

CITY CLERKS: PLEASE POST

AGENDA

PALOS VERDES PENINSULA PUBLIC SAFETY COMMITTEE

THURSDAY, MAY 23, 2024
7:30 A.M.
VIRTUAL MEETING

The Palos Verdes Peninsula Public Safety Committee for May 23, 2024, at 7:30 a.m., will be conducted via teleconference using the Zoom platform. Members of the public may participate virtually in the meeting in the following ways:

Members of the public who wish to speak during this meeting may join the Zoom meeting by accessing the Zoom app from a computer, tablet, or phone (Download app at <https://zoom.us/download>). Input the following credentials, [Meeting ID 835 1966 5777](#), [Meeting Passcode: 206993](#). Members of the public who join the Zoom meeting will not appear on video but may request to speak using the following process while on Zoom: Select the “raise hand” option on the lower portion of your screen. Staff will unmute your mic at the appropriate time.

Members of the public who wish to comment on an agenda item may email requests to speak to PublicSafety@rpvca.gov. Please include your first and last name, and the name of the agenda item on which you would like to comment. Public correspondence may be emailed to the City Clerk at cityclerk@rpvca.gov

I. CALL TO ORDER

II. ROLL CALL

III. PLEDGE OF ALLEGIANCE

IV. PUBLIC COMMENT

NOTE: *This is the appropriate time for members of the public to make comments regarding items not listed on this agenda.*

V. APPROVAL OF MINUTES

A. MINUTES OF FEBRUARY 1, 2024

VI. OLD BUSINESS

- A. SCHOOL RESOURCE OFFICER (SRO) UPDATE (PVPUSD REPORT)
- B. STATUS UPDATE ON PENINSULA WILDFIRE CAMERAS (RPV VERBAL REPORT)
- C. LOS ANGELES COUNTY FIRE DEPARTMENT AND MCCORMACK UPDATE (LACOFD VERBAL REPORT)
- D. UPDATE ON ROLLING HILLS SIREN (RH VERBAL REPORT)

VII. NEW BUSINESS

- A. ACTIVE SHOOTER TRAINING UPDATE (RHE WRITTEN REPORT)
- B. PVP MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN UPDATE AND ADHOC COMMITTEE APPOINTMENTS (RHE WRITTEN REPORT)

VIII. OTHER MATTERS FROM COMMITTEE MEMBERS

NOTE: *This is the appropriate time for Committee Members to direct the placement of items for future action on upcoming agendas.*

Next meeting **Thursday, August 8, 2024**, at 7:30 a.m.

**PALOS VERDES PENINSULA
PUBLIC SAFETY COMMITTEE (PPSC)
MEETING MINUTES
THURSDAY, FEBRUARY 1, 2024**

I. CALL TO ORDER

A meeting of the Palos Verdes Peninsula Public Safety Committee was called to order by Chair Murdock at 7:31 a.m., via Zoom at 7:35 a.m. via Zoom.

II. ROLL CALL

PRESENT: PALOS VERDES ESTATES
Chair Dawn Murdock, Mayor
David McGowan, Councilmember

RANCHO PALOS VERDES
David Bradley, Councilmember
Paul Seo, Councilmember

ROLLING HILLS
Leah Mirsch, Mayor
Patrick Wilson, Councilmember

ROLLING HILLS ESTATES
Britt Huff, Mayor
Velveth Schmitz, Councilmember

ABSENT: None

ALSO PRESENT: PALOS VERDES ESTATES
Elaine Jeng, City Manager
Steve Barber, Police Captain
Marcelle Herrera, Interim Community Relations Officer

RANCHO PALOS VERDES
Ara Mihranian, City Manager
Jesse Villalpando, Emergency Services Coordinator
Shaunna Hunter, Public Safety Administrative Analyst

LOS ANGELES COUNTY FIRE DEPARTMENT
Chief Brian Bennett

PALOS VERDES PENINSULA UNIFIED SCHOOL DISTRICT
Brenna Terrones, Assistant Superintendent, Admin Services

III. PLEDGE OF ALLEGIANCE

Pledge of Allegiance was led by Chair Murdock

IV. PUBLIC COMMENT

None.

V. COMMITTEE REORGANIZATION

Chair Murdock moved, and Committee Member McGowan seconded, to nominate Committee Member David Bradley as Chair of the Palos Verdes Peninsula Public Safety Committee (PPSC), and Committee Member Paul Seo as Vice-Chair of the PPSC. The motion passed unanimously.

VI. APPROVAL OF MINUTES

A. MINUTES OF NOVEMBER 9, 2023

Member Huff moved and Member McGowan seconded, to approve the November 9, 2023, meeting minutes of the PPSC as presented. The motion passed unanimously.

