## CITY MANAGER'S OFFICE

### Happy Halloween and Daylight Saving Time Reminder

The City of Rancho Palos Verdes wishes residents a safe and spooky Halloween and reminds everyone that Daylight Saving Time ends this Sunday, November 3 at 2 a.m. Remember to set your clocks back one hour (and to replace the batteries in your smoke and carbon monoxide detectors).

### RPV, FEMA and Cal OES Announce \$42 Million Voluntary Property Buyout Program for Homes Impacted by Land Movement

On October 28, the City of Rancho Palos Verdes, the Federal Emergency Management Agency (FEMA), and the California Governor's Office of Emergency Services (Cal OES)

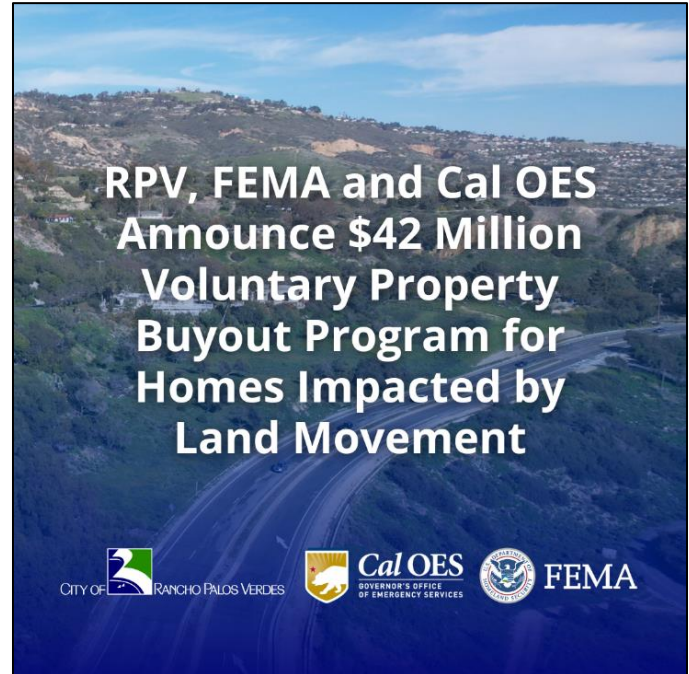

announced a \$42 million [voluntary buyout program](#) for property owners in the Greater Portuguese Bend landslide area whose homes have been damaged or threatened by land movement.

Established with funding from FEMA's [Hazard Mitigation Grant Program](#), the Voluntary Property Buyout Program is intended to help eligible homeowners relocate to safer areas by offering a fair market value for their properties based on pre-disaster appraisals. Properties acquired by the City through this program will be permanently converted to open space and deed-restricted, protecting the community from future redevelopment risks in these vulnerable areas.

Slow-moving, ancient landslides in the City have significantly accelerated since 2023 following two consecutive heavy rainy seasons that caused damage to homes, roads, and utilities, resulting in indefinite gas and electricity shutoffs for hundreds of residents.

"For the past two years, our residents have endured extraordinary hardships as a result of this landslide, with some facing the real prospect of losing their homes entirely," said Rancho Palos Verdes Mayor John Cruikshank. "This buyout program provides a viable pathway forward for our most vulnerable community members, offering the opportunity to relocate and rebuild with meaningful compensation. On behalf of the entire City, I express my deep appreciation to FEMA and Cal OES for working with the City to establish this program. We understand the complexity and emotional weight of this for our residents and are committed to making the process as transparent and compassionate as possible."

The Rancho Palos Verdes City Council announced the program at a special town hall meeting on Oct. 28, sharing program details and answering resident questions with support from FEMA and Cal OES representatives in attendance. FEMA has allocated funding for this program based on the federally declared California disaster for the winter storms between Jan. 31 and Feb. 9, 2024. Additional program cycles may become available in the future.

A recording of the meeting is available on RPVtv's [YouTube channel](#).

The [PowerPoint presentation \(PDF\)](#) from the town hall is also available on the City website.

