CITY MANAGER'S OFFICE

Memorial Day Observance at Green Hills Memorial Park

On May 29, Mayor Barbara Ferraro, Mayor Pro Tem John Cruikshank, and Councilmember Dave Bradley joined other past and present elected officials for the annual Memorial Day Observance at Green Hills Memorial Park, honoring fallen members of the U.S. Armed Forces. Retired Army Colonel David W. Sutherland gave the keynote address reminding us to remember and pay tribute to those who gave everything for our freedom.

Thank you, Green Hills, for another powerful day of remembrance for our community.

City Council Meeting Agenda Now Available

The agenda for the June 6 City Council meeting is now available at rpvca.gov/agendas.

Meeting topics include the announcement of the winners of the City's 50th Anniversary Art Contest; and SCE's action plan to address recurring power outages in the Grandview Estates neighborhood, among other items.

The meeting will take place at 7 p.m. in McTaggart Hall at Hesse Park and via Zoom. Watch live at rpvca.gov or on Cox 33/Fios 38.

To participate in public comment virtually, complete a form at rpvca.gov/participate.

Email your comments on agenda items to cc@rpvca.gov.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

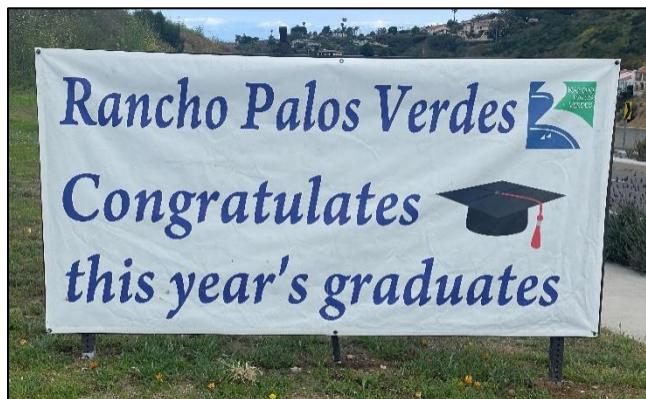

RPVtv's "City Talk" – May 2023

RPVtv host Liz Brown Swanson and Mayor Barbara Ferraro visit Terranea Resort to discuss the Peninsula's new wildfire detection cameras, the latest count of peacocks and peahens in neighborhoods, and more RPV news on "City Talk." Watch on Cox 33/Frontier Fios 38 or RPVtv's YouTube channel at: youtu.be/W8pXrL9rwHc

Congratulations to Our 2023 Graduates!

On Tuesday, Staff installed banners celebrating 2023 graduates at City Hall, at Crenshaw and Indian Peak Road, at Locklenna and Hawthorne, and at Hawthorne and Indian Peak Road. It's important to acknowledge and celebrate our graduates' hard work and accomplishments, and these banners serve as a great reminder to be proud of their achievements.

Don't Miss the Palos Verdes Street Fair and Music Festival - June 10-11

Looking for some great family fun? Don't miss the Palos Verdes Peninsula Chamber of Commerce's 35th Annual Palos Verdes Street Fair and Music Festival on June 10-11 in the heart of Rolling Hills Estates at Norris Center and Deep Valley Drives. There's something for everyone at this popular event with carnival rides, live entertainment, artisans, crafters, retailers, nonprofits, and food vendors.

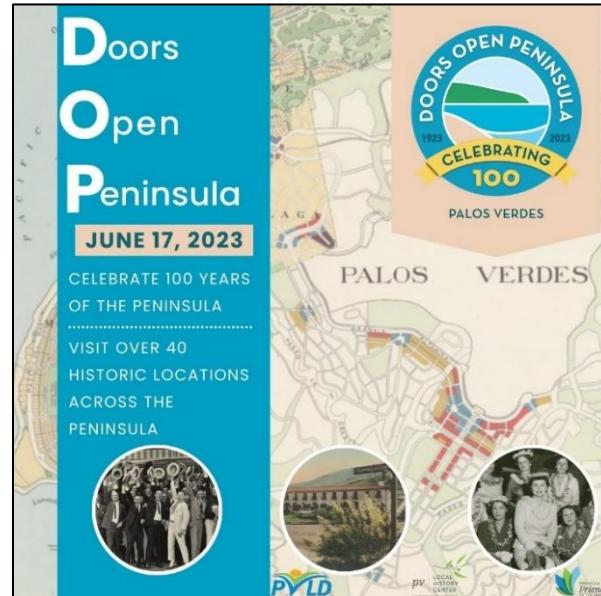

For event details and to purchase carnival ride wristbands, visit palosverdesstreetfair.com.

