CITY MANAGER'S OFFICE

**The City of Rancho Palos Verdes wishes all who celebrate a
Happy Hanukkah!**

Holiday Message from Mayor Alegria

Dear Residents of Rancho Palos Verdes,

The holidays are a festive time of year when we share special moments with our family, friends, and loved ones, reflect on the year behind us, and looking to the year ahead filled with promise and opportunity. On behalf of the City Council, we remain committed to working cooperatively with you to continue to preserve and enhance the City of Rancho Palos Verdes is the best place to live.

During the past year, which marked the beginning of our reopening and recovery from the pandemic, the City achieved many significant milestones.

- Achieved a ranking as the fourth safest city in the State of California.
- Rolled out our security camera subsidy program to eleven different HOAs and neighborhoods.
- Maintained a balanced City budget and maintained City services through the pandemic.
- Supported our businesses by implementing the Small Business Assistance Program.
- Actively lobbied legislation deemed impactful to the City and launched the “Legislative Corner” on the RPV website to help us monitor legislation.
- Moved the Ladera Linda Community Park project through the planning and financing phases to an expected early 2022 groundbreaking.
- Continued important planning efforts for the Civic Center project.
- Returned to in-person events such as the Fourth of July celebration, Movies and Concerts in the Park, Trunk or Treat, and the upcoming Ice Skating by the Sea.

ADMINISTRATIVE REPORT

December 1, 2021

Page 6

- Enhanced our Coyote Management Plan improving our response and support to impacted neighborhoods.
- Implemented gates and parking programs to address Del Cerro residents' concerns regarding increased trail use and neighborhood impacts.
- Undergrounded utilities along a section of Palos Verdes Drive South.
- Completed beautification projects such as the median landscaping on Hawthorne Boulevard and began improvements on Western Avenue.
- Implemented the MyRPV app to allow residents to reach city services on their phone.
- Established e-filing of planning applications to help streamline application processes.
- Achieved City-wide emissions reductions progress through our Emissions Reduction Action Plan.
- Completed the Citizen Satisfaction Survey to solicit feedback on City services.
- Recognized eighteen amazing organizations and individuals through our Mayor's Honoree's program.
- And many, many others...

These achievements would not have been possible without the contributions of so many of you. Together, we have made real progress.

The City is committed to continuing to serve you and we are looking forward to continued progress and high levels of service in the new year. I, and the City Council, wish you a safe, happy holiday season.

Happy Holidays,

Eric Alegria

Mayor

Don't Miss the PV Peninsula Parade of Lights on December 4!

The City of Rolling Hills Estates is excited to once again light up the season with the **Palos Verdes Peninsula Holiday Parade of Lights on Saturday, December 4, 2021.** This annual event will take place from **6:00 p.m. to 7:30 p.m.**, with festive floats and cheerful participants parading through the commercial district along Silver Spur Road to Roxcove Drive to Deep Valley Drive and concluding on Drybank Drive (**note* the route has been slightly modified and will not be going through the Promenade on the Peninsula mall this year*).

Serving as this year's **Grand Marshal** is **MLB World Series Champion and pitcher Kenley Jansen**. Kenley Jansen is a professional baseball player born in the island country of Curaçao. He has been a resident of the Palos Verdes Peninsula since 2017. Kenley made his Major League debut for the Los Angeles Dodgers in 2010. Over his 11-season career with the Dodgers, he totaled 350 Saves and 1,022 Strikeouts. Kenley was named the National League Reliever of the Year (Trevor Hoffman Award) in 2016 and 2017. In

addition, he is a World Series Champion (2020) and a three-time MLB All-Star (2016-18). Kenley likes to explore PV in his free time, play his piano and bass guitar, and spend time with his wife Gianni and four children.

Also featured are retired Rolling Hills Estates Councilmember and Mayor, Judith Mitchell as Hometown Marshal and the Palos Verdes Peninsula Chamber of Commerce Citizens of the Year, our local First Responders, which include Los Angeles County Fire, Sheriff and EMTs, Palos Verdes Estates Police Department and local hospital representatives from Torrance Memorial, Little Company and Kaiser Permanente.

Members of the Rancho Palos Verdes City Council will also participate in the parade.

To showcase the unique character of the Palos Verdes Peninsula, community and civic groups, school and youth organizations, marching bands, drill teams, equestrian units, local businesses, and others are encouraged to participate in the parade. And of course, it wouldn't be the traditional event if we didn't have Santa himself joining in on the fun.

Awards are given in various categories: Sweepstakes (Musical), Equestrian Sweepstakes, Best Commercial Float, and Mayor's Trophy for the best local entry and the Susan Seaman's Founders Award. Judging is provided by the Southern California School Band and Orchestra Association and a professional equestrian judge.

Have You Noticed a Few More Message Boards?

The City has installed two automatic license plate reading (ALPR) trailers in the City – you may recognize them by their “Watch Your Speed” signage. ALPR cameras collect information on “hot list” vehicles and share the information directly with the Sheriff’s Department.

Drive safely and watch your speed!

West Basin Escalates Water Shortage Contingency Plan to Shortage Level Three

Last week, the West Basin Municipal Water District Board of Directors moved to escalate its Water Shortage Contingency Plan (WSCP) from shortage level one to level three for its service area representing nearly one million people in 17 cities (including Rancho Palos Verdes) and unincorporated areas in Los Angeles County.

