Peninsula Seniors Bohannon Lecture Series July 2024

Join Peninsula Seniors for the Bohannon Lecture Series on Wednesdays this month, from 10:30-11:30 a.m. at the Scriba Family Center in Rolling Hills

Estates. A Coffee Social will be available to all attendees starting at 10:15 a.m. The Series is open to the community. Space is limited.

July 31: "Exploring Hearing Health and Hearing Loss Through Advances in Technology"

Dr. Ian Gerszewski discusses advances in hearing health, hearing loss, current technologies, and treatments that can help reduce the chances of developing dementia.

For details, please call Renee Reymond, Program Coordinator, at 310-377-3003.

Be Part of RPV's Youth Advisory Committee - Apply by August 20

The City of Rancho Palos Verdes is accepting applications to fill four vacancies on the Youth Advisory Committee (YAC). The YAC was formed in 2023 to empower and engage youth in our community, providing an opportunity for young residents to have their voices heard and actively contribute to shaping the future of our City.

The YAC is scheduled to resume meeting monthly starting in late September 2024. The committee is open to youths in grades 7-12 who are also residents of Rancho Palos Verdes. Applicants must have written parental consent.

The deadline for applications to be filed with the City Clerk's Office is 5:30 p.m. on August 20, 2024. If you are selected for an interview, Staff will reach out to schedule an interview time. To apply, please email the City Clerk's Office at cityclerk@rpvca.gov.

Weekly Crime Report Summaries

The Lomita Sheriff's Station produces a weekly crime report summary that includes information about reported crimes and arrests for the areas served by the Lomita Sheriff's Station, including the City of Rancho Palos Verdes.

View the latest report at the following link:

Explore an archive of weekly crime reports and an interactive map on the City website at rpvca.gov/crimereports. If you need any assistance accessing the weekly crime reports or navigating the interactive mapping feature on the City's website, please reach out to us at 310-544-5305 or via email at publicsafety@rpvca.gov.

Please note that the information contained in these reports is subject to the Los Angeles County Sheriff's Department's reporting protocols. As a result, details related to ongoing investigations may not be included. For a complete list of all crimes, you may visit LASD's [Transparency page](#).

Don't Miss National Night Out on August 6

Join the City of Rancho Palos Verdes, the Lomita Sheriff's Station, and the L.A. County Fire Department for an afternoon of fun and unity on National Night Out.

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. Meet local first responders and enjoy appetizers, plus Mochi donuts (courtesy of Mochinut) and coffee (courtesy of Starbucks stores #26327 and #518).

Let's come together to create a safer and more connected community!
If you have questions about this event, please contact the City Clerk's Office by emailing esisson@rpvca.gov.

Apply for a Public Safety Reimbursement from the City

The City of Rancho Palos Verdes offers public safety reimbursements for half the cost of a new doorbell or neighborhood camera system, up to \$2,000 for neighborhoods/HOAs and up to \$100 for individuals.

Learn more about the application process at: ow.ly/Etum50SBFG4

At the bottom left is a contact icon and the text 'CONTACT US PublicSafety@rpvca.gov'. At the bottom right is the text 'Find out more: rpvca.gov'.

Drowning Prevention Day

July 25 is World Drowning Prevention Day. Drowning deaths are on the rise in the United States, according to the CDC. Over 4,500 people died due to drowning each year from 2020–2022. Whether you're heading to the pool, beach, or lake, make sure you follow these safety tips to keep you and your loved ones safe. To find more information, visit:

- Never leave children alone or unattended around water.
- Learn to swim by enrolling you and your children in a swimming class. There are free and low-cost swimming classes available in the County.
- Use U.S. Coast Guard-approved life jackets for young children and weak swimmers.
- Learn Hands-Only CPR. Your CPR skills could save someone's life in the time it takes for paramedics to arrive.

