## What Will You Do If You Must Evacuate During an Emergency?

We cannot prevent all disasters, but we can prepare! Having a plan is critical when you need to act quickly to protect yourself and your loved ones. If you receive an Evacuation Order and must leave the area immediately, will you be ready to go? Answer the questions below to help you make your plan and be prepared.

**How will you be notified?** Get information about evacuation routes and resources by signing up for Alert South Bay at <https://alertsouthbay.com/> or text “alertrpv” to 888-777.

**Where can you go?** Identify at least 2 places outside of your area that you can stay at if you must evacuate. Make sure you have plans for your animals too!

**How will you get there?** Have a backup plan if you are unable to use your regular transportation and keep gas tanks at least halfway full. *Gas stations may be closed during a disaster!*

**What do you need to take with you?** Consider what you will need while evacuated and make a kit (ex. water/food, cash, medicine, clothes, sturdy shoes, important documents, etc.).

**What else will you need?** Consider comfort and entertainment items for children, supplies for animals, and back up pharmacies and medical services (ex. dialysis) in locations you may evacuate to.

Practice your plan at least twice a year with everyone in your household, including animals and children. This can help make evacuations easier and less stressful.

## Consumer Price Index – August 2024

In August, the Consumer Price Index (CPI) increased by 0.2% over the month, the same increase as in July. The index for shelter rose by 0.5% in August and was the main factor in the latest increase. Energy prices fell by 0.8% after being unchanged in July. Over the past year, the all items index, or CPI, rose by 2.5% and continued its downward trend.

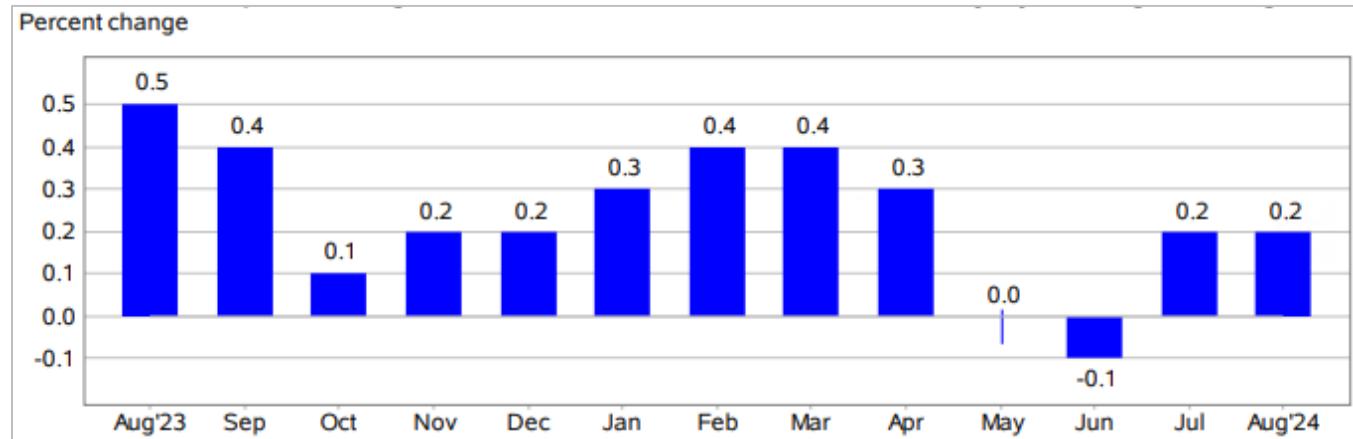

Moreover, the food index increased by 2.1% while the energy index decreased by 4.0% for the 12 months ending August. Excluding food and energy (core CPI), the index rose by 0.3% from July to August and rose by 3.2% over the last year.

