CITY MANAGER'S OFFICE

City Hall Closed November 23-24 Due to Thanksgiving

City Hall will be closed on November 23-24 due to the Thanksgiving holiday. Staffed City parks will be closed only on Thanksgiving Day.

There will be no trash collection on Thanksgiving Day, and collection for the Thursday and Friday routes will be delayed by one day. There will be no street sweeping on Thanksgiving Day, and the fourth Thursday route will be performed the following day, November 24.

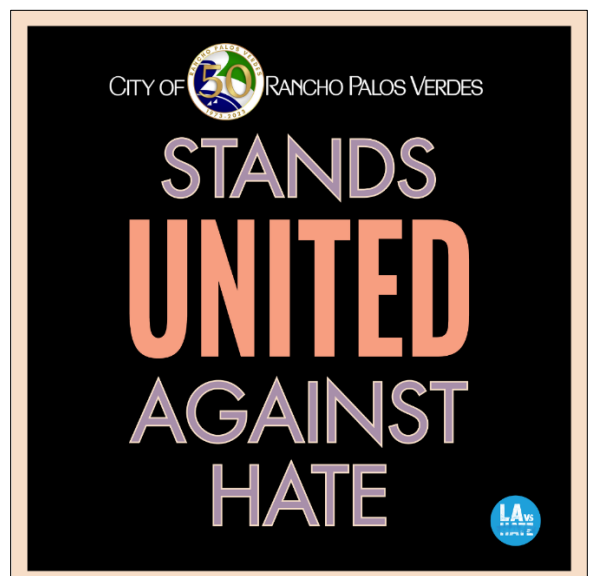

Please obtain a Special Construction Permit by November 21 if you're planning to do construction work on the holiday. [Permit details and application requirements \(PDF\)](#) are available on the City website.

Please note that due to the holiday, there will be no City Manager's Weekly Administrative Report on November 22. Have a safe and happy Thanksgiving!

November 12-18 is LA vs Hate Week

November 12-18 is LA vs Hate United Against Hate Week, which aims to inspire people to stand up to hate and to build understanding among Los Angeles County residents about what constitutes hate acts and how to report them.

The City of Rancho Palos Verdes joins L.A. County in not only celebrating the legacy and culture of the diverse populations that make up

the county, but in acknowledging the challenges they have faced and continue to face.

The goals of the LA vs Hate campaign are to address the normalization of hate and inspire people to stand up to it; to build understanding about what constitutes a hate act and how to report it; and to support individuals and communities as they heal from the trauma of hate.

By tracking and reporting hate we can ensure that resources are allocated appropriately, that those targeted by hate receive the support they need, that offenders are held accountable, and that together, we can build respectful and resilient communities.

Learn more about the LA vs Hate campaign at lavshate.org.

If you are the victim, or witness of, a hate incident or hate crime, you can report the incident/crime with 211 LA at lavshate.org/report or by dialing 2-1-1. Your report is confidential and 211 is not affiliated with law enforcement.

November 14, 2023, City Council Meeting Highlights

Highlights from the November 14 City Council meeting:

- The Council voted to extend both the local emergency declaration and the building moratorium that were put in place last month to bolster the City's response to accelerated movement in the landslide complex.
- The local emergency declaration is now in place through January 13, 2024. Because the first meeting in 2024 is likely to be canceled, the Council will consider extending it again at the final City Council meeting of 2023 on December 19. The building moratorium will be in place through October 2, 2024 and could be extended in the future.
- The City's geologist provided an overview of historical and recent landslide activity.

- City Staff gave updates on short-term mitigation measures, including dewatering wells, filling fissures, Cal Water's installation of temporary, above-ground water pipes in a portion of Seaview, and other infrastructure repairs and upgrades.
- The Council also adopted an ordinance increasing the allowable height limit for antennas in the public right-of-way from 4 to 6 feet to improve telecommunications services in the City.

For all City Council actions from the meeting, watch video at rpvca.gov/agendas.

November 21 City Council Meeting Canceled

The November 21 City Council meeting has been canceled due to a lack of quorum. The next meeting is scheduled for December 5.

Portuguese Bend Landslide Local Emergency Update

Land Movement Update: November 14 City Council Meeting

At last night's meeting, the City Council voted to extend both the local emergency declaration and the building moratorium that were put in place on October 3 to bolster the City's response to accelerated movement in the landslide complex. Both require renewal to stay in effect long-term.

The moratorium on new construction in the landslide complex has been approved by the California Department of Housing and Community Development and is now enforceable. It will be in place through October 2, 2024. The maximum the moratorium could be in effect if it were to be extended multiple times would be 2.5 years.

