## Don't Miss Doors Open Peninsula June 17

June 17, 2023 marks 100 years to the day a real estate rally was held in Malaga Cove to entice buyers to purchase property on the Peninsula. That rally launched the modern-day Peninsula development and put Palos Verdes on the map as one of the nation's first planned communities.

To celebrate this anniversary, the Palos Verdes Library District invites you to Doors Open Peninsula 2023 (DOP), a Peninsula-wide open house and your opportunity to learn all about the Peninsula's history! DOP 2023 partners and organizations are planning a Peninsula-wide open house, giving you the opportunity to visit and learn about sites you pass by every day and some you probably didn't even know were here (see attached flyer).

**RPV's sites are spreading from City Hall, a former Nike Missile site on the west side, to Miraleste Plaza on the east side. Be sure to stop by and get your stamps!**

Visit [pvld.org/dop](https://pvld.org/dop) for more details.

### **Upcoming - Helopod Unveiling Ceremony and Demonstration**

A fire-fighting helopod will be unveiled at a ceremony at the Ken Dyda Civic Center on June 20 at 11 am. Los Angeles County Fire Department (LACOFD), California Water Service (Cal Water), and the City of Rancho Palos Verdes have worked together to help improve firefighting capabilities. With the installation of the helopod, helicopters do not have to land to fill up their tanks with water; filling up a helicopter with a helopod is four times faster than filling up by landing. Helicopters will be able to fill up with water at the helopod and existing Civic Center helipad simultaneously. Cal Water provided a \$38,000 grant to the LACOFD, and the City approved placing the helopod at the Civic Center on January 17, 2023, following a recommendation by the Civic Center Advisory Committee. The ceremony on June 20 will include remarks from LACOFD, Cal Water and City officials as well as a live helicopter demonstration.

## EPC Participates in Palos Verdes Chamber of Commerce's Palos Verdes Street Fair & Music Festival

Last weekend, Members of the City's Emergency Preparedness Committee (EPC) participated in the Chamber's Street Fair & Music Festival. At this year's event, EPC members and city staff were available to meet residents, answer questions, and provide public safety and emergency preparedness tips, and information on the Peninsula cities **Know Your Zone** evacuation readiness website [PVPReady.gov](https://www.palosverdes.gov/PVPReady). The City appreciates and thanks the Emergency Preparedness Committee members for sharing their emergency planning and preparedness expertise with our residents.

### RPV EMERGENCY PREPAREDNESS COMMITTEE TIPS

After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water and other supplies to last for several days. A disaster supplies kit is a collection of basic items your household may need in the event of an emergency.

Make sure your emergency kit is stocked with the items on the checklist below. [Download a printable version](#) to take with you to the store. Once you take a look at the basic items consider what unique needs your family might have, such as supplies for pets or seniors.

#### Basic Disaster Supplies Kit

To assemble your kit, store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins, duffel bag, or backpack.

A basic emergency supply kit could include the following recommended items:

- Water (one gallon per person per day for several days, for drinking and sanitation)
- Food (at least a several-day supply of non-perishable food)
- Battery-powered or hand crank radio
- Flashlight with extra batteries
- First aid kit
- Whistle (to signal for help)
- Dust mask (to help filter contaminated air)
- Plastic sheeting and duct tape (to shelter in place)
- Moist towelettes, garbage bags and plastic ties (for personal sanitation)
- Wrench or pliers (to turn off utilities)
- Manual can opener (for food)
- Local maps
- Cell phone with chargers and a backup battery

#### Additional Emergency Supplies

Consider adding the following items to your emergency supply kit:

- Masks, soap, hand sanitizer, disinfecting wipes to disinfect surfaces
- Prescription medications and non-prescription medications such as pain relievers, anti-diarrhea medication, antacids or laxatives
- Prescription eyeglasses and contact lens solution
- Infant formula, bottles, diapers, wipes and diaper rash cream
- Pet food and extra water for your pet
- Cash or traveler's checks
- Important family documents such as copies of insurance policies, identification and bank account records saved electronically or in a waterproof, portable container
- Sleeping bag or warm blanket for each person
- Complete change of clothing appropriate and sturdy shoes
- Fire extinguisher
- Feminine supplies and personal hygiene items
- Mess kits, paper cups, plates, paper towels and plastic utensils
- Paper and pencil
- Books, games, puzzles or other activities for children