FINANCE DEPARTMENT

Fiscal Year 2024-25 Budget-in-Brief

Each fiscal year, the Finance Department prepares a brochure to present budgetary information at-a-glance. The FY 2024-25 Budget-in-Brief is a complement to the City's Adopted Budget book and a preview of what's to come in the following weeks. The latest Budget-in-Brief is now available on the City's website at: www.rpvca.gov/budget

PUBLIC WORKS DEPARTMENT

Palos Verdes Drive South Repairs in the Landslide Area

Roadway repairs are being performed along Palos Verdes Drive South in the landslide area from July 24 -26 from approximately 9:00 a.m. to 5:00 p.m. Expect delays and consider an alternate route. If you must drive through this area during this time, please proceed slowly, yield to workers, and obey traffic control at the site. Thank you for your patience. If you have questions, please call Public Works on 310-544-5252.

“NO TRUCK” Signs on Palos Verdes Drive South in the Landslide Area

The City is reinforcing the prohibition of large trucks on Palos Verdes Drive South in the landslide area, as trucks may have difficulty traversing the roadway. The City has installed "NO TRUCKS" signs in advance of the landslide where trucks have an opportunity to turn around at the following locations:

- Palos Verdes Drive South and Schooner Drive
- Palos Verdes Drive South and Abalone Cove

The City is also looking at other opportunities to spread the word by contacting local businesses and requesting their cooperation in redirecting future truck deliveries through alternate routes.

Portuguese Bend Landslide Remediation Emergency Hydraugers Project Update

On May 21, 2024, the City Council approved the Portuguese Bend Landslide Remediation Emergency Hydraugers Project, which consists of the installation of two hydraugers with five drain arrays each. The hydraugers will be used to extract and/or intercept groundwater from the landslide area as an emergency stabilization measure to reduce movement in the Portuguese Bend Landslide. Following are the most recent activities:

- Drilling of six of the seven vertical boreholes landward of Palos Verdes Drive South for Emergency Hydrauger E-1 is complete. Based on the quality of the data obtained so far, geologists have determined that the seventh and final borehole is no longer needed.
- The access agreement for the Portuguese Bend Community Association has been executed, and crews are mobilizing to begin drilling the vertical boreholes seaward of Palos Verdes Drive South. Drilling of the first of four boreholes south of Palos Verdes Drive South for Emergency Hydrauger E-1 will begin this week.
- Instrumentation to gauge land movement and further validate the final hydrauger design continues to be installed in each borehole.
- Environmental monitoring is being conducted in conjunction with construction activities.
- Drilling of ten boreholes for Emergency Hydrauger E-2 is being scheduled.

Minor traffic delays are to be expected over the course of the next several weeks as construction materials and equipment deliveries continue to arrive at the Gateway location. If you must drive through this area during this time, please proceed slowly, yield to workers, and obey traffic control at the site. Thank you for your patience. If you have questions, please call Public Works on 310-544-5252.

Traffic Safety Committee (TSC)

A TSC special meeting is scheduled for August 5 at 6:00 p.m. in the Community Room located at the Ken Dyda Civic Center. The public is welcome and encouraged to attend and provide input. The agenda will be available on the City's website at rpvca.gov/agendas by August 2 at 4:30 p.m.

Maintenance Activities

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

- Weekly landscape maintenance at all City parks.
- Irrigation repairs and weed clearing has been completed at the following locations:
 - Point Vicente Interpretive Center
 - Ladera Linda Community Park
- Installed a new canopy in the lower section of Hesse Park to create a new shaded area.
- Cleaned the drainage swales at Ladera Linda Community Park.
- Repair work has begun at the playground in Ryan Park and is currently in progress.

- Weed removal, brush clearance, and debris removal continued throughout the City at medians and various right of way locations.
 - Granvia Altamira
 - Highridge Road and Crest Road
 - Crest Road from Hawthorne Boulevard to Crenshaw Boulevard:
 - Palos Verdes Drive West and Hawthorne Boulevard
 - Palos Verdes Drive South near Barkentine and Terranea Way
- Use the link below to watch our virtual landscape maintenance:
<https://www.relive.cc/view/vMv8pdEB8Pv>

Public Right-of-Way/Roadway Repairs

- Continued crack filling the curb, gutters, and streets at Admirable Drive and Dauntless Drive areas.
- Removed the damaged bus shelter at the intersection of Hawthorne Boulevard and Granvia Altamira. The City is working on contracting to replace the bus shelter with a new one.
- Repaired the concrete at the curb and gutter on Monero Drive.
- Repaired a damaged stop sign on Via Victoria.
- Replaced a vandalized "No Bike" sign on the "A" frame barricade at Palos Verdes Drive South near Schooner Drive.