Given recent emergency drought declarations by the Governor and water wholesaler Metropolitan Water District of Southern California and the need to proactively ensure water reliability in the midst of worsening conditions, the West Basin Board declared a shortage level three to reflect its resolution seek immediate increased water savings.

WSCP level three will increase regional drought response actions to include more water use efficiency measures and expanded outreach and public information to support water savings in the West Basin communities.

West Basin currently offers grass replacement rebates of up to \$5 for every square foot of grass replaced with drought-resilient landscaping, with plans to provide even higher rebate levels to the region's public agencies.

In addition, on Nov.16, West Basin launched its SUPER-CALI-FRUGALISTIC drought campaign, calling on district communities to "Save Water, Save California." The campaign challenges individuals in the service area to be prudent with their water use to preserve limited supplies for the region and State. The campaign will also offer memorable community outreach experiences like drought kit giveaways that highlight the substantial benefits of West Basin's water use efficiency programs in the months ahead.

West Basin's WSCP includes six standard water shortage levels, corresponding to increasingly severe shortage conditions compared to normal reliability conditions. Each level aligns with specific response actions that West Basin can implement to address and resolve any current or expected supply-demand gaps created by the associated water shortage. At present, West Basin is not implementing mandatory water use reductions or rationing. The 2021 WSCP and a summary of drought actions is available online at westbasin.org/drought.

Cal Water Encourages Water Conservation

At the Council meeting on December 7, Cal Water representatives will present conservation tips and rebates available to customers.

Cal Water offers rebates on a variety of high-efficiency products. They also have a Smart Landscape Tune-Up program, where a contractor will make recommendations on how you can improve water conservation in your landscaping, and Cal Water will provide the recommended purchases and installations for free! Find out more at calwater.com/conservation.

View the December 7 agenda and participation options at rpvca.gov/agendas.

Help Document the King Tides December 4-5

The California Coastal Commission is calling on the public to help photograph upcoming King Tides for the [California King Tides Project](http://california.kingtides.net).

A “King Tide” is a non-scientific term used to describe very high tides caused when there is an alignment of the gravitational pull between the sun, moon, and Earth. When King Tides occur during floods or storms, water levels can rise higher and potentially cause great damage to the coastline and coastal property.

ADMINISTRATIVE REPORT

December 1, 2021

Page 11

Documenting these tides helps us preview the impacts of sea-level rise and understand how our shoreline is affected by high water today.

The next King Tides will arrive December 4-5. If you're able to take photos at the coast during King Tides safely, you will be contributing to an important community science effort. Find your [local King Tide times](#) and learn how to [upload your photos](#) on the California Coastal Commission website at coastal.ca.gov/kingtides or with a [free app](#).

Congratulations to the Mayor's Honorees

This year, the City Council recognized residents and nonprofits making a difference locally and beyond. Last week, these honorees were recognized at the Mayor's Honorees Luncheon.

For more information on the Honorees and how to get involved with their programs, visit rpvca.gov/1377/Mayors-Honorees.

To nominate a resident or nonprofit, complete the [online form](#) or email a short bio to cityclerk@rpvca.gov.

The City thanks the Honorees for their inspiring work!

SBCCOG Presents Home Share South Bay

The South Bay Cities Council of Governments (SBCCOG) has partnered with Silvernest for Home Share South Bay. Home Share South Bay helps compatible homeowners and renters find each other and provides support for their homesharing journey.

Feeling isolated? Seeking companionship? Want to age in place? Need extra income? Need help around the house? Contact Home Share South Bay for details and assistance by visiting silvernest.com/SouthBay or emailing Laurie Jacobs with the South Bay Cities Council of Governments at laurie@southbaycities.org.

L.A. County Prepares Response to Potential Challenges Presented by Omicron

The Los Angeles County Department of Public Health (Public Health) continues to track variant cases in L.A. County.

While the Delta variant remains the dominant variant detected among L.A. County residents and continues to account for 100% of cases sequenced, the Omicron variant identified by the World Health Organization in South Africa as a “variant of concern” is being closely monitored as Public Health works with others across the globe to prepare to mitigate the challenges a new variant of concern may pose for residents and workers across the county.

This includes adhering to the travel restrictions issued by the White House and the CDC.

Although more studies are needed to determine whether the Omicron variant is more contagious, more deadly, or resistant to vaccine and treatments than other COVID-19 strains, as with any variant of concern that is found in other countries, there are important steps we all need to take to protect ourselves from COVID-19 and from emerging variants of concern.

UPDATE ON THE OMICRON VARIANT

New variants will continue to evolve as long as there are large proportions of unvaccinated people.

The Omicron Variant identified by the WHO as a “variant of concern” is being closely monitored as we work with others across the globe to prepare to mitigate the challenges it may pose for LA county.

The best way to protect yourself is to get vaccinated, get your booster when eligible, wear a mask, get tested, and quarantine if infected or have been in close contact with someone who has COVID-19.

