CITY MANAGER'S OFFICE

Welcome Back to School!

 The City of Rancho Palos Verdes wishes all students, teachers and school staff in our community a wonderful school year!

 However you are getting to and from school, the City reminds everyone to please stay safe and vigilant.

City Hall Anniversary Open House

Join Team RPV at City Hall on September 5 for an open house to mark the 51st anniversary of the City's incorporation on September 7, 1973. Visit anytime between 2 p.m. to 6 p.m. to tour City Hall, meet City officials and staff who keep the City running, and see where they work. Refreshments will be served.

August 20, 2024, City Council Meeting Highlights

Highlights from the August 20 City Council meeting:

- The City's geologist gave the latest updates on land movement in the Portuguese Bend Landslide complex. While the overall rate of movement across 680 acres varies from acceleration of 13% to deceleration of 13%, the overall trend is deceleration of 1%. However, the landslide is still moving approximately 88 times faster than it was in October 2022.
- Borehole drilling has shown there is movement on a deeper slide plane, which had not been previously known, and the deeper slide plane is moving much faster than the shallower slide plane.
- This means City staff and the team of geologists and engineers working to slow the land movement must change their strategy. The Council authorized City staff to take a more holistic approach by expanding the project area to encompass the entire landslide complex, prioritizing the deeper slide.
- City Staff will return to the Council with emergency construction contracts to install deeper, vertical dewatering wells as a pilot program at the toe of the landslide to provide immediate relief. Drilling of these wells is expected to begin in the coming weeks.
- Staff will continue work on developing drainage improvements and assessing the timing of the hydraugers.
- Staff will also explore what temporary housing resources may be available from the county or state for residents displaced by land movement.
- The Council postponed a discussion on potentially taking a position on PVPUSD's school bond measure, as there was not a large enough majority vote to take a position. Instead, this topic will be revisited at the September 3 City Council meeting.

For all City Council actions from the meeting, watch video at rpvca.gov/agendas.