Don't Miss Doors Open Peninsula June 17

June 17, 2023 marks 100 years to the day a real estate rally was held in Malaga Cove to entice buyers to purchase property on the Peninsula. That rally launched the modern-day Peninsula development and put Palos Verdes on the map as one of the nation's first planned communities.

To celebrate this anniversary, the Palos Verdes Library District invites you to Doors Open Peninsula 2023 (DOP), a Peninsula-wide open house and your opportunity to learn all about the Peninsula's history! DOP 2023 partners and organizations are planning a Peninsula-wide open house, giving you the opportunity to visit and learn about sites you pass by every day and some you probably didn't even know were here (see attached flyer).

RPV's sites are spreading from City Hall, a former Nike Missile site on the west side, to Miraleste Plaza on the east side. Be sure to stop by and get your stamps!

Visit pvld.org/dop for more details.

Legislation Corner

The Rancho Palos Verdes City Council reviews bills pending in Congress and the California Legislature and takes positions on priority issues that impact the City's effective operation, promote City interests, and protect local authority.

This week, the city sent out letters of support and letters of opposition relevant to our [2023 adopted legislative platform](#). Click [here](#) to view the bills, their authors, bill summaries, and the city's position letters. Check the [Legislation Corner](#) on the City website for up-to-date legislative activity.

On December 20, 2022, the City Council adopted the City's 2023 Legislative Platform, outlining the policy positions of the City Council on issues impacting the City.

Tips for Finding Residential Fire Insurance in Response to Recent State Farm Announcement

City Staff is closely coordinating with the California Department of Insurance (CDI) following State Farm's recent [announcement](#) regarding the temporary suspension of new homeowners and certain commercial insurance policies in California. State Farm attributes this decision to factors beyond its control, such as climate change, global inflation, and rising reinsurance costs. However, it is important to note that existing State Farm customers should maintain their insurance coverage without disruption.

Amid these developments, the CDI is a valuable resource, providing support and guidance. Its '[Safer From Wildfires](#)' framework, developed in collaboration with Cal Fire and other state preparedness agencies, focuses on reducing costs and enhancing safety. It includes a new regulation requiring discounts for fire-hardened properties and communities. Homeowners can now obtain their property's "wildfire risk score" from insurance companies and appeal if necessary. For more information, refer to the official [press release](#).

If you are currently in search of home insurance, the CDI provides various tools on its website (www.insurance.ca.gov) to assist you in making informed decisions. These resources include [informational guides](#), a [premium comparison tool](#), and a [new coverage comparison tool](#) that allows you to compare policies from different insurers. Additionally, for those who have received nonrenewal notices from their insurers, the CDI has compiled a list of [Top Ten Tips for Locating Residential Insurance](#).

If you would like CDI to investigate a non-renewal notice or a premium increase, you can submit a Request for Assistance (RFA) through their website. The CDI will thoroughly review your specific situation and provide the necessary support. You can access the [RFA form](#) on CDI's website.

The CDI's Office of the Ombudsman is readily available to assist residents in resolving issues with their insurance companies. If you require additional resources or information, please reach out to the CDI's Ombudsman's Office at (916) 492-3457 or ombudsman@insurance.ca.gov.

PLAN. PREPARE. EVACUATE.

Palos Verdes Peninsula Emergency Readiness

The Palos Verdes Peninsula Cities, with public safety partners, have launched a new evacuation tool for the community. Know Your Zone maps will be utilized to prepare you in the event of an emergency.

Knowing your zone is critical to the evacuation process and can help determine your next steps if there is a wildfire or emergency situation.

Visit PVPready.gov to learn more, find your evacuation zone and sign-up for important emergency notifications through the Alert South Bay system.

Palos Verdes Peninsula Cities Launch the 'Know Your Zone' Website PVPReady.gov During Wildfire Awareness Month

Earlier this month, the four Peninsula cities and our public safety partners launched the **Know Your Zone** evacuation readiness website PVPReady.gov. With the aim to prepare Peninsula residents and businesses to evacuate in the event of an emergency, the site houses Zonehaven, a cloud-based evacuation platform with pre-established, Peninsula-wide evacuation zone maps.

The zones will also help fire, police, and other emergency service agencies prepare for emergencies, streamline the evacuation process, and reduce confusion by enabling a single verified source of emergency information.

Why should you Know Your Zone?

If authorities issue an evacuation order for your neighborhood during an emergency, you may only have minutes to act.