Graffiti Removal

- 28 graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

Emergency Response

- No emergencies have been reported at the time. The City and Public Works Department continue to be on standby address emergency situations 24/7.

COMMUNITY DEVELOPMENT DEPARTMENT

City of Lomita General Plan Update

On July 22, 2024, the City of Lomita issued a Notice of Availability (NOA) for the Lomita General Plan Update Draft Environmental Impact Report (EIR) (attached). The City of Lomita is preparing a comprehensive update to its existing General Plan, which is expected to be adopted in 2024. The document will guide the City's development and conservation through land use objectives and policy guidance.

As part of the process, the City is conducting a 45-day public review period of the Draft EIR, which will end on September 4, 2024. Copies of the Draft EIR are available for review by visiting the following link: <https://lomita.generalplan.org/>. Please see the attached NOA for additional details and contact information for comment submittal.

LAX Community Noise Roundtable Meeting Summary

On July 17, 2024, the LAX Community Noise Roundtable held its regularly scheduled meeting. During the meeting, staff from the Los Angeles World Airports (LAWA) distributed passenger jet data for flights that occurred in May and June 2024 (Attached). The next Roundtable meeting will be held on September 18, 2024 at 1:30 p.m. For more information concerning Roundtable meetings, please visit the LAWA website [here](#).

Los Angeles International Airport (LAX) Runway Closure Impacts July 2024

As reported in the Administrative Weekly Report dated July 17, 2024, LAWA staff published an aircraft noise advisory due to planned LAX runway closures throughout July. As a result, the community may temporarily experience more aircraft noise than usual. Ground-based airport operation disruptions tend to cause an increase

in aircraft departure demand before the runway closure occurs. LAX tower controllers may then have the tendency to rush aircraft for takeoff and allow the Federal Aviation Administration (FAA) air traffic controllers to organize spacing between aircraft while the aircraft is airborne. When FAA air traffic controllers are spacing out passenger jets, some aircraft will be diverted from their pre-planned offshore routes to a route that flies over the City of Rancho Palos Verdes, for safety and/or operational efficiency purposes. For more information concerning upcoming runway closures, please visit the LAWA website [here](#).

Southern California Association of Governments (SCAG): Connect SoCal 2024

SCAG recently issued an update on its preparation of the Connect SoCal 2024 Regional Transportation Plan/Sustainable Communities Strategy. Connect SoCal 2024 is a planning document that outlines a vision for integrating land use and transportation throughout the region for increased mobility and more sustainable growth. More information about the Connect SoCal 2024 plan is available on the [SCAG website](#).

SCAG is proposing to amend the Connect SoCal 2024 to update regionally significant transportation projects. SCAG is collecting public comments through August 12, 2024 regarding the proposed amendment. SCAG is also hosting a telephonic/video conference public hearing on July 30, 2024. Please visit the SCAG website for event and registration details.

Planning Commission “Nuts and Bolts” Workshop

The City’s Planning and View Restoration Divisions provided a “Nuts and Bolts” workshop on July 23 as part of the Planning Commission’s regularly scheduled meeting. The workshop provided an overview of the City’s Community Development Department as well as highlighted common development applications reviewed by staff and the Planning Commission. The workshop also included information about the California Environmental Quality Act (CEQA) and the Brown Act. To replay the discussion item to

learn about the Community Development Department and the Planning Commission responsibilities, watch the video recording on the [City's website](#). The presentation starts at the 27:00 minute mark. Copies of the workshop materials including the staff report are accessible [on this page](#).

RECREATION AND PARKS DEPARTMENT

Music is in the Air: First Concert in the Park on Saturday, July 27

Come join us for this summer's first Concert in the Park on July 27 at the Ken Dyda Civic Center. Radio Royalty will be playing the platters that matter from the '80s from 4 p.m. to 6 p.m. There will be a food truck on-site, and beer and wine will be sold by the PV Sunset Rotary. This free event will also offer inflatables and giveaways.