Monday evening's announcement represents the largest grant amount in the City's history and comes as the City continues to see promising signs that the unprecedented land movement is slowing. The deceleration is the result of dewatering efforts by the City, the Abalone Cove Landslide Abatement District, and the Klondike Canyon Landslide Abatement District, in combination with drier weather conditions.

Property owners interested in applying for the buyout program must request a voluntary property inspection from the City by **Monday, Nov. 4 at 5:30 p.m.** and submit a completed program application by **Friday, Nov. 8 at 4:30 p.m.** The City and Cal OES will review all applications to ensure they meet FEMA's eligibility criteria. Properties will be prioritized for selection based on factors such as safety concerns, structural condition, and utility statuses.

If selected for a grant under the program, the City will purchase the property for a price determined by an appraisal that is based on the fair market value of the land on Dec. 1, 2022, prior to the acceleration of the landslide. The FEMA grant will pay for 75% of the sale, and property owners will contribute the remaining 25% through a reduction of the fair market value payment. Property owners who have been selected to proceed with the purchase of their property may withdraw at any time prior to sale closing. At closing, the property will be deed restricted as open space, and the City cannot sell it to private individuals or develop it.

Residents with questions about the Voluntary Property Buyout Program can contact the City at [LandMovement@RPVca.gov](mailto:LandMovement@RPVca.gov) or visit [RPVca.gov/LandMovement](https://RPVca.gov/LandMovement).

## CSU Channel Islands Students Visit RPV

Last week, students from CSU Channel Islands visited RPV to learn about the City's complex of ancient, slow-moving landslides, which have long been the subject of academic study.

RPV was selected for the Marine Coastal Management class field trip so students could witness firsthand the environmental and community impacts of the landslide and gain a deeper understanding of its causes, the local response, and the current efforts aimed at relief and mitigation. City Manager Ara Mihranian gave a presentation to the students and answered their thoughtful questions. The field trip helped them link classroom concepts to real-world coastal management issues and policy responses, giving them a more comprehensive view of how environmental science intersects with local governance and community action.

Thank you, Professors Brenton Spies and Sean Anderson, for thinking of RPV and arranging the visit.

## City Hall Vote-By-Mail Drop Box Available

The Vote-by-Mail Drop Box outside RPV City Hall is available for use.

Voters can drop off their vote-by-mail ballots in the drop box near the flagpole until 8 p.m. on Election Day, November 5. City Hall is located at 30940 Hawthorne Boulevard.

Before you drop off your vote-by-mail ballot, make sure to:

- Place your voted ballot card(s) inside the official return envelope.
- Securely seal the official return envelope.
- Sign and date the back of the official return envelope.

Ballots will be securely collected by L.A. County Registrar-Recorder staff members.

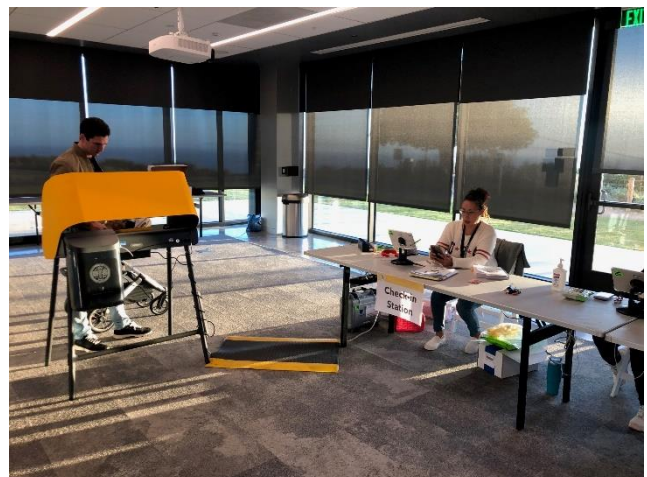

Voters can track their vote-by-mail ballot every step of the way. Subscribe to receive real-time tracking notifications by text, email or voicemail at [wheresmyballot.sos.ca.gov](https://wheresmyballot.sos.ca.gov).

For more information on voting in L.A. County, visit [lavote.gov](https://lavote.gov).