To find a vaccination site near you, visit VaccinateLACounty.com

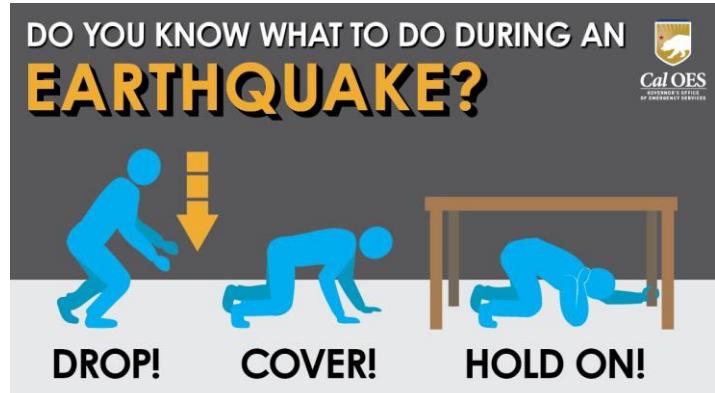

The most important strategy remains to make sure that everyone five years and older get fully vaccinated or receives their booster dose as quickly as possible to reduce transmission of the virus currently dominating across the county. The vaccines are effective against the Delta variant and earlier strains of the virus, which makes us hopeful that the approved vaccines will also provide some protection against Omicron. However, given that there continues to be a substantial transmission of COVID-19 and we have uncertainty about the level of vaccine efficacy against this new variant of concern, all residents across L.A. County need to be sure to adhere to the masking requirements and wear a mask when indoors or at large outdoor mega-events regardless of vaccination status. Public Health continues to strongly recommend that individuals wear a mask when at any crowded indoor or outdoor events. Residents are reminded that they are legally required to isolate if they have a positive COVID test result and that vaccinated close contacts with symptoms, and unvaccinated close contacts need to quarantine. Testing is an important tool in early detection of infection to reduce spread, and residents who have traveled for the holidays are encouraged to get tested if they traveled internationally or to locations in this country with high transmission rates, or they participated at gatherings and events with large numbers of people, some of whom may be unvaccinated.

While we are still learning much about Omicron, we know enough about COVID to take steps to reduce transmission as we prepare to better understand the additional strategies that may be needed to mitigate this new variant of concern.

Earthquake Preparedness Tips - Courtesy of the RPV Neighborhood Watch

Earthquakes can happen at any time, often with little to no warning. The widespread devastation caused by a catastrophic earthquake has the potential to cut you off from the rest of the world for several days. Following an earthquake, first responders will arrive on the scene as soon as possible to assist you, but it may take some time for them to reach you.

Preparing for disaster is not a matter of if –it's a matter of when. Disasters affect millions of people each year on a personal, business, local community, or national level. Although it may feel easier to put off preparing for emergencies, a disaster can occur at any time. Some disasters give a warning, such as a storm preceding a flood. Others, such as earthquakes, give little or no warning. Once a disaster happens, the time to prepare is gone. The following are ten essential actions you can complete today to ensure the safety of you and your family during a disaster.

The time to begin planning for an emergency is before one occurs. To ensure the safety of your family and loved ones in the event of an emergency, Gail Lorenzen, Volunteer Coordinator for Rancho Palos Verdes Neighborhood Watch, has developed an in-depth educational series for all residents that includes emergency preparedness information that include tips on how to prepare yourself and your family for the next "Big One."

The RPV Neighborhood Watch's six-part educational series on Earthquake Preparedness Tips are available online at the following links:

Holiday Decorating Safety Tips

Decorating is one of the best ways to get in a holiday mood, but emergency rooms see thousands of injuries involving holiday decorating every season.

When decorating, follow these tips:

- Keep potentially poisonous plants – mistletoe, holly berries, Jerusalem cherry, and amaryllis – away from children
- If using an artificial tree, check that it is labeled “fire-resistant.”
- If using a live tree, cut off about 2 inches of the trunk to expose fresh wood for better water absorption; remember to water it and remove it from your home when it is dry
 - Place your tree at least 3 feet away from fireplaces, radiators, and other heat sources, making certain not to block doorways
 - Avoid placing breakable ornaments or ones with small, detachable parts on lower tree branches where small children can reach them
- Only use indoor lights indoors and outdoor lights outdoors, and choose the right ladder for the task when hanging lights
 - Replace light sets that have broken or cracked sockets, frayed or bare wires, or loose connections
 - Follow the package directions on the number of light sets that can be plugged into one socket
 - Never nail, tack, or stress wiring when hanging lights, and keep plugs off the ground away from puddles and snow
 - Turn off all lights and decorations when you go to bed or leave the house

Watch Out for Fire-Starters

The use of candles and fireplaces, combined with an increase in combustible, seasonal decorations in many homes during the holidays, means more risk for fire.

Keep these safety tips in mind when using candles and fireplaces:

- [Candle Safety](#): Place candles where they cannot be knocked down or blown over and out of reach of children.
- Keep matches and lighters up high and out of reach for children in a locked cabinet.

