CITY MANAGER'S OFFICE

Point Vicente Lighthouse Makes LA Times List of Must-See Lighthouses

The Point Vicente Lighthouse recently made the Los Angeles Times' [list of 14 must-see lighthouses in California](#). Point Vicente Lighthouse will turn 100 in 2026 and is a major federal landmark that is operated by the U.S. Coast Guard. The Coast Guard opens the grounds on the 2nd Saturday of each month and conducts tours of the Lighthouse. For more information, call 310-541-0334.

In the meanwhile, see the lighthouse's historic Fresnel lens on permanent display at the nearby Point Vicente Interpretive Center, which is open from 10 a.m. to 5 p.m. daily.

Home Hardening Expo – September 27th 10am to 12pm

The Rancho Palos Verdes Council of Homeowners Associations (CHOA) invites residents to a free Wildfire Home Hardening Expo **this Saturday**.

September 27, 2025 10 a.m. to 12 p.m.
McTaggart Hall, Hesse Park
29301 Hawthorne Blvd.
Rancho Palos Verdes, CA 90275

Learn from vendors, government agencies, and nonprofit organizations about protective steps you can take to “harden” your home against wildfire using fire-resistant materials, defensible space, landscaping, and more. Plus, get a free sign to let firefighters know you have a swimming pool available for emergency use, a free NOAA weather radio, and enter a free drawing for a chance to win an emergency kit.

Neighborhood Beautification Grant Program

Applications for the neighborhood beautification projects will be accepted now through October 17, 2025. Beautification projects must be visible from arterial or collector streets to receive a reimbursement for 50% of the project costs, up to \$5,000.

For full program details, visit rpvca.gov/NBG.

Prepare for the Citywide Brush Clearing

The fall season brush-clearing event begins on Saturday, October 4 and will continue for four consecutive Saturdays. Each week a different area of RPV is serviced. The goal of the event is to assist homeowners' dispose (free of charge) excess brush, shrubs, hedges, tree branches, and bushes to comply with the Los Angeles County Fire Department's fire safety guidelines. This is a great opportunity to help prevent local brush fires! For more information, you may contact the City's waste collection contractor, EDCO, at 310-540-2977 or <https://rancho-palos-verdes.edcodisposal.com/events/rpv-brush-clearing-event-2/>

Next Paper Shredding Event, October 25

Mark your calendars! Our next paper/document shredding event will be on October 10 from 8-11 a.m. The event will be held at City Hall's overflow parking lot and will be free for all Rancho Palos Verdes residents. During the event, electronic waste will be collected for recycling, and mulch will be available to residents.

Peninsula Seniors Bohannon Lecture Series October 2025

Join Peninsula Seniors for the Bohannon Lecture Series on Wednesdays this month, from 10:30-11:30 a.m. at the Scriba Family Center at 602

Peninsula Seniors

Deep Valley Drive, Suite 310 in Rolling Hills Estates. A Coffee Social will be available to all attendees starting at 10:15 a.m. The series is open to the community. Space is limited.

October 1: "Wild Animals of the Palos Verdes Peninsula"

Randy Haiwood with the PVP Land Conservancy will show his photography of many wild animals he's found on the Peninsula.

October 8: "Saving the Palos Verdes Blue Butterfly"

Moorpark College biology professor Jana Johnson discusses how she helped save one of the world's rarest creatures from extinction.

October 15: "The Healing Power of Paws"

Lynn Attig of Love on 4 Paws brings her therapy dog and discusses the benefits of animal assisted therapy for those in need of companionship and assistance.

October 22: "My Two Weeks in Uzbekistan"

Local historian Jim Shneer discusses five cities he visited, exploring the culture, geography, history, art, religion and music.

October 29: "Halloween Music Special"

Members Ann and Lee Strong will present several pieces of music written for or about Halloween, featuring creepy music from the 17th through the 20th century.

Call Renee Reymond, Program Coordinator, at 310-377-3003 for details.

