## CITY MANAGER'S OFFICE

### Citizen Satisfaction Survey Update

With the deadline now passed for the **RPV Citizen Satisfaction Survey**, the City Manager's Office and the Recreation and Parks Department have teamed up to manually enter some 600+ print responses the City has received in the mail (we anticipate at least another 800 from the Post Office in the coming days). The City also received about 1,500 responses online.

The results of all survey responses will be presented to the City Council on February 16, ahead of the goal-setting workshop on February 22. The Council can then use this information to help guide 2021 goals and future policymaking.

So far, 30 lucky gift card winners have been selected in the raffle prize drawing! The next winners will be announced on the City's social media pages this Thursday, January 28 and notified individually by city staff.

If you have any questions about the Citizen Satisfaction Survey, please contact Senior Administrative Analyst Jesse Villalpando at [jvillalpando@rpvca.gov](mailto:jvillalpando@rpvca.gov).

LA County  
Roadmap to Recovery

County of Los Angeles  
Public Health

## Regional Stay Home Order Lifted; Outdoor Dining to Reopen Friday

On January 25, the State of California **lifted the Regional Stay Home Order** and moved all counties back into the Blueprint for a Safer Economy color-coded tiers. Los Angeles County, along with the majority of the state, is in the most restrictive purple tier.

By Friday, the County anticipates the reopening of additional key sectors — including outdoor restaurant dining — with additional safeguards in place to protect employee and customer safety as we continue to experience high caseloads and transmission rates.

With the lifting of the Regional Stay Home Order, the L.A. County Health Officer Order issued on November 25 is still in effect until a new Health Officer Order is issued on Friday to more fully align with the sector openings permitted in the purple tier. The new Health Officer Order will allow restaurants to reopen for outdoor dining with occupancy limits and masking requirements for all staff. The L.A. County Department of Public Health will also rescind the hours of operation restrictions for non-essential businesses, which have been required close from 10 p.m. and 5 a.m.

The following is allowed starting today with adherence to all of the sector-specific directives to ensure distancing, wearing of face coverings, and infection control:

- Private gatherings outdoors up to three households and up to a total of 15 people
- Museums, zoos, aquariums outdoor operations at 50% occupancy
- Cardrooms outdoor operations at 50% occupancy
- Miniature golf, go-karts, batting cages outdoor operations at 50% occupancy
- Outdoor recreational activities are open
- Hotels and motels for tourism and individual travel allowed
- Fitness facilities open for outdoor operations
- Personal care services open indoors at 25% capacity
- Indoor mall, shopping center, lower-risk retail open at 25% indoor capacity; food courts and common areas closed

The following restrictions remain in effect until January 29:

- Restaurants, wineries and breweries remain open for pick-up, delivery, and take-out only.
- Non-essential businesses closed from 10 p.m. to 5 a.m.

Residents are advised to stay home as much as possible and always wear a face-covering over their nose and mouth when they are outside their household and around others.

For the latest updates, visit [publichealth.lacounty.gov/coronavirus](https://publichealth.lacounty.gov/coronavirus).

## **City Hall to Remain Temporarily Closed to the Public through February 12; Outdoor Recreation Classes to Resume February 8**

Although COVID-19 cases are trending down in L.A. County, because transmission remains relatively high, and to limit public contact to protect the health and well-being of residents and City staff, **City Hall will remain temporarily closed to the public through February 12.** The City remains open for business, however, by telephone, email, online and limited curbside services. Some employees are working on rotation and may be working remotely.

Please visit the appropriate department page on the City website for a list of phone numbers and email addresses to accommodate your needs. For a list of departments, visit <http://www.rpvca.gov/148/Departments>.

- **Community Development Department** applications and permit requests may be submitted to [planning@rpvca.gov](mailto:planning@rpvca.gov).
- **Building permit** applications and requests may be submitted to [buildingsafety@rpvca.gov](mailto:buildingsafety@rpvca.gov).
- **Payments** can be made online at <https://dpm.bankofthewest.com/ebpp/RPVCA/Login/Index> or by phone at 310-544-5301.
- **Non-emergency service requests** may be submitted at <http://www.rpvca.gov/FormCenter/NonEmergency-Customer-Service-Requests-3/NonEmergency-Customer-Service-Requests-43>.
- **Public Works service requests** may be submitted at <https://survey123.arcgis.com/share/6d13530e7ca84edbb5c4e022bdc54da8>.

As a reminder, all City park buildings are closed. Following Monday's revised Health Officer Order, **outdoor recreational programming will resume on February 8**. Classes include yoga, dance, fitness, lacrosse, art, enrichment, and more. To limit the risk of exposure to and transmit the virus, all classes are held outdoors, class sizes are limited, and participants and instructors are required to wear face-coverings except during heavy physical exertion.

For full Rancho Palos Verdes Recreation class listings, visit <http://www.rpvca.gov/211/Activities>

For information on additional outdoor activities, including the **YMCA After School Recreational Enrichment Program**, see the Recreation and Parks Department section of this report.

## **California to Transition to Age-Based COVID-19 Vaccine Eligibility; Launches My Turn Notification Tool**

Also, on January 25, Governor Gavin Newsom announced that moving forward, there will be a single statewide standard and movement through the COVID-19 vaccination eligibility tiers. The state will continue through 65+, health care workers, and prioritize emergency services, food and agriculture workers teachers, and school staff. From there, the state will transition to age-based eligibility. Staff will monitor how this change will be implemented in Los Angeles County and share updates as they become available.

The state also announced My Turn, a new system for Californians to learn when they are eligible to be vaccinated and a place to make an appointment when eligible as well as a mechanism to track vaccination data easily. Through My Turn, individuals will sign up for a notification when they are eligible to make an appointment and schedule one when it is their turn. Providers will be able to use My Turn to automatically share data on vaccines received and administered with the state, reducing lag times. To learn more, visit [myturn.ca.gov](https://myturn.ca.gov).

## **Letter Offering Municipal Facilities as Vaccination Sites**

On January 25, Staff sent a letter on behalf of the Mayor and City Council to the Los Angeles County Board of Supervisors and Department of Public Health Director Dr.

Barbara Ferrer requesting Rancho Palos Verdes be added to the list of cities willing to offer the use of municipal facilities as local COVID-19 vaccination sites (see attachments). The letter noted that seniors 65 and over make up one-quarter of the City's population, and many have expressed frustration with the great distance between the isolated Palos Verdes Peninsula and PODs in Los Angeles. Staff will continue to monitor this issue.

## COVID-19 Vaccine Appointments Available for Residents 65+, Supply Extremely Limited

Los Angeles County is reminding residents that the main way to schedule COVID-19 vaccination appointments is by logging on to [VaccinateLACounty.com](https://vaccinate.lacounty.gov) to check appointment availability.

Los Angeles County and its partners are operating a COVID-19 vaccination call center for residents who do not have computer access or have a disability that requires phone assistance. Residents without computer access can call 833-540-0473 between 8:00 am and 8:30 pm, 7 days a week for assistance with appointments.