## Consumer Price Index – Los Angeles Area

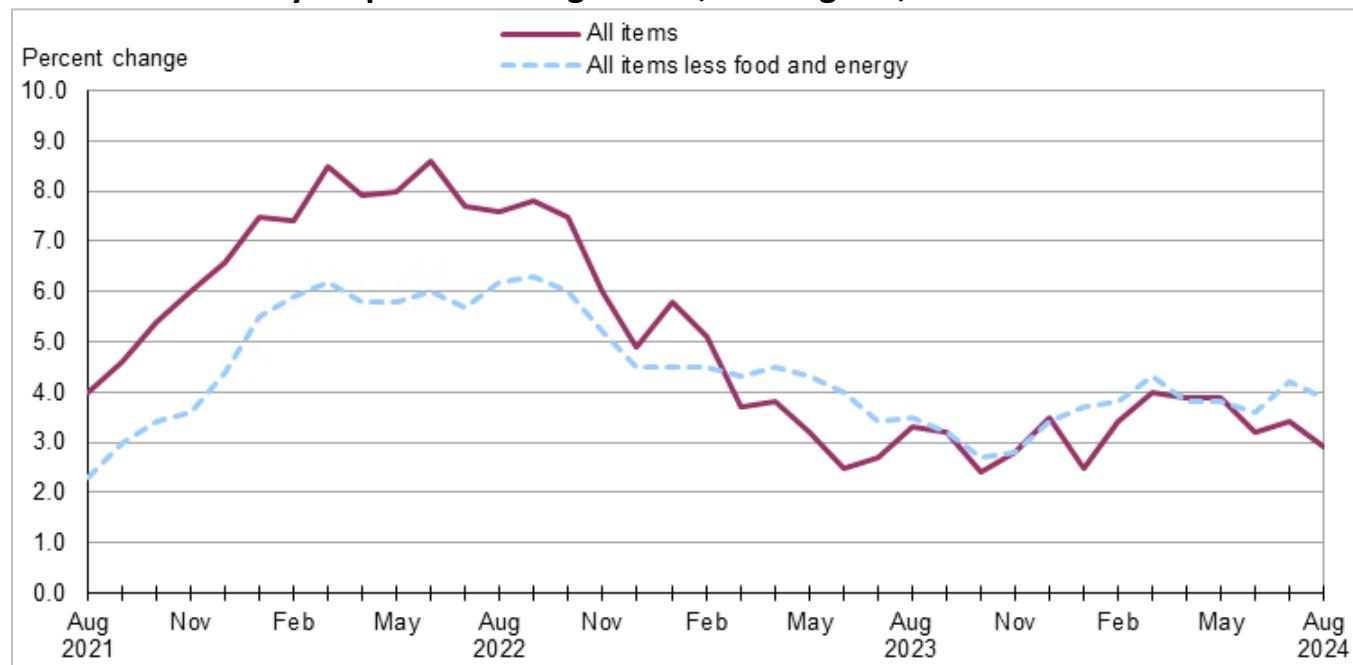

As measured by the CPI, prices in the Los Angeles area increased by 0.1% in August. The monthly increase was once again influenced by higher prices for shelter. Over the past 12 months, CPI grew by 2.9% after rising by 3.4% through July. Measured annually, food prices are up 2.5%, while energy prices fell by 8.8% largely due to the lower prices for gasoline. The index for all items less food and energy increased 3.9% over the year.

## PUBLIC WORKS DEPARTMENT

# PUBLIC WORKS PROJECTS

### Portuguese Bend Landslide Remediation Emergency Hydraugers Project Update

On May 21, 2024, the City Council approved the Portuguese Bend Landslide Remediation Emergency Hydraugers Project, which consists of the installation of two hydraugers with five drain arrays each. The hydraugers were preceded by test boreholes to better understand underground conditions. Those boreholes revealed a deeper slide plane that is moving at a much faster rate than the shallow slide plane.

The unprecedented rate of movement of the deeper slip plane is resulting in a change in the landslide remediation strategy to prioritize the deeper slip plane. Test boreholes will continue in the landslide area to complete the picture of underground conditions throughout the landslide.

Meanwhile, vertical dewatering wells that will penetrate the deeper slide plane to relieve water pressure are being designed and constructed as quickly as possible. Installation of the first vertical deep dewatering well has started and the second well is being scheduled within the next week.

Please join Los Serenos de Point Vicente on September 21 for the 40<sup>th</sup> Annual Coastal Clean Up Day. Native plants including deerweed were purchased from the Palos Verdes Peninsula Land Conservancy. The volunteers laid out the plants

The milkweed was planted by a Boy Scout Troop 4 years ago.

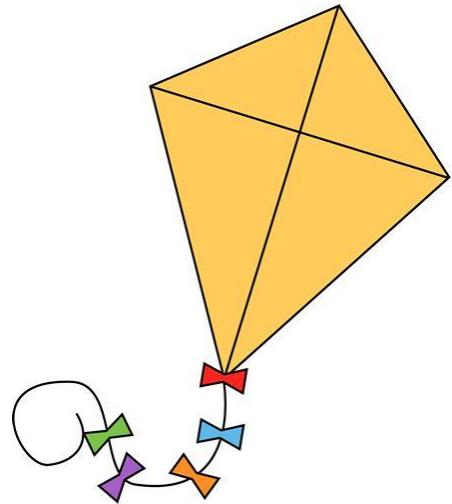

## REACH Update

To RSVP for REACH activities or if you have questions, please email [reach@rpvca.gov](mailto:reach@rpvca.gov).

## Let's Go Fly A Kite!

What better way to send off the summer, than with beautifully decorated kites. REACH spent the evening working on their individually crafted kites. We ran around flying our kites to see who could get it the highest. The wind wasn't always on our side, but it made for some funny fiascos. It wasn't long before we were all out of breath and heading back to enjoy some yummy hot dogs and hamburgers. It was a delightful way to enjoy the good old outdoors and stay fun, fit, and active.

Upcoming REACH events include an exciting trip to the Hollywood Wax Museum on September 14 and Karaoke in the Park on September 18.
