CITY MANAGER'S OFFICE

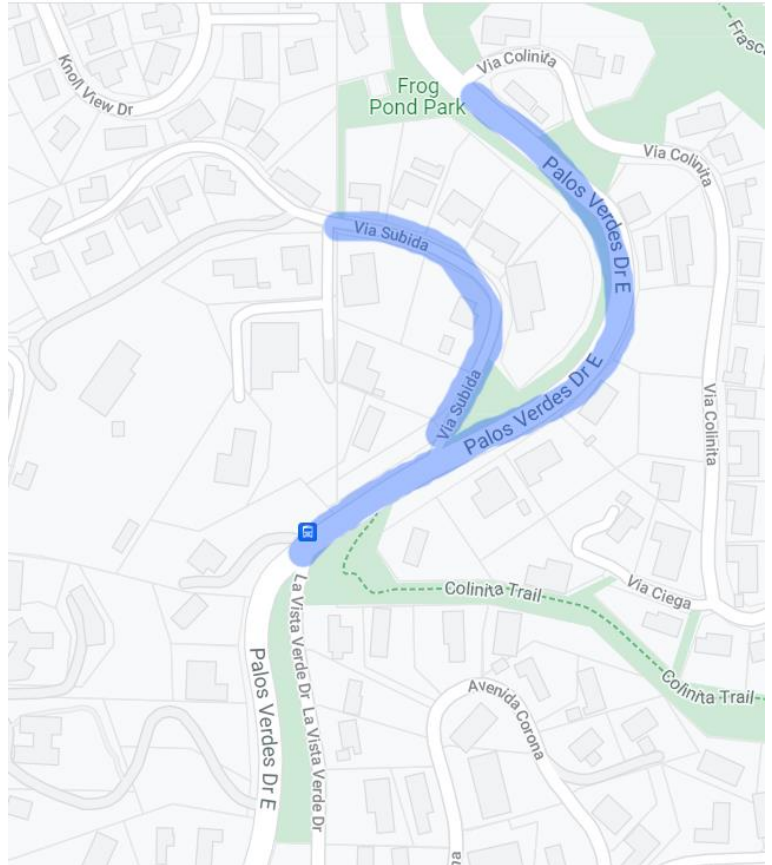

Cal Water Roadwork on PV Drive East and Via Subida Starting November 15

As early as November 15, a Cal Water contractor will begin installing water pipeline along Palos Verdes Drive East from Via Colinita to La Vista Verde Drive, and in the 6200 block of Via Subida.

Work will take place over two months from Monday to Friday from approximately 9 a.m. to 3 p.m. Cal Water will minimize traffic impacts and notify customers of any service interruptions.

Please proceed cautiously through the work zone and obey all signs and instructions due to lane closures and construction equipment. All construction timing is estimated and could change based on several factors, including unforeseeable field circumstances.

This work is part of a wildfire hardening project to improve water supply reliability and provide fire protection in the area. If you have questions about this project, please contact Cal Water at 310-257-1400. A notification letter with more information is available [on the City website](#).

Time Change: Fall Back!

It's time to fall back! Daylight Savings Time ends this Sunday, November 7 at 2 a.m. Remember to set your clocks back one hour (and replace the batteries in your smoke and carbon monoxide detectors).

City Hall Closed on Veterans Day

City Hall will be closed to the public on **Veterans Day, November 11**, but staffed City parks will be open for their regular posted hours. There will be no change in regularly-scheduled trash collection or street sweeping.

Please obtain a Special Construction Permit by this Tuesday, November 9, if you're planning to do construction work on the holiday. The permit application is available at bit.ly/3oVBLTv.

RPVtv's "City Talk"

Mayor Eric Alegria joins host Liz Brown Swanson from the grounds of the Point Vicente Lighthouse to discuss the City's effort to acquire or lease the historic property from the U.S. Coast Guard, the Housing Element Update, and more City news on RPVtv's "City Talk."

The episode will air daily on Cox 33/Frontier FiOS 38 and can be viewed on RPVtv's YouTube channel at: youtu.be/eQG1q6fJyC0

City Council Adopts 2022 Legislative Platform

Last night, the City Council adopted its 2022 Legislative Platform, outlining policy positions on current issues which directly or indirectly impact the City. The statements outlined in the Platform represent the City's general position on legislative and regulatory issues of interest and concern. The City looks forward to continuing to work with regional, state, and federal partners to best serve residents.

The [staff report](#) presented for last night's meeting provides an overview of the bills the City Council took a position on during the 2021 Legislative Session and provides full 2022 Legislative Platform. For more information on the City's legislative positions, visit rpvca.gov/LegislationCorner.

Congratulations to the 2021 Cohort of the Leadership Academy!

Last week, the October 2021 cohort of the Leadership Academy had their final session, learning about the City's Finance Department from Director Nguyen and Public Works Department from Director Awwad. The cohort participated in a "wheel of fortune" game to test their knowledge of the intersection of City Finance and Public Works Departments in the project process.

At the City Council meeting on November 2, the Council awarded the cohort with certificates of completion. Congratulations to the participants of the Leadership Academy!