December 1, 2021

Page 17

- Use flameless, rather than lighted, candles near flammable objects.
- Don't burn trees, wreaths, or wrapping paper in the fireplace.
- Always use a screen on the fireplace when a fire is burning.
- Never leave candles or fireplaces burning unattended or when you are asleep.
- Check and clean the chimney and fireplace area at least once a year

Wildfire Preparedness

Wildfires can spread rapidly. Peninsula residents are reminded to be vigilant for wildfires as Southern California enters its peak fire season. Assure that you are taking proactive measures to prevent and prepare for wildfires now.

Take the time today to educate yourself and prepare in advance to ensure your and your family's safety by embracing the following tips and best practices for safeguarding your home and preparing your family.

- Remove flammable debris within 30 feet of your home; check out these tip sheets with low- and no-cost ways to protect your home from wildfire:

Pet Preparedness

Pets are an essential part of our society, and for many, an extension of their household and members of the family. In an emergency, your pets will be even more dependent on you for their safety and well-being. Although, when a disaster strikes, it is too late to consider how you will care for your pets, that is why it is important to incorporate a plan for your pets in your family's emergency plans. The following are some basic tips that will help ensure you and your pets are prepared in the face of an emergency:

Ready, set, selfie with your pet!

Have a current photo of you with your pet in case you are separated during a disaster.

Ready.

READY.GOV/PETS

MAKE A PLAN:

- **Have an evacuation plan for your pet:** Many public shelters and hotels do not allow pets inside. Identify a safe place where you can take your pets before disasters and emergencies happen.

ADMINISTRATIVE REPORT

December 1, 2021

Page 19

- **Develop a buddy system:** Before an emergency, be sure to plan with your neighbors, friends, or relatives to make sure that someone is available to care for or evacuate your pets if you are unable to do so.
- **Have your pet microchipped:** Make sure to keep your address and phone number up-to-date and include contact information for an emergency contact outside of your immediate area.

BUILD A KIT:

Ensure your pet is prepared for an emergency by assembling a pet disaster kit in advance of a disaster. Be sure to discuss the types of things you should include in your pet's emergency first aid kit with your veterinarian. Below are basic items you should include in your pets' disaster kits.

Your kit should include:

- Sturdy leashes, harnesses and/or carriers to transport pets safely and ensure that they can't escape.
- Food, drinking water, bowls, cat litter/pan, and a manual can opener if your pet eats canned food.
- Medications and copies of medical records are stored in a waterproof container.
- Current photos of you with your pet(s) in case they get lost. Since many pets look alike, this will help to eliminate mistaken identity and confusion.
- Information on feeding schedules, medical conditions, behavior problems, and the name and number of your veterinarian in case you have to foster or board your pets.
- Pet beds and toys, if easily transportable.

TIPS FOR LARGE ANIMALS:

Emergency preparedness is important for all animals, but it is especially important for horses and larger animals because of their size and special transportation needs.

Consider these tips as you prepare your evacuation plan:

- Before the emergency, make arrangements to shelter your animals at two different locations far apart from each other.
- If you have large animals, evacuate when you hear the evacuation warning.
- Train horses to lead and trailer so that they become comfortable with the process.

ADMINISTRATIVE REPORT

December 1, 2021

Page 20

- Keep your truck and trailer in safe, working condition (gas tank full). If you don't have a truck and trailer, make arrangements in advance to have someone evacuate your animals.
- Know who is evacuating your animals. Be sure to exchange phone numbers, California Driver's License numbers and other relevant information with the person evacuating your horse. Know where your animals will be taken.
- Network with your neighbors prior to an emergency. Work together to help horse/large pet owners on your street who do not have horse trailers or who are not home during an emergency.

Tips to Prevent Thefts from Vehicles

Take steps today to prevent thefts from your vehicle. Residents are strongly encouraged to use "Lock It or Lose It" prevention tips every day. It only takes a matter of seconds for a thief to break into your car and grab your valuable items.

Look through the windows of your vehicle. What do you see? A bag on the passenger seat? A charging cord? A garage door opener? Change in a cup holder? Take it with you or remove it from plain view and be sure to close all windows and lock doors.

Follow these tips to help prevent vehicle burglaries:

1. Remove all valuable items from your car, including purses and electronics.
2. If you must leave valuables behind, put them in your trunk or locked glove box before you reach your destination. Avoid doing so while in plain view.
3. Close all windows and lock your doors.
4. Park in a locked garage or well-lit areas.

If you see suspicious activity, report it immediately to the Lomita Sheriff's Station at 310-539-1661. In case of emergency, call 9-1-1.

Announcing RPV's 10 Days of Holiday Safety

Follow along on the City's Public Safety listserv and the City's Nextdoor page for simple safety tips to share with friends and neighbors. Or, watch for a compiled list in this report!

Day 1: Practice Your 9pm routine

Every night at 9pm, the community is encouraged to lock all gates and doors, including side gates and garage doors, turn on exterior lights or set them on a timer if you plan to be away, and remove all valuables from plain view.

Day 2: See Something, Say Something!

Be aware of your surroundings. If you see something suspicious, call the Lomita Sheriff's Station at 310-539-1661.

Day 3: Prevent Package Theft

Arrange for delivery alerts and retrieve your packages as soon as they are delivered. If you cannot retrieve your package, ask a neighbor to bring it in for you or have the package shipped to the store.