Your Support Matters — Urge Governor Newsom to Sign AB 986 Into Law

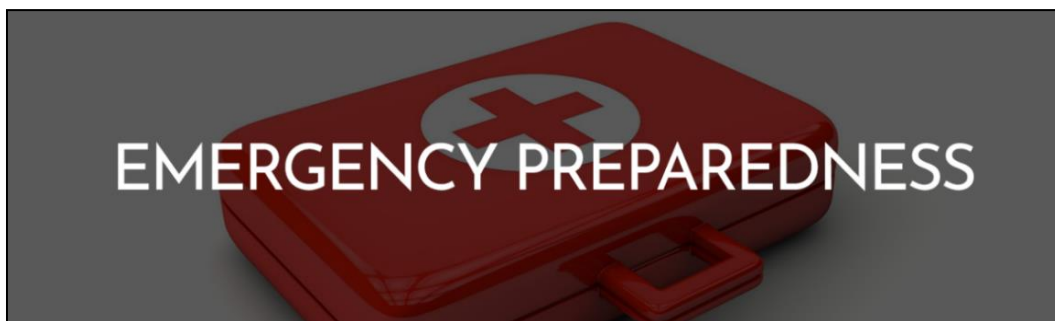

The City of Rancho Palos Verdes is urging Governor Gavin Newsom to sign AB 986 into law — **and we need your support.** The Governor has until October 12 to sign or veto bills this legislative session. Please take a moment today to call his office at 916-445-2841 or fill out a form at gov.ca.gov/contact. A sample message for you to customize is provided below.

Dear Governor Newsom,

I urge you to sign Assemblymember Muratsuchi's and Senator Allen's landslide legislation, AB 986, into law. This critical piece of legislation expands the definition of emergencies under the California Emergency Services Act to include landslides, making vital state resources available to local governments to protect public safety and infrastructure. Despite the significant risks and costs associated with landslides, current law does not recognize landslides as events eligible for state emergency assistance, leaving communities — including Rancho Palos Verdes, which has been left in the position of single-handedly spending tens of millions of local dollars on landslide emergency response — vulnerable to further damage and economic strain. AB 986 has received strong support from both the Assembly and Senate in recognizing landslides as true emergencies that pose serious threats to municipalities and residents across the state. Please unlock this lifeline to vulnerable communities by signing AB 986 into law.

Sincerely,
[Name, City]

Wildfire Prevention & Mitigation

While wildfires pose one of the greatest hazards in RPV, they are the hazard that we have the most power to prevent and mitigate. To help reduce wildfire hazard risk, you should:

1. Create defensible space around your home by regularly cleaning your roof, gutters, decks, the base of walls, windows and doors within 5 feet of your home to avoid the accumulation of fallen leaves, needles and other flammable materials. Remove all dead or dying grass, plants, shrubs, trees, branches, leaves, weeds, and pine needles within 30 ft of structures or to the property line. When possible, and particularly if you live in a Very High Fire Hazard Severity Zone, expand defensible space to within 100 feet of your home. Learn more: www.fire.ca.gov/dspace

2. Avoid activities that could generate sparks during fire weather, such as smoking or using power tools or machinery, and postpone outdoor burning during high-risk periods (check aqmd.gov/advisory/ to learn when a mandatory no burn day alert is issued).

3. If you see something, say something. Report smoke or signs of a fire immediately to authorities. It can help prevent the spread of fire. If you are in a building that is on fire, pull the fire alarm and warn as many people as you can on your way out.

4. Build and retrofit your home with fire resistant material. In depth info and tips are available from United Policyholders Wildfire Risk Reduction and Asset Protection (“WRAP”) Resource Center: <https://uphelp.org/preparedness/wrap-resource-center/> Visit the Wildfire Home Hardening Expo this Saturday from 10am to 12pm at Hesse Park to connect with vendors that can help you harden your home.

Learn more about wildfire readiness and mitigation, by viewing the [EPC Monthly Message: Fire Weather – What to Do](#)

Hazard Mitigation Plan Community Survey

The Palos Verdes Peninsula cities are developing a local Multi-Jurisdictional Hazard Mitigation Plan. The Plan guides local governments in identifying hazards and implementing mitigation strategies, while also making them eligible for state and federal grant funding for emergency planning and mitigation.

We welcome and encourage community members to participate in the planning process! Upcoming meeting information and materials will be shared on the PVPready.gov website. If you live or work on the Palos Verdes Peninsula, please take a moment to [fill out this short survey](#). This survey aims to collect your thoughts on any hazards and risks we face locally. Results from the survey will help us better coordinate future mitigation activities to create more resilient communities!

