-1-1 from your cellphone, be sure to know your location.
- Have your Ready! Set! Go! Wildfire Action Plan in place. It is critical for residents to be familiar with the Ready! Set! Go! program that provides important pre-planning and evacuation information.
- Download the Ready! Set! Go! Wildfire Action Plan and view informational how-to videos, visit fire.lacounty.gov/rsg
- Find more preparedness tips at ready.lacounty.gov/fire
- Sign up for Alert SouthBay emergency alerts by texting “alertsb” to 888-777 Stay connected and get updates from the City by following RPV on [Nextdoor](#), [Facebook](#), [Twitter](#), and [Instagram](#).

Regional Law Enforcement and Emergency Preparedness Committee

The Regional Law Enforcement Committee (RELK) and the Regional Emergency Preparedness Committee (REPC) will be convening for their quarterly meeting on Thursday, November 12, in an online meeting format. The Regional Emergency

Preparedness Committee Meeting will begin at 7:30 a.m., and the Regional Law Enforcement Committee Meeting will commence after its conclusion.

The RELC consists of two Council Members from the Cities of Rancho Palos Verdes, Rolling Hills, and Rolling Hills Estates, who share municipal law enforcement services provided by the Los Angeles County Sheriff's Department. The RELC meets on a quarterly basis to review the Sheriff's performance, make policy recommendations regarding the joint contract, review statistics for the preceding quarter concerning crime incidents, traffic enforcement, response times, false alarm rates, and the distribution of the Sheriff's patrol time throughout the region. The RELC also discusses the collaboration on the automatic license plate reader (ALPR) program.

The REPC, consists of two Council Members from all four Peninsula Cities of Rancho Palos Verdes, Rolling Hills, and Rolling Hills Estates, and Palos Verdes Estates. The REPC meets quarterly on the same day as the RELC to discuss collaborative efforts on ensuring Peninsula-wide emergency preparedness. The objective of the REPC is to enhance emergency preparedness on the Peninsula by addressing joint preparedness efforts and response to widespread disasters affecting the greater Peninsula.

To watch and participate in public comment, please email Emergency Services Coordinator Jesse Villalpando at jvillalpando@rpvca.gov to receive an email with further instructions.

Sixth Annual Prepared Peninsula Expo - Recording

The four Cities of the Palos Verdes Peninsula hosted the sixth annual Prepared Peninsula Expo virtually on Sunday, October 25. The Prepared Peninsula Expo is an annual event

the Peninsula Cities produce to help the Palos Verdes Peninsula residents learn how to mitigate, prepare, respond, and recover should a disaster strike.

Since this year's event was held virtually, a recording of the EXPO is available for residents to view and can be found here: bit.ly/365vqwY The EXPO will also soon be available to watch on RPVtv Cox 33/Frontier FiOS 38.

The Prepared Peninsula Expo is a great opportunity to learn from experts in emergency readiness about how to prepare your family and safeguard your home for the event of an earthquake, wildfire or other disaster. This year's speakers included: Frank Forman, Battalion Chief with the Los Angeles County Fire Department; James Powers, Captain of the Lomita Sheriff's Station; and Soraya Sutherlin, the Regional Emergency Communications Manager for Alert SouthBay.

Residents are encouraged to view this year's EXPO to learn how to best prepare themselves and their family as the COVID-19 pandemic underscores the need to always be ready for an emergency.

2020 Multi-Jurisdictional Hazard Mitigation Plan

On November 17, the Rancho Palos Verdes City Council will consider adopting the 2020 Multi-Jurisdictional Hazard Mitigation Plan.

The plan identifies hazards and ways to minimize damage by natural and human-caused disasters and ensures continuing eligibility for Hazard Mitigation Grant Program funding. It is mandated by the Disaster Mitigation Act of 2000, also known as Public Law 106-390, which requires state and local governments to prepare mitigation plans to document their mitigation planning process and identify hazards, potential losses, mitigation needs, goals, and strategies.

The most recent RPV/RHE Multi-Jurisdictional Hazard Mitigation Plan was released in August 2014 and updated in January 2016. The 2020 update incorporates all federal requirements relating to local hazard mitigation plans.

The plan is designed to have the following benefits:

- Reduce loss of life and property, human suffering, economic disruption, and disaster costs.

- Prioritize hazard mitigation at the local level with increased emphasis on planning and public involvement, assessing risks, implementing loss reduction measures, and ensuring critical facilities/services survive a disaster.
- Promote education and economic incentives to form community-based partnerships and leverage non-federal resources to commit to and implement long-term hazard mitigation activities.

The plan is available at: bit.ly/32hSWFR

The meeting will take place at 7 p.m. in McTaggart Hall at Fred Hesse Jr. Community Park with safety protocols to help prevent the spread of COVID-19, though virtual participation is highly encouraged. The meeting will be live-streamed on the City website and televised on RPTV Cox 33/Frontier FiOS 38.

A staff report for this topic will be posted on rpvca.gov/agendas on November 10. Please submit your questions and comments to the City Council in advance of the meeting by emailing them to cc@rpvca.gov. Public comments submitted by 12 p.m. on November 10 will be attached to the staff report, and comments submitted afterward will be provided to the City Council as late correspondence. If you would like to provide comments during the meeting or leave a pre-recorded voice message, please complete a form at rpvca.gov/participate.

If you are a person with a disability and need an accommodation to participate in programs, services, activities and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

Sign up for Alert SouthBay

Alert SouthBay is a multi-jurisdictional emergency notification system used by 13 South Bay cities – including Rancho Palos Verdes -- to keep our communities informed about disasters and emergencies with uniform, expeditious alerts.

Alert SouthBay is an opt-in system using the Everbridge software application. Similar to Nixle alerts, Everbridge sends notifications via email, text message, cellular and landline phones. Users can subscribe to receive alerts from multiple South Bay cities. If you live

in Rancho Palos Verdes, for example, but work in Torrance, you can subscribe to alerts from both cities.

Everbridge is the City's primary vehicle for emergency communication. Users can sign up by:

- Texting "alertsb" to 888-777, which returns a link to register for Everbridge (for COVID-19-related alerts, text the keyword "cv19rpv")
- Registering online at alertsouthbay.com
- Downloading the free [Everbridge app](#) on an iOS or Android device from the [App Store](#) or [Google Play](#)

Monthly Disaster Preparedness Messaging- Courtesy of the RPV Emergency Preparedness Committee

The City of Rancho Palos Verdes Emergency Preparedness Committee will be providing monthly emailing messaging to residents with emergency preparedness information and educational materials (See attachments). To receive the Committee's monthly messaging, be sure to sign up for the "Emergency Notifications" city listserv at rpvca.gov/notify. For additional information about emergency preparedness in the City of Rancho Palos Verdes, visit the City's website at www.rpvca.gov/Emergency.

A graphic with a dark red background. In the center, there is a white first aid kit with a red cross. Overlaid on the kit in white, bold, sans-serif capital letters is the text "EMERGENCY PREPAREDNESS TIPS".

EMERGENCY PREPAREDNESS TIPS

Cybersecurity

As we are all now more than ever spending more time online, and growing our dependence on technology, coupled with the increasing threat of cyber attacks, demands for greater security in our online world.

Cybersecurity involves preventing, detecting and responding to cyberattacks that can have wide-ranging effects on individuals, organizations, the community and at the national level.

Cyberattacks are malicious attempts to access or damage a computer or network system. Cyberattacks can lead to loss of money, theft of personal, financial, and medical information that can damage your reputation and safety.

Cyberattacks can occur in many ways, including:

- Accessing your personal computers, mobile phones, gaming systems and other internet and Bluetooth connected devices.
- Damaging your financial security, including identity theft.
- Blocking your access or deleting your personal information and accounts.
- Targeting children and adults.
- Complicating your employment, business services, transportation and power grid.

Protect Yourself Against Cyberattacks

You can avoid cyber risks by setting up the proper controls. The following are things you can do to protect yourself, your family, and your property before a cyberattack occurs:

- Limit the personal information you share online. Change privacy settings and do not use location features.
- Keep software applications and operating systems up-to-date.
- Using a password manager, use upper and lowercase letters, numbers and special characters, as well as, two-factor authentication (two methods of verification).