## Update on Voter Turnout for One-Day Vote Centers at City Hall (Ken Dyda Civic Center) and Ladera Linda Community Park

On Tuesday, October 29, the City hosted two One-Day Early Vote Centers at City Hall (Ken Dyda Civic Center) and Ladera Linda Community Park. At City Hall there were a total of 155 voters that turned out to vote in person or to drop off their sealed mail-in ballots with the election officials. At Ladera Linda Community Park there were 28 in person voters and 19 sealed mail-in ballots that were dropped off in person with the election officials.

## **Caltrans Releases Environmental Document for Vincent Thomas Bridge Deck Replacement Project**

Caltrans has released the Final Environmental Impact Report and Environmental Assessment (EIR/EA) for the Vincent Thomas Bridge (State Route 47) Deck Replacement Project, which includes results from technical and environmental studies. Additionally, the document identifies the single-stage construction staging option to fully close the bridge as the preferred construction alternative.

Public comment on the Draft EIR lasted 90 days, ending on July 15, 2024. Caltrans received 267 comments throughout the circulation period from residents and stakeholder groups, including the City of Rancho Palos Verdes. The Final EIR can be found online by visiting the project [website](#).

As part of construction, a full closure of the Vincent Thomas Bridge will take place for approximately 16 months for crews to remove the current bridge deck and install a pre-cast bridge deck. The department's selection of the single-stage option allows for the shortest construction time, is the safest construction alternative, most cost-efficient alternative, and provides opportunities to improve construction schedule.

The purpose of the Vincent Thomas Bridge Deck Replacement Project is to preserve the bridge's structural integrity and to enhance its overall safety. Construction, which is anticipated to begin in late 2025 or early 2026, will impact travel along State Route 47 (SR 47), state highways, and local streets.

Caltrans will be hosting open houses prior to construction to inform the community on construction and its impacts on neighborhoods and commutes. Individual meetings will be held in person in San Pedro and Wilmington and virtually as well. Additionally, Caltrans will create a Traffic Management Plan Task Force to receive input and develop its plan to detour traffic around the closure and divert traffic onto freeways.

- If you have questions, please email [vtbproject@dot.ca.gov](mailto:vtbproject@dot.ca.gov).
- Visit the project website at [virtualeventroom.com/caltrans/vtb/](https://virtualeventroom.com/caltrans/vtb/).

Caltrans reminds motorists to be "Work Zone Alert" and "Slow for the Cone Zone."

## Recap of the Prepared Peninsula Expo

The four cities of the Palos Verdes Peninsula came together again for a 10<sup>th</sup> year for the Prepared Peninsula Expo.

Thanks to all those who showed up to both share and gather information and resources on disaster preparedness!

If you missed the expo, but want to learn how to prepare yourself and your loved ones for emergencies, start by taking these steps:

1. Sign up for Alert South Bay at [www.alertsouthbay.com](http://www.alertsouthbay.com)
2. Make an emergency plan for how you will communicate with loved ones, where you will go, how you will get there, and what you can do to stay safe during different emergencies you might experience. Learn more: [www.ready.gov/plan](http://www.ready.gov/plan)
3. Gather emergency supplies to keep in your home, car, work, and anywhere else you frequent. Consider what you will need in each type of emergency. Learn more: <https://www.ready.gov/kit>

## Cybersecurity

October is Cybersecurity Awareness Month, an international initiative that educates everyone about online safety and empowers individuals and businesses to protect their data from cybercrime. Even amidst large-scale data breaches and cyberattacks, Cybersecurity Awareness Month reminds everyone that there are simple, effective ways to keep yourself safe online, protect your personal data, and ultimately help secure our world.

Cybersecurity Awareness Month focuses on the top four ways to stay safe online. You should:

1. Use strong passwords and a password manager
2. Turn on multifactor authentication
3. Recognize and report phishing
4. Update software

For more information about Cybersecurity, visit [cisa.gov/cybersecurity-awareness-month](https://cisa.gov/cybersecurity-awareness-month) and [staysafeonline.org/cybersecurity-awareness-month/](https://staysafeonline.org/cybersecurity-awareness-month/).

