CITY MANAGER'S OFFICE

**The City of Rancho Palos Verdes honors the memory
of those who made the ultimate sacrifice.**

City Hall Closed on Memorial Day

City Hall will be closed to the public on Memorial Day, Monday, May 26, 2025, but parks will be open for their regular hours.

There will be no trash/recycling collection on Memorial Day, and a one-day delay for collections in all neighborhoods for the remainder of the week.

There will be no street sweeping on Memorial Day. The Monday route will be swept on Wednesday, May 28.

Construction on Memorial Day is prohibited unless a Special Construction Permit is obtained. The deadline to obtain a permit is by May 23 if you're planning to do construction work on the holiday. [Permit details and application requirements \(PDF\)](#) are available on the City website.

Please note that minor repairs, maintenance and landscaping activities (i.e., work that does not otherwise require a building permit) are not prohibited on legal holidays. For additional information, please contact the Community Development Department at 310-544-5228 or planning@rpvca.gov.

Have a safe and happy holiday weekend!

RPV Attends California Contract Cities Annual Municipal Seminar

Last week, Mayor Dave Bradley, Councilmember Steve Perestam, and City Manager Ara Mihranian represented RPV at the California Contract Cities Association's (CCCA) Annual Municipal Seminar in Indian Wells.

CCCA is a collection of member cities united for a common cause. Born in 1957 as the direct result of the "Lakewood Plan," CCCA grew from eight contracting or member cities to 70 member cities today with more than 7 million residents. CCCA serves as a rallying point for cities contracting for municipal services to ensure constituents receive the best service at the minimum cost. Through municipal seminars, education, and exchange of ideas and information, CCCA combines resources to influence policy decisions that affect member cities.

Mayor Pro Tem Seo Honors First Responders at Rotary Club Event

Over the weekend, Mayor Pro Tem Paul Seo presented certificates of recognition to first responders who were honored at the Rotary Club of Palos Verdes Peninsula's Rotary Responders Roundup in Rolling Hills.

The fundraiser event supporting the Rotary's programs and initiatives recognized three outstanding first responders in memory of beloved club member Les Fishman: Palos Verdes

Estates Police Department Reserve Officer Fred Hatch, Los Angeles County Sheriff's Deputy Anthony Gamboa Jr., and Los Angeles County Fire Captain Chadrick McGovney.

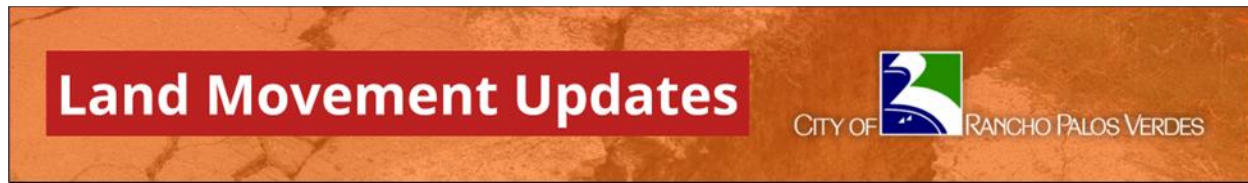

The City thanks each of the honorees and the Rotary Club for their dedication to serving and strengthening the Peninsula community.

May 20, 2025 City Council Meeting Highlights

- After reviewing the findings of a traffic study, the Council approved traffic measures for several segments of Palos Verdes Drive East from Crest Road to Palos Verdes Drive South, with a focus on Ganado Drive.
- These included replacing landscaping, installing bike lanes, and upgrading traffic signs and roadway markings.
- The Council postponed for 60 days voting on whether to reduce the speed limit for this stretch of Palos Verdes Drive East, opting instead to first consider the impacts of enhanced traffic law enforcement. A report on these enforcement efforts will go before the Council in July.
- The Council also approved updating the RPV Municipal Code to help the City's Code Enforcement Division more effectively regulate sidewalk vending.

For all City Council actions from the meeting, watch video at rpvca.gov/agendas.

Voluntary Property Buyout Program Update

In October 2024, the City of Rancho Palos Verdes, the Federal Emergency Management Agency (FEMA), and the California Governor's Office of Emergency Services (Cal OES) announced a \$42 million voluntary buyout program for property owners in the Greater Portuguese Bend landslide area whose homes have been damaged or threatened by land movement. The [Voluntary Property Buyout Program](#) is intended to help eligible homeowners relocate to safer areas by offering a fair market value for their properties based on pre-disaster appraisals. Properties acquired by the City through this program will be permanently converted to open space and deed-restricted, protecting the community from future redevelopment risks in these vulnerable areas.

The City received 85 eligible applications for the first round of program funding, placing 36 on a priority list for further review by FEMA. City staff continues to work expeditiously with FEMA to advance the selection process. We now anticipate being able to offer buyouts for 23 properties (13 red-tagged, and 10 yellow-tagged) in the first round of program funding. The owners of these 23 properties have been contacted by the City to complete appraisals as part of this process.

If you have not been contacted by the City about completing an appraisal, this means your property is not among the 23 being considered for buyouts and will not advance in this round of program funding. However, all remaining eligible applications will be considered for any future rounds of program funding or if there are applicants of the 23 who choose to withdraw, maintaining their order of priority. Prioritization is based on factors such as safety concerns, structural condition, and utility statuses.

Please know that City staff is working as quickly as possible to move through this lengthy and complex process, which involves multiple levels of close review by FEMA. Each property must be carefully vetted for compliance with program rules and regulations. In the coming weeks, the City plans to onboard a consultant dedicated to managing the buyout program.