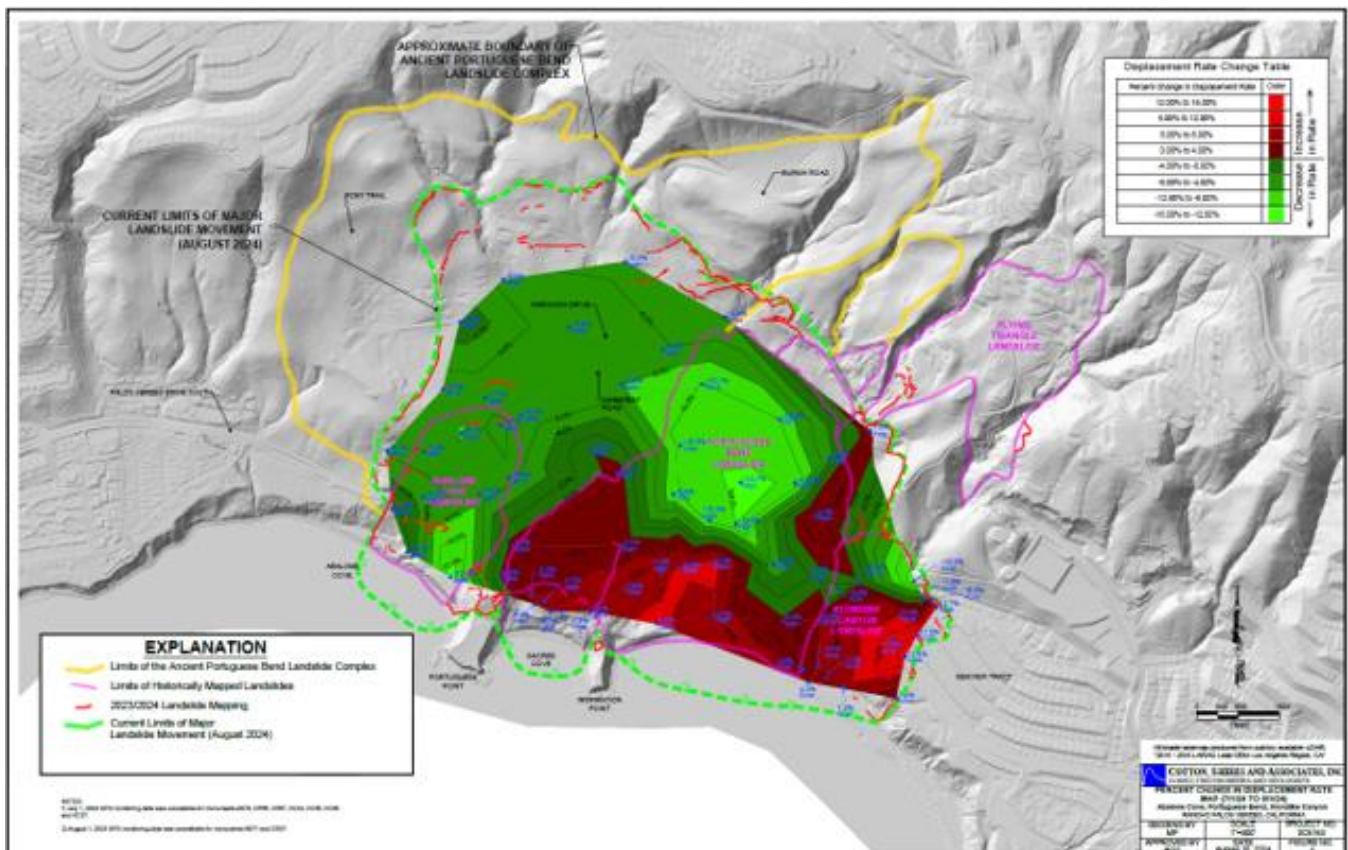

Land Movement Updates

Geologist Update

At last night's City Council meeting, the City's geologist, Mike Phipps of Cotton, Shires and Associates, gave an update on the latest land movement data in the Portuguese Bend Landslide complex.

Across 680 acres, the overall rate of movement is leveling off, decelerating by 1% from July to August. Movement ranged from 13% acceleration, to -13% deceleration, depending on location. Generally, movement on the north and west ends of the landslide complex is slowing down, while movement at the south end continues to accelerate, as shown in the map below.

Percent Change in Displacement Rate Map - July-August 2024. Red represents acceleration and green represents deceleration. [Click image to open PDF.](#)

Mr. Phipps called the overall deceleration a “positive sign,” but cautioned that the land is still moving 3.5-4.5 feet per month, about 88 times faster than it was in October 2022. He likened the situation to a car going from accelerating on a freeway to cruising.

Mr. Phipps still does not believe there is risk for a sudden, catastrophic landslide. He also noted that recent data shows the boundaries of the active landslide area have not expanded beyond 680 acres. The City is carefully monitoring the current boundaries of movement for any signs of expansion.

Watch a [recording of the full presentation](#) on the City website.

Hydraugers Project Update

In June, crews began drilling boreholes in the landslide area as the first step in the City’s project to install two emergency hydraugers — one that will remove water underground contributing to land movement, and another that will intercept water to prevent recharging of groundwater. This test borehole drilling has proven highly beneficial. Samples taken from as deep as approximately 350 feet showed that there is movement on a deeper slide plane in the landslide complex, which had not been previously known. The deeper slide plane is moving much faster than the shallower slide plane targeted by the hydrauger project.

This new information means City staff and the team of geologists and engineers working to slow the land movement must change their strategy. At last night’s meeting, the Council authorized City staff to take a more holistic approach by expanding the project area to encompass the entire landslide complex, prioritizing the deeper slide.

City Staff will return to the Council with emergency construction contracts to install deeper, vertical dewatering wells as a pilot program at the toe of the landslide to provide immediate relief from water pressure. Drilling of these wells is expected to begin in the coming weeks. The team will continue to work on developing drainage improvements and assessing the timing of the hydraugers. The City also plans to drill more boreholes throughout the larger landslide area to help the team get a more complete picture of what’s happening underground, as the samples collected to date were isolated to the south end of the Portuguese Bend Landslide.