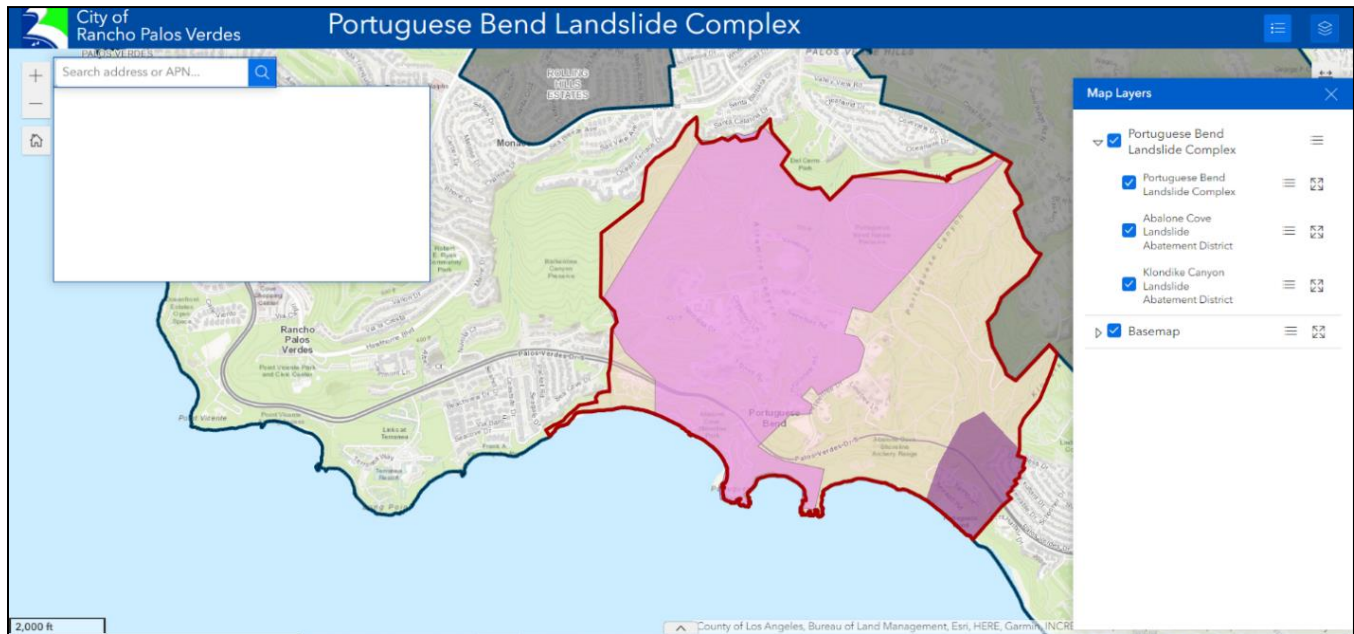

The local emergency declaration goes up for renewal every 60 days, so it is now in place through January 13, 2024. Because the first meeting in 2024 is likely to be canceled, the Council will consider extending it at the final City Council meeting of 2023 on December 19. Meeting information will be shared in a future update.

Last night's discussion included a presentation from the City's geologist on historical and recent activity in the landslide complex. City Staff also gave updates on short-term mitigation measures, including dewatering wells, filling fissures, Cal Water's installation of temporary, above-ground water pipes in a portion of Seaview, and other infrastructure repairs and upgrades.

Watch [a recording of the discussion](#) on the City website.

In addition to extending the local emergency declaration and the building moratorium, the Council directed the City Manager to send a letter to the Klondike Canyon Landslide

Abatement District (KCLAD) stressing the importance to expedite mitigation measures and voted to send a follow-up letter to the California State Controller's Office regarding KCLAD to help expedite response efforts.

New GIS Map

The City has created new interactive geographic information system (GIS) map with the boundaries of the Portuguese Bend Landslide Complex, the ACLAD, and the KCLAD.

To view the map, visit: rpvca.gov/landslidemap.

When viewing the map, click on the Map Layers icon in the upper right-hand corner, then click on the triangle symbol next to the Portuguese Bend Landslide Complex layer to expand a dropdown menu with additional layers for the ACLAD and KCLAD. Enter an address in the search bar in the upper left-hand corner of the map to see if it falls within the boundaries of the landslide complex, the ACLAD, or KCLAD.

Please note that you may be erroneously prompted to log in to view the map. If this happens, simply refresh the browser page and the prompt should go away. Our GIS vendor is working to resolve this issue.

Sandbags Available

Need sandbags to protect your property against runoff?

The City provides empty sandbags and sand for RPV residents to fill and make as needed.

Unfilled sandbags are located at the City Hall info desk and are available during regular business hours (7:30 a.m.-5:30 p.m. Monday-Thursday, and 7:30 a.m.-4:30 p.m. Friday). There is a limit of 10 sandbags per household with valid ID or proof of residency. Fill sand is located at City Hall in a designated area for residents to use. Please bring your shovels and tools as they are not provided.

If you need additional bags, they can be purchased at local hardware stores. For sandbag placement tips, please visit: ow.ly/yh0O50H9HuC

Goat Vegetation Management Project – FEMA HMGP Site Visit

FEMA's Hazard Mitigation Grant Program (HMGP) provides funding to state, local, tribal, and territorial governments to mitigate future disaster losses in their communities. Administered by the California Governor's Office of Emergency Services (Cal OES), the program sets aside a portion of funds when a Federal Disaster Declaration is issued in California to provide funding for hazard mitigation projects through the HMGP.

In June 2021, the City submitted a sub application to secure HMGP funding to continue using grazing goats to consume hazardous vegetation and reduce the amount or density of fuel available to burn in a wildfire. The City has been utilizing goat grazing as a method of fuel modification since 2008, which has proven to be a more efficient and cost-effective approach compared to traditional methods, especially in areas of steep and difficult terrain where human-operated machinery is not practical. Goats are effective in creating and maintaining fuel breaks in grass, shrub, and timber fuel types, which allows for better defensible space for structures and enables firefighters to suppress wildland fires using ground and air resources more effectively.

The City recently took crucial steps in advancing this project under HMGP. In response to a FEMA request for information as a part of the Environmental and Historic Preservation (EHP) review process, the City meticulously documented the project's Environmental compliance measures in a detailed letter. [The letter \(PDF\)](#), accessible on the City's website, provided a thorough outline of the city's commitment to adhering to FEMA's requirements and the City's dedication to this eco-friendly fuel modification strategy. The city remains optimistic that its innovative approach to fuel modification will ultimately receive the necessary funding to continue reducing the risk of wildfires in our community.

L.A. Rain – Be Prepared

With an early storm forecasted to impact Southern California, the Los Angeles County Fire Department is providing the following tips urging all of L.A. County residents to be prepared for heavy rainfall, mudslides, and debris flow, especially in recent burn areas.

To acquire sandbags:

The City of RPV provides empty sandbags and sand for residents to fill and make as needed. Unfilled sandbags are located at the City Hall info desk and are available during regular business hours. Fill sand is located at a designated area at City Hall. Please bring your own shovels and tools. Learn more: cvcpl.us/7Rs3ahj

EPC Monthly Meeting, November 16

The City's Emergency Preparedness Committee (EPC) will be convening its monthly meeting on November 16 at 6 p.m.