VII. OLD BUSINESS

A. SCHOOL RESOURCE OFFICER (SRO) UPDATE (SCHOOL DISTRICT REPORT)

Assistant Superintendent Terrones provided an update on PVPUSD School Resources Officer's (SRO), their activities, training, disaster preparedness, drills, and communications. Discussion occurred amongst staff and the PPSC.

During the discussion, the committee inquired about the right number of SROs for PVPUSD. Ms. Terrones acknowledged ongoing discussions and highlighted some schools' concerns about distance and support from SROs.

The committee further inquired on the current state of SROs at the next meeting. Chair Bradley called for the following action item to be reflected in the meeting minutes: **ACTION ITEM:** PVPUSD to provide an assessment of the current state of SROs and the right number needed at the next committee meeting.

The committee also inquired on the protocols for handling drug-related incidents among students. Assistant Superintendent Terrones detailed the school's approach, involving investigations, counseling, and, where necessary, suspensions. Terrones further clarified the procedure, from initial investigation to potential disciplinary actions, emphasizing the commitment to addressing each incident with appropriate measures.

B. UPDATE ON THE PENINSULA EMERGENCY PREPAREDNESS TASKFORCE (VERBAL REPORT)

Management Analyst Slawson presented an update on the Peninsula Emergency Preparedness Task Force (PEPT) activities and initiatives aimed at enhancing regional preparedness and response capabilities. Key takeaways from Analyst Slawson update were as follows:

- The PEPT convened this quarter to review and discuss the latest developments in emergency preparedness across the Peninsula.
- Efforts are underway by the Peninsula cities to collaborate on a multi-jurisdictional grant application for a Hazard Mitigation Plan. This initiative aims to identify risks and vulnerabilities associated with natural disasters and develop long-term strategies for protecting people and property from future hazard events.
- A test of the wireless emergency alert message was conducted using the Alert Southbay platform. This test was a critical step in assessing the emergency communication system's efficacy across the Peninsula and the greater South Bay region. Data analysis from the test is ongoing, initial findings have identified challenges in collaboration with wireless cell phone carriers, which are being addressed to ensure effective communication during emergencies.
- PVPUSD is proactively coordinating spring evacuation drills at school sites. Additionally, efforts are being made to enhance staff radio communications capabilities through the establishment of an amateur radio network.
- The American Red Cross issued a call for ongoing blood donations and is offering free smoke alarm installations to improve community safety and preparedness.
- The Peninsula Community Emergency Response Team (PVP CERT) program held a meeting to provide information on how community members can contribute to emergency preparedness efforts. There is enthusiastic anticipation for future partnerships between the cities and PVP CERT to offer training opportunities to the public. These training sessions are intended to equip residents with the knowledge and skills needed to effectively respond to emergencies

C. STATUS UPDATE ON PENINSULA WILDFIRE CAMERAS (RPV VERBAL REPORT)

Emergency Services Coordinator Villalpando provided an update on the Peninsula Wildfire Camera Project which included the following:

- Three of the four camera locations are actively scanning for smoke and alerting authorities. Installation at the fourth location is pending approval.
- A press conference is being planned for spring to correspond with wildfire season.
- Pano AI will begin outreach to Peninsula cities for access and onboarding to the alert system.
- Optical zoom functionality has been rolled out, allowing cameras to pan, tilt, and zoom up to 30 times.

Following the presentation, discussion ensued between the Committee and Staff.

Key takeaways from this discussion included, the committee requesting to be informed if the San Pedro Hill monopole installation is not resolved by end of February for potential escalation.

Further takeaways included the need for a Press conference to be scheduled, emphasizing the involvement of the four cities and the Assembly member in bringing this technology to the community.

D. LOS ANGELES COUNTY FIRE DEPARTMENT UPDATE (LACOFD VERBAL REPORT)

Chief Bennett provided an update on 4th quarter run response, upcoming weather concerns, and the 2024 Defensible Space Program:

- Upcoming storms are expected to bring 1-2 inches of rain per day. Sandbags and sand are available at fire stations.
- 2024 Defensible Space Program notices are being sent out with no changes from the previous year. Zone 0 will not be enforced in 2024.
- A referee hearing is scheduled for February 28 where residents can voice concerns and get information.
- Increased patrolling by fire engines will occur during upcoming storms.

Discussion ensued between the Committee and Staff Key Highlights from this discussion included:

- Coordination among cities to provide warning for flood-prone areas to ensure proper signage.
- Monitoring of landslide areas in Rancho Palos Verdes, which continue to worsen with rains. Increased patrolling planned.