How to Sign Up for SCE Outage Alerts

On August 19, SCE informed the City of a temporary repair outage in the Seaview neighborhood due to emergency work related to land movement. As a reminder, in the event of a power outage, residents can check sce.com/outage for the latest updates, including an estimated restoration time. Report an outage at sce.com/outage or by calling 1-800-611-1911.

To sign up for outage alerts, go to sce.com/outagealerts. Sign in to your account, click on Profile Settings, and navigate to Contacts for Notifications to add contact information. Then navigate to Preference Center and under Account Preferences, select what notifications you want to receive.

If you have noticed SCE helicopters in the landslide area, please note that this is related to ongoing aerial monitoring, as SCE has added the landslide area to its regular route for situational awareness related to landslide activities.

The City will continue to provide regular community updates at rpvca.gov/landmovement.

Questions?

If you have questions, please email landmovement@rpvca.gov.

Media Inquiries

If you have a media inquiry related to land movement in the City of Rancho Palos Verdes, please contact the City's communications partner, Tripepi Smith, with your questions at RPVMedia@TripepiSmith.com. They will also add you to our media list so you receive our listserv updates, press releases and media advisories.

Candidate Forum Information

Candidate forums/debates for the November 5 General Municipal Election have been scheduled. Five candidates are running for two seats on the City Council. All forums will be recorded by RPVtv for later broadcast on Cox 33/Frontier FiOS 38 and uploaded to [YouTube](https://www.youtube.com).

September 4

7:00 p.m. - 9:00 p.m.

City Council Candidate Forum

Hosted by the League of Women Voters

McTaggart Hall in Hesse Park,
29301 Hawthorne Blvd., Rancho Palos
Verdes

September 18

7:00 p.m. - 9:00 p.m.

City Council Candidate Forum

Hosted by the PVP Chamber of
Commerce/CHOA

McTaggart Hall in Hesse Park,
29301 Hawthorne Blvd., Rancho Palos Verdes

For more information about the November 5 General Municipal Election, please visit rpvca.gov/elections.

Peninsula Seniors Bohannon Lecture Series August 2024

Join Peninsula Seniors for the
Bohannon Lecture Series on
Wednesdays this month, from
10:30-11:30 a.m. at the Scriba
Family Center in Rolling Hills

Peninsula Seniors

Estates. A Coffee Social will be available to all attendees starting at 10:15 a.m. The Series is open to the community. Space is limited.

August 28: "Art Appreciation - Impressionism"

Members Ann and Lee Strong present a two-lecture program about the Impressionist Art movement of the late nineteenth and early twentieth centuries. The talks will examine the origin of the movement, its most prominent artists, and Impressionist works on display at local museums.

Call Renee Reymond, Program Coordinator, at 310-377-3003 for details.

8th Annual Upside of Aging September 25

Join the Palos Verdes Peninsula Village on September 25 at 1 p.m. at the Palos Verdes Golf Club for the Upside of Aging featuring a conversation with Helen Dennis and Jean Adelsman on thriving in the second half of life.

Helen Dennis is a nationally recognized leader on aging and retirement and is widely known to the South Bay through her weekly syndicated column, *Successful Aging*. Jean Adelsman is a trusted community leader and former managing editor of the Daily Breeze.

Learn and connect with others during an inspiring afternoon. Plus, explore the Village's community resource fair and bid on unique prizes during a silent auction.

Please RSVP to PVPVillageOffice@gmail.com or call 310-415-2762.

Weekly Crime Report Summaries

The Lomita Sheriff's Station produces a weekly crime report summary that includes information about reported crimes and arrests for the areas served by the Lomita Sheriff's Station, including the City of Rancho Palos Verdes.

Explore an archive of weekly crime reports and an interactive map on the City website at rpvca.gov/crimereports. If you need any assistance accessing the weekly crime reports or navigating the interactive mapping feature on the City's website, please reach out to us at 310-544-5305 or via email at publicsafety@rpvca.gov.