Every appointment is booked through the portal on [VaccinateLACounty.com](https://vaccinate.lacounty.gov), and calls to the hotline do not offer access to a separate pool of appointments.

The vaccination call center is experiencing a surge of thousands of callers seeking to schedule vaccination appointments, affecting our ability to serve residents who do not have access to a computer.

While the county is increasing staffing at the call center, residents who have computer access are strongly urged to go to [VaccinateLACounty.com](https://VaccinateLACounty.com). Because of the limited supply of vaccines, only a very limited number of appointments are currently available for frontline health care workers and county residents aged 65 years and older.

Please visit [VaccinateLACounty.com](https://VaccinateLACounty.com) to find out if you are currently eligible to receive one.

## ICYMI: COVID-19 Vaccine Virtual Town Hall with Assemblymember Muratsuchi

In case you missed it, a recording of last night's **COVID-19 Vaccine Virtual Town Hall with Assemblymember Al Muratsuchi** is available online. Assemblymember Muratsuchi, Dr. Griselda Gutierrez of Harbor-UCLA Medical Center, Dr. Mona Shah of Kaiser Permanente South Bay Medical Center, and Dr. Paul Simon of the Los Angeles County Department of Public Health discussed how to get the COVID-19 vaccine, its rollout plan, and medical questions regarding the vaccine itself.

Watch the town hall on Assemblymember Muratsuchi's Facebook page at [facebook.com/muratsuchi](https://facebook.com/muratsuchi).

## Safe in the South Bay: State of COVID-19 Vaccine

The **Beach Cities Health District's Safe in the South Bay Series** brings health experts, cities, chambers, schools, and community members together around this fast-moving pandemic. The live-streamed series #4 on **February 4 at 5 p.m.** will focus on **COVID-19 vaccinations** and the psychology and resilience of living during a pandemic. Join an esteemed panel of experts who will provide the most up-to-date information on COVID-19 vaccines and the ways residents, organizations, businesses, schools, and the Beach Cities community can support COVID-19 recovery. Register at [bchd.org/coronavirus](https://bchd.org/coronavirus).

## The Great Peninsula Takeout

All residents are encouraged to participate in **The Great Peninsula Takeout**, a Peninsula-wide effort to support local restaurants. Join our community in this "Takeout Tuesdays and Takeout Thursdays" initiative by posting on social media and inviting friends and neighbors to order takeout! Check the [Open for Business page](#) on the City website for a list of local restaurants offering takeout, delivery and curbside pickup.

## PVLD Community Survey

The Palos Verdes Library District is seeking the community's input as it continues to plan for the return of interior library services during the COVID-19 pandemic. Your input will help in the planning process.

Take a moment to fill out the survey at [pvld.org/survey](https://pvld.org/survey).

## PVP Chamber COVID-19 Business Survey

Expanding upon a survey of businesses that the Palos Verdes Peninsula Chamber of Commerce conducted last spring, the Chamber is launching a new Peninsula-wide survey to evaluate the ongoing economic impact to businesses caused by COVID-19 and to assess the needs of businesses going forward.

All Peninsula businesses are encouraged to take five minutes to complete the survey today at <http://survey.constantcontact.com/survey/a07ehgq4867kipgp5lj/start>.

## COVID-19 Community Updates

The City continues to monitor the spread of the novel coronavirus in Los Angeles County and distributes **COVID-19 Community Updates via listserv and social media on Thursdays**, though any major announcements in between will be shared with the community. The newsletter provides a range of information, such as up-to-date case numbers for the City and the neighboring Peninsula cities, along with information on resources and services available.

If you haven't done so already, sign up for COVID-19 Community Updates by subscribing to the Breaking News listserv at [rpvca.gov/notify](http://rpvca.gov/notify). An archive of COVID-19 Community Updates is available at: <http://rpvca.gov/1304/Community-Updates>

A webpage on the City's website with coronavirus updates, resources, and information is continuously being updated at [rpvca.gov/coronavirus](http://rpvca.gov/coronavirus). And be sure to follow the City on [Nextdoor](#), [Facebook](#), [Twitter](#), and [Instagram](#)!

## COVID-19 Cases

As of January 26, there are 1,085,044 confirmed cases of COVID-19 across Los Angeles County (population 10.17 million). The total includes 1,075 cases in Rancho Palos Verdes (population 42,747), 309 in Palos Verdes Estates (population 13,522), 206 in Rolling Hills Estates (population 8,113), 36 in Rolling Hills (population 1,940), and 45 in the unincorporated areas of the Peninsula (population 1,921). Countywide, 15,592 people have died.

According to the Department of Public Health, 36 deaths have been reported in Rancho Palos Verdes. The City extends its deepest condolences to the families of these residents.

For a list of cases broken down by city, demographic characteristics, and settings, visit: <http://publichealth.lacounty.gov/media/Coronavirus/locations.htm>

For an interactive dashboard with maps and graphs showing testing, cases and death data by the community, poverty level, age, sex, and race/ethnicity, visit: [http://dashboard.publichealth.lacounty.gov/covid19\\_surveillance\\_dashboard/](http://dashboard.publichealth.lacounty.gov/covid19_surveillance_dashboard/)

An interactive dashboard of COVID-19 cases in the South Bay maintained by the City of Torrance is available at [bit.ly/2XB1fv1](http://bit.ly/2XB1fv1). The dashboard reflects information sourced by the Los Angeles County Department of Public Health.

## **Commissioner Lara Alerts Californians Living in Wildfire Burn Areas Across the State About Coverage for Floods and Mudslides**

With a forecast of winter weather bringing the possibility of floods, mudslides, debris flows, and other disasters to recent wildfire burn areas throughout the state, California Insurance Commissioner Ricardo Lara is alerting Californians to review their insurance policies and issued a notice to insurance companies reminding them that damage is covered.

Commissioner Lara issued a formal [Notice](#) to insurance companies reminding them of their duty to cover damage from any future mudslide or similar disaster caused by recent wildfires that weakened hillsides. In particular, the United States Geological Survey (USGS) has [projected increased likelihood of debris flow](#) for fire-scarred areas of the state in the event of heavy rainfall.

Homeowners' and commercial insurance policies typically exclude flood, mudslide, debris flow, and other similar disasters—unless they are directly or indirectly caused by a recent wildfire or another peril covered by the applicable insurance policy. The Department of Insurance has posted a [fact sheet for consumers](#) to answer questions about what their policies cover.

Due to the scale of the 2020 wildfires across the state, the Department of Insurance preemptively issued a Notice to all property and casualty insurance companies to ensure consumers are protected.

Commissioner Lara also urges consumers to take the following steps to prepare for the winter storm season:

- Consider flood insurance in addition to their homeowners' insurance policy. The [National Flood Insurance Program](#) currently provides the majority of flood coverage written in the state, but private flood insurance is also available.
- Use their smartphone to perform a [home inventory](#) to create a record of their belongings and store scans of important documents that they can easily access.
- Locate their insurance papers and put them in a safe place or upload them to an online location.
- For renters, consider purchasing renters' insurance to protect their personal belongings, which typically are not covered by their landlord's homeowner's policy.