## PLAN. PREPARE. EVACUATE – Wildfire Preparedness

The June 13 brushfire in Rolling Hills Estates serves as a reminder that wildfire preparedness is essential for our community. With this in mind, the four Peninsula cities, in collaboration with our public safety partners, have launched an evacuation readiness website, [PVReady.gov](https://PVReady.gov). This platform is designed to equip Peninsula residents and businesses with the tools necessary for an efficient evacuation during emergencies.

[PVPReady.gov](https://pvpready.gov) incorporates, a cloud-based evacuation platform. It offers pre-established, Peninsula-wide evacuation zone maps, thus serving as a comprehensive source of verified emergency information. These zones are not only beneficial for residents but also aid fire, police, and other emergency service agencies in their preparedness efforts, streamlining the evacuation process and reducing confusion during emergencies.

As Southern California enters its peak fire season, it's crucial for Peninsula residents to be vigilant and proactive. It's now more important than ever to prioritize wildfire prevention and preparedness.

To help safeguard your home and prepare your family, please consider the following recommendations:

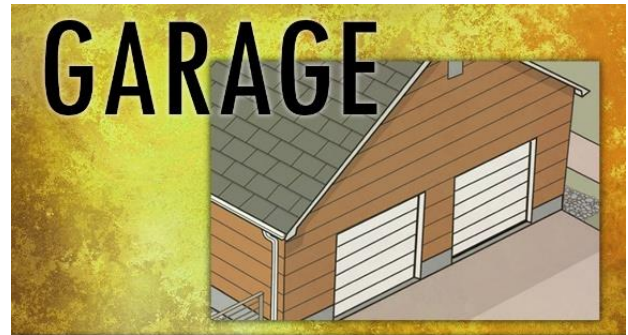

- Visit [PVPReady.gov](https://pvpready.gov) to identify and memorize your zone. It's vital to #KnowYourZone before an emergency strikes. Save this information in your smartphone or write it down and place it somewhere easily accessible, such as on your refrigerator or near your front door.
- Familiarize yourself with low-cost and no-cost measures to protect your home from wildfire using these tip sheets:  
<http://rpvca.gov/ArchiveCenter/ViewFile/Item/2776>
- Download the L.A. County Fire Department's "Ready! Set! Go!" Personal Wildfire Action Plan from [fire.lacounty.gov/rsg](https://fire.lacounty.gov/rsg). This guide will assist you in creating an effective emergency kit.
- Create an [evacuation plan](#) and regularly rehearse it with your family, ensuring everyone knows what to do and where to go during an emergency.
- Register for Alert SouthBay emergency notifications by texting "alertsb" to 888-777, visiting [alertsouthbay.com](https://alertsouthbay.com), or downloading the Everbridge app. These alerts will keep you informed during emergencies.
- In the event of an emergency, visit [PVPReady.gov](https://pvpready.gov) to check if your zone is under evacuation. Remember, cellphone and internet service may be unreliable during these times, so keep a battery-operated radio handy to access news updates.
- Go to [PVPReady.gov](https://pvpready.gov) to learn more.

## Is Your Home Prepared for a Wildfire?

Hardening your home, including your garage, helps defend your home against dangerous embers spread by wildfire. Installing weather stripping between garage doors and door frames helps keep water, dirt, and unwanted pests out, as well as makes your home more fire safe.

For additional tips on how to “harden your home,” visit

<http://www.readyforwildfire.org/Hardening-Your-Home/>

- Have a fire extinguisher and tools such as a shovel, rake, bucket, and hose available for fire emergencies.
- Add a battery back-up to the garage door motor so that the garage can easily be operated if power is out.
- Install weather-stripping to gaps greater than 1/8-inch between garage doors and door frames.
- Store all combustible and flammable liquids away from ignition sources.
- Treat windows and vents in the garage as if they were part of the house.