Please note that the information contained in these reports is subject to the Los Angeles County Sheriff's Department's reporting protocols. As a result, details related to ongoing investigations may not be included. For a complete list of all crimes, you may visit LASD's [Transparency page](#).

Apply for a Public Safety Reimbursement from the City

The City of Rancho Palos Verdes offers reimbursements for half the cost of a new doorbell or neighborhood camera system, up to \$2,000 for neighborhoods/HOAs, and up to \$100 for individuals. The City aims to encourage the use of cameras and other public safety tools to strengthen neighborhood vigilance and security.

Learn more about the application process at: ow.ly/Etum50SBFG4

50
PUBLIC SAFETY REIMBURSEMENT PROGRAM

Eligible for up to \$2,000 for a neighborhood/HOA or \$100 for an individual

Beat the Heat

We are nearing the peak of the summer heat, make sure you are taking steps to stay cool and avoid heat related illnesses.

1. Stay hydrated – drink lots of water and remember that alcohol, sugary drinks, and caffeine dehydrate you!
2. Avoid physical work during the hottest times of the day, when possible.
3. Keep cool by wearing light, loose clothes and staying in the shade when outside.
4. Never leave a person or animal in a car on a warm day, even in the shade with windows partially open. It can be deadly!
5. Eat small, easy to digest meals (ex. fruits or salad) and eat more often. Avoid hot, heavy meals that include proteins; these increase your metabolism and water loss

Know the signs of heat stroke:

- *Hot, red, dry or damp skin*
- *Fast, strong pulse*
- *Headache*
- *Dizziness*
- *Vomiting/Nausea*
- *Confusion*
- *Unconsciousness*

If you suspect someone is having a heat stroke, call 9-1-1 immediately and begin trying to cool them down.

If you feel hot and want to cool off, you should:

1. Use air conditioning (A/C) if possible or go somewhere cool like a library, mall, or cooling center.
2. Cool your home without A/C by closing blinds, doors, and windows; using ceiling fans; and putting ice or a damp towel in front of electric fans to blow cooler air.
3. Drench clothes in cold water

4. Put hands and feet in cold water or take cold showers/baths
5. Put cool, wet towels on head, neck, and shoulders

Learn more about heat safety: <https://www.ready.gov/heat>

Extreme heat can be accompanied and exasperated by other emergencies, such as power outages and wildfires. Make sure you are aware of local emergencies by signing up for emergency alerts from Alert SouthBay by texting “alertsby” to 888-777, registering online at [alertsouthbay.com](https://www.alertsouthbay.com) or downloading the Everbridge app.

FINANCE DEPARTMENT

Sales Tax Update – 1Q 2024

Statewide Results

California's local one cent sales and use tax receipts during the months of January through March were 0.2% lower than the same quarter one year ago. The calendar year first quarter is traditionally the lowest sales tax generating period; however, returns were more on par with the comparison period. The Federal Reserve and their position with the Fed Funds Rate remain the most probable component between economic stagnation or spring-boarding consumer spending.