- Watch for suspicious activity that asks you to do something right away, offers something that sounds too good to be true or needs your personal information. Think before you click, and when in doubt, do NOT click. Do not provide personal information.
- Use encrypted (secure) Internet communications.
- Protect your home and/or business on a strong, using a secure Internet connection and Wi-Fi network.
- Use a stronger authentication such as a personal identification number (PIN) or password that only you would know.
- Check your account statements and credit reports regularly.
- Use antivirus solutions, malware and firewalls to block threats.
- Regularly back up your files in an encrypted file or encrypted file storage device.
- Protect your home network by changing the administrative and Wi-Fi passwords regularly. When configuring your router, use either the instruction manual or speak to your internet-cable provider, to setup the Wi-Fi Protected Access 2 (WPA2) Advanced Encryption Standard (AES) setting, which is the strongest encryption option.

During a Cyberattack

- Check your credit statement for unrecognizable charges.
- Check your credit reports to be aware of open accounts and/or loans you did not open.
- Be alert for soliciting emails and social media users asking for private information.
- If you notice strange activity, (e.g. inappropriate pop-up windows), limit the damage by immediately changing all of your internet account passwords.
- Consider turning off the device. Take it to a professional to scan for potential viruses and fix.
- Let work, school or other system owners know.
- Contact banks, credit card companies and other financial services companies where you hold accounts. You may need to place holds on accounts that have been attacked. Close any unauthorized credit or charge accounts. Report that someone may be using your identity.
- Check to make sure the software on all of your systems is up-to-date.
- Run a security scan on your computer/device to make sure your system is not infected or acting more slowly or inefficiently.
- If you find a problem, disconnect your device from the Internet and perform a full system restore.

After a Cyberattack

- File a report with the [Office of the Inspector General \(OIG\)](#) if you think someone is illegally using your Social Security number.
- File a complaint with the [FBI Internet Crime Complaint Center \(IC3\)](#). They will review the complaint and refer it to the appropriate agency.
- File a report with the local police so there is an official record of the incident.
- Report identity theft to the [Federal Trade Commission](#).
- Contact additional agencies depending on what information was stolen. Examples include contacting:
 - the [Social Security Administration](#) (800-269- 0271) if your social security number was compromised, or
 - the Department of Motor Vehicles if your driver's license or car registration has been stolen.
- Report online crime or fraud to your local United States Secret Service (USSS) [Electronic Crimes Task Force](#) or the [Internet Crime Complaint Center](#)

Additional Resources:

FINANCE DEPARTMENT

Ranchos Palos Verdes Ranked in Top 20 in Property Value Across LA County

The Los Angeles County Office of the Assessor released its 2020 Annual Report. The Assessor's Office identifies and values taxable property throughout Los Angeles County, which contains over 10 million residents, 88 cities, and covers 4,753 square miles.

As part of its report, the Office of the Assessor provides a listing of the 20 highest value cities within the county. Out of the 88 cities in the county, the City of Rancho Palos Verdes ranked 18th in highest assessed value. The City was recorded as having an assessed property value of over \$14.1 billion. This is an increase of roughly \$627 million or 4.6% over the previous year. This increase is the result of several factors. About \$250 million of the increase is from the annual increase to property tax rates based on the Consumer Price Index (CPI). An additional \$250 million of the increase was the result of the sale of property, which triggers a reassessment.

| | CITY | ASSESSED VALUATION (BILLIONS) | AMOUNT OF CHANGE | PERCENT CHANGE | TOTAL ASSESSMENTS |
|----|---------------------|-------------------------------------|---------------------|-------------------|----------------------|
| 1 | Los Angeles | \$ 695.947 | \$ 43.031 | 6.6% | 865,695 |
| 2 | Long Beach | 63.475 | 3.280 | 5.4 | 118,247 |
| 3 | Santa Monica | 42.272 | 2.751 | 7.0 | 27,243 |
| 4 | Beverly Hills | 39.013 | 2.404 | 6.6 | 13,126 |
| 5 | Santa Clarita | 37.218 | 2.048 | 5.8 | 72,261 |
| 6 | Glendale | 35.558 | 1.599 | 4.7 | 47,813 |
| 7 | Pasadena | 34.782 | 1.952 | 5.9 | 43,036 |
| 8 | Torrance | 33.359 | 0.855 | 2.6 | 46,259 |
| 9 | Burbank | 26.230 | 1.229 | 4.9 | 32,179 |
| 10 | Manhattan Beach | 21.236 | 1.413 | 7.1 | 13,788 |
| 11 | Redondo Beach | 18.594 | 1.079 | 6.2 | 23,897 |
| 12 | Malibu | 18.527 | 0.807 | 4.6 | 7,253 |
| 13 | Arcadia | 18.385 | 0.768 | 4.4 | 18,153 |
| 14 | Carson | 16.648 | 0.845 | 5.3 | 27,217 |
| 15 | El Segundo | 15.403 | 1.211 | 8.5 | 7,073 |
| 16 | Palmdale | 14.693 | 1.026 | 7.5 | 49,868 |
| 17 | West Hollywood | 14.466 | 0.852 | 6.3 | 11,347 |
| 18 | Rancho Palos Verdes | 14.173 | 0.627 | 4.6 | 15,695 |
| 19 | Inglewood | 13.460 | 1.612 | 13.6 | 22,509 |
| 20 | Pomona | 13.340 | 0.905 | 7.3 | 35,497 |

New Income Ranges for IRA Eligibility in 2021

Taxpayers can deduct contributions to a traditional IRA if they meet certain conditions. If the taxpayer or their spouse was covered by a retirement plan at work, the deduction may be reduced or phased out. This reduction goes until the deduction is eliminated. The amount of the deduction depends on the taxpayer's filing status and their income. If neither the taxpayer nor their spouse is covered by a retirement plan at work, the phase-outs don't apply.

Here are the traditional IRA phase-out ranges for 2021:

- \$66,000 to \$76,000 – Single taxpayers covered by a workplace retirement plan.
- \$105,000 to \$125,000 – Married couples filing jointly. This applies when the spouse making the IRA contribution is covered by a workplace retirement plan.
- \$198,000 to \$208,000 – A taxpayer not covered by a workplace retirement plan married to someone who's covered.
- \$0 to \$10,000 – Married filing a separate return. This applies to taxpayers covered by a workplace retirement plan.

Here are the income phase-out ranges for taxpayers making contributions to a Roth IRA:

- \$125,000 to \$140,000 – Single taxpayers and heads of household.
- \$198,000 to \$208,000 – Married, filing jointly.
- \$0 to \$10,000 – Married, filing separately.

Small Business Financial Assistance Plan Update

On April 8, 2020, the City of Rancho Palos Verdes implemented the Small Business Financial Assistance Plan to provide relief and promote the general welfare of the City's small business community experiencing negative financial impacts stemming from the COVID-19 pandemic. The Small Business Financial Assistance Plan provides a one-time refund of the 2020 business license.

On June 2, 2020, the City Council received a status report on the Small Business Financial Assistance Plan. As a result of the low response, the City Council expressed a desire to increase the number of eligible small businesses by removing the limitation that a small business must have a “brick-and-mortar” location to be eligible to receive a refund.

Since the implementation on April 8th:

- the City has received 22 requests for business license tax refunds
- 14 refunds totaling \$4,939 have been issued to date

We encourage businesses in need of assistance to visit <http://www.rpvca.gov/1284/Financial-Assistance> for information on the program and submit a request. Businesses that apply will receive a confirmation email from the staff. If an application is approved a check will be mailed directly to the business at the address on file.

PUBLIC WORKS DEPARTMENT

Trail Improvements

On October 28, representatives from Public Works, Recreation and Parks, and the Palos Verdes Peninsula Land Conservancy conducted a site tour of the Burma Road, Water Tank, and Sea Dahlia Trails to discuss needed trail modifications and ensure they do not adversely impact native habitat.