## Weekly Crime Report Summaries

The Lomita Sheriff's Station provides weekly crime report summaries for the City of Rancho Palos Verdes. The summaries are updated on the [City's website](#), distributed via [Nextdoor](#) and the Public Safety Alerts [listserv](#), and included in the Weekly Administrative Report (see attachments).

For assistance accessing the Weekly Crime Reports, or navigating the mapping feature on the City's website, email [PublicSafety@rpvca.gov](mailto:PublicSafety@rpvca.gov).

## Better Together: See Something, Say Something

Reporting suspicious activity doesn't require specialized training or expertise.

- Be aware of your surroundings.
- Trusting your instincts.
- Speak up if something seems strange, unusual, or potentially dangerous.

Reporting suspicious behavior is not about making accusations; it's about bringing attention to potential risks so that those best equipped can assess the situation accurately.

- Individuals behaving in a nervous or erratic manner.
- Someone attempting unauthorized access to restricted areas.

Reporting suspicious activities is easier now than ever before. You can call 9-1-1 or the LASD Lomita Station at (310) 539-1661 to report suspicious activity. Or if you wish to remain Anonymous, call "LA Crime Stoppers" by dialing (800) 222-TIPS (8477), texting the letters TIPLA plus your tip to CRIMES (274637), or using the website <http://lacrimestoppers.org> systems for quick and easy information sharing.

Emergency services like 9-1-1 are always available for immediate threats or emergencies. Remember, everyone has the right to feel safe, and your voice matters. Through this campaign, we can build stronger, safer communities together. So, let's

## Consumer Price Index – May 2023

### Consumer Price Index (U.S.)

Nationally, the Consumer Price Index (CPI) rose by 0.1% in May on a seasonally adjusted basis. Over the last 12 months, the all items index (headline inflation) increased by 4.0% before seasonal adjustment. The index for all items less food and energy (core inflation) rose by 0.4% in May, the same as it did in both April and March. Core inflation increased by 5.3% over the last 12 months. Chart 1 provides a five-year overview of the trend for percent changes in CPI based on the U.S. city average.