Knowing your zone and how to use the zone map at PVPReady.gov ahead of time means you'll be the first to know when your zone is under evacuation.

👉 Go to PVPReady.gov to learn more.

Monthly Disaster Preparedness Messaging - Courtesy of the EPC

To ensure the safety of you and your family during wildfire season, the City's Emergency Preparedness Committee (EPC) has provided valuable tips on wildfire preparedness for the May 2023 monthly preparedness messaging to residents.

Remember, wildfire preparedness is a shared responsibility, and together we can create a resilient

MAY IS WILDFIRE AWARENESS MONTH

Wildfires are a dangerous and unpredictable threat to your home, family and community before a wildfire threatens your area. This Wildfire Awareness Month, use these tips from Ready.gov to get ready for wildfires.

MAKE AN EMERGENCY PLAN:

- If a wildfire is in your area, there isn't a lot of time to get to safety.
- Know your local evacuation plan and make sure everyone in your household knows what to do.
- Don't forget to include your pets and account for family members who may be in various locations, like school or work.

STAY UPDATED WITH LOCAL EMERGENCY ALERTS:

- Ready.gov is the place for local emergency information.
- Check the site now and type in your address, to see your Neighborhood Evacuation Zone.
- In case of an emergency in your zone or a neighboring zone, your zone number and emergency instructions will be sent to you via the Alert South Bay Emergency Messaging System.

STRENGTHEN YOUR HOME AGAINST WILDFIRES:

- Keep flammable debris, like dead leaves, at least 30 feet from your house. If you're building or renovating your home, use fire-resistant materials. Review the Home Hardening and property safety tips to protect your home.

CREATE A WILDFIRE EMERGENCY KIT:

- Gather supplies like medications, a first aid kit, water, and portable chargers in case of evacuation. N95 masks are helpful to have on hand to protect yourself from inhaling smoke. Keep the kit in your car for an even quicker getaway during a wildfire.

Remember to stay informed and be prepared to take action when necessary.

For additional information, contact Jesse Villalpando, RPV Emergency Services Coordinator at Jesse.Villalpando@rpvca.gov or (310) 544-5209.

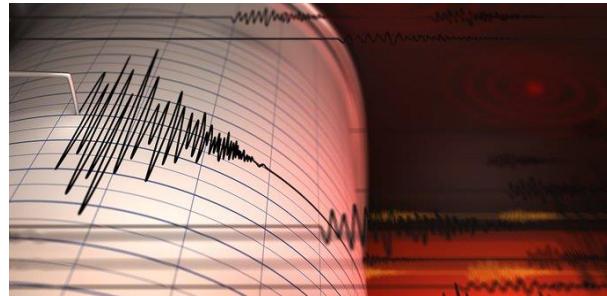

community that is better equipped to face these challenges. By implementing the tips and recommendations provided by the EPC, you can contribute to safeguarding your loved ones and the Rancho Palos Verdes community.

To receive the Committee's monthly messaging, be sure to sign up for the "Emergency Notifications" city listserv at rpvca.gov/notify. For additional information about emergency preparedness in the City of Rancho Palos Verdes, visit the City's website at rpvca.gov/emergency

Are You Ready for the Next Big One? - Earthquake Preparedness Tips

Earthquakes can happen at any time, often with little to no warning. You could be anywhere when an earthquake strikes: at home, at work, at school, or even on vacation.

With Southern California deeply seated in "earthquake country," the City of Rancho Palos Verdes urges you and your family to always be prepared. The key to surviving an earthquake and reducing your risk of injury lies in planning, preparing, and practicing what you and your loved ones will do if it happens.

Here are a few tips on how to stay safe and prepared for the aftermath of a major earthquake.

PREPARE NOW

- [Secure items such as televisions and objects that hang on walls](#). Store heavy and breakable objects on low shelves.

ADMINISTRATIVE REPORT

May 31, 2023

Page 12

- [**Practice Drop, Cover, and Hold On**](#) with family and coworkers. Drop to your hands and knees. Cover your head and neck with your arms. Crawl only as far as needed to reach cover from falling materials. Hold on to any sturdy furniture until the shaking stops.
- [**Create a family emergency communication plan**](#) that has an out-of-state contact. Plan where to meet if you get separated.
- [**Make a supply kit that includes enough food and water for at least three days**](#), a flashlight, a fire extinguisher, and a whistle. Consider each person's specific needs, including medication. Do not forget the needs of pets. Have extra batteries and charging devices for phones and other critical equipment.
- [**Consider earthquake insurance policies**](#). Standard homeowner's insurance does not cover earthquake damage. Consider a retrofit of your building if it has structural issues that make it vulnerable to collapse during an earthquake.