The agenda for the November meeting includes the following topics:

- Discussion on EPC monthly messaging and distribution update
- Status update on Peninsula wildfire cameras
- Discuss drafting a residential fire insurance information template letter on the City's efforts to reduce wildfire risk

The [agenda packet \(PDF\)](#) for the November 16 EPC meeting is available on the City website. Please direct inquiries or written public comments on the meeting's agenda topics to Jesse Villalpando at 310-544-5209 or Jvillalpando@rpvca.gov.

EMERGENCY PREPAREDNESS TIPS

Thunderstorms and Lightning Safety

Thunderstorms last an average of 30 minutes and can cause dangerous lightning, large hail, flash flooding, and strong winds. They often develop quickly and with little warning, so it is important to learn the danger signs and plan ahead. Lightning is a leading cause of injury and death from weather-related hazards. Although most lightning victims survive, people struck by lightning often report a variety of long-term, debilitating symptoms.

Understanding Severe Weather Alerts:

Do you know the difference between a National Weather Service Severe Thunderstorm Watch and a Severe Thunderstorm Warning? Check your knowledge below:

- **Severe Thunderstorm Watch:** Be Prepared! Severe thunderstorms are possible in and near the watch area. Stay informed and be ready to act if a severe thunderstorm warning is issued. The watch area is typically large, covering numerous counties or even states.
- **Severe Thunderstorm Warning:** Take Action! Severe weather has been reported by spotters or indicated by radar. Warnings indicate imminent danger to life and property. Take shelter in a substantial building. Get out of mobile homes that can blow over in high winds. Warnings typically encompass a much smaller area (around the size of a city or small county) that may be impacted by a large hail or damaging wind identified by an NWS forecaster on radar or by a trained spotter/law enforcement who is watching the storm.

Be Prepared Before a Thunderstorm Threatens

- **Be Weather-Ready:** Check the forecast regularly to see if you're at risk for severe weather. Listen to local news or a [NOAA Weather Radio](#) to stay informed about severe thunderstorm watches and warnings. Check the [Weather-Ready Nation](#) for tips.
- **Subscribe for Emergency Alerts:** Sign up for Alert SouthBay emergency notifications by texting “alerts” to 888-777 or visiting [alertsouthbay.com](#). Download the free MyRPV app to your devices from your app store.
- **Create a Communications Plan:** Have a family plan with an emergency meeting place and related information. Pick a safe room in your home, such as a basement, storm cellar, or an interior room on the lowest floor with no windows. Get more ideas for a plan at: <https://www.ready.gov/make-a-plan>
- **Practice Your Plan:** Conduct a family severe thunderstorm drill regularly, so everyone knows what to do if a damaging wind or large hail is approaching. Ensure all family members know to go there when severe thunderstorm warnings are issued. Don't forget pets if time allows.
- **Prepare Your Home :** Keep trees and branches trimmed near your house. If you have time before severe weather hits, secure loose objects, close windows, and doors, and move any valuable objects inside or under a sturdy structure.
- **Help Your Neighbor:** Encourage your loved ones to prepare for severe thunderstorms. Take CPR training so you can help if someone is hurt during severe weather.