CYBERSECURITY  
AWARENESS  
MONTH

### Follow these top tips to stay safe online!

## USE STRONG PASSWORDS...

**Make your passwords:**

**Long:** At least 16 characters  
**Random:** Use upper and lowercase letters, numbers and symbols  
**Unique:** Use a different password for each account

## ...AND A PASSWORD MANAGER

**Password managers can:**

- Store all your passwords
- Tell you when you have weak or reused passwords
- Generate strong passwords for you
- Automatically fill logins into sites and apps

## TURN ON MULTIFACTOR AUTHENTICATION

It provides **extra security** by confirming your identity when logging into accounts, like entering a code texted to a phone or generated by an authenticator app.

## RECOGNIZE AND REPORT PHISHING

**Common signs of a phish include:**

- Urgent/alarming language
- Requests for personal or financial info
- Poor writing or misspellings
- Incorrect email addresses or links

**Spot a phish? Report it to your organization or email provider, then delete it.**

## UPDATE YOUR SOFTWARE

Software updates ensure your devices are protected against the latest threats. Turn on the **automatic updates** in your device's or app's security settings!

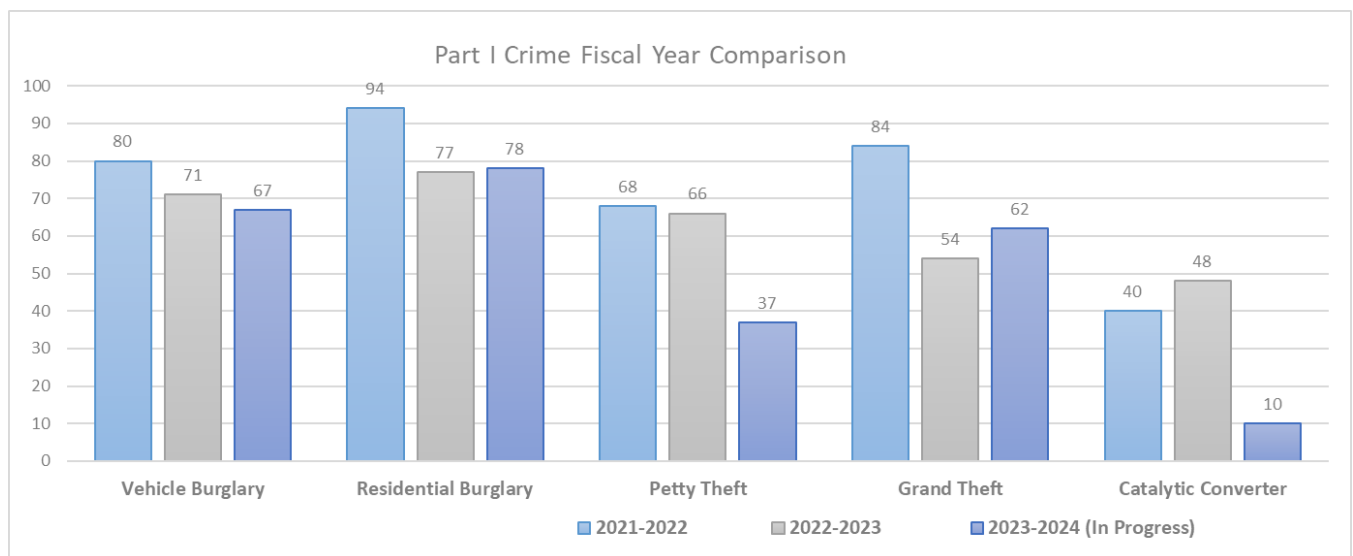

## Weekly Crime Report Summaries

The Lomita Sheriff's Station produces a weekly crime report summary that includes information about reported crimes and arrests for the areas served by the Lomita Sheriff's Station, including the City of Rancho Palos Verdes.