SURVIVE DURING

Drop, Cover, and Hold On. Drop to your hands and knees. Cover your head and neck with your arms. Hold on to any sturdy furniture until the shaking stops. Crawl only if you can reach better cover without going through an area with more debris.

DROP! Wherever you are, drop down to your hands and knees and hold onto something sturdy. If you are using a wheelchair or walker with a seat, make sure your wheels are locked and remain seated until the shaking stops.

COVER! Cover your head and neck with your arms. If a sturdy table or desk is nearby, crawl underneath it for shelter. If no shelter is nearby, crawl next to an interior wall (away from windows). Stay on your knees or bent over to protect vital organs.

HOLD ON! If you are under a table or desk, hold on with one hand and be ready to move with it if it moves. If seated and unable to drop to the floor, bend forward, cover your head with your arms and hold on to your neck with both hands.

- **IF YOU ARE INDOORS:** Stay there; do not run outside or inside your home since debris may fall and injure you. If able to do so, **DROP, COVER, and HOLD ON**.

- **IF YOU ARE IN BED:** Stay in bed and turn face down and cover your head and neck with a pillow.
- **IF YOU ARE IN A VEHICLE:** Pull over and stop in a safe area away from buildings, trees, overpasses, underpasses, or utility wires. Make sure to set the parking brake so that the vehicle does not move during the shaking. Stay inside your vehicle until the shaking subsides.
- **IF YOU ARE OUTDOORS:** Move away from wires, buildings, and anything else that could fall and hurt you, but only if you can safely do so. Otherwise, stay where you are and **DROP, COVER, and HOLD ON** if able to do so.

BE SAFE AFTER

- Expect aftershocks to follow the largest shock of an earthquake sequence.
- Check yourself for injury.
- If in a damaged building, go outside and quickly move away from the building.
- Do not enter damaged buildings.
- If you are trapped, send a text or bang on a pipe or wall. Cover your mouth for protection, and instead of shouting, use a whistle.
- If you are in an area that may experience tsunamis, go inland or to higher ground immediately after the shaking stops.
- Save phone calls for emergencies.
- Once safe, monitor local news reports via radio, television, social media, and cellphone text alerts for emergency information and instructions.

FINANCE DEPARTMENT

Finance Advisory Committee Meeting

The next regular meeting of the Finance Advisory Committee (FAC) will be held on June 1 at 7 p.m. The tentative agenda for this meeting includes:

- Consideration and possible action to review and discuss the FY 2022-23 Biannual Report and FY 2023-24 FAC Work Plan.
- Consideration and possible action to review and provide recommendations on the City's Investment Policy for FY 2023-24.
- Consideration and possible action to receive a presentation on the City's Financial Model.
- Consideration and possible action to receive a presentation of the Treasury Report.
- Consideration and possible action to receive a report on the City's Annual Comprehensive Financial Report (ACFR).