The proposed modifications to the Burma Road and Water Tank Trails include adding drainage dips and grading improvements to divert water during rainfall to minimize erosion of the trails. Sea Dahlia Trail's proposed modifications include the installation of retaining walls and a lodgepole fence to an eroded cliffside and the repositioning of rock steps that have moved out of place. These modifications will allow the reopening of Sea Dahlia Trail after an extended closure due to safety concerns.

City-Wide Brush Clearing Completed

RPV's Fall season brush-clearing event ended Saturday, October 31. This service is to assist homeowners to dispose of excess brush, shrubs, hedges, tree branches, and bushes in order to comply with the fire safety guidelines. The 37 tons of brush collected shows that residents took advantage of this great opportunity to help safeguard their properties against local brush fires! Staff thanks the City's brush collection contractor, EDCO, for their role in this successful event.

The next brush clearing event will be in April/May of 2021.

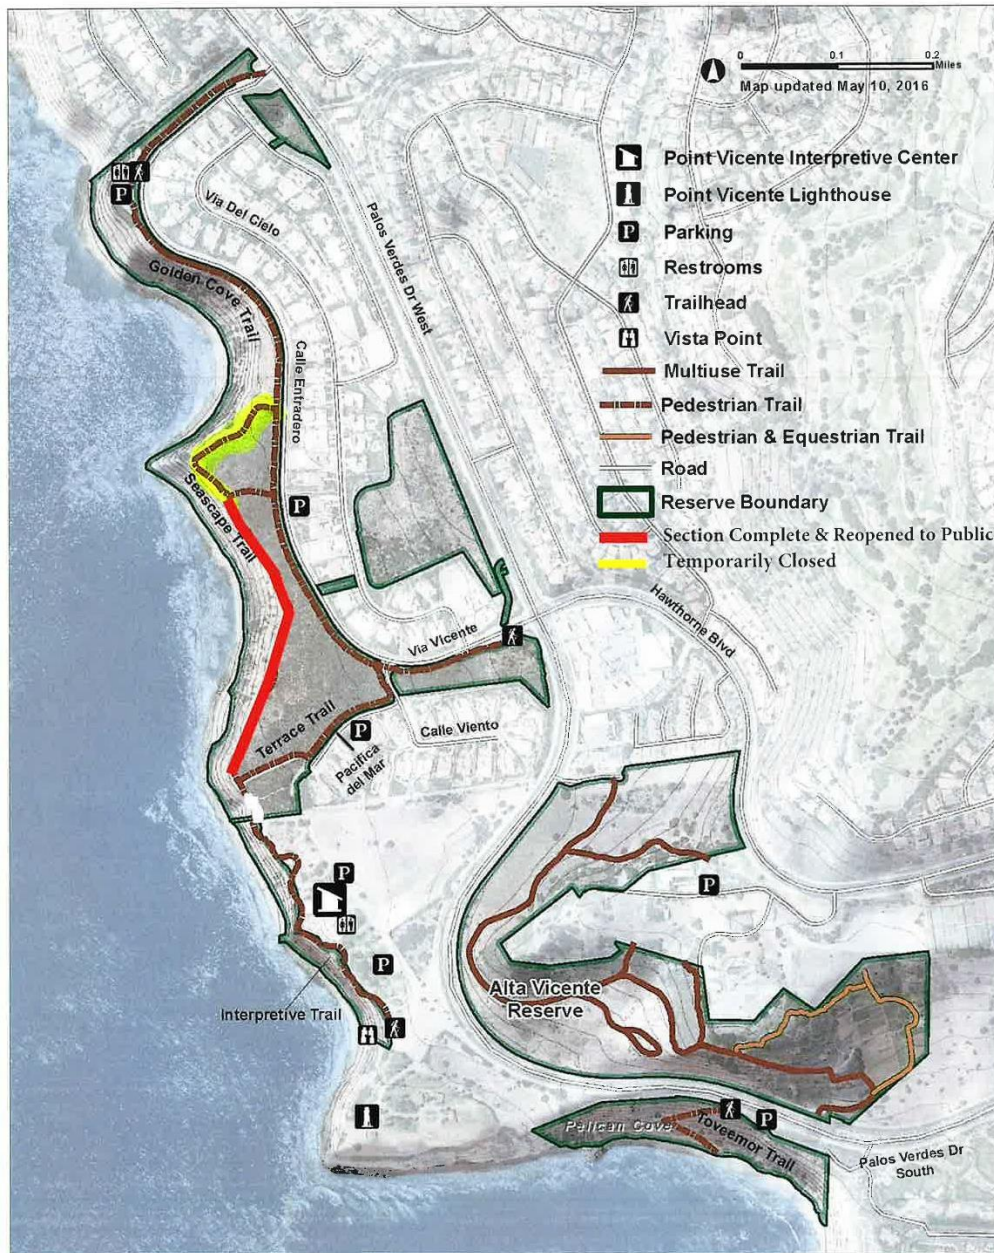

| Regular EDCO Collection Day | Fall Season 2020 Brush Clearing Day | Tonnage of Brush Collected |
|--------------------------------------|---|----------------------------|
| Monday Route | Saturday, October 3rd Completed | 4.86 |

Coastal Bluff Fence Replacement Project

Phase I of the Coastal Bluff Fence Replacement project (see map below) reopened to trail users on Wednesday, November 4. Phase II work will start on November 3 and is expected to be complete in mid-December.

Phase I of Coastal Bluff Fence Replacement Project Opened to the Public.

Annual Sidewalk Repair & Replacement Program FY20-21

The start of construction has been scheduled to begin on November 10. Notices will be sent on or before Friday, November 6 to property owners with fronting sidewalk sections being replaced. Construction was expected to be completed by early December 2020, but due to a last-minute change in the contractor's schedule, the completion is now expected by the end of January 2021.

Maintenance Activities

This week, Public Works continued its regularly scheduled maintenance, trash pickup, irrigation repairs, and general repairs at all City parks and facilities. Public Works continues to sanitize its parks' and facilities' restrooms daily to help reduce COVID spread.

Landscape maintenance consisting of de-weeding was completed along Palos Verdes Drive West between Marguerite Drive and Hawthorne Boulevard. Landscape maintenance consisting of deweeding started on Crest Road between Crenshaw Boulevard and Hawthorne Boulevard and is expected to be complete by November 6, 2020.

Sidewalk repairs were performed on Dauntless Drive between Stalwart Drive and Avenger Place. Repairs also took place on Armaga Spring Road between Quailhill Drive and Highridge Road. The repairs consisted of removing deviations to reduce trip hazards.

Red curb paint was refreshed on Seacove Drive between Nantasket Drive and Coastsite Drive near the Vanderlip Park area.

Roadside and roadway drainage culvert clean-out has begun in anticipation of the seasonal wet weather. These maintenance activities will help reduce the likelihood of flooding due to rain.

Tree removal is being scheduled for a tree located at the mouth of Stonegate and Palos Verdes Drive East and is tentatively scheduled for the week of November 9, 2020. The second tree is located across from 3808 El Tesoro Place near Via Canada Southern California Edison has identified the tree as dead and is at risk of damaging electrical lines if it falls. The removal of this tree is tentatively scheduled for November 3, 2020.

Public Works responded to the following urgent/emergency requests:

- 18 cases of graffiti were removed
- A large branch hanging at Ryan Park was sectioned off pending removal, which is scheduled to occur on November 11, 2020.
- Responded to and repaired sewer issues in the Portuguese Bend Neighborhood at 31 Narcissa Drive and restored full operation within 24 hours.

COMMUNITY DEVELOPMENT DEPARTMENT

No Construction Allowed on Veterans Day

Veterans Day holiday will be observed on Wednesday, November 11th. Pursuant to Section 17.56.020(B) of the City's Zoning Code, it is unlawful to carry on construction, grading or landscaping activities, or to operate heavy equipment on legal holidays, unless a Special Construction Permit is approved by the Director of Community Development. Special Construction Permits must be requested at least 48 hours before any such work is to begin. The Special Construction Permit application is available by visiting the following link: <http://www.rpvca.gov/FormCenter/Community-Development-5/Special-Construction-Permit-48>. Please note that minor repairs, maintenance and landscaping activities (i.e., work that does not otherwise require a building permit) are not prohibited on legal holidays.