Learn more about the Leadership Academy at rpvca.gov/leader and lookout for the next application window in late 2022.

CAPIO Virtual Conference

This week, Staff is virtually participating in the 2021 Annual Conference of the California Association of Public Information Officials, a leading statewide organization dedicated to advancing public sector communicators across all levels of government who engage communities through honest and transparent communication. In addition, CAPIO provides education and networking that helps its members and their agencies develop and advance.

Staff is participating in sessions including a social media bootcamp led by representatives from Facebook/Instagram, Twitter , and Nextdoor; and topics such as photography for social media, strategies for an engaging website, branding, emergency messaging, and more.

Congratulations to Administrative Assistant Enyssa Momoli

I am pleased to announce that Administrative Assistant Enyssa Momoli, was officially awarded an appointment as a California Notary in October 2021, which will enable her to assist in notarization duties for the City. Please congratulate Enyssa on her accomplishment!

Palos Verdes Peninsula Village Upside of Aging Event on November 10

The Palos Verdes Peninsula Village invites you to celebrate its 5th anniversary by attending the nonprofit's annual Upside of Aging event virtually on November 10 from 2-3 p.m. The event will feature Ashton Applewhite, author of "This Chair Rocks," a highly acclaimed book about aging and ageism, and Helen Dennis, syndicated columnist on "Successful Aging," who will facilitate the conversation.

The Palos Verdes Peninsula Village is a "village" of independent, older adults who choose to remain in our homes as we age. Together we have fostered a deep sense of community through activities and volunteer services that nurture friendships, stimulate minds and provide support for one another.

Ageism has been defined as prejudice or stereotyping because of a person's age and is subtle and pervasive. It has become so normalized that we hardly know it is occurring.

Through the development of an awareness of this newest –‘ism, the PVP Village hopes to enhance opportunities for older adults to live a life of purpose and dignity.

Public Health Provides Framework for Lifting Masking Requirements and Update on Plans to Vaccinate Children 5 to 11

Earlier this week, the Los Angeles County Department of Public Health (Public Health) provided the framework for lifting masking requirements at events and indoor establishments.

For outdoor mega-events involving more than 10,000 people, Public Health outlined that before masking requirements are lifted, all of the following criteria need to be met: L.A. County case rates must demonstrate three consecutive weeks at or below moderate transmission as defined by the CDC – that is, less than 50 new weekly cases per 100,000 residents; hospitalizations remain low and stable at or below 600 daily COVID hospitalizations for three consecutive weeks; 80% or more of county residents 12 and older are fully vaccinated, and there are no emerging reports of significantly circulating new variants of concern that threaten vaccine effectiveness.

For masking requirements to be lifted at indoor events or establishments involving fewer than 1,000 people, including indoor offices and worksites, sites must have a vaccination verification process in place, and all employees and customers must be fully vaccinated, accommodating with additional requirements those employees with approved exemptions. Additionally, L.A. County metrics must meet all of the same standards for lifting masking requirements at outdoor mega-events.

Indoor masking will remain mandatory due to federal and state requirements on public transit and transportation hubs (federal), and at TK-12 schools, childcare, and youth settings; healthcare settings; correctional facilities; homeless and emergency shelters and cooling centers; and indoor mega-events involving more than 1,000 people (state).

In L.A. County, 900,000 children between the ages of 5 and 11 will likely become newly eligible for vaccination this week. The County is well prepared to vaccinate children once the CDC grants final approval. Currently, the County expects to get nearly 300,000 doses as part of its first three waves of vaccine supply by the end of this week. When the CDC approves pediatric vaccines, sites that have already received doses may be able to start vaccinating as early as today or on Thursday. Doses are being allocated to the County and to the rest of the country on a pro-rata basis. Public Health does not anticipate scarcity and expects there will be ample vaccines to meet demand.

A network of nearly 900 providers countywide is prepared to provide vaccines to children between the ages of 5 and 11. County mobile vaccination teams will work to supplement vaccinations offered by existing providers so that children have easy access to our most powerful protection from COVID-19. Over the course of the month of November, vaccines for children will be offered at 480 school-based events with a focus on schools in high-need areas.

Weekly Crime Report Summaries

The Lomita Sheriff's Station provides weekly crime report summaries for the City of Rancho Palos Verdes. The summaries are updated on the [City's website](#), distributed via [Nextdoor](#) and the Public Safety Alerts [listserv](#), and included in the Weekly Administrative Report (see attachments).

The map below illustrates incidences of Part I Crimes within the City from September 12, 2021-October 16, 2021. An interactive version of the map is available on the City's [Crime Reports](#) website.

During the week of October 17, there were fifteen reported crimes in the City of Rancho Palos Verdes: one vehicle burglary, three residential burglaries, three petty thefts, four

grand thefts, three grand thefts (or attempted) of catalytic converters, and one grand theft from an unlocked vehicle.

For assistance accessing the Weekly Crime Reports, or navigating the mapping feature on the City's website, contact McKenzie Bright, Public Safety Administrative Analyst, at 310-544-5305 or mbright@rpvca.gov.