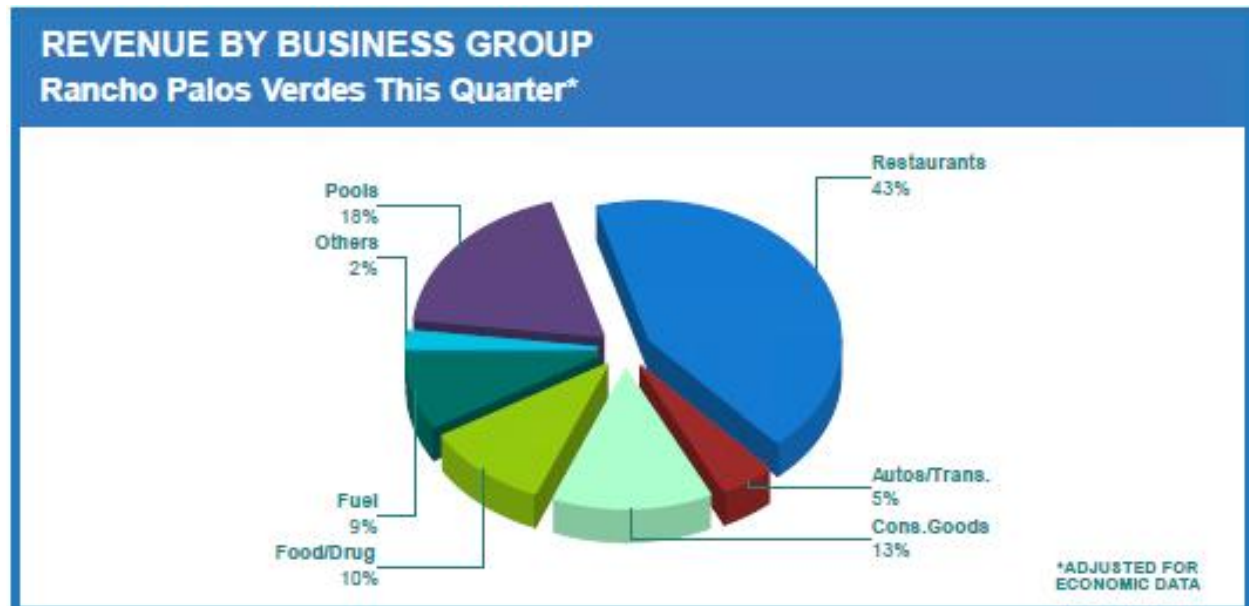

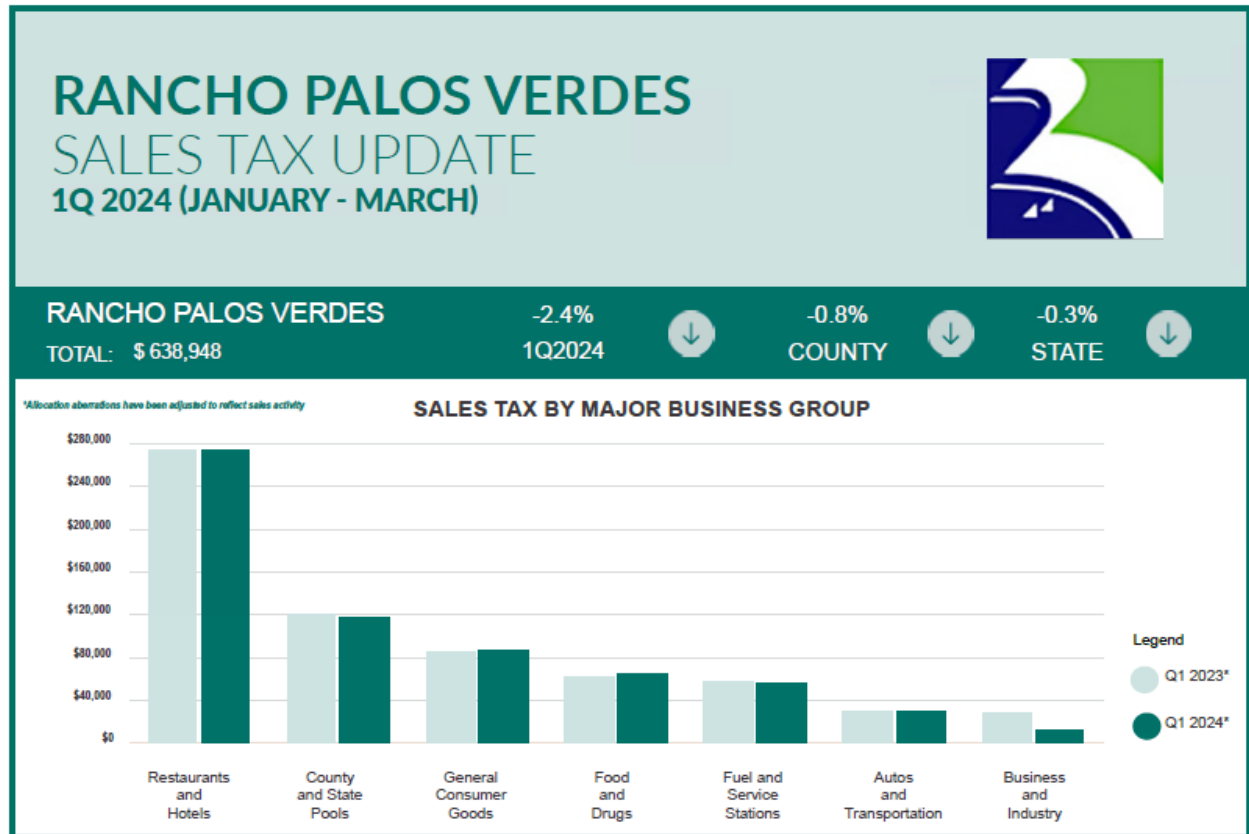

First Quarter 2024 in Brief – Rancho Palos Verdes

The City's 1% Bradley-Burns Local Sales and Use Tax revenue decreased by 2.4% compared to the same period in 2024. The restaurant group accounted for 43% of total receipts, but sales were flat with levels of a year ago and had little impact on overall results. The higher volume from grocery stores was offset by a lower demand for fuel, but mild growth from off-price department stores lifted general consumer goods.

Category Highlights – Rancho Palos Verdes

Increased sales from food-drugs retailers bolstered the segment up by 3.7%, with inflation providing some contribution. Retailers also collectively showed a modest increase as consumers visited off-price concepts more in search of value shopping. The gains were partially offset by lower prices at the pump. A zero return from within the business-industry sector drove the contraction for the quarter. After anomalies were removed, Rancho Palos Verdes' share of the countywide pool was slightly diminished, adding to the moderate negative pressure on revenue.

The charts on the following page illustrate quarterly comparisons for major business groups and revenue allocations per business group for the first quarter.

PUBLIC WORKS DEPARTMENT

Palos Verdes Drive South Repairs in the Landslide Area

Roadway repairs were performed along Palos Verdes Drive South in the landslide area this week. The roadway will continue to be monitored closely, and additional repairs will be scheduled based on road conditions.

Portuguese Bend Landslide Remediation Emergency Hydraugers Project Update

On May 21, 2024, the City Council approved the Portuguese Bend Landslide Remediation Emergency Hydraugers Project, which consists of the installation of two hydraugers with five drain arrays each. The hydraugers were preceded by test boreholes to better understand underground conditions. Those boreholes revealed a deeper slide plane that is moving at a much faster