Los Angeles County Department of Animal Care and Control (DACC) Promotion

For the month of November/December 2020, DACC will continue waiving adoption fees for all cats adopted from LA County Animal Care Centers, thanks to a grant from the American Society for the Prevention of Cruelty to Animals (ASPCA). Adoption, microchip, and vaccination fees will be waived throughout November and December. Adopters will only need to pay license fees, where applicable, ranging from \$5 to \$10. For more information or additional questions, residents can visit the County website at <https://animalcare.lacounty.gov/>

Planning Division Monthly Activity Report

Attached is the Planning Division's Monthly Activity Report for October 2020. The report contains a summary of the Division's activities during this last month regarding: 1) New applications received; and 2) Staff, Director, Planning Commission and City Council decisions rendered. As indicated in the report, the Division received 61 new applications and rendered decisions on 45 applications for October 2020.

Building and Safety Division Monthly Activity

Attached is the Building and Safety Division's Monthly Activity Report for October 2020 reporting on: 1) A summary of the new cases received broken down by application type; 2) The number of permits issued; 3) The amount of fees collected; 4) The number of inspections performed; and 5) The number of new plan checks submitted. As indicated in the report, the Division issued 170 permits and performed a total of 447 inspections for October 2020.

View Restoration Division Monthly Activity

Attached is the View Restoration Division's Monthly Activity Report for October 2020 and year-to-date information on: 1) New view cases; 2) Pre-application meetings; and 3) Cases resolved by mediation. The Division received 7 new cases in October 2020.

Code Enforcement Division Monthly Activity

Attached is the Code Enforcement Division's Monthly Activity Report for October 2020 reporting on: 1) Violations by category; 2) Number of closed cases by violation with median processing times; and 3) Illegal sign abatement. As indicated in the report, the Division conducted 36 field inspections and brought 13 cases to closure for October 2020.

Planning Commission Agenda

See attached pre-agenda for the Planning Commission meeting on Tuesday, November 10, 2020.

RECREATION AND PARKS DEPARTMENT

New Guidance on Outdoor Recreation and Private Gatherings

The Los Angeles County Department of Public Health has updated its guidance on attending private group gatherings and participating in outdoor recreation activities. Public parks and outdoor spaces are ideal places to participate in small group gatherings and recreation activities, as they can help reduce the spread of the virus from one person to another. When participating in a gathering or other activity, all park rules must be followed.

Private Gatherings

Small, private gatherings of persons from no more than three households are now permitted. Gatherings should be held outdoors and all attendees must wear a face covering and maintain physical distancing from those not in their household. In order to lower the risk of exposure to COVID-19, remember to keep gatherings short (no more than two hours), practice good hand hygiene, use single-serve disposable containers, and refrain from activities that may increase the risk of COVID-19 transmission such as singing, chanting, shouting, or physical exertion.

For more information on private group gatherings visit <http://publichealth.lacounty.gov/media/coronavirus/docs/people/GuidanceGatherings.pdf>

Rancho Palos Verdes Park Rules: <http://rpvca.gov/1333/Outdoor-Group-Picnic-Rules>

Outdoor Recreational Activities

Outdoor recreation is permitted in the City of Rancho Palos Verdes! In addition to individual and household passive recreation in City parks and Open Space, the Recreation and Parks Department offers a variety of in-person, outdoor organized group classes and activities for all ages. Classes include yoga, dance, fitness, lacrosse, art, enrichment, and more. To limit the risk of exposure to and transmission of the virus, all

classes are held outdoors, class sizes are limited, and participants and instructors are required to wear face coverings except during heavy physical exertion.

For more information on participating in recreational activities and COVID-19, visit <http://publichealth.lacounty.gov/media/Coronavirus/docs/people/FAQOutdoorRecreation.pdf>

For full Rancho Palos Verdes Recreation class listings, visit <http://www.rpvca.gov/211/Activities>

Keep on Trucking (and Vanning)

The City recently added two new vehicles to its fleet, a 14 passenger Ford van, and a Ford Ranger truck. In December 2019, the Los Angeles County Metropolitan Transportation Authority (Metro) approved a request from the City to fund the van purchase using Proposition A grant funding in the amount of \$65,000. This passenger van is intended to replace the City's existing passenger van, which has outlived its useful life and maintenance value. Staff will use the new van to transport REACH Program participants on monthly activities/trips, and will also be used by multi-department City Staff to transport larger numbers of individuals on-site visits and similar work-related tasks.

The truck will be mainly used by City Park Rangers to patrol the Palos Verdes Nature Preserve and open space areas. The use of the truck will be consistent with the Council-adopted Natural Communities Conservation Plan/Habitat Conservation Plan (NNCP/HCP). The truck was funded through the City's Equipment Replacement Fund.

Holistic Preserve Parking Report

A comprehensive review and analysis of Preserve-wide parking and access will be presented to the City Council on December 15, 2020. The report will present short, medium, and long-term solutions to this long-standing challenging issue.

The City Council addressed Palos Verdes Nature Preserve (Preserve) parking and access issues at its October 20, 2020 meeting. The item was focused primarily on the Del Cerro area, but also addressed overall Preserve issues. These actions followed meetings on August 18, 2020, and September 1, 2020, where the Council issued a number of directives, including a temporary parking moratorium on a 390-foot section of Crenshaw Boulevard, south of Crest Road with the addition of a drop-off area, creation of a holistic Preserve parking analysis, directed Staff to provide an update on the installation of entry gates at the Burma Road and Rattlesnake trailheads, research on parking enforcement alternatives and a parking reservation system in the Del Cerro area.

These directives were undertaken due to the ongoing traffic, noise, and safety concerns that have been raised in the Del Cerro area for years. Balancing quality-of-life concerns for neighbors living near the Preserve with public access has been an ongoing challenge.

Below is a list of Council actions taken on October 20.

1. Received and filed a status update on the City's continued social media campaign to direct visitors to appropriate designated parking areas.
2. Directed Staff to return to the City Council with a holistic parking analysis focused on short, medium and long-term goals, for the entire Preserve, including parking alternatives and recommendations by December 15, 2020.
3. Received and filed a status update on the installation of the entry gates at the Burma Road and Rattlesnake Trailheads and included change order language;
4. Directed Staff to open the Burma and Rattlesnake Trailhead gates at 7 a.m., and close them at a set time on a quarterly basis based on the latest sunset time during that period.
5. Directed Staff to initiate the process to hire part-time parking enforcement and report back to Council by December 15, 2020.
6. Directed Staff to proceed with a request for proposals (RFP) to establish a parking app system for the Del Cerro area along Crenshaw Boulevard, and other areas; as deemed appropriate by the City and return to Council on December 15, 2020.

7. Directed Staff to defer entering into an agreement with the Palos Verdes Peninsula Unified School District to allow the use of a parking lot at the Rancho Del Mar School for Preserve parking pending further analysis.
8. Directed Staff to extend the 60-day parking prohibition along Crenshaw Boulevard south of Crest Road until December 15, 2020, at which time the City Council will consider whether to extend the temporary parking prohibition. Staff was directed to extend the existing passenger loading zone.
9. Directed Staff to analyze parking and citation fees by December 15, 2020.
10. Directed Staff to work with Palos Verdes Peninsula Land Conservancy (PVPLC) on the potential trailhead and adjacent park beautification at the Alta Vicente Reserve.
11. Directed Staff to work with PVPLC on an analysis of capacity levels in the Preserve.

The December 15 holistic report will include updates on all actions taken related to the above items.

Recent Actions/Developments:

- A contract was finalized with Tripepi Smith to provide Search Engine Optimization (SEO) services. Staff held a kickoff meeting with the contractor this week to begin services.
- Staff is sending out a Request for Proposals (RFP) this week to companies to provide an online parking permit/reservation system with a goal of having a contract ready for Council review and approval by December 15, 2020.
- Staff is developing a job description for part-time parking enforcement recruitment.
- Staff is developing an RFP for a traffic engineer to review a range of parking and traffic issues related to the Preserve, including Crenshaw north of Crest Road.
- Construction and installation continue at the Burma Road and Rattlesnake Trail gates. The Burma Road gate is expected to be completed by mid-to-late November and the Rattlesnake gate by the end of December.