Tips to Prevent Vehicle Burglaries

Take steps today to prevent thefts from your vehicle. Residents are strongly encouraged to use "Lock It or Lose It" prevention tips every day. It only takes a matter of seconds for a thief to break into your car and grab your valuable items.

Look through the windows of your vehicle. What do you see? A bag on the passenger seat? A charging cord? A garage door opener? Change in a cup holder? Take it with you or remove it from plain view and be sure to close all windows and lock doors.

Follow these tips to help prevent vehicle burglaries:

1. Remove all valuable items from your car, including purses and electronics.
2. If you must leave valuables behind, put them in your trunk or locked glovebox before you reach your destination. Avoid doing so while in plain view.
3. Close all windows and lock your doors.
4. Park in a locked garage or well-lit areas.

If you see suspicious activity, report it immediately to the Lomita Sheriff's Station at 310-539-1661. In case of emergency, call 9-1-1.

Seventh Annual Prepared Peninsula Expo

On Sunday, October 25, four cities on the Palos Verdes Peninsula hosted the seventh annual Prepared Peninsula Expo. The Prepared Peninsula Expo is an annual event hosted by the Peninsula Cities that educates residents about disaster mitigation, preparedness, response, and recovery. The Prepared Peninsula Expo is an excellent opportunity to learn from emergency preparedness experts about how to best prepare your family and protect your home in the event of an earthquake, wildfire, or other disaster. A steady stream of attendees joined the four cities on the Palos Verdes Peninsula at the Prepared Peninsula Expo to learn about emergency preparedness. The community was shown step-by-step preparedness plans in an effort to keep families and pets safe in the event of a disaster. Participants enjoyed lunch, visited several exhibitors, demonstrations, and equipment displays.

The City would like to express its gratitude to the cities of Palos Verdes Estates, Rolling Hills, and Rolling Hills Estates, the Palos Verdes Peninsula Unified School District, the Los Angeles County Sheriff's Department, the Palos Verdes Estates Police Department, and the Los Angeles County Fire Department for continuing to collaborate on this event, all with the goal of better preparing our communities for disaster.

Upcoming Community Emergency Response Training (CERT) Training Classes

The Los Angeles County Fire Department will be offering free Community Emergency Response Team (CERT) training in January 2022 for the Palos Verdes Peninsula Community to develop a community response to emergencies. (see attachments). Following a major disaster, police, fire, and medical personnel may not be able to fully meet the demand. People will have to rely on each other to meet immediate life-saving and life-sustaining needs. Developed through FEMA, the L.A. County Fire Department's Community Emergency Response Training (CERT) program provides basic training in safety and life-saving skills for the public. The sessions will be provided on Saturdays, January 25, 22, and 29, from 9:00 a.m. to 4:30 p.m. at Rancho Del Mar Continuation School (38 Crest Rd West, Rolling Hills, CA 90274).

Update on Installing Wildfire Monitoring Cameras

During the November 2, 2021, City Council meeting, the city's Emergency Services Coordinator, along with members of the City's Emergency Preparedness Committee, provided the Council with an update on the progress made in investigating the viability of implementing a wildfire monitoring camera system for the City, as well as solicited the Council's direction on potential placement locations for monitoring cameras, and what type of camera system to pursue (surveillance with the use of volunteers or Artificial Intelligence (AI) a technology-based detection). Specifically, the presentation covered various topics, including an overview of the [ALERTWildfire Network camera system](#), recommendations from the Emergency Preparedness Committee (EPC) on Proposed Wildfire Fire Camera locations and coverage, and an examination of the differences between camera systems (surveillance vs. detection).

There are generally two types of camera systems that can be used to monitor fires, depending on the overarching objective of the installed cameras: surveillance and detection. However, there is a critical distinction to be made between detection monitoring and surveillance monitoring. Surveillance necessitates viewing the camera's video stream by a human, which could be a source of detection but is susceptible to human fatigue due to the requirement of volunteers or staff monitoring camera streams 24 hours a day, seven days a week which will notify emergency personnel when fires are detected via fire cameras, regardless of whether anyone is actively monitoring the cameras video streams. During the November 2 presentation, staff summarized two proposed objectives and associated projects for these camera systems to enable the council to decide which system to pursue.

As a result of this meeting, the Council expressed an interest in pursuing a wildfire detection system that uses AI technology to monitor for signs of smoke indicative of wildfire ignition activity. Council directed Staff to present the concept to the Peninsula Public Safety Committee (PPSC) at their upcoming November 18 Committee meeting to gauge interest in a cooperative regional wildfire monitoring and detection camera system amongst the four Peninsula Cities. Additionally, the Council directed staff to coordinate with the RPV Emergency Preparedness Committee and the Los Angeles County Fire Department to identify and finalize camera installation locations for consideration by the council. Lastly, to proceed with issuing a Request for Proposals for the procurement and installation of a wildfire detection system for the City and report back to the City Council with additional information.

Additional information about this update on Wildfire Monitoring Camera Installation can be found in the November 2 agenda report, which can be accessed [here](#).

Wildfire Preparedness

Wildfires can spread rapidly. Peninsula residents are reminded to be vigilant for wildfires as Southern California enters its peak fire season. Assure that you are taking proactive measures to prevent and prepare for wildfires now.