**Chart 1. U.S. 12-month Percent Change in CPI, January 2019-May 2023**

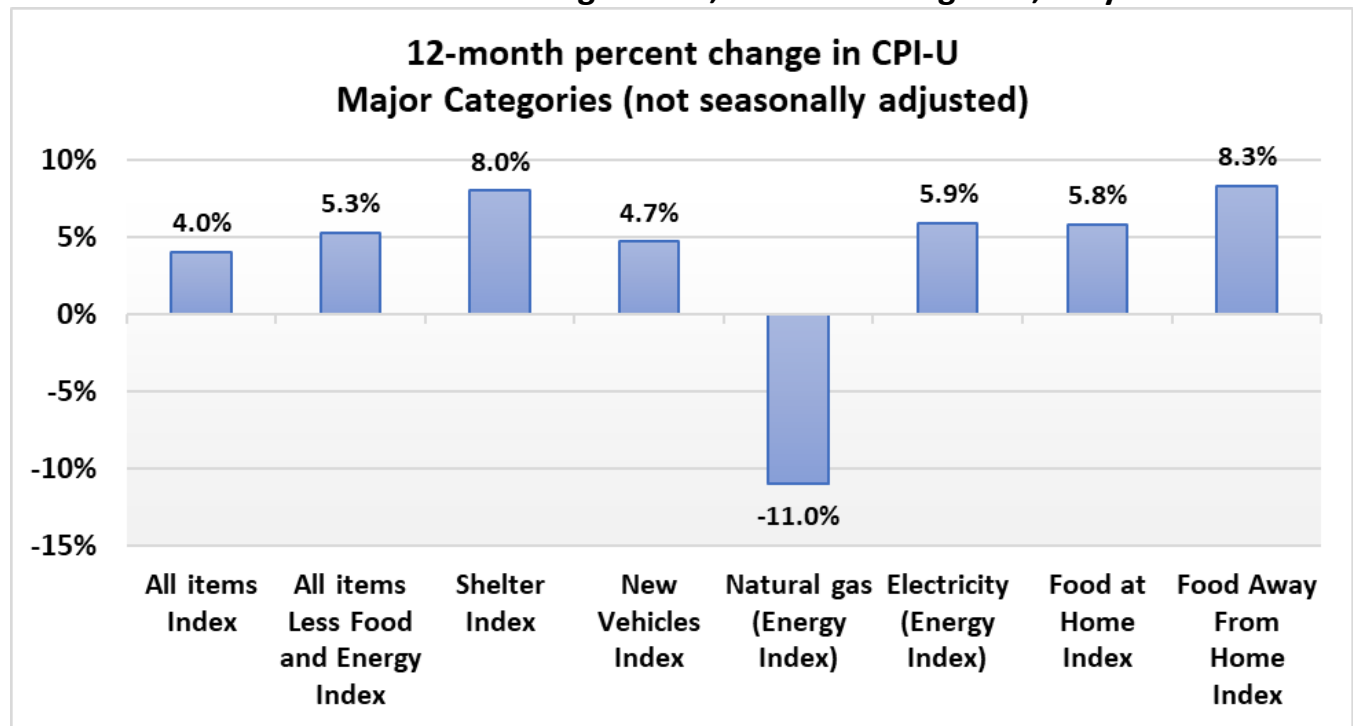

The shelter index largely contributed to the monthly CPI increase, further bolstered by an increase in the index for used cars and trucks. Food increased by 0.2% in May after remaining unchanged over the past two months. More specifically, the index for food at home rose by 0.1% in May, coupled with a 0.5% increase to the index for food away from home. In contrast, the energy index fell by 3.6% in May due to price changes to major energy components such as gasoline and piped natural gas.

A 0.4% rise in core inflation was also impacted due to increases in shelter, used cars and trucks, motor vehicle insurance, apparel, and personal care indexes. However, the index for household furnishings and operations and for airline fares were among those that decreased over the month. Chart 2 illustrates the increase or decrease in CPI for various selected indexes over the last 12 months.