- Consider comprehensive auto insurance, which would protect their vehicle in the event of flood damage.
- Visit the Governor’s Office of Emergency Services (CalOES) “winter wise” web page to [read more tips to prepare for winter weather](#).

The Department of Insurance is available to help residents with insurance coverage or claim questions. Contact the Department of Insurance consumer hotline at 800-927-4357 or through online chat or email at [insurance.ca.gov](https://insurance.ca.gov).

## **Regional Law Enforcement and Emergency Preparedness Committee**

The Regional Law Enforcement Committee (RELC) and the Regional Emergency Preparedness Committee (REPC) will be convening for their quarterly meeting on Thursday, February 11, in an online meeting format. The Regional Emergency Preparedness Committee Meeting will begin at 7:30 a.m., and the Regional Law Enforcement Committee Meeting will commence after its conclusion.

The Regional Law Enforcement Committee (RELC) consists of two Council Members from the Cities of Rancho Palos Verdes, Rolling Hills, and Rolling Hills Estates, who share municipal law enforcement services provided by the Los Angeles County Sheriff’s Department. The RELC meets on a quarterly basis to review the Sheriff’s performance, make policy recommendations regarding the joint contract, review statistics for the preceding quarter concerning crime incidents, traffic enforcement, response times, false alarm rates, and the distribution of the Sheriff’s patrol time throughout the region. The RELC also discusses the collaboration on the automatic license plate reader (ALPR) program.

The Regional Emergency Preparedness Committee (REPC) consists of two Council Members from all four Peninsula Cities of Rancho Palos Verdes, Rolling Hills, Rolling Hills Estates, and Palos Verdes Estates. The REPC meets quarterly on the same day as the RELC to discuss collaborative efforts on ensuring Peninsula-wide emergency preparedness. The objective of the REPC is to enhance emergency preparedness on the Peninsula by addressing joint preparedness efforts and response to widespread disasters affecting the greater Peninsula.

To watch and participate in public comment, please email Emergency Services Coordinator Jesse Villalpando at [jvillalpando@rpvca.gov](mailto:jvillalpando@rpvca.gov) to receive an email with further instructions.

## Emergency Preparedness

### Protecting Your City from Wildfire – Virtual Conference

On February 2-3, City staff will be attending a virtual conference hosted by Infocast, for the most up-to-date information on successful strategies and cost-effective approaches to risk mitigation and to facilitate coordination with state and federal agencies, local authorities, and other critical players in the effort to protect our community.

This conference gathers participants from every separate piece of the wildfire mitigation puzzle, enabling City staff to hear multiple viewpoints and lessons learned, best practices in responding to the risk of wildfires, and expert advice on actionable steps to take now in engaging residents, attaining funding, and hardening resources.

This virtual conference will provide City staff with helpful information on successful approaches community leaders have used to mitigate, prepare, and respond to wildfires and how City staff can be prepared to lead their communities through emergencies.

### Flood Safety

Floods can be serious catastrophes, and they are one of the most common hazards in the United States. Failing to evacuate flooded areas or entering floodwaters can lead

to injury or death. If you know what to do before, during, and after a flood, you can increase your chances of survival and better protect your property.

**Floods may:**

- Result from rain, snow, coastal storms, storm surges and overflows of dams and other water systems.
- Develop slowly or quickly. Flash floods can come with no warning.
- Cause outages, disrupt transportation, damage buildings and create landslides.

**BEFORE A FLOOD**

- **Create a Communications Plan:** It is important to be able to communicate with your family and friends in the event of a disaster. Whether it is having a specific person identified to contact for status updates or a safe location to meet up with family members, having a plan in place will give you peace of mind if disaster does strike.
- **Assemble an Emergency Kit:** Have enough food, water, and medicine on hand at all times to last you at least three days in the case of an emergency. Water service may be interrupted or unsafe to drink, and food requiring little cooking and no refrigeration may be needed if electric power is interrupted.
  - You should also have batteries, blankets, flashlights, a first aid kit, rubber boots, rubber gloves, and an NOAA Weather Radio or other battery-operated radio easily available.
- **Know Your Risk:** Know types of flood risk in your area. Visit [FEMA's Flood Map Service Center](#) for information.
- **Sign Up for Notifications:** Sign up for emergency alerts from Alert SouthBay warning system, by Texting "alerts" to 888-777, or registering online at [Alertsouthbay.com](#). Alert SouthBay is the City's primary vehicle for emergency communication. The National Oceanic and Atmospheric Administration (NOAA) Weather Radio also provides emergency alerts.
- **Prepare Your Home:** Sometimes floods develop slowly, and forecasters can anticipate where a flood will happen days or weeks before it occurs. Oftentimes flash floods can occur within minutes and sometimes without any sign of rain. Being prepared can save your life and give you peace of mind.

- If you have access to sandbags or other materials, use them to protect your home from floodwaters if you have sufficient time to do so.
- **Purchase or renew a flood insurance policy:** Homeowner's policies do not cover flooding. It typically takes up to 30 days for a policy to go into effect so the time to buy is well before a disaster. Get flood coverage under the [National Flood Insurance Program \(NFIP\)](#).
- **Prepare your Family/Pets:** You may be evacuated, so pack in advance. Don't wait until the last moment to gather the essentials for yourself, your family and/or your pets.
- **Leave:** If it is likely your home will flood, don't wait to be ordered to leave; evacuate yourself! Make alternative plans for a place to stay. If you have pets, take them with you or make arrangements to board them at a facility well away from the flooding danger.

## DURING A FLOOD

- **Stay Informed:** Listen to radio and television, including NOAA Weather Radio if possible, check the Internet and social media for information and updates.
- **Get to Higher Ground:** If you live in a flood-prone area or are camping in a low-lying area, get to higher ground immediately.
- **Obey Evacuation Orders:** If told to evacuate, do so immediately. Lock your home when you leave. If you have time, disconnect utilities and appliances.
- **Practice Electrical Safety:** Don't go into a basement, or any room, if water covers the electrical outlets or if cords are submerged. If you see sparks or hear buzzing, crackling, snapping or popping noises--get out! Stay out of water that may have electricity in it.
- **Avoid Flood Waters:** Don't walk through floodwaters. It only takes 6 inches of moving water to knock you off your feet. If you are trapped by moving water, move to the highest possible point and call 911 if possible. Do NOT drive into flooded roadways or around a barricade; Turn Around, Don't Drown!
  - Water may be deeper than it appears and can hide hazards such as sharp objects, washed out road surfaces, electrical wires, chemicals, etc.

- A vehicle caught in swiftly moving water can be swept away in seconds 12 inches of water can float a car or small SUV, 18 inches of water can carry away large vehicles.