While we do not have a definitive timeline for when the first of the 23 properties may be purchased, please keep in mind that the City is still in the “pre-award” phase of the grant process with FEMA. Once the City is formally awarded the grant, which could happen in **at least several months from now**, the \$42 million will come in installments, likely on a quarterly basis, which is FEMA’s standard practice. The City will receive these payments as reimbursements only after the transactions are completed in batches. We anticipate being able to purchase approximately three properties at a time which may take a few years to complete.

The Voluntary Property Buyout Program is funded by FEMA’s Hazard Mitigation Grant Program (HMGP). This is different from FEMA’s Building Resilient Infrastructure and Communities (BRIC) program, which was recently ended by the federal government and may result in the City losing funding for a separate grant for landslide remediation work. At this time, City staff has not been notified of any changes to the status of the HMGP. The City plans to apply in the near future for additional HMGP funding in order to potentially offer more rounds of the buyout program.

If you have questions, please email the City at landmovement@rpvca.gov.

RPVtv’s “City Talk” – May 2025

RPVtv host Liz Brown Swanson and Mayor Dave Bradley bring the Mayor's monthly update from the landslide-ravaged grounds of the historic Wayfarers Chapel on “City Talk.” The Chapel's Communications Director, Stephanie Cartozian, joins the program to discuss plans to rebuild the Chapel in Rancho Palos Verdes. Other topics include the City's 2025 Peafowl Census, the proposed 2025-2026 budget, and an update on the ongoing state of emergency in the Portuguese Bend Landslide Complex. Watch on Cox 33/Frontier FiOS 38 or RPVtv’s [YouTube channel](#).

Public Safety Division Staff Update:

As the new Public Safety Division continues to roll out, the city is excited for our new non-sworn training Field Training Officer, Gregory Miller, to join the team!

With his degree in Criminal Justice from Cal State Dominguez, Gregory has spent years as a Public Safety Officer patrolling the City of Lakewood, handling everything from non-emergency calls for service to helping homeless outreach and enforcing city codes. He's also trained in DNA Latent Fingerprint investigation and has trained many new public safety officers with the City of Lakewood.

With his experience and leadership, Gregory will be working closely with Lomita Sheriff's Station to compile and execute a comprehensive training program for the current Public Safety Liaisons to handle non-emergency calls for service. This new training program for our Public Safety staff will help strengthen our public safety efforts citywide. Stay tuned for more information on the growing Public Safety Division!

Consumer Price Index – April 2025

Consumer Price Index (U.S.)

The Consumer Price Index (CPI) increased by 0.2% in the month of April after decreasing by 0.1% in March. Compared annually, CPI rose by 2.3% over the past 12 months. The CPI for all items, less food and energy (core inflation), grew by 0.2% in the month of April, following a 0.1% increase in March. Chart 1 further illustrates the monthly percentage changes in CPI for both headline and core inflation.

Chart 1. U.S. One-month Percent Change in CPI (seasonally adjusted)

Source: U.S. Bureau of Labor Statistics

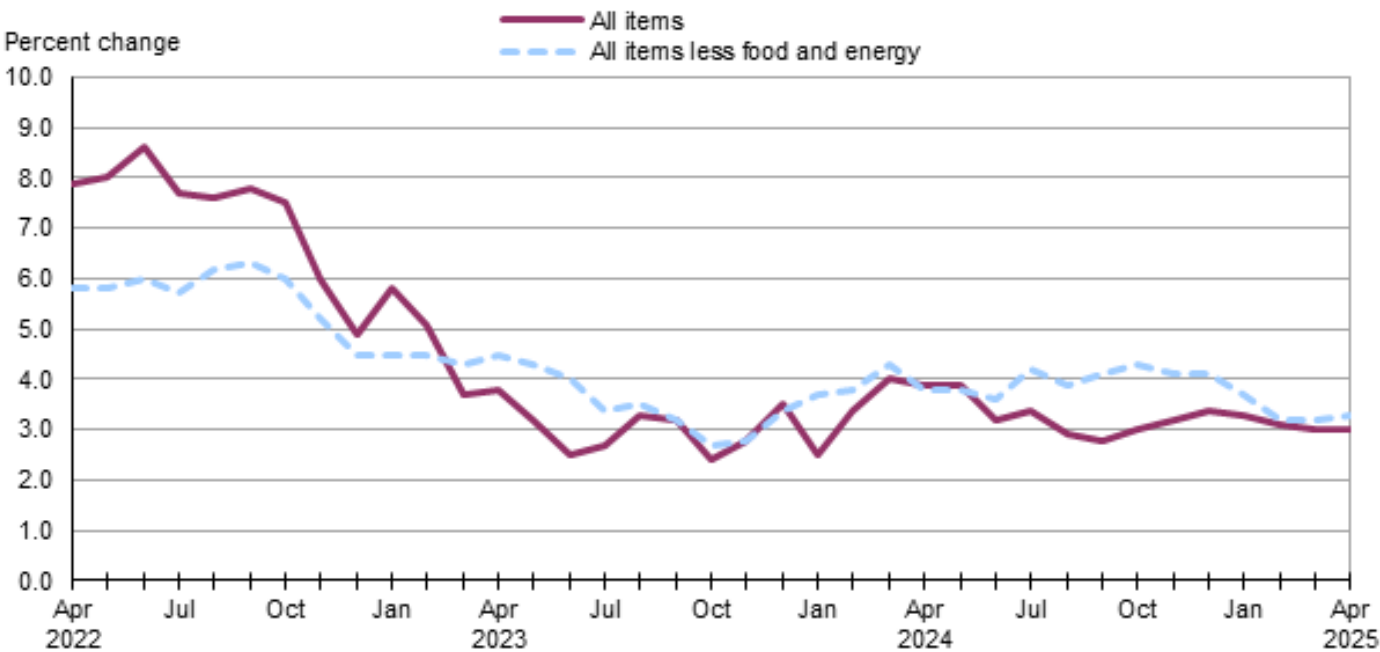

In summary, the all items index rose by 2.3% for the 12 months ending April, after rising an additional 2.4% over the 12 months ending March. However, the April change was the smallest 12-month increase in the all items index since February 2021. The indices for household furnishings and operations, medical care, motor vehicle insurance, education, and personal care all increased over the month. Meanwhile, indices for airline fares, used cars and trucks, communication, and apparel were among the major indices that decreased in April.