Day 4: Safe Shopping

When shopping in a store, make sure your purse or wallet is secured on your person. Never leave purchased items unattended. If shopping online, make sure you are using a trusted site and be wary of providing your personal information.

Day 5: Secure Your Vehicle

Always lock all vehicle doors and close all windows. Remove packages, valuables, and garage openers from sight. If you must leave a valuable behind, lock it in your trunk or glovebox before reaching your destination. Avoid parking in isolated and unlit areas.

Sheriff's Holiday Toy Drive

This year, the Los Angeles County Sheriff's Department is hosting a holiday toy drive! Donate new, unwrapped toys to Lomita Sheriff's Station at 26123 Narbonne Ave, Lomita, through Monday, December 13. Help bring joy to families across L.A. County!

Toys can also be dropped off at RPV City Hall before December 13. City Staff will deliver donations to the Sheriff's Station.

For more information, contact Lomita Sheriff's Station at 310-539-1661.

Mark Your Calendar: Lomita Station will be Guiding Santa Around RPV

Santa Claus will be driving around RPV! He will be guiding his sleigh through the streets of Lomita, RPV, and Rolling Hills Estates – weather permitting – between Friday, December 3 and Saturday, December 18. This special visit is sponsored by and coordinated through the efforts of the personnel at the Lomita Sheriff's Station and Green Hills Memorial Park. Children of all ages are encouraged to come out, chat with Santa, and get a candy cane. Please look for "Santa Stops Here" signs along the route and check the schedule below to see when Santa will be visiting your neighborhood.

- Thursday, December 9: 5:15-9:00 pm – County Area (Academy Hills, Westfield), RHE (Masongate, Harborsight, Larga Vista, Monticello, Club View)
- Friday, December 10: 5:30-9:00 pm – Tarapaca, Mira Catalina area, Sea Raven, Admirable, Exultant, Dauntless
- Monday, December 13: 5:15-9:00 pm – Tarrasa, Montereina, Velez
- Tuesday, December 14: 5:20-9:00 pm – Jaybrook, Trotwood, MacArthur, Nobleville, Crestwood, Enrose, General, Bernice
- Thursday, December 16: 5:20-9:00 pm – Toscanini, Mt. Streets, Caddington, Enrose, Dorado

FINANCE DEPARTMENT

FAC Meeting

The Finance Advisory Committee (FAC) of the City of Rancho Palos Verdes will be conducting a meeting on December 2, 2021, at 7 p.m. The tentative agenda for this meeting includes:

- Report on the unaudited actuals for FY 2020-21 and the first quarter report of FY 2021-22

The meeting's agenda packet will be available on the City's website.

Please direct inquiries or written public comments on the meeting's agenda topics to Sovanna Proch at 310-544-5273 or Sovannap@rpvca.gov.

Pursuant to Section 3 of Executive Order N-29-20, issued by Governor Newsom on March 17, 2020, the meeting of the Finance Advisory Committee for December 2, 2021, will be conducted via teleconference using the Zoom platform. **For instructions on how to participate in the meeting, please fill out the form at <http://rpvca.gov/participate>**

PUBLIC WORKS DEPARTMENT

PUBLIC WORKS PROJECTS

New Traffic Signal at Intersection of Palos Verdes Drive South and Palos Verdes Drive East Update

The traffic signal poles and intersection street lights were installed last week for the new traffic signal project at the intersection of Palos Verdes Drive South and Palos Verdes Drive East. Work is continuing this week with the installation of new curb ramps and modifying the existing median, as well as inspection by Southern California Edison (SCE) of the conduit and installed service panel. Once SCE has verified the conduit and service panel are acceptable, SCE will schedule a date to establish power for the new signal. The signal is expected to be complete by the end of December.

Work is limited to approximately 8:30 a.m. to 4:30 p.m. Monday through Friday. Regular partial eastbound and westbound bike lane closures will occur around the intersection. Expect delays, proceed cautiously through the work zone, and follow all signs and instructions.

Maintenance Tip

As the holiday season is upon us and we welcome family and friends to a holiday feast, don't pour cooking grease down the drains. Once in the plumbing, cooking grease solidifies and causes stoppages. The best way to dispose of fat, oil, or grease is to put it in a disposable container, let it cool, and then toss it in the trash.

Infrastructure Management Advisory Committee (IMAC) Virtual Meeting

On Monday, December 13, 2021, the City of Rancho Palos Verdes' Infrastructure Management Advisory Committee (IMAC) will hold a virtual meeting at 6:00 p.m. The public is invited and encouraged to participate and provide input. The agenda will be available on the City's website by Thursday, December 9, 2021, at 5:30 p.m. For a copy of the agenda, visit rpvca.gov/agendas.

The meeting will be conducted via teleconference using the Zoom platform. For public participation, please click on this link: rpvca.gov/participate. For further questions, please contact Public Works at 310-544-5252 or publicworks@rpvca.gov.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation. Thank you!

Maintenance Activities

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

PARK MAINTENANCE

- Public Works continues weekly landscape maintenance at all City parks.
- Public Works continues daily cleaning and sanitizing parks' facilities.
- Ruts and divots in the Decomposed Granit (DG) walking paths at the Point Vicente Interpretive Center were filled by the Public Works landscape crew.