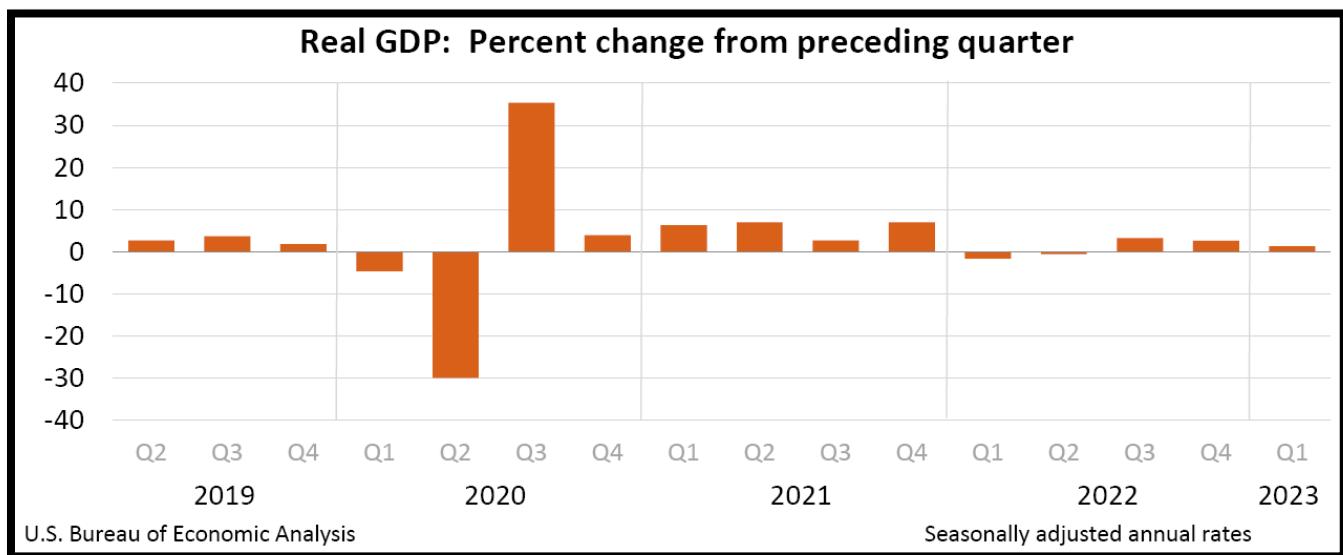

The meeting's agenda packet will be available on the City's website at least 72 hours before the meeting. Please direct inquiries or written public comments on the meeting's agenda topics to Rudy Carbajal at 310-544-5201 or at rcarbajal@rpvca.gov.

The Regular Meeting of the Finance Advisory Committee for June 1, 2023 will take place in accordance with the requirements of the Ralph M. Brown Act, Section 54950 et seq. of the Government Code. Remote participation by any Committee/Commission member shall be in accordance with Subdivisions (b)(3) or (f) of Government Code Section 54953. The meetings are held at City Hall Community Room, 30940 Hawthorne Boulevard, and via teleconference for staff/consultants/participants using the Zoom platform. For instructions on how to view and participate in the meeting, please fill out the form at rpvca.gov/participate.

Gross Domestic Product (Second Estimate) – First Quarter 2023

On May 25, the Bureau of Economic Analysis released the second estimate of real gross domestic product (GDP) for the first quarter of 2023. Real GDP increased at an annual rate of 1.3%, according to the report. The latest estimate reflects a slight increase in GDP compared to the “advance” estimate of 1.1% issued last month and a slight decrease compared to the fourth quarter GDP rate of 2.6%. The chart below illustrates the percent change in GDP per quarter.

In summary, the growth in GDP is reflective of increases in consumer spending, exports, federal government spending, state and local government spending, and nonresidential fixed investment. However, GDP growth was partly offset by decreases in private inventory investment and residential fixed investment.

Home Price Index – December Decline

The S&P CoreLogic Case-Shiller Indices, the leading measure of U.S. home prices, released data for March 2023 showing a continuing recovery in housing prices in all major metro markets. Before seasonal adjustment, the U.S. National Index posted a 1.3% month-over-month increase in March, while the 10-City and 20-City Composites posted increases of 1.6% and 1.5%, respectively. After seasonal adjustment, the U.S. National Index posted a month-over-month increase of 0.4%, while the 10-City Composite gained 0.6% and 20-City Composites posted an increase of 0.5%.

The rise in prices observed nationally was also apparent at the local level. Before

seasonal adjustment, prices rose in all 20 major cities in March following the accelerated price gains observed between February and March. March's results suggest that the decline in home prices that began in June 2022 may have come to an end. However, two months of price increases do not indicate a definite recovery. That said, the challenges posed by current mortgage rates and the continuing possibility of economic weakness are likely to remain a headwind for housing prices for at least the next several months.

PUBLIC WORKS DEPARTMENT

PUBLIC WORKS PROJECTS

Ladera Linda Community Park Project Update

Last week, crews continued installing exterior insulation and stucco finish for the building and began installing tile in the restrooms.

Additionally, crews set the catch basins in the bioswales and completed the installation of the curbs around the playground areas on the upper tier. Crews continued applying the plaster wall finish at the equipment and trash enclosure, cleared site weeds in preparation for landscaping work, and installed posts for the fencing around the storage shed.

This week, crews are scheduled to continue work on the bioswales, resume export of construction spoils, and begin placing base material for the asphalt driveway and parking lot. Crews are also scheduled to continue installing tile in the restrooms, installing the exterior insulation and stucco finish for the building, and begin trimming the vegetation at the existing fence along the ocean side of the park.

To see a current (refreshed once per minute) live view of the project site, you can visit the project page on the City website at: rpvca.gov/LaderaLinda

Levy of Annual Sanitary Sewer Service Charge (Abalone Cove Landslide Abatement District) for FY 2023-24

The City Council will hold a public hearing on June 6 at 7 p.m. regarding the proposed levy of the sewer service charge for the Fiscal Year 2023-24. This meeting will be held in the City Council Chambers at Hesse Park, 29301 Hawthorne Boulevard.