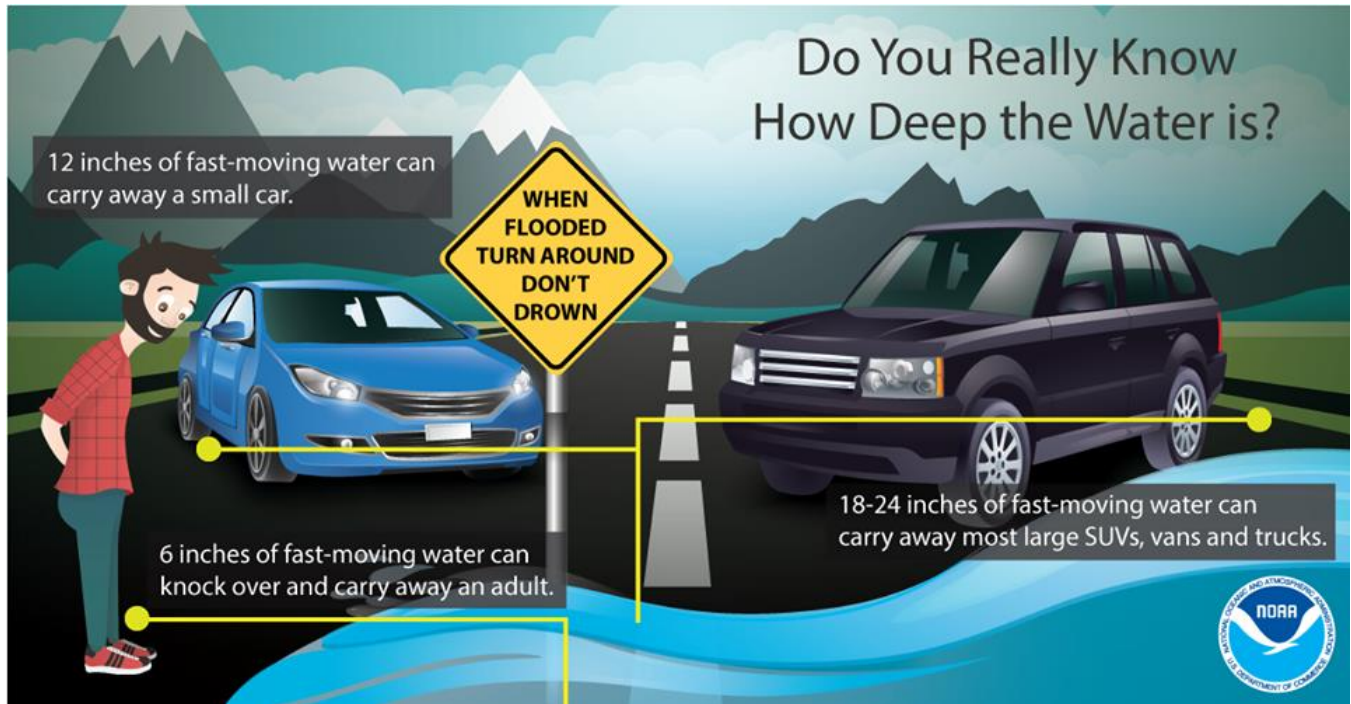

Staying Safe During a Thunderstorm

- **Stay Weather Ready:** Continue to listen to local news or a NOAA Weather Radio to stay updated about severe thunderstorm watches and warnings.
- **At Your House:** Go to your secure location if you hear a severe thunderstorm warning. Damaging wind or large hail may be approaching. Take your pets with you if time allows.

- **At Your Workplace or School:** Stay away from windows if you are in a severe thunderstorm warning and damaging wind or large hail is approaching. Do not go to large open rooms such as cafeterias, gymnasiums, or auditoriums.
- **Outside:** Go inside a sturdy building immediately if severe thunderstorms are approaching. Sheds and storage facilities are not safe. Taking shelter under a tree can be deadly. The tree may fall on you. Standing under a tree also put you at a greater risk of getting struck by lightning.
- **In a Vehicle:** Being in a vehicle during severe thunderstorms is safer than being outside. However, drive to the closest secure shelter if there is sufficient time.

Staying Safe After a Thunderstorm

- **Stay Informed:** Continue listening to local news or a NOAA Weather Radio to stay updated about severe thunderstorm watches and warnings. More severe thunderstorms could be headed your way.
- **Contact Your Family and Loved Ones:** Let your family and close friends know that you're okay, so they can help spread the word. Text messages or social media are more reliable forms of communication than phone calls.
- **Assess the Damage:** After you are sure the severe weather threat has ended, check your property for damages. When walking through storm damage, wear long pants, a long-sleeved shirt, and sturdy shoes. Contact local authorities if you see power lines down. Stay out of damaged buildings. Be aware of insurance scammers if your property has been damaged.
- **Help Your Neighbor:** If you come across people that are injured and you are properly trained, if needed, provide first aid to victims until emergency response team members arrive.

Public Safety Committee Meeting Recap

The Peninsula Public Safety and Regional Contract Law Committee met last week. The agenda packet for this and past meetings are available on the [City website](#). Here is a quick recap on important topics covered in the November 9, 2023 meeting:

- Los Angeles County Fire Department: Annual Inspection reports, emergency response times, and third quarter incident overview.
- Peninsula-wide emergency communication: a staff report was included in the agenda packet that goes into detail regarding each Peninsula city and its use of social media platforms, websites, Alert SouthBay, newsletters, and emergency messaging.
- Wildfire camera update from Jesse Villalpando, Emergency Services Coordinator from Rancho Palos Verdes.
- LiDAR/radar equipment purchase request: The Los Angeles County Sheriff's Department (LASD) requested approval for the purchase of new handheld LiDAR/radar equipment with a camera function. Cost-sharing details were discussed, and the motion to approve the purchase was unanimously carried.
- Los Angeles County Sheriff: Traffic report and crime statistics were reported and are available in the agenda packet on the City website. Response times and concerns: On average, the emergency response times on the Peninsula are better than LASD's targets.
- Catalytic converter etching event: Staff provided an update on the July 2023 event, which resulted in the etching of 158 vehicles.

The next quarterly meeting will be held on February 1 at 7:30 a.m. via Zoom. This meeting is open to the public and we invite you to attend! For questions about this and other public safety resources, please contact PublicSafety@rpvca.gov.

FINANCE DEPARTMENT

Consumer Price Index – October 2023

Consumer Price Index (U.S.)

The Consumer Price Index (CPI) was unchanged in the month of October after rising by 0.4% in September. Compared annually, all items CPI rose by 3.2% over the past 12 months. The CPI for all items less food and energy (core inflation) grew by 0.2% in the month of October, down slightly after rising by 0.3% in September. Core inflation increased by 4% as measured over the past 12 months ending October. Charts 1 and 2 below illustrate the monthly and yearly percent changes in CPI for both measures.

Chart 1. U.S. One-month Percent Change in CPI (seasonally adjusted)