REACH Update

The REACH program serves the social and recreational needs of youths and adults with developmental disabilities and is back at Hesse Park for in-person activities.

To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

REACH Goes to the Orange County Fair

Nothing mediocre about this fair. Ever wonder what an alpaca contest looks like? Or wandered through a magical room full of beautiful butterflies? REACH took an exciting and moooooooving expedition to the OC Fair this past weekend where we watched alpacas conquer a challenging obstacle course jumping through hoops and charging (or kicking) out to the other side. And if you held still, you would surely be greeted with a fly by “Hello” from a majestic butterfly in the butterfly pavilion. Events like these help encourage our participants in making their own choices.

Upcoming REACH events include our Christmas in July celebration on July 24 and a Whale Watching expedition on August 3.

Filming in RPV

A commercial shoot is scheduled at the Smart and Final on Western Avenue from 6 a.m. to 8 p.m. on July 29.

Animal Adoption Event

Two cats were adopted at a pet adoption event held at the Ken Dyda Civic Center from July 20-21. Several attendees also expressed interest in adopting dogs. The event was hosted by San Pedro Pet Pals.

Project Title

City of Lomita General Plan Update

Project Location

The City of Lomita is located in the South Bay area of Los Angeles County, approximately 16 miles southwest of downtown Los Angeles. Lomita is bounded by the City of Torrance to the north and west, the City of Los Angeles (Harbor City neighborhood) to the east, the City of Rolling Hills Estates on the southwest, and the City of Rancho Palos Verdes on the southeast. Regional access to the City is provided by Interstate 110 via Pacific Coast Highway, which provides access to Lomita and the greater Los Angeles region.

The Planning Area is the geographic area for which the General Plan provides a framework for long-term growth and resource conservation. State law requires the General Plan to include all territory within Lomita's incorporated area, as well as "any land outside its boundaries which in the planning agency's judgment bears relation to its planning" (California Government Code Section 65300). The Planning Area includes the entirety of the City within its limits (approximately 1,228 acres).

Project Description

The City of Lomita is preparing a comprehensive update to its existing General Plan. The updated Lomita General Plan is expected to be adopted in 2024 and will guide the City's development and conservation through land use objectives and policy guidance. The General Plan is intended to be an expression of the community's vision for the City's Planning Area and constitutes the policy and regulatory framework by which future development projects will be reviewed and public improvements will be implemented. The General Plan is being prepared to address the requirements of State law and the relevant items addressed in Government Code Section 65300 et seq. The City will implement the General Plan by requiring

development, infrastructure improvements, and other projects to be consistent with its policies and by implementing the actions included in the General Plan.

State law requires the City to adopt a comprehensive, long-term General Plan for the physical development of its Planning Area. The General Plan must include land use, circulation, housing, conservation, open space, noise, safety, and environmental justice elements, as specified in Government Code Section 65302, to the extent that the issues identified by state law exist in the City's Planning Area.

The Lomita General Plan will include a comprehensive set of goals, policies, and actions (implementation measures), as well as a revised Land Use Map and Zoning Map. Goals in the General Plan are the broadest statements of community values. They are generalized ideals which provide a sense of direction for action. Goals are overall statements of desired future conditions. The essence of the General Plan is contained within its policies. Policies are statements which further refine the goals and guide the course of action the City must take to achieve the goals in the General Plan. It is important to note that policies are guides for decision-makers, not decisions themselves. Action items are steps or actions the City should take to implement the General Plan.

Additional elements that relate to the physical development of the City may also be addressed in the General Plan. The degree of specificity and level of detail of the discussion of each General Plan Element need only reflect local conditions and circumstances. The Lomita General Plan will include all of the state-mandated elements and may also address optional topics, as either stand-alone elements or in conjunction with a required element.