Consumer Price Index (Los Angeles)

Prices in the Los Angeles area, as measured by CPI, increased by 0.6% in April 2025. On an annual basis, prices advanced by 3.0% over the past 12 months. The food index increased by 0.6% in April. The food at home index (grocery store purchase) decreased by 0.3%, as indicated by lower prices for meats, poultry, fish and eggs for the month of April. The energy index increased by 1.6% and gasoline prices increased by 3.2% for the month of April.

On an annual basis, the index for all items less food and energy increased by 3.3%. Among the indices, the prices for shelter and medical care continued to increase for the month of April at 0.5% and 1.2% respectively. In contrast, prices for apparel decreased by 1.4%.

PUBLIC WORKS DEPARTMENT

National Public Works Week, May 18 – 24

“People, Purpose, Presence” is the 2025 theme for National Public Works Week. According to the American Public Works Association, public works encompass the infrastructure, people, and policies that support essential community services and quality of life.

In Rancho Palos Verdes, the City, residents, and stakeholders collaborate to build a strong, vibrant community.

The Public Works Department manages the planning, construction, operation, and maintenance of the City's transportation systems, stormwater and sewer systems, facilities, and landslide mitigation. It also oversees waste management, fuel modification, street beautification, tree maintenance, and sustainability programs.

Additionally, the department handles permits and inspections in the public right-of-way and coordinates with utility providers for gas, electricity, and water services.

- Transportation Network
 - 150 miles of public streets with associated curbs and gutters, sidewalks, guardrails, and pavement markings
 - 17 Traffic signals, 7,000 traffic signs, and 1,750 streetlights
 - Traffic engineering, which includes traffic calming and congestion mitigation
 - Transit coordination
 - Permit parking programs
- Stormwater Program

- Stormwater quality management program and compliance with federal and state requirements
- 60 miles of storm sewer pipes
- 1,500 catch basins
- Sanitary sewer collection for the Abalone Cove Sanitary Sewer District (approximately 270 households):
 - 4 lift stations
 - 125 manhole structures
 - 50 grinder pumps
 - 4 miles of gravity pipe
 - 4 miles of low-pressure pipe
 - 2,500 feet of force main
- 7 City facilities
- Landslide monitoring and remediation
- Coordination of utility services for gas, electricity, water, and sanitary sewer collection outside of the Abalone Cove Sanitary Sewer District
- Trash, recycling, organic waste, and green waste management for approximately 12,000 residential units as well as 250 commercial and multi-family units
- Fuel modification for approximately 300 acres of open space
- Public street landscaping and beautification
- Coastal bluff fence maintenance
- Environmental sustainability programs
- Permitting and inspection in the public right-of-way for utility work such as small wireless facilities
- City vehicle fleet maintenance
- Development and implementation of the City's Capital Improvement Program (CIP)

The City of Rancho Palos Verdes thanks its Public Works Team for all they do for the community!

Landslide Emergency Stabilization

In response to unprecedented movement of the deep slide plane in the Greater Portuguese Bend-Ancient Altamira Landslide Complex (Landslide Complex), the City installed vertical deep de-watering wells (DDWs) to penetrate the deep slide plane and relieve water pressure.

Additionally, the city performed emergency winterization measures in the form of filling fissures/grabens, lining canyons, and improving drainage.

Status of the Deep Dewatering Wells Programs

- The DDWs continue to be monitored and re-drilled or replaced as needed within the current approved budget.
- The total combined water extraction rate of the DDWs is currently at approximately **555 gallons per minute** or **0.80 million gallons per day**.
- Since the start of the DDW program, approximately **226 million gallons** or **694 acre-feet** of water have been extracted from certain locations around the toe of the Landslide Complex.
- Overall extraction rates have been decreasing in recent weeks due to land movement impinging on several wells.
- DDW-2 and DDW-6 are being re-drilled and are anticipated to become operational this week.
- DDW-11 experienced pump failure, because of an insufficient water flow rate to keep the pump cooled. Based on the low production rate of this DDW, the City's geologists are advising that this well should not be re-drilled, but rather re-located, should additional funding become available.

DDW Current Water Extraction Rates as of May 19, 2025

DDW No.	Date Operational	Current Approximate Water Extraction Rate (Gallons Per Minute)	Total Water Extraction to Date	
			Acre-Ft	Million Gallons

Palos Verdes Drive East Traffic from Crest Road to Palos Verdes Drive South

During the City Council meeting held on May 20, Staff presented to the City Council the Palos Verdes Drive East (PVDE) from Crest Road to Palos Verdes Drive South Traffic Study. The City Council directed staff to take the following actions:

- Prioritize traffic law enforcement on PVDE between Crest Road and PVDS via a 30-day intensive LASD presence to enforce speed and motor vehicle regulations; and
- Come back and report to the City Council the resulting outcome and metrics of the 30-day intensive LASD presence and traffic law enforcement.

Additionally, the City Council approved the following measures:

- Replace the existing landscaping in the median between PVDE and the spur road to improve visibility;
- Upgrade the signs and pavement markings on PVDE from Crest Road to PVDS; and
- Install bicycle lanes on PVDE from Crest Road to Vista Del Mar as part of the next PVDE roadway slurry sealing/re-paving CIP project.