Take the time today to educate yourself and prepare in advance to ensure the safety of you and your family by embracing the following tips and best practices for safeguarding your home and preparing your family.

- Remove flammable debris within 30 feet of your home, check out these tip sheets with low- and no-cost ways to protect your home from wildfire:
<https://bit.ly/3ycRiqk>
- Download the L.A. County Fire Department's "Ready! Set! Go!" Personal Wildfire Action Plan at fire.lacounty.gov/rsg
- Make an evacuation plan and practice it with your family.
- Have digital copies of important documents.
- Sign up for Alert SouthBay emergency notifications by texting "alertsb" to 888-777, visiting alertsouthbay.com, or downloading the Everbridge app.
- Find more resources at readyforwildfire.org

Be prepared, RPV!

Winter Weather Safety Tips

Can you believe it's November? That means winter is almost here, and some areas are already experiencing bitter cold. Winter storms can bring snow, sleet, and freezing rain to the entire United States and territories. Even Hawaii's Big Island receives snow, and major cities as far south as Atlanta and Dallas have been rendered inoperable by snow and ice. Winter storms increase the risk of car accidents, hypothermia, frostbite, carbon monoxide poisoning, and heart attacks due to overexertion.

PREPARING FOR WINTER WEATHER:

Before a winter storm hits, make sure you have enough supplies in your home, office, and vehicles. Ensure that your pets have the necessities they will require during a winter storm.

- **At Home and Work:** Your primary concerns at home or work during a winter storm are loss of heat, power, and telephone service and a shortage of supplies if storm conditions continue for more than a day.
 - **In either place, you should have available:**
 - Flashlight and extra batteries
 - Battery-powered NOAA Weather Radio and portable radio to receive emergency information
 - Extra water and food such as dried fruit, nuts, granola bars, and other food requiring no cooking or refrigeration.
 - Extra prescription medicine
 - Baby items such as diapers and formula
 - First-aid supplies
 - Emergency heat source: fireplace, wood stove, or space heater properly ventilated to prevent a fire
 - Fire extinguisher, smoke alarm; test smoke alarms monthly to ensure they work properly
 - Extra pet food and warm shelter for pets

- **Remember to review generator safety:** Never operate a generator in a confined space. Check that your carbon monoxide detector is operational and that the outside vent is free of leaves and debris. Home fires are common in the winter as people try to stay warm. Examine how you can keep your home and loved ones safe.
- **In Vehicles:** Each year, on average, more than 5,000 people are killed, and more than 418,000 are injured due to weather-related vehicle crashes. Before you leave the house, especially before a longer trip in winter, make sure all fluid levels are full and ensure that the lights, heater, and windshield wipers are in proper condition. Keep your gas tank near full to avoid ice in the tank and fuel lines.
 - **Fully check and winterize your vehicle before the winter season begins.**
Carry a Winter Storm Survival Kit that includes the following:
 - Mobile phone, charger, batteries
 - Blankets/sleeping bags
 - Flashlight with extra batteries
 - First-aid kit
 - High-calorie, non-perishable food
 - Extra clothing to keep dry
 - Windshield scraper and brush
 - Tool kit
 - Tow rope
 - Battery booster cables
 - Compass and road maps don't depend on mobile devices with limited battery life

STAYING SAFE DURING WINTER WEATHER:

- **Stay off roads if at all possible**
- **Limit your time outside.** If you need to go outside, wear layers of warm clothing. Watch for signs of frostbite and hypothermia.
- **Avoid carbon monoxide poisoning.** Only use generators and grills outdoors and away from windows. Never heat your home with a gas stovetop or oven.
- **Reduce the risk of a heart attack.** Avoid overexertion when shoveling snow. Watch for signs of frostbite and hypothermia and begin treatment right away.
- **Check on neighbors.** Older adults and young children are more at risk in extreme cold.
- **Learn the signs of basic treatments for frostbite and hypothermia:**
 - **Frostbite causes loss of feeling and color around the face, fingers, and toes.**

- **Signs:** Numbness, white or grayish-yellow skin, firm or waxy skin.
 - **Actions:** Go to a warm room. Soak in warm water. Use body heat to warm. Do not massage or use a heating pad.
- **Hypothermia is an unusually low body temperature. A temperature below 95 degrees is an emergency.**
- **Signs:** Shivering, exhaustion, confusion, fumbling hands, memory loss, slurred speech or drowsiness.
 - **Actions:** Go to a warm room. Warm the center of the body first—chest, neck, head, and groin. Keep dry and wrapped up in warm blankets, including the head and neck.

PUBLIC WORKS DEPARTMENT

New Traffic Signal at Intersection of Palos Verdes Drive South and Palos Verdes Drive East

Boring for new electrical conduit was successfully completed last Friday, and work resumed this week digging for signal pole foundations for the new traffic signal project at the intersection of Palos Verdes Drive South and Palos Verdes Drive East. The digging is expected to be complete this week, and the contractor is scheduled to start installing the concrete foundations for the poles this week.