Take the survey here: www.surveymonkey.com/r/PVP_HMP or visit PVPready.gov

Earthquake Mitigation Grant Program

Open now and running through October 1, 2025, eligible homeowners can apply for a retrofit grant at EarthquakeBraceBolt.com, where they can also find detailed program information, select a trained California-licensed general contractor and [view the full list of ZIP Codes](#) and program areas.

Established by the **California Residential Mitigation Program**, EBB offers up to \$3,000 to help California homeowners retrofit their house to reduce potential damage from earthquakes. A residential seismic retrofit makes a house more resistant to earthquake activity, such as ground shaking and soil failure, by bolting the house to its foundation and adding bracing around the perimeter of the crawl space. For more information, please visit EarthquakeBraceBolt.com.

Apply for a Public Safety Reimbursement from the City

The City of Rancho Palos Verdes offers reimbursements for half the cost of a new doorbell or neighborhood camera system, now up to \$2,500 (**newly increased**) for neighborhoods/HOAs, and up to \$100 for individuals. The City aims to encourage the use of cameras and other public safety tools to strengthen neighborhood vigilance and security.

Learn more about the application process at:
ow.ly/Etum50SBFG4

FINANCE DEPARTMENT

Finance Advisory Committee Meeting

The next regular meeting of the Finance Advisory Committee (FAC) is scheduled for Thursday, October 9th at 7:00 p.m.

The meeting's agenda packet will be available on the City's website at least 72 hours before the meeting. Currently, the agenda topics include:

- Review of the updated Debt Policy for the City of Rancho Palos Verdes.
- Presentation on the Redevelopment Property Tax Trust Fund for the Successor Agency.
- Presentation on the Cal PERS annual valuation report.

Please direct inquiries or written public comments on the meeting's agenda topics to Rudy Carbajal at 310-544-5201 or at rcarbajal@rpvca.gov.

The Regular Meeting of the Finance Advisory Committee for October 9, 2025 will take place in accordance with the requirements of the Ralph M. Brown Act, Section 54950 et seq. of the Government Code. Remote participation by any Committee/ Commission member shall be in accordance with Subdivisions (b)(3) or (f) of Government Code Section 54953. The meetings are held at the Ken Dyda Civic Center City Hall, Community Room, 30940 Hawthorne Boulevard and via teleconference for staff, consultants and participants using Zoom platform. For instructions on how to view and participate in the meeting, please fill out the form at <http://rpvca.gov/participate>.