The Council postponed for 60 days voting on whether to reduce the speed limit for this stretch of PVDE, opting instead to first consider the impacts of enhanced traffic law enforcement. A report on these enforcement efforts will go before the Council in July.

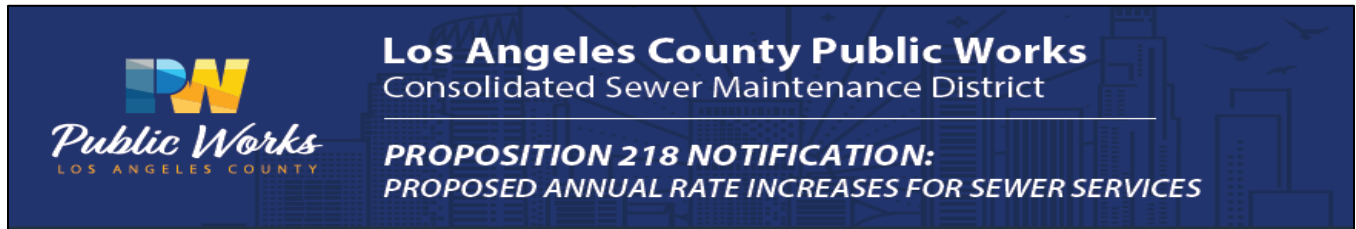

Update on the Hesse Park Community Center Roof Replacement Project

Work is nearing completion on the Hesse Park Community Center Roof Replacement Project. This week, crews are completing roof detail work and performing general site cleanup, after which work is scheduled to pause until late May when replacement skylights will be delivered and installed. The project will be complete once the skylights are installed.

The project remains on schedule, and park operations and public access continue to be maintained without disruption.

The project will replace the aging roof and skylights at the Hesse Park Community Center. During the winter storms in early 2024, sections of the roof leaked and damaged interior areas of the building, including sensitive equipment used to facilitate public meetings and events. Public Works staff made temporary repairs to the building and further determined through a detailed assessment that the roof, including all 17 skylights, was nearing the end of its useful service life; and a full replacement would be needed soon. Subsequently, a heavy wind event in January 2025 damaged some of the temporary repairs made in 2024, as well as some skylights.

LA County Proposes Increase to Sanitary Sewer Rates

Los Angeles County Public Works provides sewer services to Rancho Palos Verdes and nearby communities. Due to rising costs and new regulations, the County is proposing a sewer rate increase over the next five years. For a typical single-family home, rates would rise from \$50.50 to \$96.23 per year by 2029. The last increase was in 2014.

An official Proposition 218 notice will be mailed soon, with details and instructions on how to submit a written protest. More information is available at pw.lacounty.gov/go/Prop218-SM or at the open house on Wednesday, June 11, 2025, at 6:00 p.m. at Peninsula Center Library, 701 Silver Spur Rd., Rolling Hills Estates.

A final decision will be made after a public hearing on Tuesday, June 24, 2025, at 9:30 a.m., at 500 W. Temple St., Los Angeles, Board Hearing Room 381B. Written protests must be received by the end of the hearing.

The Goats are here for the 2025 Fuel Modification Season!

Goats have resumed their important role in reducing fire hazards and protecting homes. While we understand that many people enjoy seeing the goats, we ask that you avoid visiting them out of respect for nearby residents.

To ensure safety, a temporary electrified fence is in place to contain the goats while they work. Approaching them puts both you and the goats at risk. Please refrain from taking selfies, attempting to touch them, or bringing pets near the area, as this can cause stress or injury to both you and the goats.

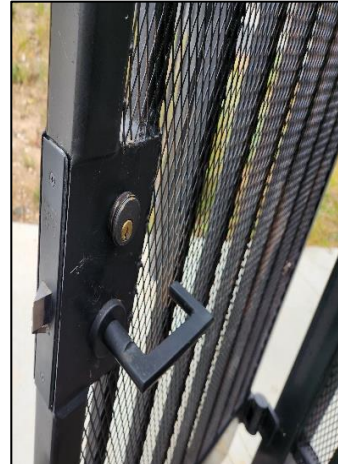

In addition, human crews are performing brush clearance throughout the City as part of the 2025 fuel modification program.

- In addition to regularly scheduled maintenance and repairs, Public Works performed the following work:

- In addition to routine weekly landscape maintenance at all City parks, the following repairs were completed:
 - Door lock in the activity room at Ryan Park.
 - Hand dryer in restroom of Eastview Park.
 - Drinking fountain at Hesse Park.
 - Dishwasher at Pointe Vicente Interpretative Center.
 - Exterior area lights and signage at Pointe Vicente Interpretative Center.
 - Pedestrian gate handles at Ladera Linda Community Park.
 - Sprinklers at Eastview Park.
 - Irrigation controller at Ladera Linda Community Park.

- The landscape team is dedicated to improving both the appearance and safety of the city's main arterial streets and right-of-way areas. Crews focused on weed removal and trimming in the following center medians and right-of-way sections:
 - Hawthorne Boulevard
 - Palos Verdes Drive South from Barkentine Road to Narcissa Drive
 - Palos Verdes Drive East from Crest Road to Palos Verdes Drive South
- Removed a fallen branch on Via Lorado
- Use the link to watch our virtual landscape maintenance:
<https://www.relive.com/view/vNOPDwP1y20>

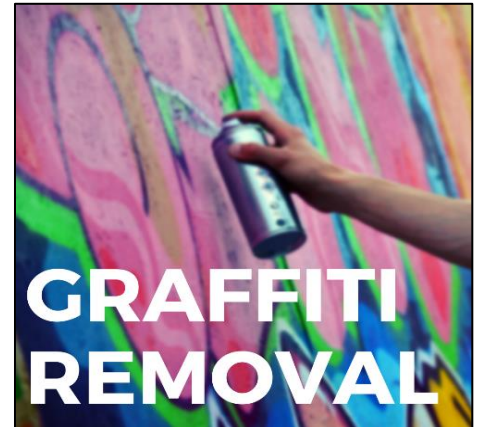

- The Public Works Department performed the following infrastructure repairs in the public right-of-way:
 - Repaired a de-watering line on Palos Verdes Drive South near the Bow and Arrow Trail.
 - Patched a section of the curb on Via Lorenzo
 - Prepared for a speed feedback radar to be installed on Eddinghill Drive