## AFTER A FLOOD

- **Stay Informed:** Stay tuned to your local news for updated information on road conditions. Ensure water is safe to drink, cook or clean with after a flood. Authorities may ask you to boil water for a while after a flood.
- **Avoid Flood Waters:** Standing water hides many dangers, including toxins and chemicals. There may be sharp objects under the water, or the road could have collapsed. If it is likely your home will flood, don't wait for an evacuation order, get out.
- **Avoid Disaster Areas:** Do not visit disaster areas. Your presence may hamper rescue and other emergency operations.
- **Wait for the All Clear:** Do not enter a flood-damaged home or building until you're given the All Clear by authorities. If you enter a flood-damaged building, be extremely careful. Water can cause floods to collapse, ceiling to fall, etc. Make sure the electrical system has been turned off. Contact your insurance agent to discuss property damage.

## Weekly Crime Report Summaries

The City continues to provide its residents with crime report summaries when they are made available. These weekly summaries include information about reported crimes and arrests served by the Lomita Sheriff's Station, including the City of Rancho Palos Verdes. The summaries are updated on the City's website, distributed via Nextdoor and the Public Safety Alerts listserv, and included in the Weekly Administrative Report (see attachments).

These summaries can be found on the City website under City Services > Public Safety > Law Enforcement > Crime Reports – Weekly Summaries.

<http://rpvca.gov/1030/CrimeReports---Weekly-Summaries>

Additionally, the Los Angeles Sheriff's Department maintains a website mapping incidences of Part 1 Crimes within its jurisdiction, including the City of Rancho Palos

Verdes. To view the City's incidences on the website, please visit:

<https://www.crimemapping.com/map/agency/304>

On the website, you may view incidences from other cities and jurisdictions as well.

Please visit the website and follow the instructions as given:

For questions or to submit an application, please email McKenzie Bright, Administrative Analyst, at [mbright@rpvca.gov](mailto:mbright@rpvca.gov).

## Tips to Prevent Vehicle Burglaries

Take steps today to prevent thefts from your vehicle. Residents are strongly encouraged to use "Lock It or Lose It" prevention tips every day. It only takes a matter of seconds for a thief to break into your car and grab your valuable items.

Look through the windows of your vehicle. What do you see? A bag on the passenger seat? A charging cord? A garage door opener? Change in a cup holder? Take it with you or remove it from plain view and be sure to close all windows and lock doors.

Follow these tips to help prevent vehicle burglaries:

1. Remove all valuable items from your car including purses and electronics.
2. If you must leave valuables behind, put them in your trunk before you reach your destination. Avoid doing so while in plain view.

## ADMINISTRATIVE REPORT

## FINANCE DEPARTMENT

### December 2020 Financial Reports

The City's December 2020 Revenue and Expenditure Financial Reports are now available to view and/or download on the City's website

<http://www.rpvca.gov/1066/Monthly-Financial-Reports>. A snapshot of the General Fund categories is provided below.

December's financials are also available via the new interactive Monthly Finance Report. Staff worked to create a report that would be both interactive and easy to use while continuing to provide important insight into the City's finances. OpenGov, an existing service currently in use by the City, was used to create this interactive report. You can view our new December financial report at <https://stories.opengov.com/rpv/published/jOA1HXweO>.

### General Fund Revenues

At the end of December, the City received a total of **\$13,651,900 or 46.8%** (including transfers) of the FY 2020-21 Revenue Budget of \$29.2 million. As summarized in Table 1, compared to the prior year, General Fund Revenues are **\$4.15 million or 23.3%** less than FY 2019-20 revenue for the same period. Of this amount, \$3.1 million is due to timing and the remaining \$1 million as explained in detail below.

## General Fund Revenue Updates

As mentioned previously, the year to date revenues through December are \$4.1 million less than was received at this same point last year. The largest contributing factor to this variance is the timing of Property Tax revenues received which accounts for \$3.1 million. When excluding this timing factor, year to date revenues through December is approximately \$1 million lower than revenue at this same point last fiscal year. This is in line with the City's budget expectations except for the items listed below.

The City had received just under \$1.5 million or 40% of Transient Occupancy Tax (TOT) revenue through December 31<sup>st</sup>. All though TOT revenue is down \$1.46 million when compared to the prior fiscal year, it has exceeded current year budget estimates by \$198k. However, revenue has slowed as the Stay-at-Home order was put in place and extended through late January. Staff is in the process of gathering data to analyze and prepare updated year-end estimates that take into consideration the prolonged impact of the pandemic.

Sales Tax is down roughly \$206k due to reduced demand. TOT and Sales Tax were the revenue sources projected to be impacted the most by the economic slowdown. Roughly \$983k or 42.5% of budgeted Sales Tax revenue has been received so far during FY 2020-21. As a reminder, sales Tax revenue typically lags by at least two months.

Property Tax continues to remain strong with just over \$6.6 million or 46.8% of budgeted revenue received and is on track to meet the adopted budget. Parking lot fee revenue continues to outperform budget. Revenue has reached \$226k or 164% of budgeted revenue. This is \$106k over the adopted budget, thanks to increased demand at Abalone Cove. At the start of the fiscal year, the budget for these fees was reduced by \$92,000 in expectation of decreased demand.

Charges for Services remains higher than usual for this time of year with \$366k or 98% of budget revenue. This level of revenue is due to the recording of revenue received from Los Angeles County in July rather than in June, as was done in the previous fiscal year. This money is for the repayment of loans made by the City to the Redevelopment Agency (RDA) for the Portuguese Bend and Abalone Cove Landslide areas. The payment is received each fiscal year.

Golf Tax revenue continues to outpace expectations due to continued high demand. The City has already received \$265k or 88% of the projected revenue, \$44k more than received at the same period in FY 2019-20.

### **General Fund Expenditure Updates**

At the end of December, the City's expenditures, including encumbrances, totaled **\$19,809,200 or 67.1%** of the FY 2020-21 Expenditure Revised Budget of \$29.5 million. Additionally, the Department encumbers any commitment for a specific expenditure with a specific vendor during the first quarter of the year.

Compared to the same period last year, the General Fund Expenditures, including encumbrances, decreased by \$2.7 million or 12%. The results are aligned with the City's reduced budget and current activities. The majority of the decreased activities are a combination of savings from salaries and benefits from delayed/unfilled positions, park closures, and reimbursements from the Coronavirus Relief Fund Grant.

Table 2 is a summary of the City's General Fund Expenditures for December 2020.

## Business License Renewal 2021

On December 1, 2020, the City Council approved extending the Small Business Financial Assistance Plan to provide relief and promote the general welfare of the City's small business community experiencing negative financial impacts stemming from the COVID-19 pandemic. The approved extension waives the 2021 business license tax for eligible small businesses, as defined by Resolution No. 2020-34.

In addition to the Small Business Financial Assistance Plan, the City Council unanimously voted not to increase the 2021 business license tax for all 1,887 registered businesses. The business categories include in-city consultants, contractors, residential rentals, commercial or delivery vehicles, and refuse haulers.

Lastly, the City Council also approved to continue to assist over 430 home businesses by waiving their business license taxes in 2021.

During the week of December 14, 2020, the Finance Department mailed business license renewal notices to all registered businesses. Business licenses may be renewed through the City's website at [www.rpvca.gov](http://www.rpvca.gov) under the Finance Department's Online Business License Application and Payment. The renewal form and business license tax (if applicable) are due no later than January 31, 2021.