# FINANCE DEPARTMENT

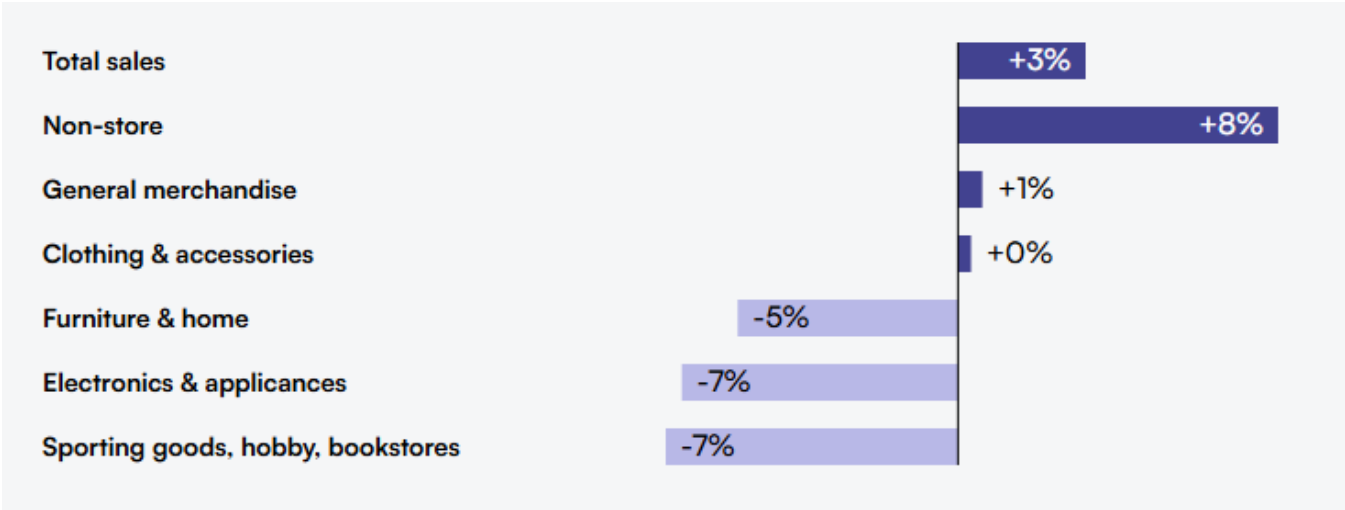

## Retail Headlines – October 2024

Retail news this month includes stories about retail sales, department store struggles, Federal Reserve cut interest rates and more.

### Retail Sales Growth Reported for September 2024

An October report from the Commerce Department shows retail sales increased 3% year over year in September. However, it does not compare to the 7.6% increase in e-commerce over the same period. Despite the overall increase, some retail segments reported steep declines. Home goods fell 5.3%, electronics fell 6.6% and sporting goods and hobby stores fell by 7%. The information from the government report suggests that consumer spending in retail is competing with experiences like dining and entertainment, in addition to e-commerce.

### Difficulties and Struggles for Department Stores

Famous for their seasonal windows, department stores are preparing for a historically busy fourth quarter. However, net sales growth declined for many famous department stores in the first 2 quarters of 2024. Macy’s Inc saw net sales decline by \$9.8 billion.

Kohl's reported a decline of \$6.7 billion. And JC Penney saw a decline of \$2.8 billion. Conversely, off-price retailers continue to experience net sales growth. Popular retailers with TJX Companies experienced net sales growth of \$26 billion in the first half of 2024.

### Federal Reserve Cuts Interest Rates by a Half Point

On September 18, 2024, the Federal Reserve cut the benchmark rate by half a percentage point or 50 basis points. This is the first interest rate cut enacted by the Federal Reserve, since the early days of the Covid-19 pandemic. The federal funds rate now range between 4.75%-5%. These rates set short-term borrowing costs for banks, but the effects spill over into multiple consumer industries, including home mortgages, auto loans and credit cards.

### Financial Assistance Grant Program – Update

As of October 30, 2024, the City has received over 200 applications and has disbursed payments for 170 completed and verified applications. Applications will continue to be reviewed and processed as they are received.

Eligible property owners are encouraged to apply online by visiting the City's website at <https://www.rpvca.gov/1781/22797/Financial-Assistance-Grant-Program>. Other options are also available for residents:

- By mail
- Visiting the Finance Department at City Hall during normal business hours, 7:30am – 5:30pm, Monday through Thursday and 7:30am – 4:30pm on Fridays.