The City Council has caused a written report to be prepared and filed with the City Clerk regarding the levy of the sewer service charge for FY 2023-24. This report contains a description of each parcel of real property in the Abalone Cove Landslide Abatement District connected to the sanitary sewer system and the proposed amount of the sewer service charge for each such parcel. The report computes the FY 2023-24 sewer service charge in conformity with Chapter 13.06 of the City's Municipal Code. For FY 2023-24, the proposed amount of the sewer service charge is proposed to be increased by 3.7% over the charge for last year on account of the annual increase in the Consumer Price Index.

All interested persons are invited to attend the public hearing and express opinions about the proposed levy of the sewer service charge for FY 2023-24 and the report. At the public hearing, the City Council will hear and consider all protests and objections against the report and all testimony regarding the proposed levy of the sewer service charge for FY 2023-2024. For more information contact Public Works at (310) 544-5252 or publicworks@rpvca.gov. The [Notice of Public Hearing](#) can be found on the City website.

The Goats are Here for Fuel Modification Season

Goats are in the City to perform the important job of helping reduce fire loads and protect homes. Although we understand many people enjoy seeing the goats, please refrain from going to see them out of respect for residents living near where the goats work.

A temporary electrified fence is used to contain the goats while they are working, and attempting to approach them puts you as well as the goats at risk.

Please avoid attempting to take selfies/pictures or trying to touch the goats, especially if you have dogs or pets with you. This will prevent stress and/or injury to you and the goats.

In addition to the goats, you may see Stay Green crews performing brush clearance in various areas of the City as part of the City's 2023 fuel modification program.

Maintenance Activities

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

PARK MAINTENANCE

- Weekly landscape maintenance at all City parks.
- Daily cleaning and sanitizing of park facilities.
- Ten irrigation repairs were completed this week at parks and facilities.
- Replaced signage and painted the propane tanks at Abalone Cove.

STREET LANDSCAPING

Street Median and Public Right of Way Landscape Maintenance

- Weed removal, brush clearance, and debris removal continued this week at the following median and right of way locations:
 - Granvia Altamira between Hawthorne Boulevard and Monero Drive.
 - Palos Verdes Drive West from Hawthorne Boulevard to the Palos Verdes Estates border.
 - 500 feet of vegetation along the right-of-way of Palos Verdes Drive West between Pelican Cove Park and the Point Vicente Interpretive Center.
- 400 feet of ruts were repaired on the Golden Cove Trail adjacent to Calle Entradero.
- Use the link below to watch our virtual landscape maintenance tour

Public Right-of-Way/Roadway Repairs

- This past week, the roadway repair team removed and replaced approximately 300 feet of damaged guardrail. Areas included 100 feet along Palos Verdes Drive South near Narcissa Drive and another 200 feet along Palos Verdes Drive East near Headland Drive.
- Completed an asphalt patch in the roadway at 22 Narcissa Drive after City crews made a sewer pipe repair.
- The right-of-way team made repairs to Beach School Trail by filling in several fissures with sand, gravel, and filler material.
- Cleared broken glass from the roadway just north of City Hall on Hawthorne Boulevard.
- Repaired the following downed signs:
 - “Rough Road” sign was replaced on Palos Verdes Drive South at Portuguese Bend.
- The PW team refreshed the paint on the bus shelter on Hawthorne Boulevard at Dupre Drive and refreshed the red paint along the curb.

Graffiti Removal

- Forty-four cases of graffiti were reported and removed this week.
- The RPV graffiti reporting app can be downloaded for Android and Apple devices under the name “**RPV Clean.**” Residents can help keep RPV looking great by using this app.

Emergency Response

- This week, the Public Works Department responded to an emergency at Eastview Park. Our team found multiple downed tree branches blocking the sidewalk. Staff cleared the obstruction and opened the sidewalk back up within an hour.