## PUBLIC WORKS DEPARTMENT

### Public Works Public Counter Service

In-person counter service is suspended until February 12, 2021, to help manage the surge in COVID-19 cases. Services will continue to be provided uninterrupted via phone, email, online, or curbside. If you are unable to conduct your business via phone, email, or online, you may come to City Hall and call Public Works at 310-544-5252 when you arrive at the front door. A staff member will walk you through the process to receive assistance. To limit physical interaction, drop boxes are available at the front door to submit and/or retrieve documents, if needed. Payments can be made online or by phone (via check or credit card).

For 2021 Parking Permits and Guest Placards, please contact Public Works at 310-544-5252 or [publicworks@rpvca.gov](mailto:publicworks@rpvca.gov).

### Unfilled Sandbags and Sand Available for RPV Residents

Need sandbags to protect your property against runoff during the rainy season? The City of RPV provides empty sandbags and sand for residents to fill and make as needed.

Unfilled sandbags are located at the City Hall info desk and are available during regular business hours (7:30 a.m.-5:30 p.m. Monday-Thursday, and 7:30 a.m.-4:30 p.m. Friday). Because City Hall is closed to the public to help prevent the spread of COVID-19, if you need to pick up empty sandbags, please remain in your vehicle upon arrival at City Hall and call 310-544-5200 for instructions. There is a limit of 10 sandbags per household with valid ID or proof of residency. Fill sand is located at City Hall in a designated area for residents to use. Please bring your shovels and tools as they are not provided. Please wear a face covering and maintain physical distancing of at least 6 feet from others, not in your household.

If you need additional bags, they can be purchased at local hardware stores. For sandbag placement tips, please visit the following link:

<https://www.rpvca.gov/DocumentCenter/View/6221/sandbag-placement?bidId=>

## **Traffic Signal Installation on Hawthorne/Via Rivera Update**

Staff and contractors will meet next week to kick off the construction of the traffic signal. The purpose of the meeting is to confirm City requirements with the construction contractor, review the schedule, working hours, and their proposed installation process. Placement of traffic control devices like advance notification of construction signage and cones in the roadway will also be discussed to help lessen impacts to the traveling public and minimize delays during construction. Following the preconstruction meeting, additional information will be disseminated to the public through the City's Listserve, social media, and changeable message signs.

## **Trail Improvements (Burma Road, Water Tank, and Sea Dahlia Trails)**

Staff is pleased to report that erosion control improvements to the Burma Road Trail and Water Tank Trail in the Portuguese Bend Reserve were completed prior to last weekend's rain.

Repairs were made to the Sea Dahlia Trail this week, including repairing an eroded cliffside, repositioning rock steps that had moved out of place, and installing a small

section of lodge-pole fencing. These repairs allowed for reopening this trail, which has been closed for some time.

## House Address Number Curb Painting Solicitation is Prohibited

Have you had people knock on your door demanding money for a curb-painting service? The curb-painting scam involves people you didn't hire that show-up, paint your house number on the curb, and demand payment. Some of the impostors will suggest or outright claim they are employed by the City, complete with official-looking notices. Don't let them pressure you into paying! If you did not hire or approve for anyone to paint your curb, don't give them payment or donations.

The City of Rancho Palos Verdes has occasionally received reports of homeowners being solicited for the painting of house address numbers on street curbs. Please be aware that, since November 20, 2001, this activity has been prohibited by City Council policy direction. The refreshing of house address numbers painted on street curbs is included within the

scope of the City's annual residential street rehabilitation project, using a City contractor and at no cost to individual homeowners.

If you have any questions, please contact the Public Works Department at (310) 544-5252 or [publicworks@rpvca.gov](mailto:publicworks@rpvca.gov). If someone approaches you and asks for money after painting your curb, explain to them why you are declining payment and report possible scammers to the Lomita Sheriff's Station at (310) 539-1661.

## Maintenance Activities

Public Works continues daily cleaning and sanitizing parks' facilities and restrooms to reduce the spread of COVID.

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

### Emergency Response

- Public Works and its vendors responded to and removed trees and branches downed by severe winds this week.
- Locations of downed trees are as follow:
  - Pembina Road and Waupaca Road
  - Delacroix Road and Longhill Drive
  - Seacove Drive and Nantasket Drive
  - Via De Anzar
  - Gunter Road and Caddinton Drive
  - Pontevedra Drive and Santa Rena Drive
  - Via Lorenzo
  - Montemalaga Drive
  - Mistridge Drive
  - Miraleste Drive

### Graffiti Removal

- 10 graffiti removals
- The RPV Graffiti reporting App has a new name and can now be downloaded for Android and Apple devices under the new name of “**RPV Clean**”

### Right-Of-Way

- A speed radar trailer was placed in Fairhill Drive and Elberon Avenue to aid in speed reduction.
- Tumbleweeds and palm fronds were removed throughout the City and will continue to be removed this week.

Vegetation Trimming, De-Weeding and Park Maintenance

- Removed a large tree in Right of Way blocking residents' view on Crest Road and Starline Drive.

Irrigation Repairs and Spill response to:

- Ryan Park
- Palos Verdes Drive Median
- City Hall
- Hesse Park
- Calle Entradero
- Sea Crest Road
- Eastview
- Via Lorado

## COMMUNITY DEVELOPMENT DEPARTMENT

### FAA Response to Passenger Jet Overflights

On December 9, 2020, the City sent a letter (attached) to the Federal Aviation Administration (FAA) expressing concerns that passenger jets are being deviated from their over-the-ocean flight paths and overflying RPV. On January 20, 2021, the FAA responded (attached) stating that the reasons for passenger jet deviation are due to aircraft traffic complexities influenced by adverse weather, safety, and efficiency. City staff will continue to monitor jet overflights and participate at the LAX Community Noise Roundtable meetings to represent the community's interest to reduce jet noise. Their next scheduled online meeting will be on Wednesday, March 10, 2021, starting at 1:30 p.m. For more information from LAWA staff about their Roundtable meetings, including agendas and participation, please visit their website by clicking [here](#).

### Local Early Action Planning (LEAP) Grant Program Application

On April 10, 2020, the City was awarded \$160,000 in funding through Senate Bill No. 2 (SB 2), known as the “Building Homes and Jobs Act,” to facilitate and streamline the development process for mixed-use projects in certain commercial zoning districts within the City as an effort to increase the supply of affordable housing in California. Similar to the SB 2 Grant, the LEAP Grant Program is a

secondary one-time funding to facilitate the acceleration of housing production and help prepare for the 6<sup>th</sup> Cycle Regional Housing Needs Assessment (RHNA). The Planning Division will be submitting its LEAP Grant application this week for \$150,000, which will be largely utilized in the same manner as the SB 2 Grant to create a mixed-use overlay control districts within the City’s commercial zoning districts and prepare a program-level California Environmental Quality Act (CEQA) document.