- Public Works upgraded the dog ramp in the large dog section at the Rancho Caninos Dog Park at City Hall. The previous wooden ramp was worn and showed signs of deterioration. A new non-slip ramp was installed for our four-legged friends to enjoy.

Street Median and Public Right of Way Landscape Maintenance

- Public Works Landscape crews completed weed removal and bush trimming in the medians on Crest Road, Montemalaga Drive, Highridge Road, Crenshaw Boulevard, and Silver Spur Road.

- Public Works Landscape crew removed illegally dumped tree debris which obstructed the sidewalk near Hawthorne Boulevard and Vallon Drive.

- Public Works Landscape crew cleared weeds and brush along Calle Entradero to enhance the right of way and trail.

Public Right of Way/Roadway Repairs

- Public Works completed roadway and sidewalk deviation repairs at the following locations:
 - 5919 Mossbank Drive: Deviations were ground to create a smooth sidewalk surface.
 - 30684 Palos Verdes Drive East: An asphalt ramp was created for lifted areas of the sidewalk.
 - 4319 Dauntless Drive: Sidewalk and roadway deviations were filled with asphalt crack filler and subsequently smoothed.
 - 6521 Via Siena: Concrete patches were applied to cracked curb and gutters resulting from trees.

TREE TRIMMING

- Public Works trimmed, removed debris, and excess vegetation on two palm trees at City Hall to facilitate decorating for the upcoming holiday season celebrations at City Hall.

Graffiti Removal

- **Forty-Six** cases of graffiti were reported and removed this week.
- The RPV Graffiti reporting App can be downloaded for Android and Apple devices under the name of "**RPV Clean**." Residents can help keep RPV looking great by using this App.

EMERGENCY ISSUES

Emergency Response Items

- Public Works responded to fallen debris which covered the bike lane along Palos Verdes Drive East between Via Colinita and Crest Road. The debris was removed quickly to maintain roadway and vehicular safety.

COMMUNITY DEVELOPMENT DEPARTMENT

UPDATE: Site Visit to Green Hills Memorial Park- Inspiration Slope

On November 16, the City Council considered a request by Green Hills Memorial Park to utilize existing stored concrete vaults for burials on the rooftop of Inspiration Slope Mausoleum. As part of this action, the City Council continued the public hearing to December 7 to allow City Council members an opportunity to visit the project site, in order to assess further assess the proposal.

On November 22, some City Councilmembers along with City staff and representatives from Green Hills and the Peninsula Verde HOA visited the Inspiration Slope Mausoleum rooftop to better understand the proximity of the proposed rooftop burials to the adjacent residential neighborhood. The visit also included two properties in the adjacent Peninsula Verde neighborhood. The visit results and staff's assessment and recommendations will be outlined in the staff report being presented to the City Council on December 7. Click [here](#) to view a copy of the report. For questions, please contact Amy Seeraty, Senior Planner, at (310) 544-5231 or email at amys@rpvca.gov. Additional information about the proposed project is available on the City's website at the following link: <https://www.rpvca.gov/376/Green-Hills-Memorial-Park-Master-Plan>

Draft Housing Element Submitted to the State's Housing and Community Development Department

On November 19, a copy of the Rancho Palos Verdes Draft Housing Element was submitted to the State's Housing and Community Development Department (HCD) for their initial 60-day review and response period. The draft document includes revisions to the Housing Sites Inventory and additional analyses that were not a part of the draft

Housing Element issued in October for public commenting. Staff anticipates a response from HCD in January 2022, at which point further refinements will be made as part of the presentation of the final draft of the Housing Element to the Planning Commission and City Council. A copy of the updated document is available for review on the City's Housing Element Update homepage: <https://www.rpvca.gov/1402/2021-2029-Housing-Element-Update>.

To receive project updates, please sign up to the Housing Element list serve at <https://www.rpvca.gov/list.aspx?ListID=262>. For questions and comments, please contact Octavio Silva, Deputy Director/Planning Manager, at housingelement@rpvca.gov.

Public Notice Issued for Natural Communities Conservation Plan/Habitat Conservation Plan (NCCP/HCP) Code Amendments

On December 14, staff will be presenting proposed code amendments to the Planning Commission to establish development standards for lots and equestrian-related uses abutting the Palos Verdes Nature Preserve and lots outside of the Preserve that support Coastal Sage Scrub to comply with provisions of the City's NCCP/HCP. Provisions include, but are not limited to, fencing, prohibiting direct access to the Preserve and open space lots from private property, lighting, landscaping requirements, and biological monitoring for cowbirds on equestrian facilities within 500 feet of the Preserve.

The goal of the NCCP/HCP is to maximize the benefits to wildlife and vegetative communities within the Preserve while accommodating appropriate development within the City. Staff is working with State and Federal Wildlife agencies, who helped craft the adopted NCCP/HCP, on the preparation of the proposed code amendments.

A [public notice](#) was issued on November 25, providing the public a 15-day comment period on the proposed amendments prior to December 14 Planning Commission meeting. If recommended for approval, staff intends to present the proposed amendments to City Council in early 2022. Drafts of the proposed amendments are available at the Community Development Department. For questions, please contact Associate Planner Steven Giang at (310) 544-5222 or via email at sgiang@rpvca.gov.