Playgrounds Now Open

Following Governor Newsom's and the California Department of Public Health's announcement that outdoor playgrounds are permitted to open statewide, the Los Angeles County Department of Public Health released Reopening Protocols for Outdoor Playgrounds on October 1, 2020. While the Los Angeles County Department of Public Health issued guidance, the decision to re-open outdoor playgrounds is made by each individual agency. City Staff worked to ensure that all playgrounds were in compliance with health guidance and safety standards and then opened playgrounds at all parks on Friday, October 9.

Unrelated to Covid-19 and in accordance with industry best practices, the City recently conducted a playground equipment safety inspection. When the safety inspection report was received, the City took action to remediate items that could be addressed immediately. Some playground equipment will require longer-term solutions to remediate. As a result, the following equipment will remain closed to the public until further notice:

- Swings for ages 5-12 years at Hesse Park, Ryan Park, Ladera Linda Park, and Eastview Park
- Select playground structure elements including slides and climbers at Hesse Park and Ladera Linda Park.

A schedule for the remaining work is under development and will be shared as soon as it is available.

The following equipment will be open to the public:

- Playground structures at Hesse Park, Ryan Park, Ladera Linda Park, and Eastview Park
- Swings for ages 4 years and under at Eastview Park

Click on the links below to see the complete State and County orders and protocols:

Television Series Filming

A television reality program continued to film this week at Catalina View Gardens. Film production will continue through December 4, with the final week-and-a-half devoted to set breakdown and removal. No filming or breakdown/removal will take place on 11/26 (Thanksgiving Day). Staff spoke with the property manager and the film company to address resident concerns. Filming is limited to 7am-7pm Monday through Saturday for this shoot with the exception of Sunday, November 15 when the film company has been approved to film with a very small crew. Adjacent neighbors were notified of this Sunday shoot.

Portuguese Bend Beach Club is hosting the production of a TV drama this week, with filming ending November 4. The production rented Wayfarer's Chapel's parking lot for that same period.

Volunteer Program

A local resident coordinated a volunteer Abalone Cove Beach cleanup last week as part of a school project. She recruited and outfitted 26 volunteers with gloves and bags. The volunteers brought their own masks and lots of enthusiasm, while Abalone Park staff provided grabbers. Thank you to the Ryan Family for helping keep our beaches spotless.

Virtual *Día de los Muertos* Mini Altar Workshop for Families

This year the Recreation and Parks Department launched its first Virtual *Día de los Muertos* mini altar workshop for families. On Sunday, November 1st at 10 am, around 16 participants tuned-in from the comfort of their homes for a fun, interactive and educational art-making activity. Participants learned about the significance and history of the popular *Día de los Muertos* tradition and how to create a mini altar celebrating a loved one that has passed away. Participants were excited to share photos of their completed art-work and RPV resident, Cindy Dahl, commented: “My son and I had so much fun. I hope there will be other activities in the future.”

YMCA All the Way!

The outdoor YMCA Recreation Program is underway, and space is available so register now! The After School Recreational Enrichment Program for Grades K-5 is held at local Rancho Palos Verdes Community Parks in partnership with the San Pedro & Peninsula YMCA. For more information and to register visit ymcala.org.

Preserve and Beach Weekend Activity: Saturday, October 31 & Sunday, November 1:

Public Contacts: 856

Notice to Appear Citations Issued: 0

Parking citations: 16

Violations Observed: usually corrected and/or warning given: 23

Rattlesnake Safety Workshop

Staff received training on rattlesnake safety. Staff learned about snake identification, mating behaviors, and received hands-on training to be able to safely relocate a rattlesnake if needed to ensure public safety.

Abalone Cove Reserve:

On October 27th, Rancho Palos Verdes Park Rangers, and LA County Fire Department firefighters and lifeguards met for training at Abalone Cove. The training included rock entries/exits and personnel swam inside the sea caves simulating actual gorge rescues. Multi-agency efforts were made so that land-based resources

and water-based resources can better coordinate their efforts while reducing risk for personnel. The training included identifying low hanging “rock shelves,” and utilizing

rescue lines to pull swimmers to safety. Ultimately in case of an emergency, it is advised you call 911, advise the victim to stay calm, and know your location to share with dispatchers.

Over the weekend, staff continued to educate patrons about Marine Protected Areas (MPA), and shared proper tide pool etiquette for safely viewing but not disturbing marine organisms. Below is a summarized report marking four months of data collection.

Ocean Trails Reserve:

Rangers have received calls of increased dog use at the Rancho Palos Verdes Beach. Animals are not allowed on any beach in the City of Rancho Palos Verdes. Animal fecal matter left behind can cause health risk for humans, in addition to urine affecting water quality. Dogs are allowed on the trails, as long as they are on a leash no longer than 6 feet in length. The City is working with Trump National Staff to ensure adequate signage is in place to educate and enforce the City's Municipal Code.

Portuguese Bend Reserve:

Residents adjacent to Portuguese Bend Reserve have reported an increase of rattlesnake sightings, including a 2-year old that was bitten. Rattlesnakes are native, and are venomous. Always use extreme caution, making sure you can always see your hands and feet at all times. Snakes will defend themselves if they feel threatened, but they are not naturally aggressive. Open Space Management staff is working on educational materials and information to distribute to and assist the community.

Vicente Bluffs Reserve:

As of November 3, 2020, Phase 1 of the Public Works Department's Vicente Bluffs Fence top Project is complete. A section of Seascapes Trail is now open for the public. Construction crews are still on-site, and all trail closed signage will remain in place in affected areas where work is still being completed.

Triannual OSM MPA Report

Overview

In response to an increase of poaching within the City of RPV, the Open Space Management Division (OSM) initiated Tidepool Patrols to patrol our two MPAs, the Abalone Cove limited take State Marine Conservation Areas (SMCA) and the Point Vicente no-take SMCA. Patrols were made during regular hours of operation as well as during early morning low tides. June 27, 2020 was the first date of these new patrols. The contents of this report will include the data collected during these four months as well as an overview of the events during this time.

Coordination with Outside Agencies

During this time, OSM began coordinating with several outside agencies in activities and improvements relating to our MPA. Staff continued to work alongside the California Department of Fish and Wildlife Wardens during this time, but also began working more closely with the MPA Collaborative, USC Sea Grant, LA Waterkeeper, Terranea, and others. The most significant result of this is the posting of new signage in multiple locations of both SMCAs as well as the acquiring of material for education and public outreach. The new proposed signage locations are included at the end of this report.

Training and Conferences

While staff did not attend any formal MPA related trainings during this time, they were present for several webinars and conferences relating to MPAs. In addition to this, our staff also served as panelists for the Rocky Intertidal Roundtable II, where they spoke to around 80 attendees on the topics of enforcement and policy relating to MPAs.