## Façade Remodel – 580 Silver Spur Road

On January 25, the Planning Division approved a Site Plan Review application for the exterior remodel of an existing office building at 580 Silver Spur Road. The exterior remodel includes, but is not limited to, the replacement of an existing staircase, new exterior finishes, and hardscape repairs. The project also includes interior improvements and the replacement of landscaping throughout the site.

PROPOSED EAST ELEVATION

## 2020 Water Efficient Landscape Ordinance (WELO) Reporting

Pursuant to Government Code Section 65595 and 65597, California cities and counties are required to report to the California Department of Water Resources (DWR) on the review and approval of landscape projects by January 31 of each year. The reporting allows DWR to assess and quantify the level of implementation of WELO across the State. WELO was enacted to protect the State's limited water resources and increase water conservation in landscaping by promoting water-efficient landscapes, limiting turf, preventing wastewater, and incentivizing the use of graywater and recycled water in new construction and rehabilitated projects. On January 25, 2021, the Planning Division submitted the 2020 WELO Implementation Annual Report (Attached) to the DWR, which reflects the processing of 5 WELO applicable landscape projects in the City.

## RECREATION AND PARKS DEPARTMENT

### Quarterly Palos Verdes Nature Preserve Public Forum

On January 27 at 6 p.m., the City will hold a Quarterly Palos Verdes Nature Preserve Public Forum via Zoom. The meeting will include a discussion of the Palos Verdes Nature Preserve and Portuguese Bend Reserve Parking and Access Project.

To participate in the virtual meeting, please email your contact information to [trails@rpvca.gov](mailto:trails@rpvca.gov) by the end of the business day on January 26. The agenda is available at the following link:

<http://www.rpvca.gov/705/Quarterly-Public-Forum-Meetings>

Quarterly Preserve Forums are an opportunity to learn about current projects and activities taking place in the Preserve, and to receive updates on maintenance, operations, and public use issues. They are also a valuable tool for the City and Palos Verdes Peninsula Land Conservancy to gather public input on Preserve maintenance and operations.

If you would like to provide comments virtually during the forum or leave a pre-recorded voice message, please complete a form at <http://rpvca.gov/participate>.

Please contact Senior Administrative Analyst/Open Space Manager Katie Lozano at [trails@rpvca.gov](mailto:trails@rpvca.gov) or 310-544-5267 with any questions or additional information.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, [adarequests@rpvca.gov](mailto:adarequests@rpvca.gov), 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

## **Coming Soon: New Exhibits at the Point Vicente Interpretive Center!**

Los Serenos de Point Vicente and City Staff have been hard at work on new exhibits that explore and illuminate the human and natural history of the Palos Verdes Peninsula. These planned exhibits are in addition to 2019 Phase II installations, that focused on the Point Vicente Lighthouse, Frensel lens and whaling.

Buoyed by the positive momentum from those successful installations, a group of Los Serenos docents formed an internal working committee along with City Staff pursue additional Phase II exhibits. The committee formed in late 2019, and two years later, we are excited to announce new exhibits coming in February 2021 to PVIC.

The new exhibits will focus on Gray Whales, birds, navigation, and migration. Components in the exhibits will include interactive display pieces, video content, and more. Los Serenos de Point Vicente and individual donors funded the project's fabrication, which cost \$108,000.00. The City has maintained oversight throughout the project and will be responsible for the installation costs and installing new lighting to highlight the displays.

Below is a sneak peek at a gray whale skull, one of the artifacts on display.

Once PVIC reopens, pending LA County Dept. Public Health guidance regarding indoor museums and implementing mandatory protocols, the exhibits will be on display for public viewing during regular business hours 10am-5pm daily.

## **Preserve Information and Reporting Hotline**

Dial **310-491-5775** to report misuse of the Preserve and for accessing Preserve information. The hotline service is available 7:30 a.m. to 5:30 p.m. Monday through Thursday, 7:30 a.m. to 4:30 p.m. Friday, and 8 a.m. to 6 p.m. weekends. Callers can speak with a hotline operator who takes down concerns and questions and forwards them directly to Open Space Management staff and law enforcement personnel. Callers may request a callback, or if calling outside of regular hours, may leave a message and request a call back the following day.

While the Preserve Information and Reporting Line is a service to Preserve users, it will also serve as a helpful tool to increase the City's awareness of activity in the Preserve.

Below are some concerns that are anticipated to be handled by the Hotline number 310-491-5775.

- Dogs off-leash
- Dogs/horses/animals off the trails
- Hikers/cyclist/equestrians off the trail
- Misuse of trails (i.e., cyclists on pedestrian only trails, horses on pedestrian only trails, etc.)
- Reckless use of Preserve trails
- Paraglider in Preserve
- Motorized vehicles/aircraft
- Homeless encampments
- Removal/destruction of flora/fauna
- Removal or destruction/modification to Preserve signage
- Illegal dumping (after the fact)
- Littering

## **Revised Guidance and Safety Measures for Outdoor Recreation and Private Gatherings**

On Monday, The Los Angeles County Department of Public Health lifted its *Targeted Temporary Safer at Home Order*. The L.A. County Health Officer Order that was issued on November 25 is reinstated and in effect until a new Health Officer Order is issued this Friday, January 29. Public parks and outdoor spaces are ideal places to gather with your household and participate in recreation activities, as they can help reduce the spread of

the virus from one person to another. When participating in a gathering or other activity, all park rules must be followed.

Rancho Palos Verdes Park Rules: <http://rpvca.gov/1333/Outdoor-Group-Picnic-Rules>

### Parks and Trails Open

Parks and trails remain open for recreation use, including running, walking, and playing outdoors with members of the same household. All activities where individuals will be or can be in contact with non-household members require an appropriate face-covering unless medically exempt.

### Playgrounds Open

All City of Rancho Palos Verdes playgrounds are currently open.

### Private Group Gatherings Permitted

In accordance with the L.A. County Health Officer Order, private outdoor gatherings outdoors of up to 3 households and a total of 15 people are permitted. All attendees must wear a face covering and maintain physical distancing from those not in their household. In order to lower the risk of exposure to COVID-19, remember to keep gatherings short (no more than two hours), practice good hand hygiene, use single-serve disposable containers and refrain from activities that may increase the risk of COVID-19 transmission, such as singing, chanting, shouting, or physical exertion.

RPV Park Rules: <http://rpvca.gov/1333/Outdoor-Group-Picnic-Rules>

## **Outdoor Recreation Classes Start February 8!**

In accordance with L.A. County's revised Health Officer Order, the Recreation and Parks Department is pleased to announce the return of in-person, outdoor organized group classes and activities for all ages starting February 8!

Classes include yoga, dance, fitness, lacrosse, art, enrichment, and more.

Activities are held on-site at outdoor park facilities in accordance with Los Angeles County Department of Public Health protocols. Space is limited.

**TOGETHER, WE MAKE POSSIBLE HAPPEN**  
The YMCA is a 501(c)(3) not-for-profit social services organization dedicated to youth development, healthy living and social responsibility.

The **After School Recreational Enrichment Program** offered by the San Pedro & Peninsula YMCA and the City is returning **February 8** at Hesse Park! Registration is now open at [bit.ly/3ohQilw](https://bit.ly/3ohQilw).