The Lomita General Plan is intended to reflect the desires and vision of Lomita residents, businesses, the Planning Commission, and City Council. The following objectives were identified for the proposed update to the General Plan:

1. Preserve, protect, and enhance the city's existing residential neighborhoods;
2. Celebrate and enhance Downtown Lomita;
3. Expand the range of housing choices to allow more people to live and work in Lomita;
4. Encourage new desirable uses in Lomita and expand the local economy;
5. Promote walkability to everyday uses;
6. Expand the range of high-quality housing options;
7. Create pedestrian-scaled environments;
8. Target housing growth to support commercial activity;
9. Reinforce corridors with memorable places;
10. Create a fiscally-sustainable land use plan with balanced residential and nonresidential development; and
11. Address new requirements of State law.

The City is also preparing a Zoning Code Update to implement the General Plan and create consistency between the Land Use Map and the Zoning Code. The Zoning Code Update will focus on amendments resulting from the City's recently certified 2021-2029 Housing Element, and primarily involve the rezoning of sites to accommodate the City's Regional Housing Needs Allocation (RHNA) and the preparation of Objective Design and Development Standards for residential development.

More specifically, Housing Element Program 14: Rezone Program, is intended to facilitate the development of multifamily housing affordable to lower-income households, especially in areas with

access to resources and opportunity. Program 14 requires the City to: (1) rezone to accommodate the shortfall in the lower-income RHNA; (2) rezone to accommodate the remaining moderate- and above-moderate income RHNA need; and (3) rezone to create a buffer of capacity for the lower- and moderate-income RHNA. The Zoning Code Update will be implemented in concert with the General Plan Update and will also be analyzed under the General Plan EIR.

The EIR will evaluate the anticipated development that could occur within the Planning Area if every parcel is developed at the densities and intensities allowed under the General Plan. While no specific development projects are proposed as part of the Lomita General Plan Update, the General Plan will accommodate future growth in Lomita, including new businesses, expansion of existing businesses, and new residential uses. The buildout analysis assumes a 20-year planning horizon, and 2045 would be the full buildout year of the General Plan (the theoretical point at which all parcels in the City are developed according to their General Plan land use designation).

See Chapter 2.0 of the Draft EIR for the complete Project Description.

Significant Environmental Effects

The Draft EIR has identified the following environmental issue areas as having significant and unavoidable environmental impacts from implementation of the Project: Air Quality and Cumulative Air Quality, Greenhouse Gas Emissions and Cumulative Greenhouse Gas Emissions, and Transportation related to Vehicle Miles Traveled. All other environmental issues were determined to have no impact, less than significant impacts, or less than significant impacts with implementation of General Plan Update goals, policies, and actions.

Public Review and Comment Period

A 45-day public review period for the Draft EIR will commence on July 22, 2024, and end on September 4, 2024, for interested individuals and public agencies to submit written comments on the document. Written comments concerning the Draft EIR are due by 5:00 p.m. on September 4, 2024, and should be submitted to the attention of Brianna Rindge, Community & Economic Development Director, City of Lomita, Community & Development Department, Lomita, CA 90717; or by e-mail to b.rindge@lomitacity.org. Copies of the Draft EIR are available for review at the City of Lomita Community & Economic Development Department (24300 Narbonne Avenue, Lomita, CA 90717).

The Draft EIR also may be reviewed online at: <https://lomita.generalplan.org/>

AIRCRAFT OPERATIONS AND NOISE ADVISORY

LOS ANGELES INTERNATIONAL AIRPORT (LAX) Schedule of Upcoming Runway Closures July 2024

Los Angeles World Airports is committed to being a good neighbor by minimizing aircraft noise within surrounding communities when possible and keeping our neighbors informed of any temporary changes in aircraft operations. As part of this effort, we are providing information on upcoming runway closures that may cause residents to notice a change in aircraft flight activity and associated noise. This information is intended to help promote public awareness and understanding of aircraft noise issues that may temporarily affect residential areas.

The following table provides a schedule of runway closure activity for July 2024. To learn more about the specific change in aircraft operations associated with each runway closure, please click on the hyperlink below in the last column.

Any update or change to the existing schedule will be provided as needed. New schedules for subsequent months will be provided monthly.

Thank you for your understanding and patience during these runway closures.