**Chart 2. U.S. 12-month Percent Change in CPI, Selected Categories, May 2023**

### Consumer Price Index (Los Angeles)

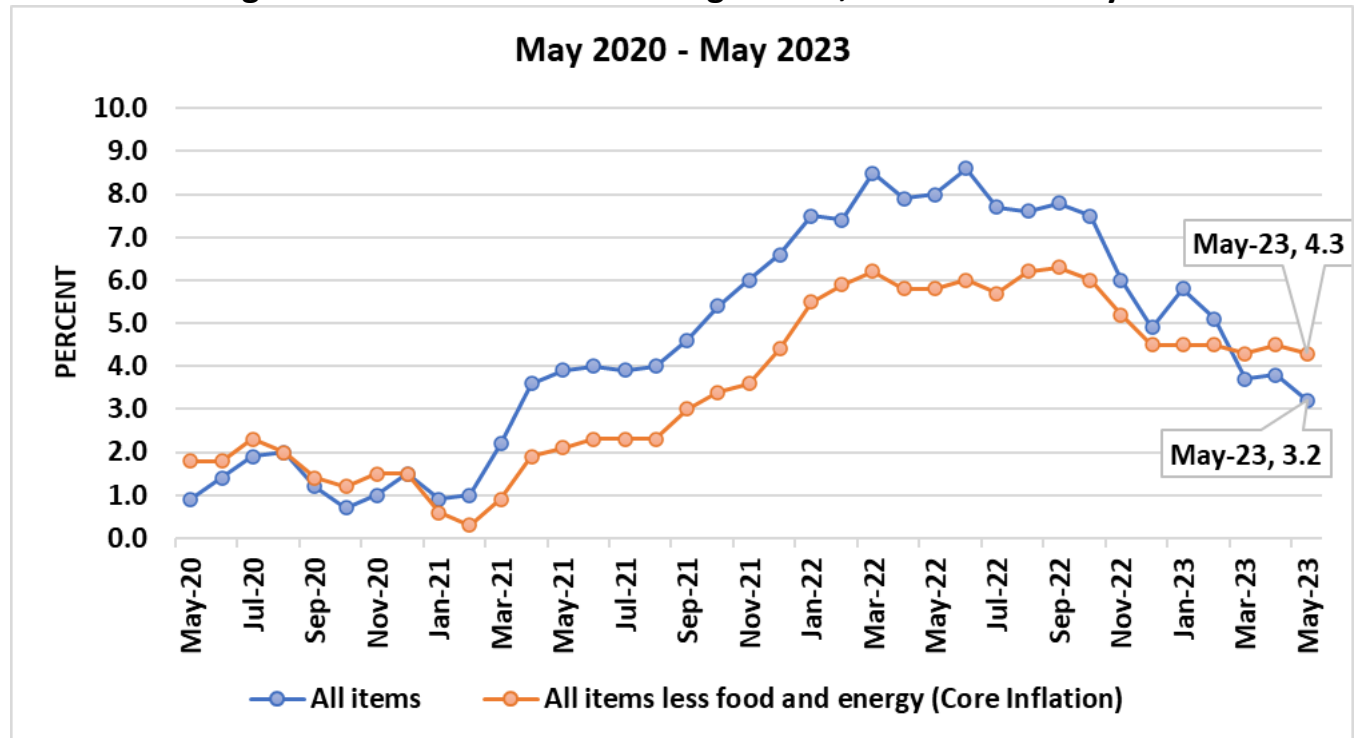

Prices in the Los Angeles area, as measured by CPI, were up by 0.1% in May. An on annual basis, the CPI advanced by 3.2% over the 12-month period. Core inflation also increased by 0.2% in May and by 4.3% on an annual basis. The May increase was mostly influenced by higher prices for shelter in the area.

Food prices declined by 0.2% on a monthly basis, with food at home decreasing by 0.3% and food away from home rising by 0.1% through May. Despite the monthly decline, food prices remain 5% higher than prices from a year ago.

Energy was unchanged between April and May due to higher natural gas and energy prices being offset by the lower cost of gasoline. Energy prices have decreased 11.5% over the year, largely due to lower prices for gasoline (-18.8 %). Prices for natural gas service declined 14.6 % annually, but electricity costs have grown by 5.9% over the past year.

An overview of the 12-month percent change in CPI for the Los Angeles area is illustrated in Chart 3 below.

## The Goats are Here for Fuel Modification Season

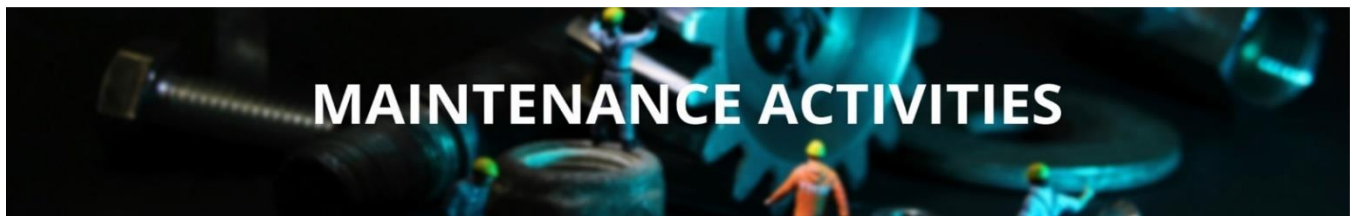

Goats are in the City to perform the important job of helping reduce fire loads and protect homes. Although we understand many people enjoy seeing the goats, please refrain from going to see them out of respect for residents living near where the goats work.

A temporary electrified fence is used to contain the goats while they are working, and attempting to approach them puts you as well as the goats at risk.

Please avoid attempting to take selfies/pictures or trying to touch the goats, especially if you have dogs or pets with you. This will prevent stress and/or injury to you and the goats.

In addition to the goats, you may see Stay Green crews performing brush clearance in various areas of the City as part of the City's 2023 fuel modification program.

## COMMUNITY DEVELOPMENT DEPARTMENT

### Illegal Sign Sweep

Over the weekend of June 10-11, the City's Code Enforcement Division canvassed the City as part of an effort to address illegal sign throughout the community. City Staff identified illegal signs placed in the public right-of-way, including but not limited to, center medians, sidewalks, street curbsides, and bike lanes. These illegally placed signs are a concern for public safety and the signs also detract from the aesthetics and quality of life in the area. The sign sweep resulted in the confiscation of several signs observed in violation of code provisions. The City's Code Enforcement Division will continue to conduct random sweeps in order to confiscate illegal signs. Confiscated signs can be retrieved from the Community Development Department located at City Hall, 30940 Hawthorne Blvd., RPV CA 90275, during normal business hours.