“What Stormwater Can Do For Us” Virtual Event

Heal the Bay will be conducting a virtual workshop on December 9 at 6 PM to learn how to clean up our neighborhood stormwater by removing the pollution it picks up along its journey. Did you know that the future of water in California depends on all of us? Good news is that we can solve it together! Together, we can identify locally-driven solutions to treating our water, improving local water quality, increasing local water supply, and investing in multiple community benefits. Register for the event [here](#).

Breakfast with Santa registration is **SOLD OUT!** The event will be hosted outdoors at Upper Point Vicente Park/RPV Civic Center on Saturday, December 11, from 10:00 a.m. to 12:00 p.m. Event features include breakfast boxes, gingerbread house decorating, photo ops, a visit from Santa, and more exciting surprises.

ParkMobile Parking System Update

Following City Council action on October 5, the following changes have been made to improve the ParkMobile parking reservation system in the Del Cerro area:

- Allow same-day reservations (cutoff one hour prior to reservation start) with change to one-hour blocks of time at a pro-rated amount if feasible.
- Create simplified access to the ParkMobile reservation link
- Improve instructional signs
- Discontinue requiring reservations for Recreational Residential Parking Permit holders
- Incorporate a QR code that directs people to the reservation page.

Reservations currently end at 5:45 p.m.

A further update on the ParkMobile parking system and Preserve parking issues is scheduled for the December 21 City Council meeting. A total of 102 ParkMobile reservations were made between November 15-21: 66 paid reservations and 36 free reservations. A total of 152 ParkMobile reservations were made between November 22-28: 115 paid reservations and 37 free reservations. The 115 paid reservations were the highest total yet for a week. Residential Parking Permit holders can park within Del Cerro Park. Staff will continue to report on total reservations and other data points each week.

PARKS AND FACILITIES

Social Committee/Recreation and Parks

The City of Rancho Palos Verdes' Social Committee partnered with the Recreation and Parks Department to help local families in need for the second year in a row! Thanks to all RPV staff for their tremendous support and thoughtful food contributions. A total of 30 Thanksgiving Meal Kits and a few gift cards were donated to local families in need. We exceeded last year's Thanksgiving Meal Kit donations and are so grateful for City staff's continued support for this program. Below are pictures from last week's Thanksgiving Meal Kit Delivery to the [LA County San Pedro Service Center](#) and individuals in need receiving the Thanksgiving Meal Kits.

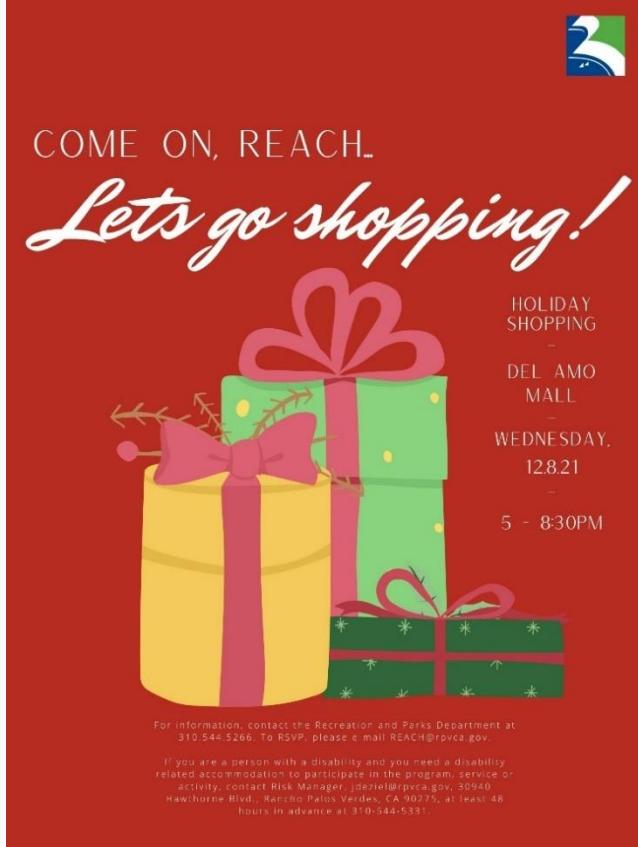

The LA County San Pedro Service Center runs an ongoing food pantry program and provides an emergency food assistance program to families and individuals in need.

REACH Program Excited to Offer a Variety of Winter Activities!

The **REACH program**, which serves the social and recreational needs of youths and adults with developmental disabilities, started with virtual activities this past February and recently began hosting regular in-person activities.

December features a wide variety of fun and recreational activities for REACH participants to enjoy, including our upcoming holiday shopping activity at Del Amo Mall. From shopping for our loved ones to Breakfast with Santa, we stay busy and have fun this winter. So, put on a sweater and join us for one of our exciting activities! To RSVP for any of our upcoming activities or if you have any questions, please email reach@rpvca.gov.

REACH Paints “En Plein Air” at PVIC!

REACH closed November with a fun and awe-inspiring painting activity, “En Plein Air” at Point Vicente Interpretive Center. *En Plein Air* is a French expression meaning “in the open air.” REACH artists spent the morning painting in the open air, creating and

capturing the spirit and essence of the beautiful Point Vicente Lighthouse! To continue with the French theme of the day, REACH participants later went to the Yellow Vase Café and enjoyed a lunch of delicious French cuisine.