E. UPDATE ON ROLLING HILLS SIREN (RH VERBAL REPORT)

Christian Horvath provided an update on the Rolling Hills siren system which included the following:

- The Rolling Hills City Council approved a three-pole, 50-foot high siren system capable of sirens and voice alerts.
- A professional services agreement was entered with HQE Systems. Minor pole relocations have been made.
- Construction is anticipated to begin in late spring to early summer.
- Operational protocols are being developed in collaboration with LA County Fire and Sheriff's Dept. Sirens will only be used during complete power failures.
- Feedback was solicited from other Peninsula cities regarding their interest in participating in or expanding the siren system.

VIII. NEW BUSINESS

A. REPLACEMENT OF ADVANCED AUTOMATIC LICENSE PLATE RECOGNITION CAMERAS (RHE WRITTEN REPORT)

Management Analyst Slawson provided an update on the ALPR camera system.

- In 2016, Peninsula cities collaborated to address crime using the ALPR system, establishing an MOU for camera placement and cost-sharing.
- Some cameras are no longer operating or beyond useful life and need replacement with newer cameras that have enhanced capabilities.
- The committee is requested to support continued funding of the ALPR system and direct staff to return to City Councils with an amendment to the MOU for the camera replacement purchase.
- Total replacement cost is approximately \$474,750, to be cost-shared among the Peninsula cities.
- Law enforcement confirmed support for upgrading to the latest technology.

Discussion ensued between the Committee and Staff.

Discussion Highlights:

- Estimated 5-year life cycle for new cameras, including technology advancements.
- Concerns about lack of competitive bidding. Clarified that vigilant system is specialized technology used by many cities and integrated with law enforcement.
- Request for Staff to explore "favored nations" clause for competitive pricing and provide reasons for selecting vigilant without bidding.
- Anticipated ongoing costs to be included in council staff reports.

Member McGowan moved and Member Seo seconded, to direct Staff to take ALPR camera replacement proposal to councils for funding, with "favored nations"

clause, description of services and reasons for selecting vigilant, and anticipated ongoing costs.

The motion passed on the following roll call vote:

AYES: Member Murdock
Member McGowan
Member Mirsch
Member Wilson
Member Huff
Member Schmitz
Vice Chair Seo
Chair Bradley

NOES: None

ABSTAIN: None

ABSENT: None

B. PENINSULA FUNCTIONAL EXERCISE UPDATE (RPV VERBAL REPORT)

Emergency Services Coordinator Villalpando provided an update on the upcoming Peninsula-wide safety drill:

- Staff is preparing for a potential Peninsula-wide exercise in April 2024, simulating earthquake scenario with land movement.
- Coordination involves Peninsula cities, Emergency Preparedness Committee, HOAs, unincorporated area representatives, and key stakeholders.
- Outreach strategies include flyers, newsletters, social media, email, banners, community meetings for broad participation.
- Focus on enhancing emergency response capabilities, evaluating notification systems, assessing readiness, motivating residents to form disaster plans.
- Drill to challenge residents with 15-minute evacuation, testing practicality of plans.
- "Okay Sign" program to be introduced for residents to signal need for assistance to first responders.
- Drill to involve activation of emergency response teams, with simulated and real-world elements.
- Staff to continue working with cities and keep community informed and involved in drill planning.
- Committee and community feedback welcome in planning process.

Following the presentation Public Comment was heard from RPV Community member Larry Maizlish.

- Larry emphasized using Genesis Protect Zone tool to test outreach, alerting, notification capabilities.
- Cities should promote Protect Genesis Protect Zone app to improve communication during events.
- Exercise allows the opportunity for testing of multiple tools, provides feedback on effectiveness.

- Exercise Success should be measured by identifying strengths, weaknesses, areas for improvement.

IX. OTHER MATTERS FROM COMMITTEE MEMBERS

- A. Future agenda item request for PVPUSD to provide a report on SROs at the next meeting.

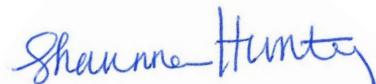

I. ADJOURNMENT

There being no further business before the Palos Verdes Peninsula Public Safety Committee, Chair Bradley adjourned the meeting at 8:40 a.m. The next meeting is scheduled to be held on Thursday, May 23, 2024, beginning at 7:30 a.m.

Respectfully submitted,

Jesse Villalpando
Emergency Services Coordinator
City of Rancho Palos Verdes

Shaunna Hunter
Senior Administrative Analyst
City of Rancho Palos Verdes

Approved,

David Bradley, Chair
City of Rancho Palos Verdes

Palos Verdes Peninsula Unified School District School Resource Officer – February, 2024 Report

March 1, 2024

To: Dr Devin Serrano
Superintendent of Schools

Dr Suzanne Wildey
Interim Superintendent / Educational Services

Dr Rick Licciardello
Assistant Superintendent / Human Resources

Brenna Terrones
Assistant Superintendent / Administrative Services

Subject: Monthly Activity Report / February, 2024

Details: School was in session for 19 days during the month of February, 2024. Staff and students had two days off this month in observance of Presidents' Day.