- Traffic signals were recently serviced at the following to assure proper operation:
 - Crenshaw Boulevard and Crestridge Road
 - Crenshaw Boulevard and Indian Peak Road
 - Crest Road and Highridge Road
 - Crest Road and Whitley Collins Drive
 - Hawthorne Boulevard and Blackhorse Road
 - Hawthorne Boulevard and Crest Road
 - Hawthorne Boulevard and Dupre Drive
 - Hawthorne Boulevard and Eddinghill Drive

Graffiti Removal

- 26 graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

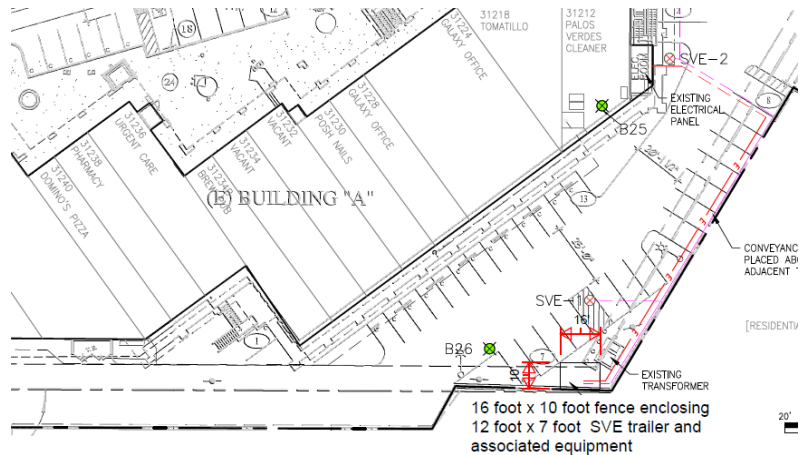

- This week, the Public Works Department responded to several pipe breaks in the dewatering wells located within the City's slide area. Crews responded promptly and completed all necessary repairs the same day.

COMMUNITY DEVELOPMENT DEPARTMENT

Special Use Permit Request at Golden Cove Shopping Center

On May 22, 2025, the City's Planning Division will issue a public notice (Attached) for the proposed extension of a Special Use Permit (SUP) for the Golden Cove Shopping Center located at 31244 Palos Verdes Drive West, RPV 90275. The SUP requests for the continued operation of a Soil Vapor Extraction (SVE) system to remediate subsurface chemicals on the property. The SVE system will continue to be contained in a 9-foot tall, 84 ft² (7 feet x 12 feet) temporary trailer, which will be located along the southeast corner of the site behind existing parking stalls.

Please see the public notice for additional project details. For questions, please contact Assistant Planner, Maria Rivera at (310) 544-5232 or via email at mriviera@rpvca.gov.

No Construction on Memorial Day Holiday (Monday, May 26, 2025)

Pursuant to Section 17.56.020(B) of the Municipal Code, it is unlawful to carry on construction, grading, landscaping activities, or operation of heavy equipment except between the hours of 7:00 A.M. and 6:00 P.M. Monday through Friday, and between the hours of 9:00 A.M. and 5:00 P.M. on Saturday. No such activity shall be permitted on Sundays, or the legal holidays (within the city's permitted construction hours), unless a Special Construction Permit is approved by the Director of Community Development. Click [here](#) to download the Special Construction Permit application. For additional information, please contact the Community Development Department at (310) 544-5228 or planning@rpvca.gov.

City Council to Consider Proposed Revisions to the City's Housing Element

On June 3, 2025, the City Council will be considering proposed potential revisions to the City's 2021-2029 Housing Element. A copy of the [public notice](#), which was issued on May 15th is available for review. For questions, please contact, Senior Planner, Jessica Bobbett at (310) 544-5224 or via email at jbobbett@rpvca.gov.

Assistant Planner, Miguel Garcia, Becomes Candidate for Certification by the American Institute of Certified Planners (AICP)

On May 11, 2025, Assistant Planner, Miguel Garica successfully completed his examination to become eligible to be AICP certified. The American Institute of Certified Planners (AICP) provides the only nationwide, independent verification of planners' qualifications. The certification process requires planners to verify their academic and professional achievements, successful demonstrations that their experience meets established criteria for professional planning practice, and that they passed a rigorous, comprehensive examination of their abilities.

Miguel joined the City's Community Development Department in January 2025, where he assists residents, developers and contractors in reviewing project plans for conformance with established zoning regulations.

Planning Commission Meeting Agenda

The Planning Commission's regular meeting scheduled on May 27, 2025 has been canceled. The next regularly scheduled meeting is Tuesday, June 10, 2025.

RECREATION AND PARKS DEPARTMENT

Forty Years of Flukes

At Tuesday evening's City Council meeting, the City of Rancho Palos Verdes proudly recognized the American Cetacean Society – Los Angeles Chapter for 40 years of dedicated volunteer service. Since 1985, this remarkable group of citizen scientists has conducted the Gray Whale Census from the back patio of the Point Vicente Interpretive Center, contributing invaluable data on gray whale migration patterns and behaviors.

Operating daily from December through May, the volunteers observe and record whale activity during daylight hours. Their work documents incredible behaviors such as breaching, spyhopping, rolling, and courtship, offering insight into one of nature's most extraordinary migrations.