For more information, please contact the City's Code Enforcement Division at (310) 544-5281 or via email at [CodeEnforcement@rpvca.gov](mailto:CodeEnforcement@rpvca.gov). As a reminder, requirements for signs on public property include:

- **SIGNS MAY ONLY BE PLACED IN PARKWAYS.** In the absence of parkways, signs may be placed on unimproved public property within the right-of-way, provided the signs do not obstruct the passage of pedestrians or vehicles, and do not interfere with traffic visibility, and are a minimum of 2-feet from vehicular travel lanes.
- Signs are prohibited on street medians.
- Only a-frame signs are permitted.

- No flags, balloons, pennants, or any other attachments permitted.
- Sign placement hours:
  - Signs may be placed on weekdays between 11:00 a.m. and 6:00 p.m.
  - Signs may be placed on weekends between 9:00 a.m. and 6:00 p.m.
  - **All signs shall be removed by 6:00 p.m. daily**

## RECREATION AND PARKS DEPARTMENT

### Concert in the Park June 17

Come on over to the Ken Dyda Civic Center this Saturday, June 17 and help celebrate the City's 50<sup>th</sup> anniversary with an afternoon of live music. This summer's Concert in the Park series is inspired by music from the decades since the City was incorporated in 1973. The band Remix will be playing legendary '80s and '90s funk and R&B hits from 4 p.m. to 6 p.m. A food truck will be on-site, and beer and wine will be sold by the PV Sunset Rotary. This free event also features inflatables, crafts, and giveaways!

## Three Weeks Until the Fourth of July

The annual Fourth of July Celebration at the Ken Dyda Civic Center has a major new added feature and a new time this year. In addition to the traditional live music, food vendors, inflatables, rides, and family fun, this year's celebration will feature a spectacular patriotic drone light show in honor of the City's 50<sup>th</sup> anniversary. Event hours will be from 3 p.m. to 9 p.m.

A vibrant poster for the Fourth of July Celebration. The left side has a teal and orange background with a large '4TH OF JULY' in red and white, with 'Celebration' in a red script font below it. An American flag is integrated into the '4'. Text on the left includes the date, time, location, and website. A list of activities is at the bottom left. The right side features a dark space background with two drones performing a light show, one forming a heart shape. A 'NEW!' badge and 'DRONE LIGHT SHOW' text are also present.

## REACH En Route

On June 10, the REACH family took a trip down to San Diego to enjoy the annual county fair! This mega-fair boasts food options galore, rides, shopping, entertainment, and much more. Participants broke up into small groups and were able to choose how they wanted to spend the day. Many enjoyed shows such as live music and pig racing! Others noshed on delicious foods while the rest of the gang took to the rides. There was fun to be had for all!

Upcoming REACH excursions include an afternoon with the Los Angeles Dodgers on June 24 and a trip to 123 Farms for their annual Lavender Festival on July 8!

### **Abalone Cove Reserve:**

Staff continued to clear overgrowth along park trails.

## **Ocean Trails Reserve:**

On June 12, OSM Staff conducted a beach cleanup of Rancho Palos Verdes Beach. The debris had washed ashore during high tides and winter storms earlier this year.

## **Portuguese Bend Reserve:**

Staff is working with Southern California Edison (SCE) and the city geologist to address three SCE utility poles that are leaning within the landslide areas in the Portuguese Bend and Abalone Cove Reserves.

Beginning June 8, Rangers coordinated and directed brush clearance of trails in the Portuguese Bend Reserve by landscaping crews. Trails prioritized for clearing include trails historically used as fire roads for vehicular access by public safety agencies and higher-use trails. Due to the proliferation of non-native vegetation caused by the winter storms, trail clearing will continue into the fall. Intermittent trail closures during maintenance activities may take place.