Officer David Rozas is responsible for ten schools within the district which includes Peninsula High School, Rancho Del Mar Continuation School (Shared with Officer Watt), Miraleste Intermediate School, Ridgecrest Intermediate School, Dapplegray Elementary School, Mira Catalina Elementary School, Rancho Vista Elementary School, Silver Spur Elementary School, Soleado Elementary School and Miraleste Early Learning Academy.

Officer Robert Watt is responsible for nine schools within the district which includes Palos Verdes High School, Rancho Del Mar Continuation School (Shared with Officer Rozas), Palos Verdes Intermediate School, Lunada Bay Elementary School, Point Vicente Elementary School, Montemalaga Elementary School, Vista Grande Elementary School, Cornerstone @ Pedregal and Valmonte Early Learning Academy.

Shelter in Place Disaster Drills began this month and Officer Rozas and Officer Watt assisted Cheryl Dawson and staff with the annual spring drill. Palos Verdes High School, Rancho Del Mar Continuation High School, Miraleste Intermediate School, Valmonte Early Learning Academy and Miraleste Early Learning Academy were all completed.

Officer Rozas and Officer Watt handled vaping incidents each at their respective high schools which resulted in school discipline for all five students involved. Campus Supervisors at Peninsula High School and Palos Verdes High School have made restroom patrols a high priority due to vaping and light vandalism inside same.

Palos Verdes Peninsula Unified School District School Resource Officer – February, 2024 Report

Officer Watt assisted Miraleste Intermediate School during their major power outage earlier in the month. Extra patrol by LASD and School Resource Officers continue as they continue to operate on a temporary diesel-powered generator.

Officer Watt assisted the principal at Vista Grande Elementary involving what appeared to be an impaired male subject who was approaching students and had possibly entered the campus. The school was placed on lockdown and LASD (Los Angeles Sheriff Department) responded. Officer Watt completed an interior campus search on foot while LASD patrolled the general area. The subject was located on a nearby street off campus and placed on a psych hold by LASD. Lockdown was lifted and parents were updated via e-mail.

Officer Rozas continues to proactively work parking issues at Peninsula High School as more vehicles are parking in and around campus now that sophomores are driving. No traffic collisions have been reported and several warning citations have been issued.

Officer Watt handled a battery investigation at Cornerstone at Pedregal involving a teacher who advised her principal she was struck by a special needs student. The teacher was not injured and not desirous of prosecution. Officer Watt spoke with the teacher and completed a report documenting same.

Officer Rozas and Peninsula High School Administration handled a physical altercation investigation which resulted in school discipline for both combatants.

Officer Watt and Palos Verdes High School Administration handled an incident in a classroom involving a student who posted an inappropriate screen name on a group video screen. Through their investigation, the student was identified and admitted to same. The student received school discipline and Officer Watt will follow up to ensure that the student completed same and understands the seriousness of his inappropriate horseplay.

Officer Watt attended PTA Meetings at Point Vicente Elementary School and Cornerstone at Pedregal and also was the guest speaker at Cornerstone's School Site Meeting where school safety was the main topic.

Officer Rozas and Officer Watt provided additional security at all varsity boys' and girls' basketball, varsity boys' and girls' soccer home games and other selected home games/matches/meets.

Officer Watt handled traffic control before and after school is dismissed and also provided extra security at PVPUSD School Board Meeting on February 28, 2024.

Palos Verdes Peninsula Unified School District School Resource Officer – February, 2024 Report

Officer Rozas and Officer Watt met to review crime trends at all schools as well as local and national noteworthy news that involves schools where local action on the hill may need to be taken. Officer Watt has been in contact with the Director of Risk Management at Chadwick School, Bob Rule, with updates on several recent incidents on his campus regarding threatening notes found in their restrooms.

Shelter in place drills continue during the month of March and Officer Rozas and Officer Watt continue to make tobacco usage on campus a priority.

Respectfully,

Robert Watt
School Resource Officer
Palos Verdes Peninsula Unified School District

Palos Verdes Peninsula Unified School District School Resource Officer – April, 2024 Report

May 3, 2024

To: Dr Devin Serrano
Superintendent of Schools

Dr Suzanne Wildey
Assistant Superintendent / Educational Services

Dr Rick Licciardello
Assistant Superintendent / Human Resources

Brenna Terrones
Assistant Superintendent / Administrative Services

Subject: Monthly Activity Report / April, 2024

Details: School was in session for 17 days during the month of April, 2024. Staff and students had five days off for spring break and no additional student free days off this month.