## PUBLIC WORKS DEPARTMENT

### **Portuguese Bend Landslide Emergency Stabilization Project Update**

In response to unprecedented movement of the deep slide plane in the Greater Portuguese Bend-Ancient Altamira Landslide Complex (Landslide Complex), the City has been installing vertical deep de-watering wells to penetrate the deep slide plane and relieve water pressure.

Additionally, the City has been performing emergency winterization measures in the form of filling fissures and lining canyons including Altamira, Kelvin, Portuguese, Ishibashi, Paintbrush, and Klondike Canyons. Additionally, the City will be lining the graben at the intersection of Exultant Drive and Dauntless Drive, and filling the fissures on Exultant Drive, Admirable Drive, and Palos Verdes Drive South Service Road.

The following work has been complete to date:

#### Deep Dewatering Wells

- 16 instrumented vertical test boreholes to characterize subsurface conditions and support the execution of dewatering operations have been installed.
- Six deep dewatering wells (DDWs 1-6) have been installed west of the Portuguese Bend Beach Club community (PBBC) and are currently discharging water at a combined rate of approximately 600 gallons per minute (GPM).
- Two DDWs (7&8) have been installed near Palos Verdes Drive South- one east of Peppertree Drive and one near the entrance to the South Bay Archery Range, with a combined discharge rate of approximately 100 GPM.
- Two DDWs (9&10) have been installed along the coast of Abalone Cove. These DDWs are discharging water at a combined rate of approximately 160 GPM.

- The total combined water extraction rate of DDWs 1 through 10 is currently over 850 gallons per minute or approximately 1.25 million gallons per day.
- Since the start of the DDW program; approximately 28 million gallons, or approximately 85 acre-feet, of water have been extracted from certain locations of the toe of the Landslide Complex.
- Access is being developed for a third DDW (11) in the Abalone Cove area.
- The Contractor will mobilize a drill rig this week to the Portuguese Bend Community Neighborhood to install another test borehole.
- Deceleration of land movement in the areas of the installed DDWs continues to be observed, based on a sampling of points from GPS monitoring data (Attachment E).
- Four sample points in the Seaview and PBBC have shown no movement for two consecutive surveys (October 13, 2024 and October 20, 2024).

#### Winterization

- Fissure filling of Altamira Canyon and nearby areas is ongoing and is expected to be completed by the end of this week. A protective pond liner will be installed at the base of the canyon starting next week.
- Mobilization for fissure filling and lining of Kelvin, Portuguese, Ishibashi, Paintbrush, and Klondike canyons is expected to start next week.
- Construction crews have mobilized to the Seaview Neighborhood and have begun winterization of the Exultant & Dauntless intersection, as well as sections of Admirable and Exultant Drives. The work is expected to be completed within the next two to three weeks.

*Installation of DDW-9 Next to Beach School Trail*

## Next Paper Shredding Event, November 2

Mark your calendars! Our next paper/document shredding event will be on November 2 from 8-11 a.m. The event will be held at Ken Dyda Civic Center overflow parking lot and will be free to all Rancho Palos Verdes residents. During the event, electronic waste will be collected for recycling, and mulch will be available to residents.

## Prepare for the Citywide Brush Clearing

The fall season brush-clearing event begins on Saturday, October 5, and will continue for four consecutive Saturdays. Each week a different area of RPV is serviced. The goal of the event is to assist homeowners' dispose (free of charge) excess brush, shrubs, hedges, tree branches, and bushes to comply with the Los Angeles County Fire Department's fire safety guidelines. This is a great opportunity to help prevent local brush fires! For more information, you may contact the City's waste collection contractor, EDCO, at 310-540-2977 or <https://rancho-palos-verdes.edcodisposal.com/events/rpv-brush-clearing-event/>

In addition to regularly scheduled maintenance and repairs, Public Works performed the following work:

- Weekly landscape maintenance at all City parks.
- Re-secured several benches to the ground at Eastview Park.
- Re-painted the main entrance steps with red paint at Hesse Park.
- All city irrigation systems are currently up to date, with functionality and maintenance checks completed across all areas. Recent irrigation repairs included the following locations:
  - Ken Dyda Civic Center
  - Eastview Park