Work is limited to approximately 8:30 a.m. to 4:30 p.m. Monday through Friday, with regular partial eastbound and west bound bike lane closures around the intersection. Expect delays,

proceed cautiously through the work zone, and follow all signs and instructions. The signal is expected to be complete by the end of December.

Regular Trash/Recycling Collection on Veteran's Day and Holiday Schedule for Thanksgiving Day

There will be NO DELAY in the trash/recycling collection on Thursday, November 11 (Veteran's Day).

There will be no trash, recycling, or green waste collection on Thanksgiving Day, Thursday, November 25. The Thursday route will be serviced on Friday, November 26, and the Friday route will be serviced on Saturday, November 27. Monday through Wednesday, the collection will remain unchanged.

Residents are advised to leave their carts on the curb by no later than 7 a.m. and remove empty carts after collection by no later than 10 p.m. Empty carts should not be left on the street overnight.

If residents have any bulky items (mattress, desk, table, microwave, water heater) or electronic waste items (TV, printer, monitor) they are encouraged to contact the City's contractor, EDCO at 310-540-2977 to schedule a free (limited) pick-up.

Street Sweeping Schedule for Veteran's Day and Thanksgiving Day

There will be NO DELAY for street sweeping services on Veteran's Day (November 11).

There will be no street sweeping services scheduled for Thursday, November 25 (Thanksgiving Day). The fourth Thursday route will be performed on Wednesday, November 24.

As a reminder, please remove all trash/recycling cans from the curb after collections and temporarily remove parked cars from the curb on sweeping days.

City-Wide Brush Clearing

October 30 marked the end of the autumn season brush-clearing event. Each week a different area of RPV was serviced. The goal of the event was to assist homeowners' dispose (free of charge) of excess brush, shrubs, hedges, tree branches, and bushes to comply with the Los Angeles County Fire Department's fire safety guidelines. This was a great opportunity to help prevent local brush fires! For more information, you may contact the City's waste collection contractor, EDCO, at 310-540-2977 or <https://rancho-palos-verdes.edcodisposal.com/residential-waste-services/curbside-pickup/green-waste/>. Listed below is the amount of brush collected during October 2021.

Infrastructure Management Advisory Committee (IMAC) Virtual Meeting

On Monday, November 15, 2021, the City of Rancho Palos Verdes' Infrastructure Management Advisory Committee (IMAC) will hold a virtual meeting at 6:00 p.m. Members of the public are invited and encouraged to participate and provide input. The agenda will be available on the City's website by Friday, November 12, 2021, 4:30 p.m. For a copy of the agenda, visit rpvca.gov/agendas.

The meeting will be conducted via teleconference using the Zoom platform. These measures are to protect the public and City employees and to do our part to help 'flatten the curve' and slow the spread of COVID-19. For public participation, please click on this link: rpvca.gov/participate. For further questions, please contact Public Works at 310-544-5252 or publicworks@rpvca.gov.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation. Thank you!

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

- Public Works continues daily cleaning and sanitizing parks' facilities and restrooms to reduce the spread of COVID.
- Public Works made repairs to the Parks irrigation systems at City Hall, Calle Entradero, and Lower Hesse Park.
- Public Works installed a new backflow unit for the median on Palos Verdes Drive South between Seahill Drive and Barkentine Road. The new unit is replacing one that was stolen and has been installed with a guard cage to deter future tampering.

- Along Seascape Trail, two benches had damaged and drooping planks. Public Works removed and replaced the planks. The benches are now restored for visitors to rest and enjoy the beautiful lookout.

- Public Works completed tumbleweed abatement at Lower Hesse Park to mitigate weeds tumbling into the adjacent neighborhood.

Street Median and Public Right of Way Landscape Maintenance

- Click on the link below to see a virtual tour of our landscape teams work:
<https://www.relive.cc/view/v7O9DEeAXLv>
- Public Works landscape team completed weed removal and brush trimming along the medians on Palos Verdes Drive West from Terranea Way to the City Limit with Palos Verdes Estates.

- Public Works removed various debris from the storm drains on main arterials throughout the city before and during the rainfall of last week.

Public Right of Way/Roadway Repairs

- Public Works completed deviation and crack repairs to the following sidewalk locations:
 - 29232 Indian Valley Road
 - 5242 Elmont Drive
 - 26708 Indian Peak Road

- This week Public Works trimmed and removed branches restricting vehicle traffic in front of Silver Spur Elementary School located on Ironwood Street and Basswood Avenue. Several large Fig Laurel trees that line Ironwood Street had multiple large branches removed to restore clearance of 16 feet over the roadway. Afterward, Public Works saved the mulch from that work to recycle and reuse it through the city medians and planting areas.

Graffiti Removal

- **Sixteen** cases of graffiti were reported and removed this week.
- The RPV Graffiti reporting App can be downloaded for Android and Apple devices under the name of "**RPV Clean.**" Residents can help keep RPV looking great by using this App.