This after school program is for grades K-5 and will take place from 3-6 p.m. Monday-Friday at Hesse Park through June 11 (the program could be expanded to Eastview Park if there is enough interest).

The program is 100% outdoors and features activities covering science, technology, engineering, arts, and math (STEAM), individual conditioning physical exercise, enrichment, and much more, all designed to maintain physical distancing and follow Los Angeles County Department of Public Health protocols. Fees are \$100 per week, per child.

For more information, visit [ymcala.org](http://ymcala.org).

## REACH Program Returns Virtually February 1!

The **REACH program**, which serves the social and recreational needs of youths and young adults with developmental disabilities, is returning in February with virtual activities! (Stay tuned for updates on outdoor programming).

Although Nature Walks are postponed, REACH participants will still have various (virtual) enriching activities to choose from! Recreation and Parks is excited to share the February REACH Program calendar and can't wait to start serving and engaging with our wonderful REACH participants.

To RSVP for any of our upcoming activities and if you have any questions, please email [reach@rpvca.gov](mailto:reach@rpvca.gov).

## Preserve and Beach Weekend Activity:

**Saturday, January 23, and Sunday, January 24, 2021**

Open Space Management has received correspondence from the community regarding the increased presence of Rattlesnakes in areas adjacent to the Preserve. In coordination with Code Enforcement and the Los Angeles County Department of Weights and Measures, the City met with a group of homeowners on January 26, 2021, to identify their concerns and will seek additional resources in the coming weeks.

The Preserve was closed over the weekend due to rain, which caused trails to be saturated. OSM staff notified the public of trail closures via signage at key trailheads, the Preserve listserv group, the Trail Alerts webpage, and through a message recorded on the Preserve Information and Reporting Hotline. Staff also monitored access points and educated visitors about safety concerns and the trail and habitat damage caused by using wet trails.

### Ocean Trails Reserve:

Rangers continue to receive reports of increased dog use at Rancho Palos Verdes Beach. Animals are not allowed on any beach in the City of Rancho Palos Verdes. Dogs are allowed on the trails if they are on a leash no longer than 6 feet in length. The City is working with Trump National Staff to ensure compliance.

### Portuguese Bend Reserve:

The Public Works Department's project to construct erosion control improvements on Burma Road Trail and Water Tank Trail was completed on January 21, 2021. The repairs included adding a drainage swale and drainage dips at numerous locations along Burma

Rd. and Water Tank Trails. Rangers worked with Public Works staff and the Palos Verdes Peninsula Land Conservancy (PVPLC) to ensure NCCP/HCP compliance, conduct public notification, and close and monitor work areas for public safety. The project will improve trail sustainability and reduce trail erosion that regularly occurs after heavy rains.

Work on Burma Rd.

Water Tank Trail water control feature

On Thursday, January 21, a dewatering well pipe was broken, causing water to drain onto the private section of Vanderlip Trail near Water Tank Trail to Peppertree Trail. Rangers and Public Works staff responded to assess the damage and notify the proper agency.

“Residential Quiet Zone” signs along Burma Rd. have been repeatedly vandalized. City staff continues to monitor signs, remove graffiti, repair bent signs, and install new posts.

## **Parks and Preserve Weekend Report**

Beaches, parks, and trails, including the Palos Verdes Nature Preserve, have been open since May 13 with physical distancing, in accordance with guidance from the County of Los Angeles. Please go to [www.rpvca.gov](http://www.rpvca.gov) for further information.

**SUBJECT: Use of Municipal Facilities for Vaccination Sites**

Dear Supervisors and Dr. Ferrer:

The City of Rancho Palos Verdes thanks you for your continued efforts to make the COVID-19 vaccine available to as many of our frontline health care workers and seniors as possible.

Seniors 65 and over make up one quarter of the population of Rancho Palos Verdes. Like many cities, in the past six days, we have been inundated with phone calls from now vaccine-eligible residents eager to learn how they can get an appointment. Many have expressed frustration with the great distance between the isolated Palos Verdes Peninsula and PODs in Los Angeles. The nearest county-run POD is 15 miles and two freeways away at the Forum in Inglewood. Wait times associated with mass distribution sites are also dissuading those otherwise ready to get vaccinated.

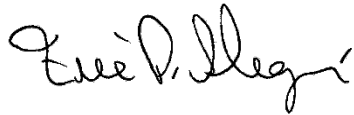

We appreciate the enormous logistical undertaking of distributing the vaccine to eligible residents across Los Angeles County, especially given the extremely limited supply of available vaccine.

**L.A. County Board of Supervisors and Dr. Ferrer**  
**January 25, 2021**  
**Page 2**

Please add the City of Rancho Palos Verdes to the list of cities willing to offer the use of municipal facilities as local vaccination sites to bring this desperately-needed vaccine to our communities.

Thank you again for your efforts and we are eager to partner with you in this endeavor.

Sincerely,

<b>Model Water Efficient Landscape Ordinance Implementation Annual Reporting 2020</b>	
<b>Agency Name:</b>	City of Rancho Palos Verdes
<b>Address:</b>	30940 Hawthorne Boulevard, Rancho Palos Verdes, CA 90275-5391
<b>Contact Name:</b>	Maricela Guillean
<b>Title:</b>	Assistant Planner
<b>Phone Number and Extension:</b>	310-544-5232
<b>Email:</b>	mguillean@rpvca.gov
<b>Has your agency adopted a single agency ordinance OR a regional agency alliance ordinance?</b>	Single Agency Ordinance
<b>Reporting Period:</b>	1/1/2020-12/31/2020
<b>Has your agency adopted the state Model Water Efficient Landscape Ordinance (MWELo) or a local Water Efficient Landscape Ordinance (WELo)?</b>	Local Water Efficient Landscape Ordinance (WELo)
<b>For agencies who have adopted a locally modified WELo:</b>	
<b>How is it different from MWELo?</b>	The City adopted its WELo on 12/18/2018. Prior to this date, the City implemented the State's WELo. The City's WELo is consistent with the State's requirements, however, the City's WELo also includes provisions for an administration and appeal process, as well as a penalties section. Additionally, many of the MWELo's technical requirements have been packaged into a separate set of Landscape Regulations document to accompany the City's WELo.
<b>Is it at least as efficient as MWELo?</b>	yes
<b>Are there any exemptions specified in the local WELo? Briefly list, citing sections.</b>	Section 15.34.070 (Exceptions) of the City's WELo indicates that exceptions to the requirements may be granted by the Director upon finding, based on substantial evidence that the exceptions will promote equivalent or greater water conservation than that provided in the chapter. Exception requests are to be made writing along with supporting evidence.
<b>Identify the entity within your agency that is responsible for implementing the ordinance. (e.g. Planning, Building, Public Works, Parks, City Arborist, etc.)</b>	Community Development Department.
<b>If another agency (e.g. Water Supplier, Community Services District) is implementing the ordinance, identify it and explain its role, list the cities and county areas that are supported by the water supplier (or other agency) in this capacity.</b>	N/A.
<b>State the number and types of projects subject to the ordinance during the specified reporting period (*e.g., single family residences, commercial projects, landscape retrofits):</b>	Permitted projects in this reporting period include (4) new single family residences, (0) landscape retro-fit projects, and (1) commercial project.
<b>Total landscape area subject to the ordinance over the reporting period (please enter unit of measure below):</b>	71,181 square feet.
<b>Unit of Measure (sq. ft. or acres)</b>	sq. ft.
<b>During the reporting period, how many of the following types of projects were subject to the Ordinance?</b>	
<b>Number of new housing starts:</b>	4
<b>Number of new commercial projects:</b>	1
<b>Number of landscape retrofits:</b>	0