A heartfelt appreciation was extended to the American Cetacean Society volunteers for their unwavering dedication, scientific expertise, and efforts to protect and promote understanding of our marine environment.

Kids to Parks Day Recap

The City of Rancho Palos Verdes proudly celebrated Kids to Parks Day this past Saturday with a series of fun-filled activities across several park sites. Families joined in the adventure, enjoying everything from high-energy fitness and classic lawn games to scavenger hunts and hands-on crafts.

Highlights included an exciting fitness demo with ElectrKIDS at Ryan Park and Eastview Park, lawn games with the REACH team at Hesse Park, and a scavenger hunt to find Gracie the Gray Whale inside the Point Vicente Interpretive Center. Meanwhile, craft stations at Abalone Cove and Ladera Linda, hosted by our Open Space and Trails team, gave kids a chance to tap into their creative side with nature-themed projects.

A special treat at the Interpretive Center was the chance to meet the goats, where community members fed them alfalfa and watched two engaging herding demonstrations.

Kids to Parks Day was a great success, and we thank all the families who came out to celebrate the outdoors and play with us!

Native Plant Garden Volunteer Event

On May 18, after a few months on hiatus, the City's Native Plant Garden Volunteer Event returned and had a great turn-out! 28 volunteers arrived bright and early, and assisted with old irrigation removal, pruning, watering, and re-distributing mulch in the garden. Thank you volunteers for all your hard-work and to the South Coast California Native Plant Society for hosting such a great event!

Little Fish Tales Story Time a Splashing Success!

On May 15, the Sunset Room at the Point Vicente Interpretive Center came alive with laughter and learning as 28 adults and 40 children enjoyed Little Fish Tales, a free interactive story time designed especially for toddlers. Led by RPV staff, the program featured lively stories, songs, counting, movement, and a hands-on craft that kept little ones engaged and entertained.

Don't miss the next Little Fish Tales sessions on June 19 and July 17 from 10:30 AM to 11:30 AM. It's a wonderful opportunity for toddlers to explore and learn through storytelling and play. Mark your calendars and join the fun!

REACH Update

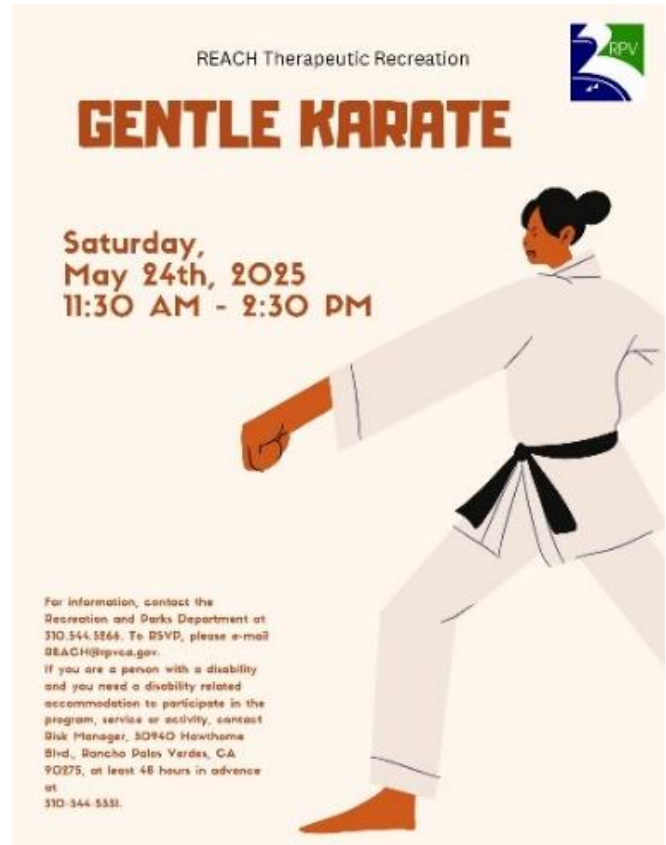

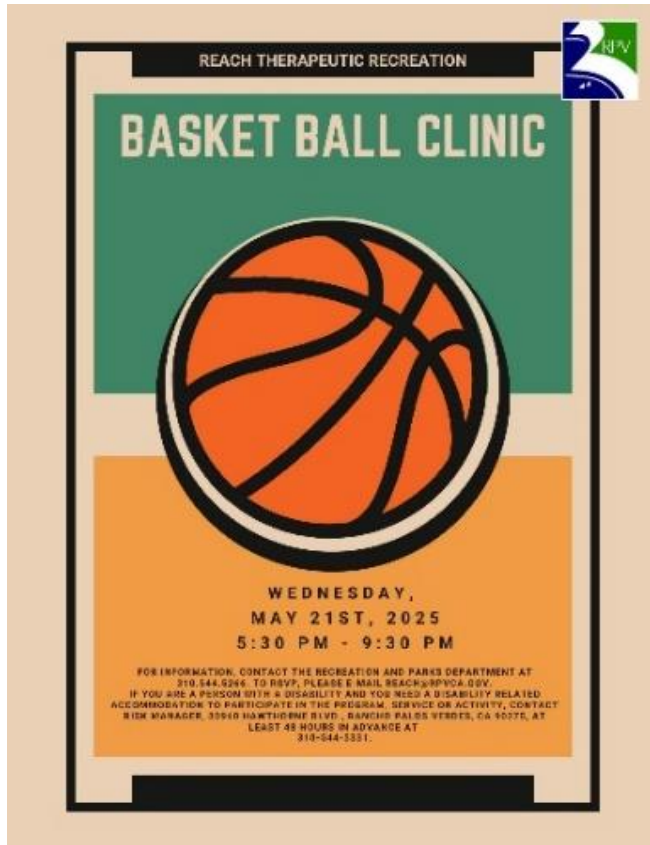

The REACH program serves the social and recreational needs of youths and adults with developmental disabilities. To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

REACH Volunteers for Kids to Parks Day

REACH showed up and showed out this weekend for National Kids to Parks Day. We played some classic games like Connect-Four and Corn-hole. Badminton seemed extra popular too! This was a great way to get everyone in the family out of the house and exploring the community. This special day gave us an opportunity to connect with nature and explore the parks and outdoors in our area.