- The Public Works Department has set up four message boards at several RPV-located schools. The message boards have been deployed to help remind motorists to follow posted speed limits and be mindful of the increase of pedestrians and school traffic during drop-off and pick-up times of children. The message boards are at the following schools:
 - Silver Spur Elementary School
 - Vista Grande Elementary School
 - Soledad Elementary School
 - Ridgecrest Intermediate School
- This week Public Works also deployed one of our speed trailers on Abbottswood Drive between Briarhurst Drive and Golden Meadow Drive. Neighbors requested the city place one there to help reduce reported speeding in the area.

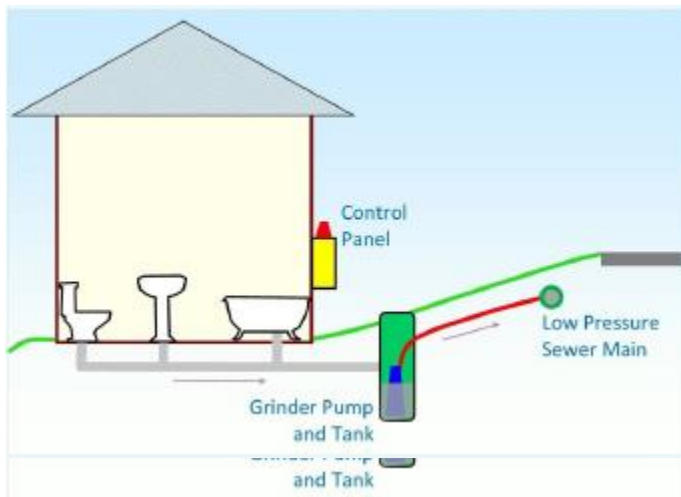

Emergency Response items

- Public Works responded to a bulky tree branch at 6605 Via Siena that had fallen due to the rain last week. Portions of the branch fell onto the roadway and the resident's front yard. The branch was removed the same day it was reported.

- Public Works also responded to a fallen tree impeding the roadway at 1983 Redondela Drive. The tree was removed from the roadway within the hour it was reported.

- On Friday night, October 29, Public Works responded to a malfunctioning grinder pump at 1 Fig Tree inside the Portuguese Bend area. The malfunctioning pump was replaced with a new unit within 24 hours of being reported to Public Works. Services were restored immediately after the replacement was installed

- As we move into the rainy seasons, please remember that City Hall provides self-serve sandbags and fill to all Rancho Palos Verdes residents. Proof of residence is required. Below are a few guidelines about filling and using emergency sandbags.
 - Fill the sandbag only halfway, and make sure to tie the top of the bag securely.
 - Prevent injury from heavy lifting by using correct posture and lifting with the legs in a squat position.
 - For proper layering technique, lay the first layer parallel to the flow of water. The bag needs to lay half full and half empty so that the full side will rest on the empty side of the bag before it. Walk on each layer to compact the sand. To add more layers, offset it by half a bag to prevent straight seams. Cover the finished barrier with plastic. COMMUNITY DEVELOPMENT DEPARTMENT

Draft Housing Element Available for Review

Public comments on the City's 2021-2029 Draft Housing Element is being accepted through Thursday, November 4.

A key component of the draft Housing Element is the preparation of the potential housing sites inventory to accommodate the City's 6th Cycle RHNA allocation of 647 (includes an 8-unit carry over from the 5th Cycle RHNA).

Given the large increase in the City's RHNA from the 5th to 6th Cycles, it was challenging to identify housing sites sufficient to fully accommodate the required housing units. Nearly 50 potential housing sites have been identified, which includes a combination of developed properties along commercial corridors and in commercial districts and vacant residential sites citywide. The list of potential housing sites also outlined potential density, which considered site constraints and availability of infrastructure. The list also identifies zoning modifications (mixed-use in commercial districts and higher density in residential zones) for the identified sites along with preliminary housing unit yields.

A copy of the draft Housing Element Update is available for review on the City's webpage below: <https://www.rpvca.gov/1402/2021-2029-Housing-Element-Update>. Please email comments to HousingElement@rpvca.gov or mail to:

Peafowl Trapping Program Update

This year, City Council approved humane trapping and relocating of fifty birds from two targeted neighborhoods, including Sunnyside Ridge and Vista Grande. The Peafowl Trapping and Relocation Program helps control the overall peafowl population in the City and reduces property damage caused by these birds.

To date, trapping in the Sunnyside Ridge neighborhood has yielded twenty-five birds that were safely captured and relocated. This represents the most captured in a single location since the implementation of the Peafowl Trapping Program in 2016. In total, thirty-six birds have been captured to date, with the remaining fourteen coming from the Vista Grande neighborhood.

Peafowl trapping will continue until the targeted goal of fifty birds in total are safely captured and relocated. For more information and resources, please visit the City's website at: <https://www.rpvca.gov/337/Peafowl>

Marymount Neighborhood Advisory Committee (NAC) Meeting

The Fall 2021 meeting of the Marymount Neighborhood Advisory Committee is scheduled to be held at 9:30 A.M. on November 8, 2021.

The NAC is comprised of

members from the surrounding five homeowner associations and two at-large representatives who live within 3,000 feet of the campus. The NAC is tasked to meet once during the fall term and during the spring term to review any campus operational and neighborhood concerns. A copy of the agenda can be viewed [here](#). For more information, please contact, Senior Planner Amy Seeraty at (310) 544-5231 or via email at amys@rpvca.gov.