Officer David Rozas is responsible for ten schools within the district which includes Peninsula High School, Rancho Del Mar Continuation School (Shared with Officer Watt), Miraleste Intermediate School, Ridgecrest Intermediate School, Dapplegray Elementary School, Mira Catalina Elementary School, Rancho Vista Elementary School, Silver Spur Elementary School, Soleado Elementary School and Miraleste Early Learning Academy.

Officer Robert Watt is responsible for nine schools within the district which includes Palos Verdes High School, Rancho Del Mar Continuation School (Shared with Officer Rozas), Palos Verdes Intermediate School, Lunada Bay Elementary School, Point Vicente Elementary School, Montemalaga Elementary School, Vista Grande Elementary School, Cornerstone @ Pedregal and Valmonte Early Learning Academy.

Officer Rozas responded to Miraleste Intermediate School in regard to possible gun shots heard in the area. The campus checked okay and further investigation with LASD revealed that the actual incident involved a traffic collision with an overturned vehicle in the area. No shooting had occurred.

Officer Watt investigated a possible vandalism situation at Palos Verdes High School involving students who had put stickers on several motor vehicles and the stickers were difficult to remove. Video camera footage was reviewed and the involved students were located and identified within five minutes. School consequences was administered.

Palos Verdes Peninsula Unified School District School Resource Officer – April, 2024 Report

Officer Rozas responded to Ridgecrest Middle School in regard to a critical missing, 13-year-old female student who had gone missing one day prior and had possibly returned to school. The student was located on campus and LASD and RMS are now working with the family and the Department of Children and Family Services (DCFS) as additional family issues are present.

Officer Watt responded to Point Vicente Elementary School to assist the principal with an agitated parent who was upset his 5th grade son had been reprimanded for continuous disruptive behavior. The principal has had several negative contacts with the father, therefore, an SRO is now requested every time a meeting with the parents occur.

911 hang up on a cell phone belonging to a student at Palos Verdes High School. The call went to PVEPD and Officer Watt was able to get the name and phone number of the person in question. The student was located in a classroom and it turned out to be an accidental miss-dial. Good work by everyone involved to locate the person in question in a timely manner and determining that there was no emergency.

Officer Rozas conducted follow-up at Peninsula High School involving two students that were involved in a physical altercation at a local store at the Peninsula Center. LASD assisted and one of the students was subsequently cited and given a juvenile court date.

Officer Rozas continues to follow up on information involving physical altercations, AKA "Fight Club," occurring on campuses during off-hours and involving students from Palos Verdes High School, Peninsula High School, Redondo Union High School and South High School. Police and LASD have been briefed and extra patrol requests have been generated at all campuses during night and weekend hours.

Officer Watt assisted the PVIS principal with three students vaping on campus in the boys' restroom. All students received school discipline and follow up was conducted with parents on nicotine/marijuana dependency classes.

Officer Watt is working with the Palos Verdes Estates Police Department in an attempt to have 1-2 handicapped parking spots created in front of the football stadium on Epping Road. At the request of the police department, Officer Watt submitted a report to the city's traffic commission and they are now conducting follow-up. PVHS currently has no spaces reserved for handicapped parking within close proximity to the stadium.

Restroom issues at Peninsula and Palos Verdes High School continue to be a concern as nicotine/marijuana usage via "vape pens" have been occurring. Security from both Peninsula and Palos Verdes High Schools contacted involved students and five students at Peninsula High School were ultimately found with product and suspended.

Palos Verdes Peninsula Unified School District School Resource Officer – April, 2024 Report

Campus Supervisors at both schools continue to make restroom patrols a high priority throughout the remainder of the school year.

Vehicular incidents off campus involving student drivers and parking issues at Peninsula High School and Palos Verdes High School continue to be on both School Resource Officers' radar this month. Officer Rozas wrote 106 warning citations at Peninsula and Officer Watt continues to meet with officers from Palos Verdes Estates Police in an attempt to combat speeding vehicles off campus by newly licensed students. Two students were observed driving recklessly on campus and received consequences.

Officer Rozas utilized the camera system at Peninsula High School along with some "old-fashion" investigation talent to identify suspects involved in a hit-and-run crash with no injuries on campus. The matter has been resolved.

Officer Watt attended Lunada Bay Elementary School Flag Salute Assembly and Montemalaga's, Multi-Cultural Festival Assembly on April 12, 2024.

Officer Rozas and Officer Watt provided additional security at key selected home games/matches/meets involving spring sports that have now ended league play and are heading to the CIF playoffs.

Officer Watt handled traffic control before and after school is dismissed on most days and also provided extra security at PVPUSD School Board Meeting on April 9 and April 24, 2024.