Results

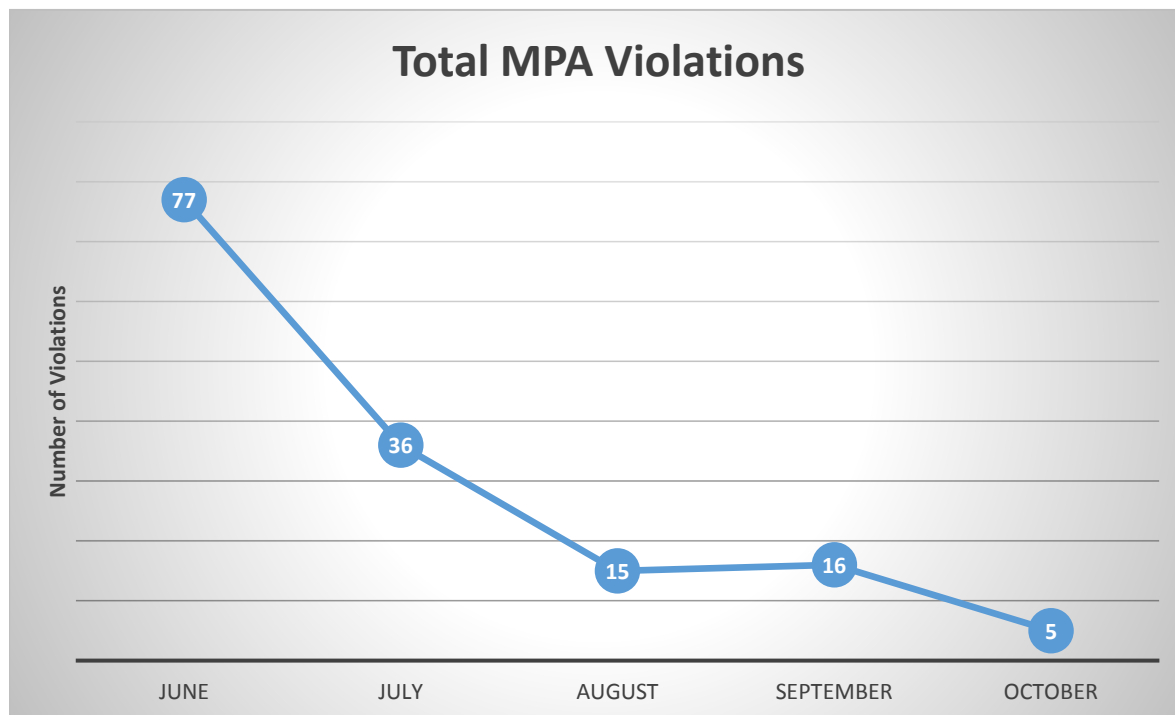

As the data will show, poaching has decreased significantly after the month of July, and continues to stay down. This can most likely be attributed to the increased presence of Wardens, OSM, and other agencies in the SMCAs. Public outreach and increased signage likely also played a major role in the decrease.

Disclaimer

Due to some inconsistencies in reporting early on, there was some missing data on the amount of wildlife returned by staff. These inconsistencies apply for June and the first two weeks of July. Additionally, there were some instances where reports did not specify the type of violation or number of violators, so as a result, there is a mismatch between violations by type and total violations.

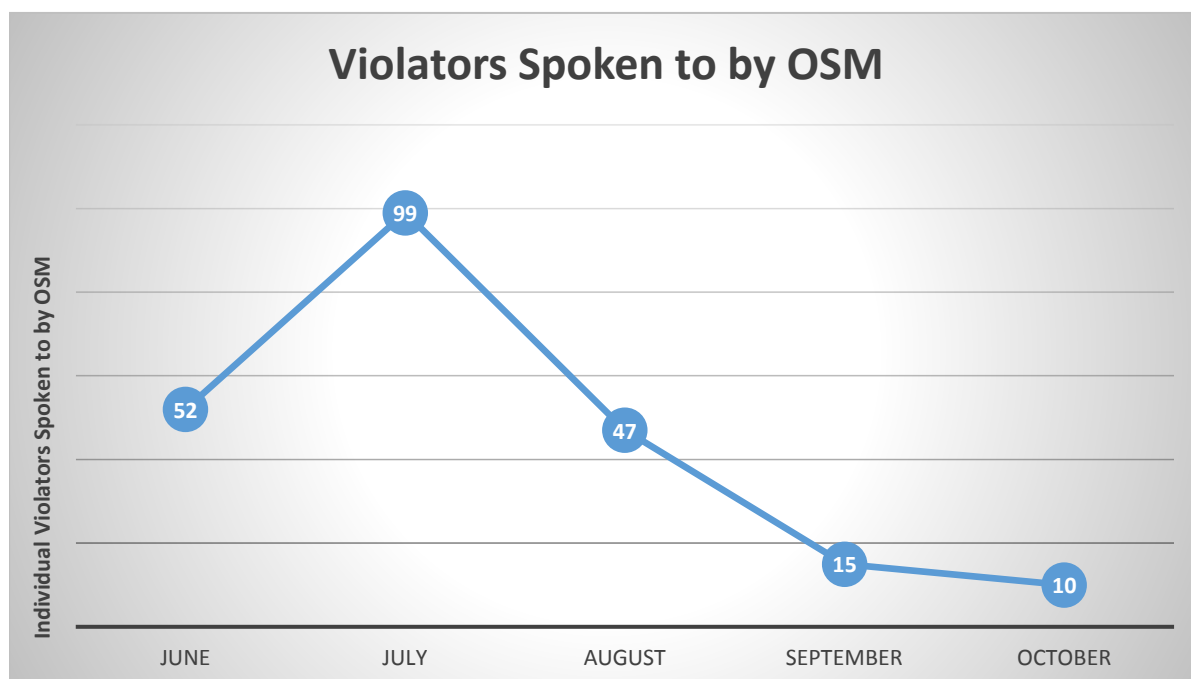

Data Overview

| Month | Total Violations | Violators spoken to | Wildlife returned | Violations prevented |
|--------------|------------------|---------------------|-------------------|----------------------|
| June | 77 | 52 | 586 | 2 |
| July | 36 | 99 | 1040 | 14 |
| August | 15 | 47 | 61 | 6 |
| September | 16 | 15 | 216 | 8 |
| October | 5 | 16 | 25 | 0 |
| Total | 149 | 229 | 1928 | 30 |

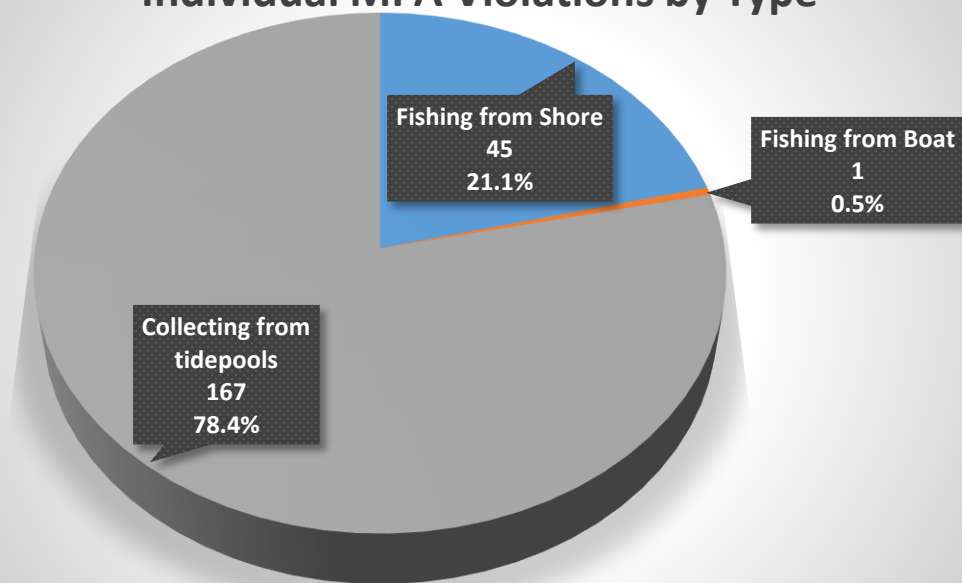

*Any MPA violation observed or reported, with or without the violators being spoken to.

† One MPA violation is counted for each group committing any offense within a MPA. Individual violators are not counted here.

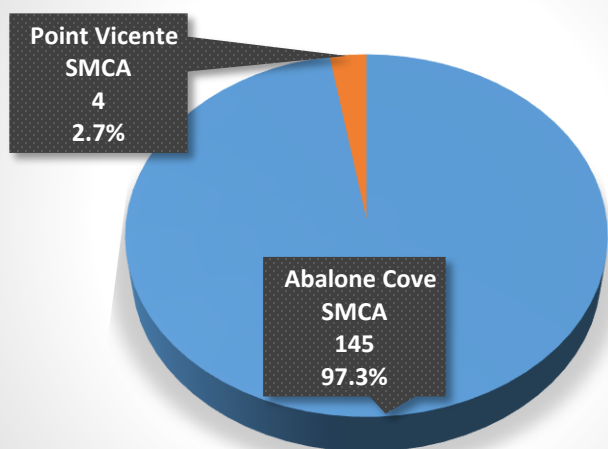

*Individual violators spoken to by OSM, excluding young children.