No Construction on Thursday, November 11th (Veteran's Day Holiday)

Pursuant to Section 17.56.020(B) of the Rancho Palos Verdes Municipal Code, it is unlawful to carry on construction, grading, or landscaping activities, or to operate heavy equipment except between the hours of 7:00 A.M. and 6:00 P.M. Monday through Friday, and between the hours of 9:00 A.M. and 5:00 P.M. on Saturday. No such activity shall be permitted on Sundays, or the legal holidays (within the

city's permitted construction hours), unless a Special Construction Permit is approved by the Community Development Director. Click [here](#) to download the Special Construction Permit application. For additional information, please contact the Community Development Department at (310) 544-5228 or planning@rpvca.gov.

RECREATION AND PARKS DEPARTMENT

Ice Rink Coming in December!!

Say later to all the skater haters and hello to blades of glory! On October 5, City Council approved a contract with Chill Entertainment to provide a temporary public outdoor ice rink at Upper Point Vicente Park/Civic Center. Skaters will be able to glide along on a 2,100 square foot synthetic ice rink with majestic views of the Pacific Ocean in the background.

The rink will operate for a total of 14 days in December. Below are the proposed dates and times (including the week school is out on holiday break):

- | | | |
|----------------|-----------------|-----------------------|
| • Dec. 3 - 5 | Fri/Sat/Sun | 1:00 p.m. - 8:00 p.m. |
| • Dec. 10 -12 | Fri/Sat/Sun | 1:00 p.m. - 8:00 p.m. |
| • Dec. 17 - 19 | Fri/Sat/Sun | 1:00 p.m. - 8:00 p.m. |
| • Dec. 27 – 31 | M/Tu/Wed/Th/Fri | 1:00 p.m. - 8:00 p.m. |

There will be an estimated 10 sessions a day at 30 minutes per session, with 10-15 minutes between sessions. The estimated cost per skate session will be \$10 plus transaction fees. The City recently initiated a donation campaign to help reduce the event's overall cost borne by the General Fund. The City has solicited and received donations and is reaching out for additional support from the community. Interested in donating? Contact parks@rpvca.gov or call 310-544-5260.

Breakfast with Santa in the Park

Breakfast with Santa registration is now open! The event will be hosted outdoors at Upper Point Vicente Park/RPV Civic Center on Saturday, December 11, from 10:00 a.m.-12:00 p.m. Event features include breakfast boxes, gingerbread house decorating, photo ops, a visit from Santa, and more exciting surprises. The fee is \$20 per person; children two and under are free. Registration will fill up quickly, so sign up early by visiting apm.activecommunities.com/rpv (search the word "Santa").

A festive poster for the 'Breakfast with Santa' event. The background is a dark teal with white snowflakes. At the top, it says 'The City of Rancho Palos Verdes Presents' in white. Below that, the title 'Breakfast with Santa' is written in large, bold letters, with 'Breakfast with' in white and 'Santa' in red. To the right of the title is an illustration of a breakfast box with a fried egg and a cookie. A red circular badge with white text says '20\$' and '2 and under free'. Below the title, it says 'Join us for Breakfast Boxes, Gingerbread House Decorating, Caroling, a visit from Santa, and more!'. The central illustration shows a gingerbread house with two windows and a door, all decorated with colorful lights. A Santa Claus figure is sitting on the roof of the house. To the left of the house is a signpost that says 'North Pole' with a candy cane as a post. At the bottom, there is a table with event details.

Preserve-Related Municipal Code Changes

On November 2, 2021, the City Council adopted the second reading of Ordinance No. 650, which makes the following changes to the City's Municipal Code:

1. Renaming RPVMC Chapter 12.16 to include the word "Preserve" and to read, "Streets, Parks, Preserve, and Recreational Facilities."
2. Repealing and replacing RPVMC 12.16.010 to prohibit damage to City facilities, including vegetation.
3. Repealing and replacing RPVMC 12.16.045 to prohibit ultralights including paragliding from flying over City property.
4. Adding RPVMC 12.16.170 to regulate vending, commercial services, and industrial activities in parks, Preserve, beaches, and recreational facilities.

These Municipal Code amendments go into effect on December 2, 2021. Additionally, on November 2, 2021, the City Council introduced Ordinance No. 653 to regulate the operation of certain motorized vehicles and to prohibit motorized bicycles and electric bicycles in the City's parks, Preserve, beaches, and recreational facilities. Ordinance No. 653 also establishes a policy for using other power-driven mobility devices in recreational areas in accordance with the Americans with Disabilities Act. The second reading of this ordinance will be considered at the November 16 City Council meeting.

ParkMobile Parking System Update

Following City Council action on October 5, the following changes have been made to improve the ParkMobile parking reservation system in the Del Cerro area:

- Allow same-day reservations (cutoff one hour prior to reservation start) with change to one-hour blocks of time at a pro-rated amount if feasible.
- Create simplified access to the ParkMobile reservation link
- Improve instructional signs
- Discontinue requiring reservations for Recreational Residential Parking Permit holders
- Incorporate a QR code that directs people to the reservation page.