The Employment Situation – August 2025

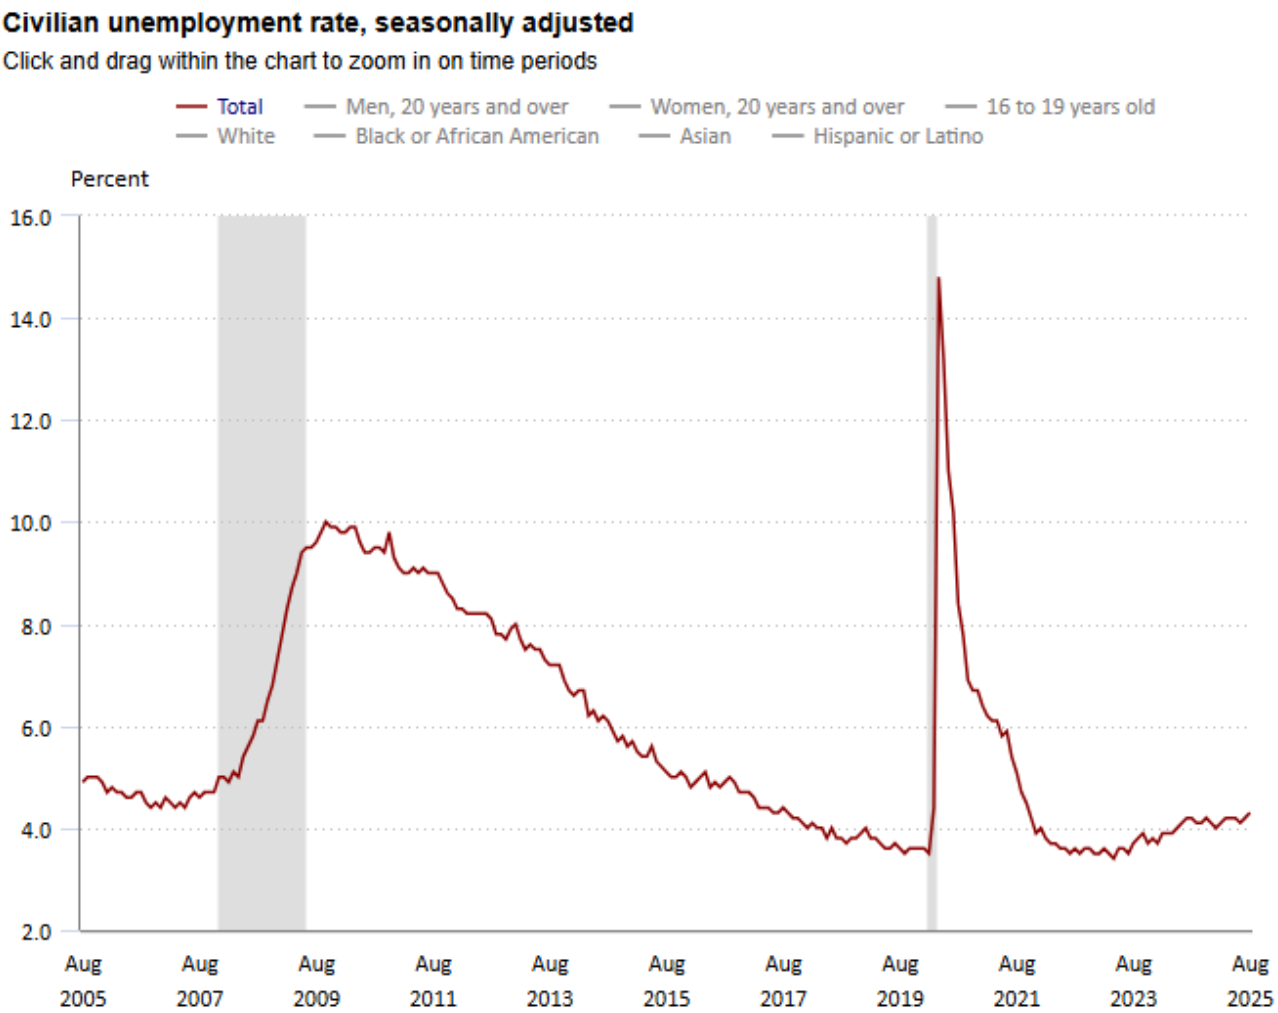

On September 5th, the U.S. Bureau of Labor Statistics reported that total nonfarm payroll employment had a small increase of 22,000 jobs in the month of August, and the unemployment rate was little changed at 4.3 percent with the number of unemployed people at 7.4 million.

A small gain in new health care jobs was partially offset by cuts in federal government jobs, mining and quarrying jobs, and oil and gas extraction jobs.

Notably, new entrants decreased by 199,000 in August, largely offsetting an increase of 275,000 new entrants in July. Job growth continued in health care services and hospitals at an increase of 31,000 jobs and 19,000 jobs, respectively. Ambulatory health care services also saw an increase at 13,000 jobs. Employment numbers have declined in the federal government by 15,000 in August and are down by 97,000 since January, based on this latest report.

Chart 1. U.S. civilian unemployment rate (seasonally adjusted)

PUBLIC WORKS DEPARTMENT

Landslide Emergency Stabilization

In response to unprecedented movement of the deep slide plane in the Greater Portuguese Bend-Ancient Altamira Landslide Complex (Landslide Complex), the City installed vertical deep de-watering wells (DDWs) to penetrate the deep slide plane and relieve water pressure.

Additionally, the City performed emergency winterization measures in the form of filling fissures/grabens, lining canyons, and improving drainage.

Status of the Deep Dewatering Wells Program

- The DDWs continue to be monitored and re-drilled or replaced as needed within the current approved budget.
- The total combined water extraction rate of the DDWs is currently at approximately **685 gallons per minute** or approximately **1 million gallons per day**.
- Since the start of the DDW program, approximately **339 million gallons** or **1,040 acre-feet** of water have been extracted from certain locations around the toe of the Landslide Complex. Weekly extraction rates are currently influenced by the following circumstances:
 - DDW-1 has sheared due to land movement and is offline. Re-drilling began last week and should be completed by next week or sooner.
 - DDW-5 re-drill was completed last week, and the well is back online.