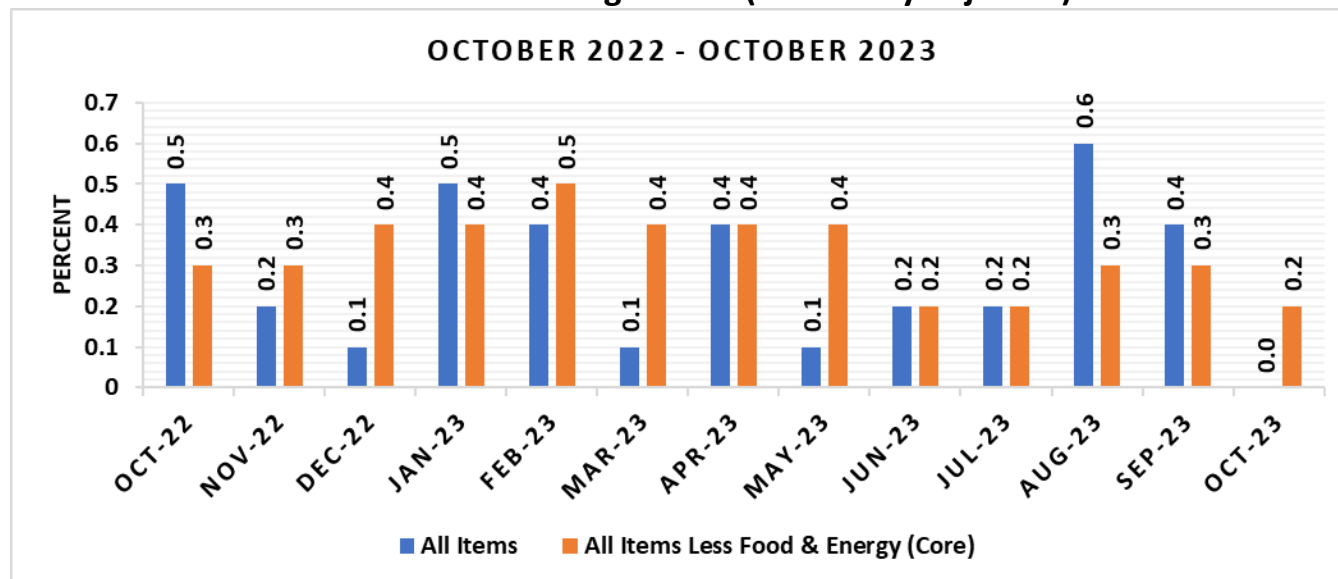

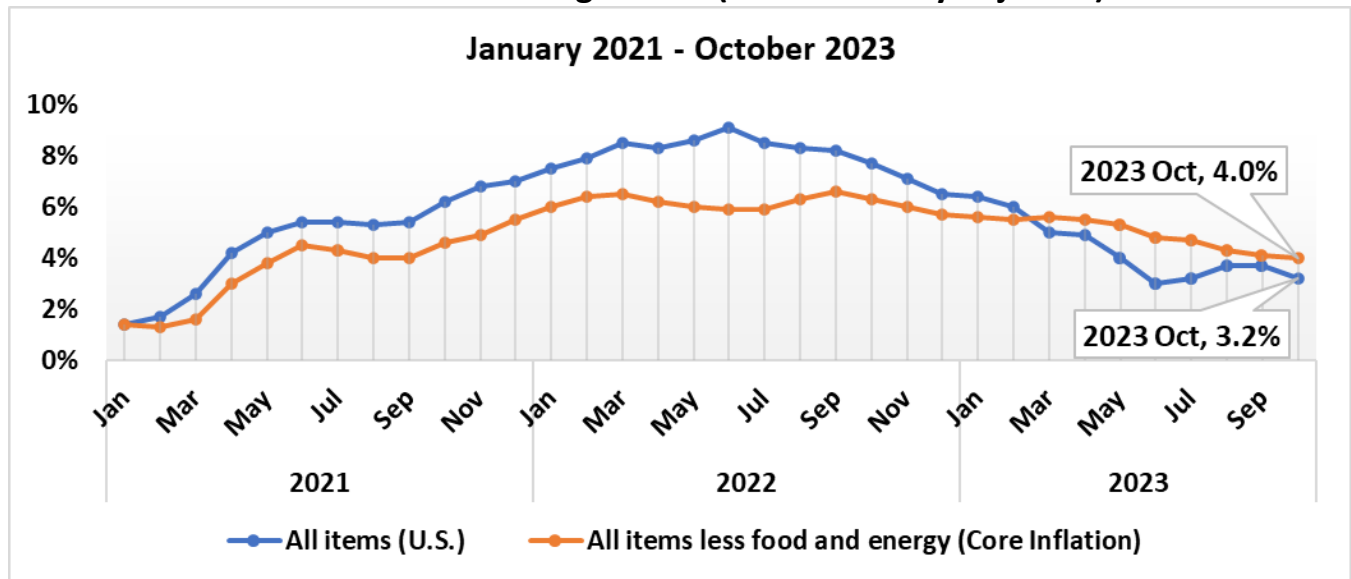

Chart 2. U.S. 12-month Percent Change in CPI (not seasonally adjusted)

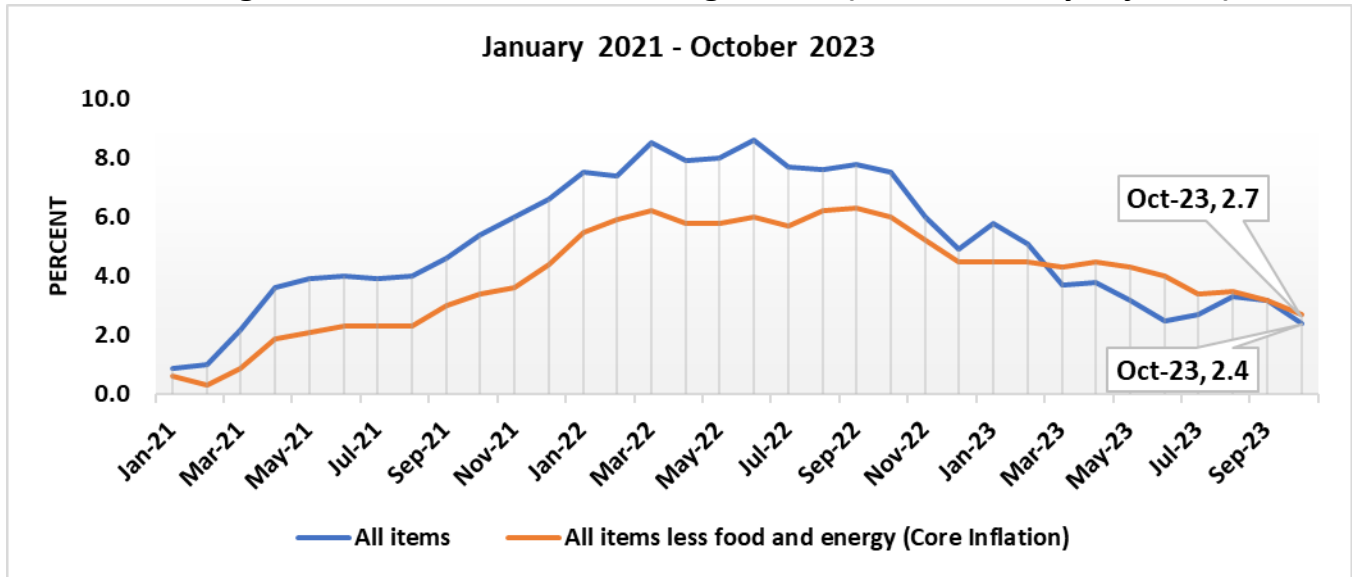

In summary, the index for shelter continued to rise in October, offsetting a decline in the gasoline index and resulting in no net change over the month. Indexes which increased in October include rent, motor vehicle insurance, medical care, recreation, and personal care. The indexes for lodging away from home, used cars and trucks, communication, and airline fares were among those that decreased over the month.