Building Permits Available Through eTRAKiT Online Portal

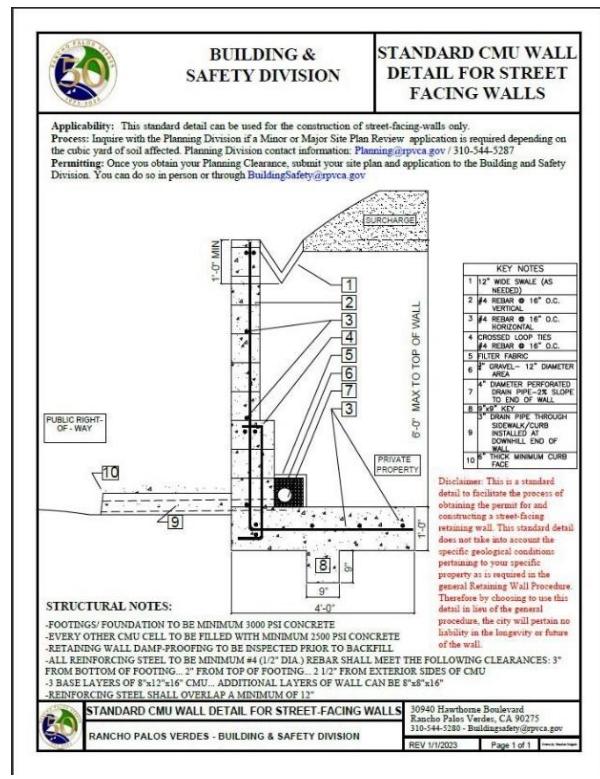

With eTRAKiT, a homeowner, developer, and contractor may apply and pay for a number of selected building permits online.

Permits available through this permit portal include, but are not limited to, electrical panel upgrades, water heater replacements, solar panel installations, and reroofing improvements. The permit portal also provides opportunities to schedule an inspection and review inspection results. The permit portal is available on the City's website at <https://www.rpvca.gov/1380/eTrakit---Online-Permitting-Portal>.

Standard Detail Sheet for the Construction of Street-Facing Walls

The City's Building and Safety Division prepared a standard detail sheet to assist property owners in the repair and replacement of street-facing retaining walls. A copy of the [detail sheet](#), which includes complete processing requirements and construction details, is available for review on the City website. The detail sheet will be applicable to street-facing walls located along major corridors and thoroughfares throughout the City, including, but not limited to, Hawthorne Boulevard, Crenshaw Boulevard, and Silver Spur Road. Property owners can utilize the detail sheet as supporting documentation for their permit request when repairing and/or replacing such a structure. For questions or additional

clarification, please contact the City's Building and Safety Division at (310) 544-5280 or via email at buildingsafety@rpvca.gov.

Eco Gardner Program: Upcoming Classes

The Water Replenishment District (WRD) will offer a number of classes this summer focusing on sustainable landscape design and gardening. The educational opportunities are part of the District's Lillian Kawasaki Eco Gardener Program, which teaches homeowners about the multiple benefits of planting a sustainable garden through a series of in-person and on-demand classes. Classes will be held on various dates throughout the South Bay, including:

- Saturday, June 10 and 17 - Hermosa Beach
- Saturday, July 22 - Torrance
- Saturday, July 29 - Inglewood

For additional details including time, location, and registration information, please visit the WRD website at <https://www.wrd.org/eco-gardener-program>.

Fourth of July Lights Up the Night

The annual Fourth of July Celebration at the Ken Dyda Civic Center has a major new added feature and a new time this year. In addition to the traditional live music, food vendors, inflatables, rides, and family fun, this year's celebration will feature a spectacular patriotic drone light show in honor of the City's 50th anniversary. Event hours will be from 3 p.m. to 9 p.m.

NEW TIME FOR 2023: 3:00 PM - 9:00 PM
EVENT WILL END WITH A PATRIOTIC DRONE
LIGHT SHOW CELEBRATING THE CITY'S
50TH ANNIVERSARY

ATTENDEES WILL ENJOY:

- LIVE MUSIC
- FOOD VENDORS
- BEER AND WINE
- INFLATABLE AMUSEMENTS AND RIDES
- MORE FUN AND GAMES FOR THE ENTIRE FAMILY

Concert in the Park June 17

Come on over to the Ken Dyda Civic Center on June 17 and help celebrate the City's 50th anniversary with an afternoon of live music. This summer's Concert in the Park series is inspired by music from the decades since the City was incorporated in 1973. The band Remix will be playing legendary '80s and '90s funk and R&B hits from 4 p.m. to 6 p.m. A food truck will be on site, and beer and wine will be sold by the PV Sunset Rotary. This free event also features inflatables, crafts, and giveaways!

REACH Springs into Action

The REACH program serves the social and recreational needs of youths and adults with developmental disabilities and is back at Hesse Park for in-person activities.

To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

Kicks and Giggles

REACH is back at it again with a karate practice session. Our participants joined Sensei Adam this weekend at Ryan Park to practice their kicks and left after sharing lots of laughs. Karate practice makes learning about safety and exercise fun for our participants. Our quarterly lessons are looked forward to by all and we are excited to continue to build our skills. Our members cheered each other on, offering encouragement to members of all abilities! We are lucky to have a wonderful instructor and opportunities to build healthy habits in the community.