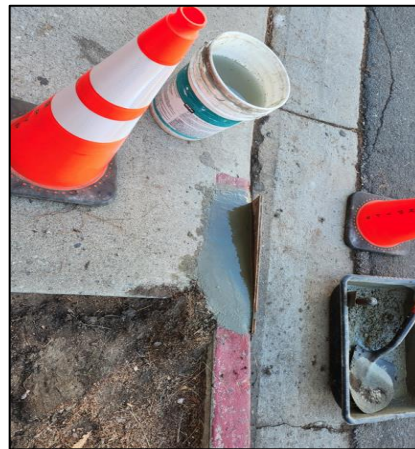

- Weed removal, brush clearance, and debris removal continued throughout the City at medians and various right of way locations.
  - Hawthorne Boulevard from Indian Peak Road to Crest Road.
  - Western Avenue and Avenida Aprenda.
- Use the link below to watch our virtual landscape maintenance:  
<https://www.relive.cc/view/v26MoyprXEv>

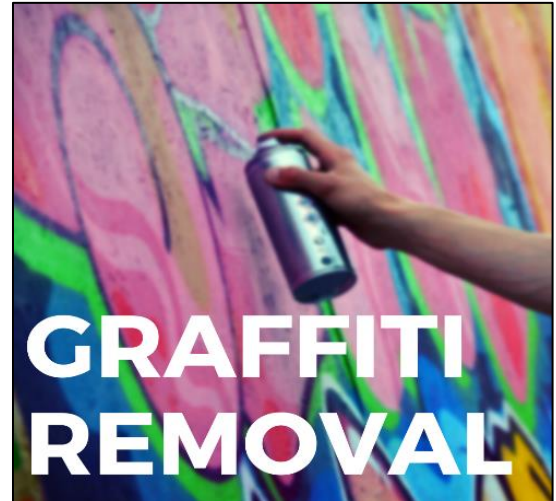

- Concrete patch repairs were completed on the curb and gutter at Ravenspur Drive.
- Repaired and asphalt patched the roadway near 507 Silver Spur Road
- Repaired a broken sign in the median of Sea Cove Drive and Palos Verdes Drive South

## Graffiti Removal

- 19 graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

- On Monday October 28, the Public Works Department were notified of a large broken branch from a City tree. The City promptly coned off the area and dispatched our emergency tree crew to remove the branch.

- Staff were alerted to an emergency sewage issue at 20 Narcissa Drive, where crews identified a deformed fitting near the roadway as the source of the problem. Public Works and partner contractors promptly completed repairs, effectively preventing any spillage.

## COMMUNITY DEVELOPMENT DEPARTMENT

### Update - Proposed Residential Development at 5323 Ironwood Street

On October 2, 2024, application fees for a proposed project at 5323 Ironwood Street were paid. The project, which proposes to develop 482 residential units on the project site, will require the following land use entitlements: General Plan Amendment, Zone Change, Certificate of Compliance, Major Grading Permit, Variance, Environmental Review and Major Site Plan Review as required by the Rancho Palos Verdes Municipal Code. **The City's Planning Division conducted a completeness review of the application materials and issued an incomplete letter on October 29, 2024, which outlines the application deficiencies.**

Application materials are on file with the Community Development Department and are available for review. For questions, please contact Senior Planner, Jessica Bobbett at (310) 544-5224 or via email at [jbobbett@rpvca.gov](mailto:jbobbett@rpvca.gov).

### No Construction on Monday, November 11<sup>th</sup> (Veterans Day Observed)

Pursuant to Section 17.56.020(B) of the Rancho Palos Verdes Municipal Code, it is unlawful to carry on construction, grading, or landscaping activities, or to operate heavy equipment except between the hours of 7:00 A.M. and 6:00 P.M. Monday through Friday, and between the hours of 9:00 A.M. and 5:00 P.M. on Saturday. No such activity shall be permitted on Sundays, or the legal holidays (within the city's permitted construction hours), unless a Special Construction Permit is approved by the

Community Development Director. Click [here](#) to download the Special Construction Permit application. For additional information, please contact the Community Development Department at (310) 544-5228 or [planning@rpvca.gov](mailto:planning@rpvca.gov).