Consumer Price Index (Los Angeles)

Prices in the Los Angeles area, as measured by CPI, declined by 0.1% in October. On an annual basis, prices have advanced by 2.4% over the past 12 months. Core inflation declined by 0.2% in October and was up by 2.7% when measured annually.

Locally, the monthly decrease in October was primarily influenced by the recreation and shelter indexes. Annual changes in CPI include a 1.1% decline in energy prices largely attributed to a decrease in the price of gasoline. In contrast, food prices remained elevated, rising by 3% when compared to one year ago. The annual percentage changes in CPI for both indexes are illustrated in Chart 3 below.

Chart 3. Los Angeles: 12-month Percent Change in CPI (not seasonally adjusted)

Ladera Linda Community Park Project Update

Last week, the construction contractor installed wall panels and display cases in the building, completed and tested irrigation systems on the site, compacted the decomposed granite pathways on the upper tier, and began installation of the playground equipment.

This week, the contractor will continue installing the playground equipment, pavement marking in the parking lot, and continue work on the display cases and ceiling tiles.

To see a current (refreshed once per minute) live view of the project site, you can visit the project page on the City website at: rpvca.gov/LaderaLinda.

If you have any questions or would like to learn more about this project please contact, James O'Neill at joneill@rpvca.gov.

Infrastructure Management Advisory Committee (IMAC) Meeting

The November 20 regularly scheduled meeting for the Infrastructure Management Advisory Committee has been canceled. The next regularly scheduled meeting is December 18, at 6 p.m. at City Hall.

Traffic Safety Committee (TSC) Meeting

The next TSC meeting will be conducted on November 27 at 6 p.m. The public is invited and encouraged to participate and provide input. The agenda will be available on the City's website at rpvca.gov/agendas by November 24 at 4:30 p.m.

The TSC agenda will consider the following items in the vicinity of the intersection of Hawthorne Boulevard at Eddinghill Drive/Seamount Drive:

- Consideration of left-turn arrow signal for the northbound and southbound approaches of Hawthorne Boulevard at Eddinghill Drive/Seamount Drive
- Consideration of no-right-on-red for Eddinghill Drive approaching Hawthorne Boulevard and for Seamount Drive approaching Hawthorne Boulevard
- Consideration of additional signs and pavement markings in the intersection area

Maintenance Activities

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

PARK MAINTENANCE

- Weekly landscape maintenance at all City parks
- Repaired six irrigation lines
- Secured and anchored several in-ground logs at Del Cerro Park
- Repaired the men's restroom at Hesse Park

STREET LANDSCAPING

On November 10, several City median trees located on Crest Road and Highridge Road were illegally cut. These trees were vandalized to where structural failure was imminent. For the safety of nearby motorists and the public, the trees were removed.

If you have any information regarding this incident such as videos or pictures, that could assist the City and Los Angeles County Sheriff's Department identify the responsible party, please contact the Lomita Sheriff's Station at 310-539-1661 or the City at Publicworks@rpvca.gov.

- Weed removal, brush clearance, and debris removal continued throughout

the medians and various right-of-way locations:

- Signs were replaced, repaired, and installed in the right-of-way at the following locations:
 - Via Colinita

- Sea Breeze Avenue
- Repaired sidewalk deviations at the following locations:
 - Redondela Drive
 - Palos Verdes Drive South
 - Sea Raven Drive
 - Pontevedra Drive
 - Santa Rena Drive
- Debris was removed from right-of-way at the following locations:
 - Crest Road and Highridge Road
 - 5500 Crest Road
- 100 feet of red curb paint was refreshed on Knoll View Drive.

Graffiti Removal

- Fourteen graffiti incidents were reported and removed this week.
- The RPV graffiti reporting app can be downloaded for Android and Apple devices under the name of **RPV Clean**. Residents can help keep RPV looking great by downloading the app via Apple or Google Play.

Emergency Response

- In advance of expected rain this week, City crews sealed fissures and cracks in the road and gutter in the Seaview neighborhood including on Dauntless Drive, Exultant Drive, Admirable Drive, and the cul-de-sac at Palos Verdes Drive South. This action will prevent water from entering the ground and contributing to land

movement. Crews will continue to monitor the roads in the Seaview Neighborhood and seal fissures and cracks when they develop.

COMMUNITY DEVELOPMENT DEPARTMENT

City Tour for Planning and Public Works Staff

On November 8, 2023, City Manager Ara Mihranian provided a tour of the City for Staff in the Planning Division and Public Works Department. The tour highlighted several key residential, commercial and open-space areas throughout the City, including Western Avenue, Portuguese Bend Landslide Area, and Del Cerro Park. The tour provided Staff the opportunity to get an in-depth understanding of these areas as well as visualize current and potential future projects.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at (424) 327-3982, or adarequests@rpvca.gov, at least 48 hours in advance to request an auxiliary aid or accommodation

Congratulations Class # 56

Six docents graduated from the docent training program last week (Barbara, Tatianna, Phillip, Rachel, Marci and Henry). The newly-minted docents went through a three-month program that explored various topics including the history of Palos Verdes, Native Americans, marine mammals, geology, migration and more.

Please welcome Los Serenos de Point Vicente Class #56.