rate than the shallow slide plane. This unprecedented movement of the deeper slip plane is resulting in a change in the landslide remediation strategy to prioritize the deeper slip plane. Test boreholes will continue in the landslide area to complete the picture of underground conditions throughout the landslide. Meanwhile, vertical dewatering wells that will penetrate the deeper slide plane to relieve water pressure are being designed as quickly as possible.

Drilling Operations at the Fourth Borehole Location Seaward of Palos Verdes Drive South

Relocation of Automated License Plate Recognition Camera

On Monday, August 19, crews successfully relocated an existing Automated License Plate Recognition (ALPR) camera on Palos Verdes Drive South at the city limit with San Pedro. The camera was moved from a dedicated pole to an adjacent pole with existing cell service equipment. This relocation allowed the dedicated pole to be removed, reducing the number of poles in this area.

Neighborhood Beautification Grant Program Accepting Applications through September 30

Applications for the neighborhood beautification projects will be accepted beginning August 12, 2024 through September 30, 2024. Beautification projects must be visible from arterials or collector streets to receive a reimbursement for 50% of the project costs, up to \$5,000.

For full program details, visit rpvca.gov/NBG.

In addition to regularly scheduled maintenance and repairs, Public Works performed the following:

- Weekly landscape maintenance at all City parks.
- Trimmed trees and shrubs at Lower Hesse Park.
- Irrigation repairs have been completed at the following locations:
 - Ryan Park
 - Center median at Palos Verdes Drive South across from the Pelican Cove
 - Del Cerro Park
 - Palos Verdes Drive South near Forestal Drive
- The PW team arranged for an HVAC technician to visit the Point Vicente Interpretive Center to get the main unit operational again.
- Hesse Park is in the process of receiving upgrades with the installation of retrofit inset lights.