Officer Rozas and Officer Watt continue to meet to review crime trends at all schools as well as local and national noteworthy news that involves schools where local action on the hill may need to be taken. Discussion has started on summer school deployment as well as our annual summer threat assessments on all district properties.

Respectfully,

Robert Watt
School Resource Officer

MEMORANDUM

TO: **PENINSULA PUBLIC SAFETY COMMITTEE**

FROM: **CITY MANAGERS**

DATE: **MAY 23, 2024**

SUBJECT: **SITUATIONAL AWARENESS / ACTIVE SHOOTER TRAINING UPDATE**

PREPARED BY: **Jessica Slawson, Management Analyst**
Alexa Davis, Assistant City Manager

RECOMMENDATION

Discuss situational awareness/active shooter training options for the public and elected officials and direct staff accordingly.

BACKGROUND AND DISCUSSION

The Peninsula Public Safety Committee (PPSC) initially discussed the need for active shooter training at the November 9, 2023 Regional Contract Law Committee meeting. At the February 1, 2024 PPSC meeting, the Committee requested staff return with more detail of options that can be established for community awareness and separately for elected officials of the Palos Verdes Peninsula (PVP) City Councils.

In 2018, all four Palos Verdes Peninsula cities hosted two sessions on situational awareness/active shooter utilizing an expert consultant/trainer. In previous years, the annual Prepared Peninsula Expo held each October incorporated situational awareness/active shooter incident informational video sessions along with other emergency preparedness public service announcements for educational viewing purposes.

Staff is coordinating two one-hour informational sessions for the general community. The sessions will be held in tandem with this year's Prepared Peninsula Expo, to be scheduled in October at Palos Verdes Peninsula High School in coordination with the Sunday Farmer's Market at Peninsula High School gym adjacent to the outdoor event and Farmer's Market events. The training will be facilitated by the Palos Verdes Estates Police

Department and Lomita Sheriff's Station and held in the gymnasium adjacent to the bigger event. The proposed format will offer live seminar style instruction with a focus of situational awareness and active shooter preparedness and will offer a question-and-answer component.

Additionally, the California Joint Powers Insurance Authority (CJPIA) offers member agencies, including all the Palos Verdes Peninsula cities, a no cost workplace violence training for threats and active shooter scenarios. This training is specifically designed for local government to promote a safe environment through conflict resolution techniques, effective communication tools and understanding practical aspects of intervention. Many agencies have implemented the training for employees as part of their regular risk management protocol and consistent with the new law SB 553 requiring employers to have a written violence prevention plan, risk assessment and associated training by July 1, 2024.

The CJPIA training can be customized for elected leaders and be available virtually via Zoom, in-person or held as a hybrid meeting with some members participating in-person and some virtually. The hybrid option may be of most interest due to the flexibility to attend in person or virtually depending on the participants' availability.

Staff is seeking input on the plan for situational awareness/active shooter training as proposed for the greater community and a separate workshop with elected officials.

MEMORANDUM

TO: PENINSULA PUBLIC SAFETY COMMITTEE

FROM: CITY MANAGERS

DATE: MAY 23, 2024

SUBJECT: PVP MULTI-JURISDICTIONAL HAZARD
MITIGATION PLAN UPDATE AND AD HOC
COMMITTEE APPOINTMENTS

PREPARED BY: Jessica Slawson, Management Analyst

RECOMMENDATION

Discuss the establishment of an Ad Hoc Committee for the purposes of the development of the Palos Verdes Peninsula Multi-jurisdictional Hazard Mitigation Plan Update.

BACKGROUND AND DISCUSSION

The Peninsula Public Safety Committee (PPSC) oversees regional emergency preparedness and public safety efforts which also includes cross-jurisdictional collaboration for projects benefiting the Palos Verdes Peninsula (PVP) communities and meeting emergency management requirements and standards.

The Federal Disaster Mitigation Act of 2000 (DMA) established requirements for state and local government agencies to prepare comprehensive Disaster Mitigation Plans to be eligible for hazard mitigation grant funding. The act aims to control federal costs associated with disaster assistance while prioritizing hazard mitigation at the local level. A Disaster Mitigation Plan contains information about the type of hazards a community faces, and actions that can be taken to reduce vulnerability. Hazards identified in the Plan include Earthquake, Fire, Tsunami, Earth Movement, Hazardous Materials Event, Human-Caused Event, Utility Related Event, and Cyber Terrorism. Additional hazard considerations can include flooding and watersheds.