Santa's Cooking Up Breakfast

Well, the elves are doing the cooking, but Santa Claus and Recreation and Parks Staff are busy checking their lists, shining Rudolph's nose, and making plans for the annual Breakfast with Santa event on December 9 at Hesse Park which benefits the City's REACH program for youths and adults with developmental disabilities. This event again features two separate sessions: -the first at 8:30 a.m. and the second at 11:30 a.m. Both sessions feature Santa arriving via firetruck (thank you to Station No. 106) as well as a delicious breakfast, crafts, carols, and photo opportunities galore. It's the ho-ho-holiday event of the season.

A festive poster for the "Breakfast with Santa" event. The top left features a circular logo for "RANCHO PALOS VERDES 50 1973-2023". The main title "Breakfast with Santa" is in large, bold, blue letters. Below it, the date "Saturday, December 9th" is written. Two time slots are listed: "1) 8:30am-10:00am" and "2) 11:30am-1:00pm". The location "Hesse Park (29301 Hawthorne Blvd)" is specified. A paragraph describes the event: "Join us for a hot breakfast, music performances, caroling, crafts, and a visit from Santa! This is a fundraiser to benefit the City's REACH program for adults with developmental disabilities." The fee is listed as "Fee: \$20 per person" and "Children 2 and under are free". A registration link "www.rpvca.gov/parks" is provided, along with the note "This Event will fill up!". The poster is decorated with illustrations of a gingerbread man, a cup of coffee, a plate of food, and a fire truck. A circular inset photo shows Santa Claus and children. At the bottom left, there is a close-up photo of Santa Claus's face.

REACH Keeps on Rolling

The REACH program serves the social and recreational needs of youths and adults with developmental disabilities and is back at Hesse Park for in-person activities.

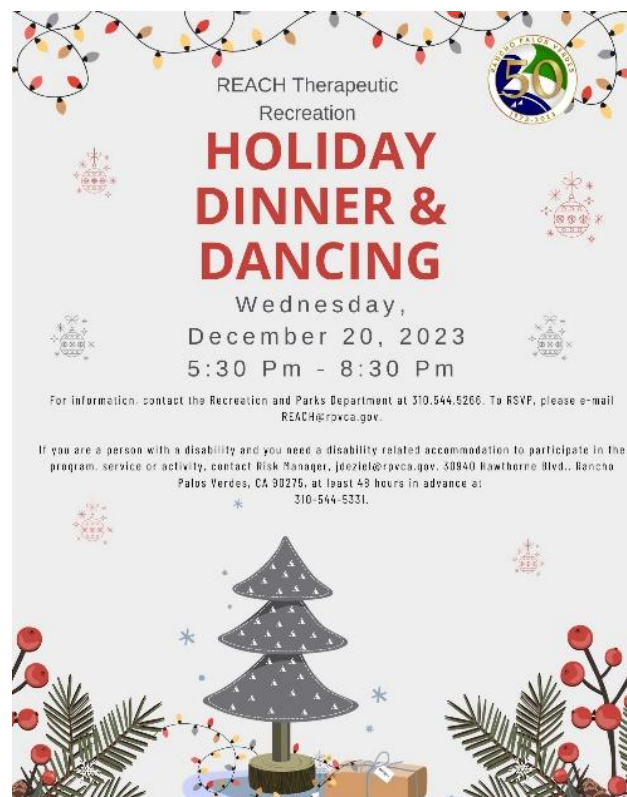

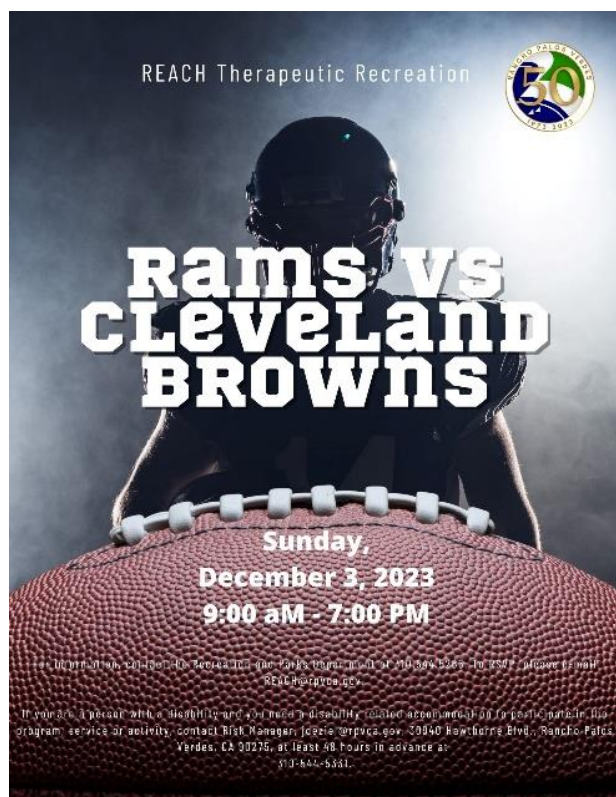

To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

An “Unbe-leaf-able” Day!

On November 11, REACH participants indulged in more fall colors visiting the LA Arboretum! It turns out RPV isn’t the only city with an abundance of peafowl, as we enjoyed their presence roaming the gardens. Visiting the gardens was yet another way to get some exercise in disguise. As we meandered the paths of the Arboretum, we discussed all of the fun traditions we are looking forward to in the upcoming month!

Upcoming REACH excursions include a day trip to So-Fi Stadium for a Rams game on December 3 and our annual holiday party on December 20.

RPV Volunteer Program

Volunteers are needed to help prune and care for the Point Vicente Interpretive Center native plant garden on November 19 from 10 a.m. until noon. This volunteer opportunity takes place on the third Sunday of each month. Please contact megan@sccnps.org at least two days prior to this event to sign up.