Upcoming REACH events include a special Basketball lesson from our very own Guy Perry at Ladera Linda on May 21. We also welcome back Sensei Adam for another fun Karate class at Ryan Park on May 24.

Lights, Camera, RPV Filming Action!

There will be two separate commercial film shoots at Portuguese Bend Beach Club on May 26 and May 27.

Forrestal Reserve

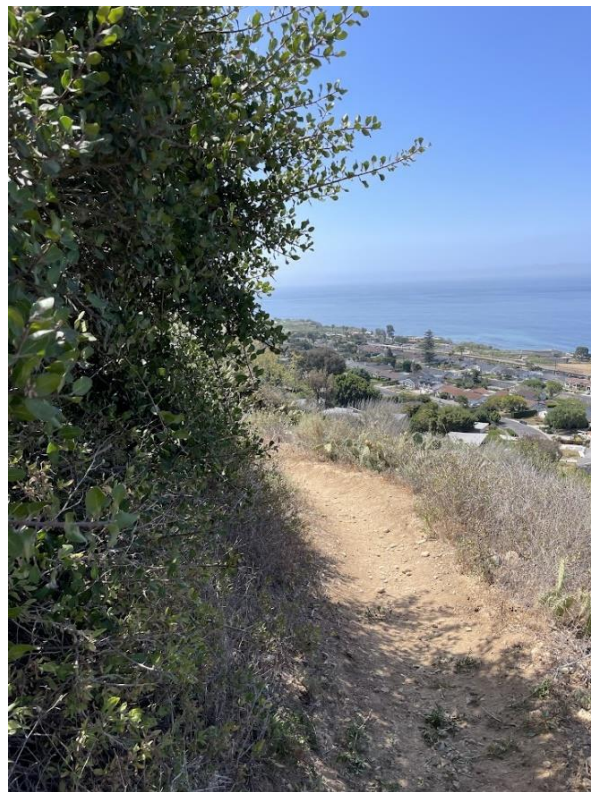

On May 16, Forrestal Reserve was temporarily closed between 8am to noon due to SCE helicopter activity. Park Rangers remained in the area and reopened trails after work was concluded.

On May 17, Park Rangers were notified of reports of a woman shouting for help. Los Angeles County Sheriff's Department and Los Angeles County Fire Department arrived on scene and took lead of the incident and were able to locate and provide first aid to the woman who was found on the hillside adjacent to Forrestal Reserve.

On May 19, Staff trimmed various trails within the Reserve to address overgrowth which consisted primarily of lemonade berry bush.

San Ramon Reserve

On May 16, Marymount Trail was temporarily closed due to vegetation clearing within the upper section of the Reserve. Crews are anticipated to work through May 30.

EMERGENCY SUPPLY KITS

READY FOR WHATEVER COMES NEXT: PART II

[Building Your Go-Bag](#) | [Supply Checklist](#) | [Emergency Documents](#)

In the event of an emergency—whether it's a wildfire, earthquake, flood, or other unforeseen crisis—time is of the essence. Having a well-prepared Go-Bag can make all the difference, allowing you and your loved ones to evacuate quickly and safely from life threatening hazards. This month, the RPV Emergency Preparedness Committee provides information on how to build a Go-Bag, which holds important supplies to evacuate with.

BUILDING YOUR GO-BAG

A **Go-Bag** is a portable kit packed with necessities such as water, food, medications, important documents, and other critical items you may need during an evacuation. During emergencies, you may not have time to pack, so all household members should have a go bag ready to go, including animals!

Your go bag should be accessible, easy to grab, and effortless to carry in a rush. Choose a medium-sized duffel bag, suitcase, or a waterproof backpack with lots of space.

Supplies should be practical to help you with evacuation and return post evacuation. Pack as if you were going on a vacation, considering your household's emergency plan.

- How long could you be on the road and what supplies can help you make the travel more comfortable? (snacks, water, charger)
- Where would you evacuate to? What supplies would you need while there? (change of clothes, hygiene items)
- What might you need upon return? (proof of resident, insurance documents)

A printable checklist is available on the next page! The list provides a suggested starting point. Households and individuals need to evaluate their specific needs and supply requirements in the event of an emergency. Please visit Ready LA County for more emergency plan supply kit information:

<https://ready.lacounty.gov/>

You may notice some overlap between the supply [checklist for the Stay-Box](#) and the Go-Bag. Instead of having 2 separate sets of supplies, consider storing the Go-Bag inside or near your Stay-Box so they can serve double-duty.

GO-BAG SUPPLY CHECKLIST

Emergency supplies for evacuating kept together, when possible in a backpack or duffle bag

When deciding on the amount of supplies you need, consider what you will need to get to your destination comfortable (accounting for traffic/delays) and what you might need when returning home (ex. Proof of residency)

** Items Unique to the Go-Bag **

- ☐ Snacks and Water
- ☐ Small First Aid Kit
- ☐ Extra set of car & house keys
- ☐ Rain Gear
- ☐ Cash; small bills and coins
- ☐ Car/Portable charger for important devices
- ☐ Copies of Important Documents, stored in at least two places (see page 3)
- ☐ Clothing, warm jackets, and sturdy shoes
- ☐ Blankets and camping equipment
- ☐ Whistle, paper map with 2 evacuation routes marked, and compass (GPS may not work)
- ☐ List of items important to you that can be packed, if time permits (sentimental or irreplaceable items - photos, mementos, loved one's ashes, etc.)