Individual MPA Violations by Type

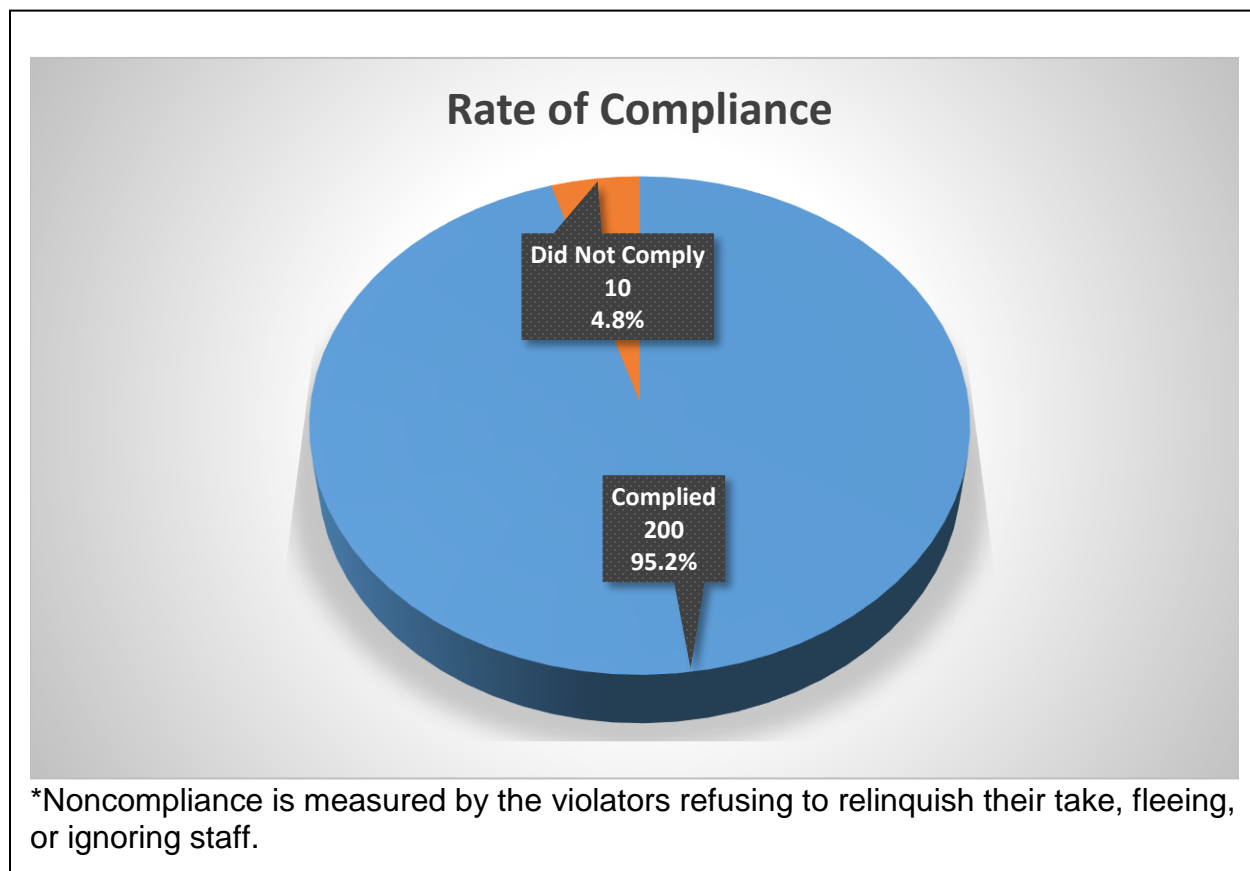

*Data comes from individual violators, either observed, reported, or spoken to.

MPA Violations by Location

*Data comes from total violations, organized by type.

† One MPA violation is counted for each group committing any offense within a MPA. Individual violators are not counted here.

Parks and Preserve Weekend Report

Beaches, parks, and trails, including the Palos Verdes Nature Preserve, have been open since May 13 with physical distancing, in accordance with guidance from the County of Los Angeles. Please go to www.rpvca.gov for further information.

November 1, 2020

To: Los Angeles County City Managers
From: Los Angeles County Division, League of California Cities®

Thank you for your city's engagement with the League's Los Angeles County Division.

Attached you will find a memo from Los Angeles County Division President Blanca Pacheco detailing the Division's 2020 activities. Please copy and distribute to your mayor and councilmembers.

We look forward to your city's feedback and input as the Division's Board of Directors plans for the 2021 policy priorities, event calendar, and Legislative session.

If you have any questions, please contact Jennifer Quan at jquan@cacities.org, Jeff Kiernan at jkiernan@cacities.org, or Kristine Guerrero at kguerrero@cacities.org. You can find additional information at www.lacities.org.

November 1, 2020

TO: Los Angeles County Division Mayors and Council Members
FROM: Blanca Pacheco, Los Angeles County Division President
RE: 2020 Year-End Report

On behalf of the Los Angeles County Division of the League of California Cities, I would like to thank you for your engagement and advocacy for your city and all cities throughout Los Angeles County in 2020. This year continues to bring our cities extraordinary challenges related to the COVID-19 pandemic, social unrest, and wildfires on top of our existing responsibilities to ensure balanced city budgets, uninterrupted essential services, and vibrant communities.

The Los Angeles County Division Board of Directors, like our members, have rapidly adjusted to meet our members' needs where they need us most. The Division has adjusted its advocacy efforts in the chaotic and truncated Legislative session, and shifted its programming and networking events to an all-virtual format. Here are just some of our activities this year:

Legislation & Advocacy

- ✓ ***Defeated SB 50 (Wiener)*** The Division, along with a coalition of regional stakeholders, worked with the Los Angeles County Legislative Delegation to support Senator Portantino's decision as Chair of the Senate Appropriations Committee to hold SB 50 from moving forward. The Division proposed that cities could be partners with the state in solving its housing crisis with three simple elements: flexible production options for cities, long-term funding for infrastructure and essential services, and affordability components that ensured housing for the lowest income levels. The Division's Board remained directly involved in the housing discussions with Senate leadership throughout the legislative session and will continue to engage in future housing proposals that override local control.
- ✓ ***Continued Efforts to Support Local Recovery*** In late March, the Governor issued a Safer at Home Executive Order (EO) to limit the spread of COVID-19 and relieve stress on the state's healthcare system. The EO essentially brought the economy to a standstill, limited most government operations, and halted the legislative session. Massive job losses resulted in unprecedented unemployment claims and triggered an immediate economic downturn resulting in significant revenue losses for the state and local governments. The state faced a \$54 billion shortfall through FY20-21 while a League of California Cities' analysis forecast a \$7 billion shortfall for the next two fiscal years.

EXECUTIVE DIRECTOR
JENNIFER QUAN

The Division worked extensively with the League to secure \$550 million from the state's CARES funds to all cities for COVID-19 related expenses. We continue to advocate at the federal level for an additional stimulus package that would provide additional funds to help with the revenue losses.

- ✓ **Ballot Measure Engagement** Even though national elections dominate the media cycle, state and local measures have the most immediate impacts to cities. After reviewing thirteen state propositions and one county measure, the Division is actively engaging in two ballot measures this November.

First, the Division opposes Measure J, an effort to set a permanent baseline minimum spending of the county's unrestricted revenues for categorical spending. While the Division believes that the Board of Supervisors' (BOS) intent to address social justice and equity in Los Angeles County laudable and worth the attention of every local government in the county, we ultimately oppose Measure J due to significant procedural and fiscal concerns. We encourage the BOS to work with cities in the future on measures with unknown consequences to all local governments.

The Division supports Proposition 20 which among its provisions expands the list of violent crime for which early release is not an option, revises serial theft thresholds, reinstates DNA collection for certain crimes and amends parole hearing considerations.