Upcoming REACH excursions include a June trip to the San Diego County Fair and an afternoon with the Los Angeles Dodgers.

Palos Verdes Peninsula Cities Launch 'Know Your Zone' Website PVPReady.gov During Wildfire Awareness Month

May 8, 2023 (Palos Verdes Peninsula, Calif.) — The four cities of the Palos Verdes Peninsula today launched the **Know Your Zone** evacuation readiness website PVPReady.gov. With the aim to prepare Peninsula residents and businesses to evacuate in the event of an emergency, the site houses Zonehaven, a cloud-based evacuation platform with pre-established, Peninsula-wide evacuation zone maps. The zones will also help fire, police and other emergency service agencies prepare for emergencies, streamline the evacuation process, and reduce confusion by enabling a single verified source of emergency information.

The **Know Your Zone** website is a collaboration between the cities of Palos Verdes Estates, Rancho Palos Verdes, Rolling Hills, Rolling Hills Estates, their public safety partners, the Los Angeles County Office of Emergency Services and Genasys-owned evacuation management software platform Zonehaven.

Residents, visitors, businesses, and school communities on the Peninsula should go to **PVPReady.gov** to find their evacuation zone, save it in their smartphone, or write it down and keep it somewhere that's easy to find in an emergency, such as on their refrigerator or near the front door. To find your zone, visit **PVPReady.gov**, click "Find Your Zone," enter an address in the search bar in the upper left corner of the [zone map](#), and a pop-up window will open with the corresponding zone and emergency information. During an emergency, such as a wildfire or flood, the website and corresponding alerts will show which zones are under evacuation the moment an order is issued by authorities.

The zone map bridges an important gap between first responders and the community, providing real-time information directly to residents as incidents unfold. The zone map incorporates hyperlocal knowledge to model evolving disasters and subsequent impacts on evacuation zones, traffic patterns, and public safety. **PVPReady.gov** and the alert systems each city utilizes to notify their communities will be updated with zone-specific information, including evacuation status, live incident updates, weather, road and traffic conditions, and other essential information.

In addition to incident-based information, **PVPReady.gov** provides important readiness resources to help you prepare yourself and your family for a disaster year-round. On the site, you can also sign up for [Alert SouthBay](#), an alert system providing timely, accurate emergency and warning notifications to the communities of the Palos Verdes Peninsula and greater South Bay region, depending on your subscription. Information on how to contact your respective city is also available as quick and easy access for website visitors.

As we mark Wildfire Preparedness Week in California and National Wildfire Awareness Month, the four Peninsula cities, in partnership with the L.A. County Fire Department, Sheriff's Department, and Palos Verdes Estates Police Department, encourage the entire community to **Know Your Zone** and get familiar with **PVPReady.gov**. In addition to home addresses, residents should know the zones of places they frequent, such as work, school, places of worship, or the homes of family and friends. No account, registration or app download is required for this easy-to-use platform, which provides critical information in multiple languages.

The L.A. County Office of Emergency Management is rolling out Zonehaven in coordination with local law enforcement, fire protection, and government agencies as a larger resource to high hazard-prone communities in the county. This platform has been utilized elsewhere in California during major wildfires and to support evacuations for active shooter and debris flow hazards across multiple jurisdictions.

"It's been 14 years since the Peninsula had a major wildfire. Knowing your zone and getting familiar with the zone map ahead of time will be critical to making sure you and your family are ready when it's time to evacuate," said L.A. County Fire Department Assistant Fire Chief Brian Bennett.

Michael White, Acting Captain of the Lomita Sheriff's Station, said having knowledge of your zone is highly valuable in the event of an evacuation. "Our deputies are trained and prepared to evacuate neighborhoods, if necessary. Education and knowledge are key factors for any emergency situation. Being prepared is extremely important, especially for such a serious matter. You can help us and help your community by being prepared. Be proactive, get to know your zone today."

"The Know Your Zone website will be an invaluable resource during an evacuation, but in a major emergency, cell phone and internet service may not be reliable," said Luke Hellinga, Acting Chief of the Palos Verdes Estates Police Department. "That's why you should also write down your zone and keep it somewhere that's easy to find when you may only have minutes to act."

PVPReady.gov will provide the Peninsula with a new tool for emergency preparedness, but it will take all of us to ensure we are ready for a disaster. In addition to knowing your zone, have a plan in place for your family or business, maintain an emergency kit with essential items, medications, and important documents, and always know where to get the most updated information.