Basic Emergency Supplies For All Kits

- ☐ Water (1 gallon per person per day) and nonperishable food for all household members
 - ☐ Familiar, portable, and nutrient-rich food and snacks (ex. Protein bars, trail mix, dried fruits, jerky, etc.)
 - ☐ Special food for infants and those on special diets (ex: ready-to-drink baby formula, nutritional drink)
 - ☐ Manual can opener, paper plates, napkins, & plastic utensils
- ☐ Sanitation and hygiene items (e.g. hand sanitizer, moist towelettes, toilet paper, garbage bags, feminine supplies, diapers)
- ☐ Medication & back up medical equipment (e.g. spare eyeglasses and contact lenses, insulin strips, hearing aid batteries)
- ☐ Flashlights/headlamps
- ☐ Extra chargers and batteries for important devices
- ☐ Battery operated or hand-crank AM/FM radio with extra batteries
- ☐ Protective equipment: gloves, N-95 mask
- ☐ Tools: wrench, multitool, scissors
- ☐ Pet supplies: carrier, leash, toys, etc

IMPORTANT DOCUMENTS TO HAVE DURING EMERGENCIES

Including essential documents in your emergency supply kit is crucial for identification, accessing aid, and disaster recovery. Store records in both physical and digital (USB or cloud) formats. Physical records should be kept in a waterproof, fireproof container or folder. Digitized records should be protected by a password or encryption. Recommended copies of documents include:

Identification Documents

- Passports
- Driver's licenses, State, Military IDs
- Social Security cards
- Birth, Marriage, Divorce, Adoption certificates
- Recent photos of family members (for identification purposes)

Financial and Legal Documents

- Bank account information
- Credit card info (with contact numbers for reporting loss)
- Insurance policies (health, home, auto, life, renters, pet)
- Property and vehicle deeds, titles and leases
- Wills, Trust, powers of attorney, and other legal directives

Medical Information

- Health insurance cards
- List of current medications/dosages
- Medical history and allergy information
- Immunization Records
- Contact info for regulars doctors/pharmacy

Emergency Contacts

- Family and friend contact lists
- Out of Area Contact
- Work and school contact information

Other Important Documents

- Utility account numbers and provider contact info
- Pet ownership records, photo and vaccination info

CA Department of Insurance provides a [Home Inventory Guide](#) (link) including a mobile app to help you take a complete inventory of your home, garage and surrounding property. This list could help you prove the value of what you owned if your possessions are damaged or destroyed and can help claim deductions on taxes.

NOTICE

NOTICE IS HEREBY GIVEN that the Director of Community Development of the City of Rancho Palos Verdes will consider an application for the following project:

SPECIAL USE PERMIT (CASE NO. PLSU2025-0001): On August 18, 2017, a Notice of Decision was issued announcing that the Director of the Community Development Department approved, with conditions, the temporary installation of a Soil Vapor Extraction (SVE) system to remediate subsurface chemical impacts related to the historical dry-cleaning operations at the Golden Cove Shopping Center.

Pursuant to Condition of Approval No. 15 of Case No. ZON2017-00271, the SVE system, related equipment and enclosures were permitted for a maximum of one-year with the removal of the equipment to be completed by August 23, 2018. This provision also included an option to extend the time period to maintain the equipment, through the submittal of a revision to the Special Use Permit (SUP).

Since then, the Director of Community Development Department approved with conditions, a one-year extension of the SUP on January 31, 2019, March 10, 2020 April 19, 2021, and April 5, 2022. More recently, on April 7, 2023, the Director of Community Development Department approved with conditions a two-year extension of the SUP.

On April 23, 2025, the Applicant submitted a request to extend the SUP entitlements for an additional two-years without any modifications to the established Conditions of Approval. The SVE system will continue to be contained in a 9-foot tall, 84 ft² (7 feet x12 feet) temporary trailer, which will be located along the southeast corner of the site behind existing parking stalls. The existing dry cleaners and the shopping center will remain in operation throughout the course of the SVE operation, which is being performed under the environmental regulatory oversight of the Los Angeles County of Fire Department Site Mitigation Unit (LACoFD – SMU), and operation of the SVE unit will be performed under permitting through the South Coast Air Quality Management District (AQMD).

LOCATION: 31244 Palos Verdes Drive West
APPLICANT: David Horrell, Partner Engineering & Science, Inc.
LANDOWNER: Golden Cove Center, LLC.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Assistant Planner, Maria Rivera, by 4:30 p.m. on Friday, June 6, 2025. By doing so, you will ensure that your comments are taken into consideration for the staff analysis of the project. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. Accordingly, you may wish to omit personal information from your written materials as it may become part of the public record. After June 6, 2025, a Notice of Decision will be mailed to owners of property within 500-foot radius of the site and the Applicant. All parties shall have five days to appeal the decision in writing to the Planning Commission.

If you would like the opportunity to review the application package and the proposed plans, they are on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and are available for review from 7:30 a.m. to 5:30 p.m. Monday through Thursday, and from 7:30 a.m. to 4:30 p.m. Friday.

If you have any questions regarding this application, please contact Maria Rivera at (310) 544- 5232 or via email at mriviera@rpvca.gov for further information.

Brandy Forbes, AICP
Director of Community Development

NOTE: STATE GOVERNMENT CODE SECTION 65009 NOTICE: If you challenge this application in court, you may be limited to raising only those issues you or someone else raised in written correspondence delivered to the City of Rancho Palos Verdes during the public review period described in this notice.

PLEASE PUBLISH IN THE PENINSULA NEWS ON THURSDAY, MAY 22, 2025.