Education & Programming

When statewide health orders forced many meetings to a virtual format, the Division continued to offer programming and opportunities for engagement. Some of the activities included:

- ✓ Four General Membership Meetings
- ✓ Media and Communications Training
- ✓ Newly Elected Mayors and Council Members Governance Training Webinar Series
- ✓ Board of Directors Virtual Installation Ceremony
- ✓ All-Cities Los Angeles County District Attorney Forum

Communications & Social Media

With many people staying home and looking to social media to stay connected, the Division used our social media accounts to stay connected with our members by distributing news and sharing resources:

- ✓ 1,300+ people engaged with the Division's 129 posts on our @LosAngelesCities Facebook page
- ✓ 2,300+ people saw one of our 27 Instagram posts in their feed over the last year
- ✓ 1600+ subscribers received our monthly e-newsletter with a topical article from our President and updates from the Division

The Los Angeles County Division's Board of Directors Strategic Planning Session will assess the 2021 priority issues for cities in Los Angeles County, continue communicating with the Los Angeles County Legislative Delegation and engage members on advocacy efforts. We look forward to your city's continued engagement in our meetings and legislative activities. As always, should you have feedback or questions about how to engage with the Division, please contact our Executive Director, Jennifer Quan at jquan@cacities.org.

RE: REOPENING INDOOR OPERATIONS IN BUSINESSES, SCHOOLS, AND PLACES OF WORSHIP

Dear Mayor Cruikshank:

Thank you for your October 6, 2020 letter and your commitment to a safe and responsible reopening for the City of Rancho Palos Verdes and Los Angeles County. I appreciate the concerns you shared with respect to the County's reopening guidelines. As you are aware, Los Angeles County's plans for reopening are aligned with California's blueprint for reducing COVID-19 which includes criteria that will be used to determine what activities or sectors can be reopened in California counties. Under this [Blueprint for a Safer Economy](#), each county has been assigned to a Tier based on how well it is doing on a set of measures that relate to COVID-19 community transmission.

Los Angeles County is currently in Tier 1, meaning that there is widespread transmission of COVID-19 in the county. Recent business re-openings in Los Angeles County reflect our closer alignment with the openings permitted by the State in Tier 1. Throughout the pandemic, the State sets the minimum threshold for openings and counties are permitted to move more slowly than the State, based on our own local considerations, but we cannot move more quickly. In addition, the State to date has not approved of cities advancing more rapidly than the county in which they are located.

Given the size and diversity of the County, I understand your city's desire to move at its own pace. However, the current plan sets us on a path forward together with the goal of minimizing COVID-19 related cases, hospitalizations, and deaths as more people begin to interact through countywide business and activity openings and more children attend in-person school.

As with all re-openings, Los Angeles County is taking a staged approach to re-opening schools to reduce the risk to students, teachers, and their families and community. This approach will allow us to carefully monitor how safely these schools can reopen and if they can, classroom instruction will expand to more students who want to return.

The Honorable John Cruikshank
October 27, 2020
Page 2

Although cases of COVID-19 are attributed to home address, that does not indicate where exposure necessarily occurred, particularly when we have such a large and mobile population. So, a low case count in one's community may appear to indicate that there is a lower risk of exposure there, yet people could be getting exposed elsewhere such as in the workplace. Surveillance data is hard to generalize when there is a lot of virus circulating.

Public Health will continue to collect and monitor our data to determine the impact of reopening additional sectors on individuals and our healthcare systems in consultation with the Board of Supervisors. I appreciate your and your city's continued support and diligence as we work toward reopening.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Ferrer". The signature is fluid and cursive, with the first name "Barbara" and the last name "Ferrer" clearly distinguishable.

Barbara Ferrer, Ph.D., M.P.H., M.Ed.
Director

BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

October 22, 2020

The Honorable John Cruikshank
Mayor
City of Rancho Palos Verdes
30940 Hawthorne Boulevard
Rancho Palos Verdes, CA 90275

City of Rancho Palos Verdes

NOV 02 2020

City Manager's Office

Dear Mayor Cruikshank:

Thank you for your letter regarding the reopening of indoor operations in businesses, schools and places of worship. One of the goals of the Board of Supervisors during this pandemic has been to reopen the various sectors of the county as quickly and safely as possible.

While I understand the desire for smaller cities to seek a variance, the state did not approve a petition made by Supervisor Barger and I for the county to grant such variances.

The County's reopening plan is currently aligned with the State's guidance which does not allow for us to be less stringent than current guidance, including houses of worship. Waiver applications for schools have been prioritized based on the need for students, particularly for those who require more one-on-one assistance or who are most at-risk.

The Department of Public Health will be sending a separate response to you that will more specifically address your concerns.

Thank for your continued leadership and support.

Sincerely,

JANICE HAHN
Supervisor, Fourth District

JH:mj

Earthquake Preparedness

Earthquakes can happen at any time – day or night. You could be anywhere when the earthquake strikes. The RPV Emergency Preparedness Committee encourages all Peninsula residents to plan, prepare, and practice what you and your loved ones will do when an earthquake occurs.

- ✓ **Make an Emergency Plan:** Create a [family emergency communications plan](#) that has an out-of-state contact. Plan where to meet if you get separated.
- ✓ **Make a supply kit:** Create a [supply Kit](#) that includes enough food and water for several days, a flashlight, a fire extinguisher and a whistle.
- ✓ **Practice DROP, COVER, and HOLD ON:** Get prepared for Earthquakes before it happens by practicing DROP, COVER, and HOLD ON.

- ✓  **DROP** where you are, onto your hands and knees. This position protects you from being knocked down and also allows you to stay low and crawl to shelter if nearby.

-  **COVER** your head and neck with one arm and hand
 - Crawl underneath a nearby table or desk for shelter
 - If no shelter is nearby, crawl next to an interior wall (away from windows)
 - Stay on your knees; bend over to protect vital organs

-  **HOLD ON** until shaking stops
 - Under shelter: hold on to it with one hand; be ready to move with your shelter if it shifts
 - No shelter: hold on to your head and neck with both arms and hands.

Protect Your Home: Secure heavy items in your home like bookcases, refrigerators, televisions and objects that hang on walls. Store heavy and breakable objects on low shelves. Consider making improvements to your building to fix structural issues that could cause your building to collapse during an earthquake.

✓ **Sign up for RPV Emergency Alerts with Alert SouthBay** by texting “alertsb” to 888-777

For additional information and resources please contact Jesse Villalpando, Emergency Services Coordinator at Jvillalpando@rpvca.gov or (310) 544-5209.

In case of an EARTHQUAKE

FEMA

An earthquake is a sudden, rapid shaking of the earth, caused by the breaking and shifting of underground rock. Earthquakes can cause buildings to collapse and heavy items to fall, resulting in injuries and property damage.

If you are in a car
Stop in an area away from buildings, trees, overpasses, underpasses, or utility wires.

If you are in the mountains
Watch alert for falling rocks and landslides.

If you are outdoors
Stay outdoors

If you are in your home
Stay there until the shaking stops. **DO NOT** run outside.

If you are in bed
Stay there and cover your head and neck with a pillow.

If you are in a building
Expect fire alarms and sprinklers to go off. Do not use elevators.

Notes:

1. Staff reports are available for inspection at City Hall, 30940 Hawthorne Boulevard during regular business hours, 7:30 A.M. to 5:30 P.M. Monday – Thursday and 7:30 A.M. to 4:30 P.M. on Friday. The agenda and staff reports can also be viewed at Fred Hesse Community Park, 29301 Hawthorne Boulevard during the Planning Commission meeting.
2. Materials related to an item on this Agenda submitted to the Planning Commission after distribution of the agenda packet are available for public inspection at the front counter of the Planning Division lobby at City Hall, which is located at 30940 Hawthorne Boulevard, Rancho Palos Verdes during normal business hours as stated in the paragraph above.
3. You can also view the agenda and staff reports at the City's website www.rpvca.gov.
4. Written materials, including emails, submitted to the City are public records and may be posted on the City's website. In addition, City meetings may be televised and may be accessed through the City's website. Accordingly, you may wish to omit personal information from your oral presentation or written materials as they may become part of the public record regarding an agenda item.