Estimated total park attendance: 510

EASTVIEW PARK - walking paths, playground, dog park, and grass area
Estimated total park attendance: 312

LOWER POINT VICENTE PARK - walking paths and grass area
Estimated total park attendance: 3,460

Total Weekend Attendance: 5,038

Preserve and Beach Weekend Activity November 11- 12

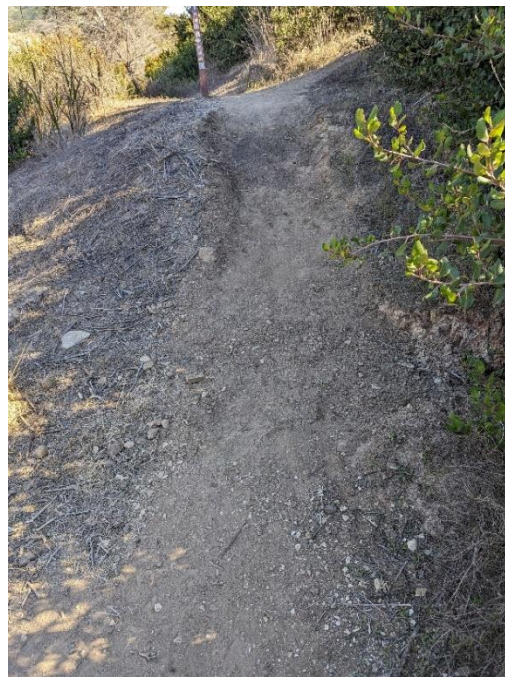

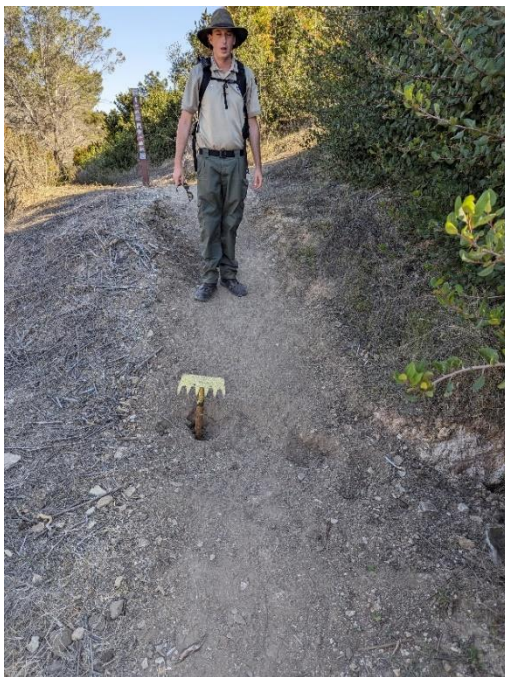

Notice of Parking Violations: 9

Public Contacts: 394

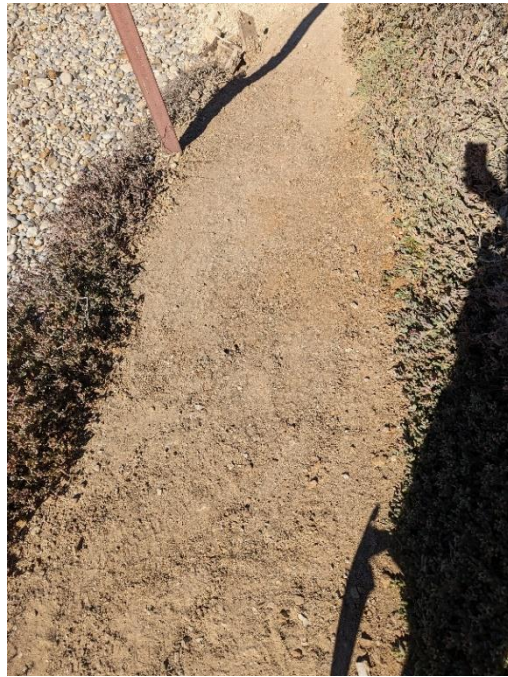

Violations observed: 4

Abalone Cove Reserve:

On November 12, Staff performed repairs on two fissures on Smuggler's Trail.

On November 12, Staff performed repairs on the bottom and upper sections of Olmsted Trail.

Alta Vicente Reserve:

On November 8, Staff removed several items including plastic lawn chairs and a discarded car battery near Prickly Pear Trail.

On November 10, Staff trimmed back overgrowth of lemonade berry bush on Alta Vicente Trail. Some of the trimmings were used to deter use of a developed spur trail, thereby encouraging users to stay on designated trails.

Filiorum Reserve:

On November 8, Staff removed one instance of graffiti on Ford Trail.

On November 9, Staff trimmed back overgrowth of lemonade berry bush on Jack's Hat Trail.

Forrestal Reserve:

On November 9, Staff removed several instances of graffiti on regulatory and directional signage on Quarry Trail and Basalt Trail.

Ocean Trails Reserve:

On November 9, Staff received multiple calls regarding the unauthorized removal of closure signage at Catalina Trail. Park Rangers escorted several individuals off the temporarily closed area and reinforced the signage. Additionally, Trump National Golf Club personnel were notified to reinforce the fencing material. For the most up to date information on trail closures, visit rpvca.gov/trailalerts or contact the Palos Verdes Nature Preserve Hotline 310-491-5775.

Portuguese Bend Reserve:

On November 10, additional trail closures in the Portuguese Bend Reserve included portions of Peppertree Trail and Ishibashi Farm Trail. These trails were closed until further notice for public safety due to the potential for hazardous natural conditions associated with the active landslide, such as land movement, sink holes, unstable trails and surfaces, erosion, steep cliffs, and falling rocks.

On November 11, the Palos Verdes Peninsula Land Conservancy Volunteer Trail Crew and Staff performed repairs on the lower section of Vanderlip Trail. The trail had previously been damaged with rutting up to 5 feet deep caused by several water main breaks in the area. The trail continues to be temporarily closed.

Cal Water installed several signs to advise the public who to contact in the event a water leak is observed in the Portuguese Bend Reserve.