The Plan is designed to have the following benefits:

- Reduce loss of life and property, environmental harm, economic disruption, and disaster costs
- Prioritize hazard mitigation at the local level with increased emphasis on planning and public involvement, assessing risks, implementing loss reduction measures, and ensuring critical facilities/services survive a disaster
- Promote education and economic incentives to form community-based partnerships and leverage non-federal resources to commit to and implement long-term hazard mitigation activities

Local Hazard Mitigation Plans (LHMP) are long-term strategies to reduce disaster losses and break the cycle of disaster damage, reconstruction, and repeated damage. The LHMP goes through an update every five years. Mitigation plans must be reviewed and updated, formally approved by federal and state governing bodies, and then formally adopted by the local governing body (City/Special District) as part of receiving approval.

Over the last several LHMP Update cycles, the cities of Rolling Hills Estates and Rancho Palos Verdes have partnered to develop and maintain a [Multi-jurisdictional Hazard Mitigation Plan](#). The last update to that Plan was approved in 2020. The City of Rolling Hills Plan was approved and adopted in 2019, and the City of Palos Verdes Estates in 2018. Staff has identified an opportunity for all four Peninsula cities to collaborate for the next update in 2025. Additionally identified for the next Plan Update is the incorporation of the two Geologic Hazard Abatement Districts (GHAD), Klondike Canyon Land Abatement District and Abalone Cove Landslide Abatement District, in the City of Rancho Palos Verdes. The GHADs are special districts that could also benefit from this process, which would provide them the potential to receive future grant funding from state and federal emergency management agencies such as the Governor's Office of Emergency Services (CalOES) and the Federal Emergency Management Agency (FEMA).

In preparation for the PVP Multi-jurisdictional Hazard Mitigation Plan, the City of Rolling Hills Estates, acting as the lead agency, has submitted a grant application through CalOES to request funding for the development of the joint plan through an emergency planning consultant. The application is pending FEMA approval, and staff expects to learn about the grant award by early June. The grant request for the Plan update is \$333,000 in which there is a local match of 25% of the total request. The 25% match equates to approximately \$83,000 that would be cost shared by the PVP cities according to the established cost sharing formula below.

COST ALLOCATION FORMULA ("FORMULA")	
Member	Percentage
City of Palos Verdes Estates	20%
City of Rancho Palos Verdes	60%
City of Rolling Hills	7%
City of Rolling Hills Estates	13%

Staff expects to commence work on the PVP Multi-jurisdictional Hazard Mitigation Plan Update in late summer, starting with the issuance of a Request for Proposals (RFP) to obtain an emergency planning consultant to assist in the preparation of the Plan. The Plan update will take approximately 12 months to complete and include public participation workshops and a public comment period. The PPSC will serve as a reviewing body before the Plan is presented to each respective City Council for review and adoption. As such, staff believes it would be beneficial for the PPSC to appoint an Ad Hoc Committee to meet on an as-needed basis to help guide the process throughout the development of the Plan. The Ad Hoc Committee would be comprised of one PPSC member from each city and the four City Managers.

CITY CLERKS: PLEASE POST

AGENDA

PALOS VERDES PENINSULA REGIONAL CONTRACT LAW COMMITTEE

THURSDAY, MAY 23, 2024
7:30 A.M.*

VIRTUAL MEETING

** Meeting will begin immediately following the preceding Peninsula Regional Emergency Preparedness Committee meeting*

The Palos Verdes Peninsula Regional Contract Law Enforcement Committee for Thursday, May 23, at 7:30 a.m., will be conducted via teleconference using the Zoom platform. Members of the public may participate virtually in the meeting in the following ways:

Members of the public may listen to the meeting live by calling 1-669-900-9128 from any phone, [Meeting ID 835 1966 5777](#), [Meeting Passcode: 206993](#). (Please note that you will not have the ability to speak using the call-in option from a phone line.)

Public correspondence may be emailed to PublicSafety@rpvca.gov

Chief Brian Bennett, Division 1

III. PUBLIC COMMENT

No public comments.

IV. COMMITTEE REORGANIZATION

Motion by Member Huff, seconded by Member Schmidt to appoint David Bradley as Chair and Paul Seo as Vice Chair.

AYES: Members Schmitz, Huff, Wilson, Mirsch, Bradley, Seo
NAYS: None
ABSTENTION: None
ABSENT: None

V. APPROVAL OF MINUTES

A. MINUTES OF NOVEMBER 9, 2023

Motion to approve minutes by Member Huff, seconded by Member Wilson. Vote by acclamation with Vice Chair Seo, Member Schmitz, and Member Mirsch abstaining since they were not present during the November 9, 2023 meeting.

VI. OLD BUSINESS

A. LIDAR/RADAR PURCHASE UPDATE (LASD)

Captain Guerrero presented an update on the purchase of the LIDAR/RADAR equipment that once the purchase order is approved and sent to the vendor, it takes about 45 days for the pro laser, and 30 days for everything else to arrive.

Member Mirsch requested a brief summary and background on the item to update new members. Chair Bradley provided a summary of the background of the purchase for the benefit of the new members.