REACH Welcomed New Staff to the Family – “Family Feud Style”!

On Monday, REACH welcomed new staff, Neda Joncich, to the REACH family with a fun and competitive game of "Family Feud." Participants were excited to have her join in on the fun and enjoyed an evening of friendly banter and laughter. Everyone put on their creative thinking caps and came up with ingenious answers to questions like "Can you name six things people spill their drinks all over?" Our REACH participants sure can!

Filming in RPV

A movie will be filmed in a private residence on December 6. The filming hours will be 7:00 a.m. to 7:00 p.m. In addition, a TV series will be filmed at the Portuguese Bend Beach Club on December 6 through 8. Film prep and strike will be from 7 a.m. to 7 p.m. on December 6 and 8, and filming hours will be from 7 a.m. until 10 p.m. on December 7.

RPV Volunteer Programs

The next City volunteer cleanup event is scheduled for December 18 from 10:00 a.m.-12:00 p.m. at Abalone Cove.

Visit our website to view and sign up for other volunteer events at rpvca.gov/volunteer.

*Public Contacts: 830

Parking Citations Issued: 41

Notices to Appear Issued: 0

Violations observed (usually corrected and/or warning given): 36

*Preserve activity numbers reflect an approximate total of Preserve interactions over the weekend.

Abalone Cove Reserve, Park and Beach

From November 22 – November 29:

- No violations were observed related to activity in the MPA.

The large area Closed signage located above the Eastern tidepools had been damaged at the base from a combination of strong winds and high tides. The base has since been repaired. However, staff continues to monitor and secure the sign for additional damage as we near King Tides.

Before (left and center), and after (right), pictures of the Large Area Closed sign near the Eastern Tidepools in Abalone Cove.

Portuguese Bend Reserve

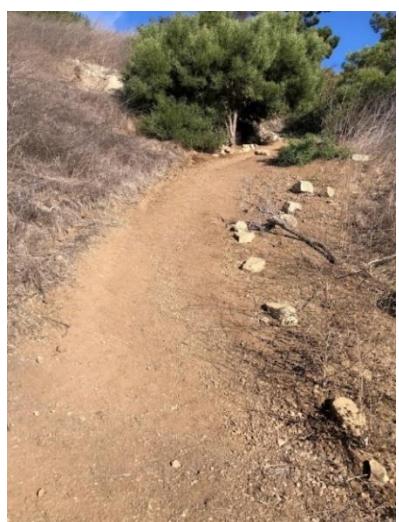

New Park Mobile signage has been updated and installed at Crenshaw Boulevard. The signage includes the modification allowing reservations to be made up to one hour before the start of the reservation time block. For more information, refer to the Park Mobile tab on the City's Palos Verdes Nature Preserve webpage at:

<https://www.rpvca.gov/1424/ParkMobile>.

On Wednesday, November 24, a water main break occurred near Vanderlip Trail in the Portuguese Bend Reserve. CalWater was notified and made emergency repairs to ensure the water was shut off. The grade dips previously installed by the Volunteer Trail Crew decreased further damage to the trail. Volunteers quickly repaired the trail damage after the incident. The trail was temporarily closed from Burma Road Trail junction to Kubota Trail junction until Saturday, November 27.

Before and after pictures of ruts created on Vanderlip Trail by the water main break on November 24. In some locations, ruts were as deep as 10-12 inches deep and up to 6-12 inches wide.

On Monday, November 29, Los Angeles County Fire Department and Torrance City Fire Department conducted training at Del Cerro Park, Filiorum Reserve, and Portuguese Bend Reserve. No trail closures took place. Training allowed personnel to use their equipment in real-world conditions and familiarize crews with trails and other factors such as wind, fuel loads, etc.

Image above was taken from Crenshaw Boulevard, depicting LACFD Crews testing water pressure and distance for water resources.

The Palos Verdes Peninsula Land Conservancy installed a wooden fence barrier on Ishibashi Trail to deter unauthorized use. The area was cleared by crews for access to identify and remove invasive Acacia trees as part of a fuel load reduction project.

San Ramon Reserve

The stonework on the San Ramon Reserve Monument sign located near Palos Verdes Drive East and Palos Verdes Drive South was damaged. Due to nearby vehicle debris, the damage is believed to be caused by a vehicle collision. No further information is known at this time. The City is working with the Palos Verdes Peninsula Land Conservancy to determine repairs.

Parks and Trails Open

Beaches, parks, and trails, including the Palos Verdes Nature Preserve, are open. In accordance with the L.A. County and State of California Health Officer Orders, private, informal, outdoor gatherings outdoors are permitted. L.A. County continues to urge everyone, especially those who are not or cannot be vaccinated against COVID-19, to exercise caution and good judgment as physical distancing requirements and capacity limitations have lifted. In addition, all individuals must follow the requirements in the Guidance for the Use of Face Coverings issued by the L.A. County Department of Public Health.

When participating in gatherings or activities, all park rules must be followed, and attendance at informal gatherings cannot exceed thresholds in the Special Event Permits ordinance.