- Weed removal, brush clearance, and debris removal continued throughout the City at medians and various right of way locations.
 - Silver Spur Road
 - Little Hawthorne Boulevard from Indian Peak Road to the frontage of Highridge Road
 - Palos Verdes Drive South by Conqueror Drive
 - Lower Hesse Park trees and shrubs were skirted
 - Hawthorne Boulevard center medians & PVD South
- Weed maintenance at Hawthorne Boulevard and Palos Verdes Drive South
- Use the link below to watch our virtual landscape maintenance:
<https://www.relive.cc/view/vRO79gEQ4Kq>

- Continued crack filling the curb, gutters, and streets at Admirable Drive and Dauntless Drive areas.
- Continued localized asphalt patch repairs on Palos Verdes Drive South in between larger roadway repairs.

ADMINISTRATIVE REPORT

August 21, 2024

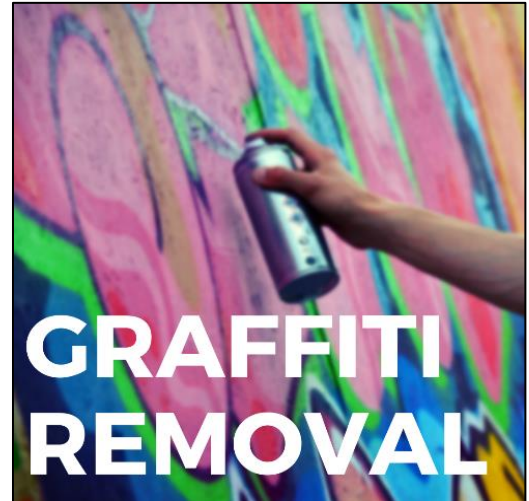

Page 20

- Adjusted barricades on Calle Entradero and added caution tape to reinforce visibility.
- Repaired the following sidewalk deviations:
 - Two locations on the frontage road of Hawthorne Boulevard
 - Galerita Drive
- Repaired a downed bike lane sign at La Rotonda Drive and Palos Verdes Drive South.
- Patched the curb and gutter at Forrestal Drive and Main Sail Drive.
- Replaced the damaged wooden fence posts on Palos Verdes Drive East across from Rockinghorse Road.

Graffiti Removal

- **24** graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

No emergencies were reported this week. However, the Public Works team is on stand-by 24/7.

COMMUNITY DEVELOPMENT DEPARTMENT

Expediting Solar Improvements via Solar APP+ Coming Soon

The City's Building & Safety Division is currently testing the features on Solar APP+, which is short for Solar Automated Permit Processing. Solar APP+ is an online web portal that automates the plan review and process for issuing permits to qualified businesses or individuals to install code-compliant residential photovoltaic (PV)

systems. The new expedited permit process is a State mandated requirement of the Solar Access Act (SB 379-Wiener). A new Solar APP+ [homepage](#) is now available on the City's website and includes a comprehensive Q&A on the new permitting system and a step-by-step guide to submitting a solar project to the City. Please note that the permitting system is currently available for solar companies with existing Solar APP+ experience. For additional information, please contact the City's Building & Safety Division at (310) 544-5280 or via email at BuildingSafety@rpvca.gov.

No Construction on Monday, September 2, 2024 (Labor Day)

Pursuant to Section 17.56.020(B) of the City's Development Code, it is unlawful to carry on construction, grading, or landscaping activities, or to operate heavy equipment except between the hours of 7:00 A.M. and 6:00 P.M. Monday through Friday, and between the hours of 9:00 A.M. and 5:00 P.M. on Saturday. No such activity shall be permitted on Sundays, or the legal holidays (within the city's permitted construction hours), unless a Special Construction Permit is approved by the Community Development Director. Click [here](#) to download the Special Construction Permit application. For additional information, please contact the Community Development Department at (310) 544-5228 or planning@rpvca.gov

REMINDER: Southern California Association of Governments (SCAG) –2024 Demographic Workshop