Staff provided the cost total cost per city for the purchase of the equipment \$11,189.65 for Rancho Palos Verdes, \$4,607 for Rolling Hills Estates, and \$658 for Rolling Hills. The committee provided the approval at the November 9, 2023 meeting and staff is coordinating this purchase with the vendor.

VII. NEW BUSINESS

A. QUARTERLY LAW ENFORCEMENT/TRAFFIC REPORT/CORE REPORT (SHERIFF

Captain Guerrero introduced Sgt. Paul Cervantes and Deputy Sam Paul that were present and available for questions. Sgt. Tina McCoy was also at the meeting and answered supplemental overtime deployment questions for the 4th quarter.

Residential Burglaries

Captain Guerrero highlighted that residential burglaries are up across the three cities. Sgt. Cervantes reported on significant arrests made in the Peninsula Center in Rolling Hills Estates and residential burglary arrest made in the Sea View neighborhood in Rancho Palos Verdes. He reported that he was working proactively with Palos Verdes Estates Police Department detectives. LASD has also sent out PSAs on social media platforms to raise awareness with homeowners and proactive efforts to combat residential burglaries.

Member Huff raised concerns about residential burglaries in Rolling Hills Estates (RHE) during the third quarter of 2023 and inquired about measures being taken to address gang involvement in these crimes. Sergeant Cervantes responded by informing the group that the Los Angeles County Sheriff's Department (LASD) has established a dedicated task force to address burglaries throughout the county. He clarified that while there is no evidence linking Chilean gangs to these specific burglaries, there is a consistent modus operandi (MO) observed among the perpetrators. Typically, the criminals target small items like jewelry and cash that can be quickly concealed in a backpack, allowing them to swiftly exit the premises.

City Manager Ara Mihranian recognized Captain Guerrero's efforts in reporting updating the community on the outcomes of crimes that are committed in the community.

Response Times

Captain Guerrero provided an update, stating that Lomita Station deputies are consistently exceeding the response time targets set by LASD for the three peninsula cities. LASD's response time targets are 7 minutes for Emergency Calls, 20 minutes for Priority Calls, and 60 minutes for Routine Calls. However, the average response times for Lomita Station deputies in the Peninsula Region are notably better, standing at 6 minutes for Emergency Calls, 10 minutes for Priority Calls, and 30 minutes for Routine Calls.

CORE Deputy Report

Sergeant Tina McCoy presented a comprehensive report on the activities of the CORE Deputies for the 3rd Quarter. This included their participation in various community events such as fall disaster drills at schools, RH Townhall, Del Cerro Block Party, RH Block Captains Meeting, RHE Neighborhood Watch Meeting, Disaster Expo at Peninsula High School, Drug Take Back Event, RHE Christmas Parade, Santa Sleigh Event, and LASD Toy Drive. Additionally, the CORE Deputies have been actively working on promoting E-bike safety, having created a pamphlet for distribution and educating residents on relevant vehicle code violations. Sergeant McCoy also highlighted a new senior outreach program initiated by Lomita Station, where deputies or volunteers engage with seniors in the community. All slides provided by LASD were included in the RCLC Agenda Packet.

B. ACTIVE SHOOTER DRILLS TRAINING AND TOWN HALLS

RHE Management Analyst Jessica Slawson provided an overview of the past Active Shooter Drills and trainings conducted. Vice Chair Seo proposed considering Active Shooter Training for residents. Member Velveth Schmitz suggested adding a room for Active Shooter Training to the Annual Prepared Peninsula Event. Member Mirsch supported these suggestions and requested further details.

Motion by Member Schmitz, seconded by Member Mirsch to bring back information on a new event for active shooter training for elected officials and to bring back event logistics for the Prepared Peninsula Expo to the committee.

AYES: Members Schmitz, Wilson, Mirsch, Seo
NAYS: None
ABSTENTION: Huff, Bradley
ABSENT: None

VIII. ANNOUNCEMENTS

None

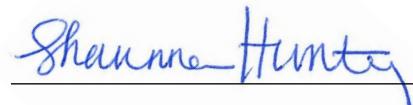

IX. OTHER MATTERS FROM REGIONAL CONTRACT LAW ENFORCEMENT COMMITTEE MEMBERS

None

X. ADJOURNMENT

There being no further business, Vice Chair Seo adjourned the meeting at 9:35 a.m. The next meeting is scheduled to be held on Thursday, May 23, 2024, immediately following the Peninsula Public Safety Committee meeting at 7:30 a.m.

Respectfully submitted,

Shaunna Hunter, MPA
Senior Administrative Analyst
City of Rancho Palos Verdes

Approved,

David Bradley
Chair
City of Rancho Palos Verdes