Reservations currently end at 5:45 p.m.

A further update on the ParkMobile parking system and Preserve parking issues is scheduled for the December 21 City Council meeting. A total of 89 ParkMobile reservations were made between October 25-31: 62 paid reservations and 27 free reservations. Residential Parking Permit holders can park within Del Cerro Park. Staff will continue to report on total reservations and other data points each week.

Virgin Orbit

Virgin Orbit, a Long Beach-based company that provides launch services for small satellites, utilized several parking spaces at City Hall to monitor satellite activities from October 26-29. Virgin Orbit personnel was on-site during the day and overnight. Virgin Orbit will also use parking spaces at City Hall on November 18-24.

REACH Program Excited to Offer a Variety of Fall Activities!

The **REACH program**, which serves the social and recreational needs of youths and adults with developmental disabilities, started with virtual activities this past February and recently began hosting regular in-person activities.

November features a wide variety of fun and educational activities for REACH participants to enjoy, including the upcoming excursion at Hopkins Wilderness Park in Redondo Beach. From Thanksgiving dinner to painting outdoors, we are staying busy and entertained this fall. So put on a sweater and join us for one of our exciting activities!

To RSVP for any of our upcoming activities and if you have any questions, please e-mail reach@rpvca.gov.

Filming in RPV

A TV drama is currently being filmed at Terranea Resort. Filming will conclude on November 3, with a strike on November 4. The filming hours will be 7:00 a.m. until midnight. Strike hours will be 7:00 a.m. to 7:00 p.m. A movie continues to be filmed at a private residence through November 8. The filming of a movie is scheduled for November 11 through November 20, 2021, at a private residence.

RPV Volunteer Programs

Fourteen volunteers helped out at Abalone Cove Park on October 30 from 10:00 a.m.- 12:00 p.m. They pruned and planted native plants within the park, cleared the park hiking trails of overgrown plants, and hiked to the beach to pick up trash. It was a busy morning helping staff, and each volunteer was given a Halloween goodie bag as a thank you!

Volunteers can go to rpvca.gov/volunteer to sign up for this event and other winter volunteer opportunities.

Parks Weekend Attendance Report

Recreation & Park staff continues daily cleaning and sanitizing of park facilities. Below is a public usage summary report over the past weekend.

HESSE PARK - walking paths, playground, and grass area

*Park attendance numbers reflect an approximate total park attendance over the past weekend. The attendance numbers are captured by park staff during walks around the park grounds at regular intervals throughout the day.

**Preserve and Beach Weekend Activity
October 30 – October 31, 2021**

*Public Contacts: 744

Parking Citations Issued: 21

Notice to Appear Issued: 2

Violations observed (usually corrected and/or warning given): 48

*Preserve activity numbers reflect an approximate total of Preserve interactions over the weekend.

Abalone Cove Reserve, Park and Beach

From October 25 – October 31:

Three (3) fishing violations by boat were observed at Point Vicente State Marine Conservation Area.

Four (4) people collecting for observation purposes were contacted by OSM staff at Abalone Cove State Marine Conservation Area.

On October 24, two separate incidents were reported to staff. One involved a vehicle that drove through Chapel View Trail from the Abalone Cove parking lot in an effort to exit out of the parking lot. The second instance involved a bicyclist who stated they did not observe the cable across the trailhead and received several scratches as a result of going through it. Staff installed additional reflective barriers to ensure the cable and trailhead were clearly visible and marked.

Ocean Trails Reserve

On Friday, October 29, trail consultants hired by Trump National Golf Club completed repairs to both Catalina Trail and Southshore Coastal Trail in the Eastern section of Ocean Trails Reserve. OSM staff coordinated on the project to ensure NCCP/HCP compliance.

Two sets of timber box steps were installed on the upper and middle sections of Southshore Coastal Trail, among other improvements, to assist with water control measures. The image on the left was taken in February 2021. The center and right images were taken in November 2021 in the same location from different angles.

On October 31, the Los Angeles County Fire Department received a call for assistance. A hiker was at the beach below the eastern section of Ocean Trails Reserve with an ankle injury. Air, water, and land resources were deployed to rescue the individual.

Portuguese Bend Reserve

Starting November 1 through November 5, crews will be on-site at Peppertree Trail for trail work. Grade dips and drainage swales will be installed on the trail to assist with water control measures. No trail closures will be needed.

Parks and Trails Open

Beaches, parks, and trails, including the Palos Verdes Nature Preserve, are open. In accordance with the L.A. County and State of California Health Officer Orders, private, informal, outdoor gatherings outdoors are permitted. L.A. County continues to urge everyone, especially those who are not or cannot be vaccinated against COVID-19, to exercise caution and good judgment as physical distancing requirements and capacity limitations have lifted. In addition, all individuals must follow the requirements in the Guidance for the Use of Face Coverings issued by the L.A. County Department of Public Health.

When participating in gatherings or activities, all park rules must be followed, and attendance at informal gatherings cannot exceed thresholds in the Special Event Permits ordinance.