On September 24, 2024 SCAG will host their Annual Demographic Workshop, titled “Navigating the New Growth Reality.” The workshop will discuss how changing population growth affects regional planning—from accommodating development to improving quality of life and cultivating the economy. The program will feature robust panel

sessions, a keynote address and expert insights related to region-specific details from American Community Survey data and other demographic signals crucial to informed and effective planning decisions. For registration details and additional information, please visit the SCAG website at <https://scag.ca.gov/2024-southern-california-annual-demographic-workshop>

Planning Commission Meeting Agenda

The Planning Commission’s regular meeting scheduled on August 27, 2024 has been canceled. The next regularly scheduled meeting is Tuesday, September 10, 2024.

RECREATION AND PARKS DEPARTMENT

Final Summer Concert Right Around the Corner

Come join us for this summer's last Concert in the Park on August 24 at the Ken Dyda Civic Center. AbSOULute will be playing soul, funk, and R&B from 4 p.m. to 6 p.m. There will be a food truck on-site and beer and wine will be sold by the PV Sunset Rotary. This free event will also offer inflatables and free giveaways. Will attendees have a good time? AbSOULutely!

REACH Update

The REACH program serves the social and recreational needs of youths and adults with developmental disabilities and is back at Hesse Park for in-person activities.

To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

Clay-tastic Cactus Creations

Want to unleash your inner creativity? REACH discovered there are more ways than one to get messily creative. We shaped and molded, squished and squashed, until we each made our own unique and fun creations. The great thing about clay, is that everyone's craft is an original-no two are alike, just like REACH members. When we are allowed to let our creativity run wild and free, we learn that each of us is like a little cactus, different in every way.

Upcoming REACH events include a fun Scavenger Hunt at the Redondo Beach Pier on August 21 and a visit to Top Golf on August 24.

Parks Weekend Attendance Report

Below is a summary report of estimated public usage for the past weekend.

- HESSE PARK - walking paths, playground, and grass area
Estimated total park attendance: 1,047
- RYAN PARK - walking paths, playground, basketball court, and grass area
Estimated total park attendance: 398
- EASTVIEW PARK - walking paths, playground, dog park, and grass area
Estimated total park attendance: 569
- LOWER POINT VICENTE PARK - walking paths and grass area
Estimated total park attendance 3,061
- LADERA LINDA COMMUNITY PARK – walking paths, grass areas, playgrounds, basketball and paddle tennis courts.
Estimated total park attendance: 213

Total Weekend Attendance: 5,288

Preserve and Beach Weekend Activity August 17-18

Public Contacts: 271

Violations observed: 22

Notice of Parking Citations: 8

Abalone Cove Reserve

On August 16, Staff removed graffiti on a pipe near Beach School Trail and a second instance of graffiti on a rock at Sea Dahlia Trail.

Ocean Trails Reserve

On August 13, Park Rangers removed two instances of graffiti on Sunrise Trail and Sunset Trail.

SIGN UP NOW FOR A **FREE IN-PERSON** COMMUNITY EMERGENCY RESPONSE TEAM TRAINING!*

The County of Los Angeles Fire Department is hosting a Community Emergency Response Team (CERT) training. This in-person training will be conducted over three-consecutive Saturdays beginning October 26, 2024.

Participants must complete the entire 20-hour course to receive a certificate of completion.

HAWTHORNE MEMORIAL CENTER

3901 West El Segundo Boulevard, Hawthorne, CA 90250

**SATURDAY,
OCTOBER 26, 2024
9 A.M. - 5 P.M.**

**SATURDAY,
NOVEMBER 2, 2024
9 A.M. - 5 P.M.**

**SATURDAY,
NOVEMBER 9, 2024
9 A.M. - 5 P.M.**

**This CERT training is open to everyone 16 years of age and older!*

After a major disaster, first responders may be inundated with emergency requests and demands. Residents may have to rely on each other for immediate first aid and life-sustaining needs. The Department's CERT program provides the public with basic training in safety and life-saving skills.

The CERT program is developed in accordance with standards set by the Federal Emergency Management Agency.