## Western Avenue Storefront Grant Program Public Outreach

As part of the Western Avenue Storefront Grant Program public outreach effort, on October 29, 2024, Community Development Department Staff visited business owners along Western Avenue to inform them about program availability. Staff handed out informational materials and answered questions from businesses owners about eligibility, application submittal and requirements.

For more information, please visit the program homepage at

<https://www.rpvca.gov/1780/Western-Avenue-Commercial-Storefront-Imp>. As a reminder, the application deadline is December 1, 2024. For questions, please email [WesternStorefrontProgram@rpvca.gov](mailto:WesternStorefrontProgram@rpvca.gov) or contact Senior Administrative Analyst, Lisa Garrett at (310) 544-5236.

## REMINDER: Upcoming Sustainable Landscaping Workshops

The Water Replenishment District (WRD) will be hosting a number of sustainable landscaping workshops in the South Bay area through the month of November. The workshops are made available through the Lillian Kawasaki Eco Gardener Program, which teaches homeowners about the multiple benefits of planting a sustainable garden through a series of in-person classes. The next class that will be held in the area is highlighted below:

- November 20 | 10:00am - 12:00pm | Garden Design at West Basin District, Inglewood

For additional information and registration details, please visit the WRD website at <https://www.wrd.org/eco-gardener-program>.

To RSVP for REACH activities or if you have questions, please email [reach@rpvca.gov](mailto:reach@rpvca.gov).

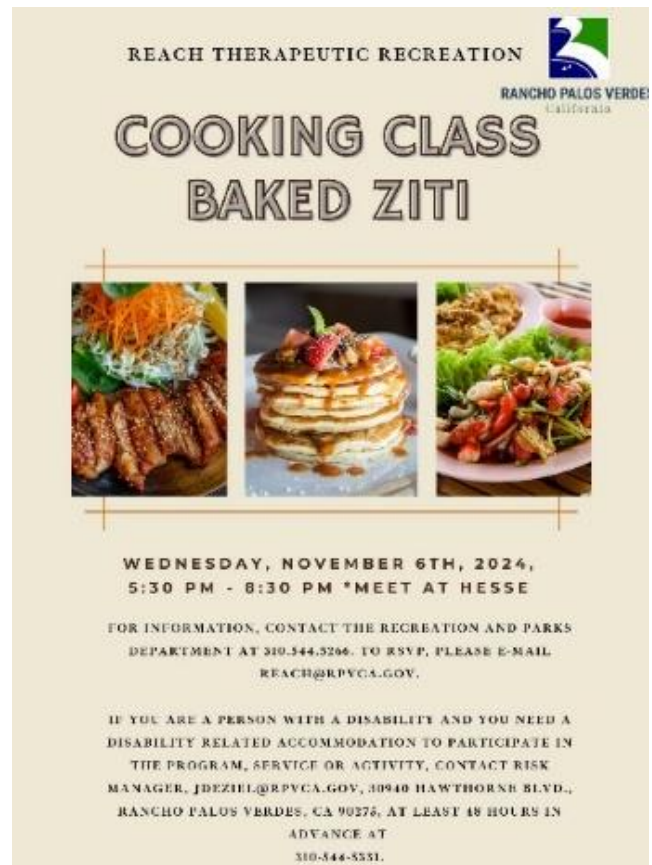

## Pumpkin Patch Extravaganza

Most of us at some point in our lives can remember the joys of going to our local pumpkin patch for the “perfect” pumpkin, because we all know it exists. REACH went on a little expedition to find that “perfect” one. We searched high and low for the numero uno pumpkin, and boy, we found it! Everyone was able to get their perfect pumpkin and enjoy a few pics and poses with some terrifying creatures! Who knows what happens when the lights go out... Happy Howl-oween!

Upcoming REACH events include a ghoulish Halloween Party on October 30 and Chef Arm comes back November 6 for Baked Ziti! Yum!

## Filming in RPV

A student production is filming at at private residence on November 1-3 from 7:00 a.m. -7:00 p.m. each day.