<b>Briefly describe review procedures.</b>	Development projects are reviewed to determine WELO applicability. If a project triggers WELO requirements, the applicant must submit landscape plans to the City's Landscape Architect for review. The Landscape Architect will then ensure that the proposed landscape plans conform with WELO. The Landscape Architect may issue a number of corrections based on the plans. Once all corrections have been addresses, the Landscape Architect will recommend acceptance of the landscape plan.
<b>Describe actions to verify compliance.</b>	As part of the Conditions of Approval, the City will require that all landscaping be installed prior to the issuance of a Certificate of Occupancy or a Building Permit final. The Applicant is required to submit a Certification of Completion for the verification by the City.
<b>Is a plan check performed?</b>	yes
<b>If so, by whom? (eg. Planning, Building, Parks, City Arborist, Public Works, etc.)</b>	The City's Landscape Architect, which is provided through a professional agreement with Wildan Engineering.
<b>Are site inspections performed?</b>	yes
<b>If so, by whom? (eg. Planning, Building, Parks, City Arborist, Public Works, etc.)</b>	Building & Safety Division and the Applicant's Landscape Architect or Landscape Contractor.
<b>Are post-installation irrigation audits performed?</b>	yes
<b>If so, by whom? (eg. Building, Parks, City Arborist, Public Works, contracted auditor, water supplier, etc.)</b>	The Applicant's Landscape Architect or Landscape Contractor.
<b>Briefly describe enforcement measures:</b>	The City's Ordinance includes a Penalties Section (15.34.110). Violations of the Ordinance may be pursued consistent with enforcement regulations of the City's Municipal Code.
<b>Explain challenges to implementing and enforcing the ordinance.</b>	Challenges include limited staff with knowledge and experience in implementing the Ordinance, as well as need for public outreach to inform of submittal requirements.
<b>Describe educational, guidance and other needs to properly apply the ordinance.</b>	More on-line educational information should be made available for the public.
<b>The provision of the following information is not required by Section 495 and is optional. However, the information, if provided, will help DWR better provide technical assistance to local agencies.</b>	
<b>What is the URL (web address) of the landscape ordinance page on your agency website?</b>	<a href="http://www.rpvca.gov/DocumentCenter/View/614_WELO?bidId=">http://www.rpvca.gov/DocumentCenter/View/614_WELO?bidId=</a>
<b>Has your agency also adopted Title 24 Part 11 CalGreen Building codes?</b>	yes
<b>Have elements from other regulations been incorporated (e.g., tree shading percent coverage requirement, stormwater capture requirements) into the local WELO? Briefly describe.</b>	No.
<b>Are other agencies (e.g. water suppliers) able to assist with any part of implementation? If so, briefly explain.</b>	No.
<b>Describe implementation measures:</b>	If a development project triggers WELO requirements, the applicant must submit landscape plans to the City. The plans are reviewed by the City, and once the plans conform to WELO, the City's Landscape Architect recommends acceptance of the landscape plans. Landscaping is required to be installed prior to the issuance of a Building Permit Final. A Certification of Completion is required to be submitted to the City. Violations are subject to Penalties Section (15.34.110).
<b>Are there any conflicts between MWELo and other municipal codes? If yes, briefly explain.</b>	No.

Dear Mr. Mihranian:

Subject: Passenger Jet Overflights Over the City of Rancho Palos Verdes

Thank you for your letter dated December 9, 2020, regarding passenger jet aircraft over the Palos Verdes Peninsula.

Through your attached previous correspondence dated January 8, 2020, we realize you are aware that the Southern California Terminal Radar Approach Control (TRACON) has noise abatement procedures within their Standard Operating Procedures (SOP) to help alleviate aircraft noise levels over the Palos Verdes Peninsula. These SOPs outline the expectation that aircraft will not be turned over the Palos Verdes area prior to reaching 13,000 feet mean sea level. However, please know that air traffic controllers may have to vector aircraft off of the OSHNN NINE departure procedure and/or vector an aircraft before the HOLTZ waypoint when necessary to ensure required separation and safety in the highly dynamic Southern California airspace; this vectoring results in changes to lateral and/or vertical aircraft paths. Additionally, air traffic controllers use their best judgment when vectoring, and do so based on traffic complexity, adverse weather conditions, and safety considerations.

Our mission is to provide the safest, most efficient airspace system in the world. We will continually strive to improve the safety and efficiency of flight in this country. If you have any questions or if we can be of further assistance, please contact my office at (424) 405-7000.

Sincerely,

Raquel Girvin

**SUBJECT: Passenger Jet Overflights Over the City of Rancho Palos Verdes**

Dear Mr. Dickson,

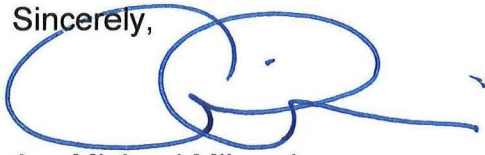

I am writing you on behalf of the residents and City Council of the City of Rancho Palos Verdes located in Los Angeles County on the Palos Verdes Peninsula (Peninsula). The City has had a long history of expressing concerns to the FAA regarding noise impacts associated with departing passenger aircraft from Los Angeles International Airport (LAX). The City is an active participant on the LAX Roundtable, and has made repeated written requests to the FAA, since the implementation of the Southern California Metroplex in March 2017, to mutually resolve passenger jet aircrafts being vectored by FAA air traffic controllers over the Peninsula, particularly Rancho Palos Verdes.

For most of 2020, there has been little to complain about regarding passenger flights over the Peninsula. It is safe to say that is primarily because of reduced travel due to the COVID-19 health pandemic. However, Rancho Palos Verdes residents and the Los Angeles World Airports' staff have recently recorded an escalation of passenger jet aircraft encroaching into the City's airspace.

The City urges your air traffic controllers to responsibly and diligently adhere to the published flight path that is over-the-ocean. Specifically, the City has requested and continues to request that FAA air traffic controllers either adhere to the published offshore flight path (OSHNN8) for LAX departures or to vector passenger jets beginning east of the Holtz waypoint.

I thank you in advance for accepting this letter and respectfully heeding to the City's request. I look forward to a timely written response, and can be reached at 310-544-5202 or via email at [aram@rpvca.gov](mailto:aram@rpvca.gov).

Sincerely,

Ara Michael Mihranian, AICP  
City Manager