DDW Current Water Extraction Rates as of September 22, 2025

DDW No.	Date Operational	Current Approximate Water Extraction Rate (Gallons Per Minute)	Total Water Extraction to Date	
			Acre-Ft	Million Gallons
1	9/13/2024	Offline (re-drilled 3/21/25; offline - redrill in progress)	132	43
2	9/17/2024	90 (re-drilled 5/29/25)	140	46
3	9/21/2024	65 (re-drilled 3/24/25)	135	44
4	9/21/2024	N/A, Decommissioned 3/27/25	98	32
4A	3/29/2025	50		
5	9/25/2024	105 (re-drilled 3/26/25 and 9/18/2025)	117	38
6	9/28/2024	75 (re-drilled 12/29/24 and 5/23/25)	114	37
7	10/15/2024	N/A, Decommissioned 6/3/25	15	5
8	10/17/2024	95 (re-drilled 8/14/25)	75	24
9	10/25/2024	N/A, Decommissioned 11/07/24	72	23
9A	11/16/2024	90 (re-drilled 12/29/24, 5/10/25, 8/22/25)		
10	10/24/2024	115 (re-drilled 5/11/25)	140	46
11	12/3/2024	N/A, Decommissioned 3/14/25	2	1
Totals		685	1,040	339

Status of Winterization:

City Council has provided direction to Staff on winterization efforts for the 2025-2026 rainy season. Staff are now working to bring contractors onboard and begin construction activities.

Palos Verdes Drive South Pavement Repairs

Palos Verdes Drive South (PVDS) is a key route in Rancho Palos Verdes, connecting residents and visitors while serving as a vital evacuation route.

The City routinely inspects and repairs the road. After recent slope stabilization near Wayfarers Chapel, two lanes in both directions were reopened. Contractors are now improving pavement conditions in the area, with work expected to finish by the end of this week.

Los Angeles County Sanitation Districts - Palos Verdes Drive South Pipeline Replacement Project

The sewer service in Rancho Palos Verdes is provided by both Los Angeles County Public Works and the City. Wastewater from these systems flows into transmission pipelines operated by the Sanitation Districts of Los Angeles County (LACSD), a regional agency serving 5.5 million residents in 78 cities. LACSD operates two above-ground 14-inch transmission pipelines along Palos Verdes Drive South, which carry sewage from across the Palos Verdes Peninsula to treatment facilities in Carson.

Ongoing land movement in the Portuguese Bend Landslide Complex has damaged these pipelines and caused leaks requiring emergency repairs. In response, LACSD has launched a project to replace the existing rigid steel pipes with more flexible High-Density Polyethylene (HDPE) pipes. Construction began several months ago and is now expected to be completed by the end of September.

Staff are coordinating closely with LACSD to limit traffic disruptions along Palos Verdes Drive South.

Traffic Safety Committee (TSC)

A special Traffic Safety Committee (TSC) meeting will be held on **Monday, September 29, at 6:00 p.m.** in the Community Room at the Ken Dyda Civic Center. The agenda will include:

- Bloomwood Road Petition for Speed Humps
- Hawthorne Boulevard between Granvia Altamira and San Nicolas Drive Guardrail Traffic Study

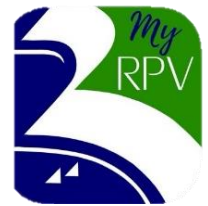

- Trudie Drive Speed Humps Traffic Study

The public is encouraged to attend and provide input. The full agenda will be available on the City's website at rpvca.gov/agendas by **Thursday, September 26, at 4:30 p.m.**

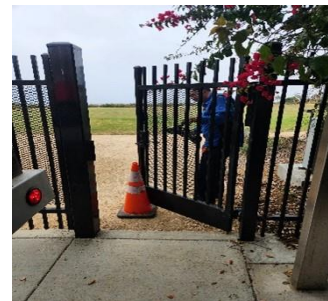

- This week, the following resident service requests were submitted to the City and addressed by staff and/or contractors:
 - **60** service requests were reported.
 - **49** service requests were completed and closed out.

You can report needed repairs in the public right-of-way using the City's app. Residents can help keep RPV looking great by downloading the "MY RPV" app via Apple Store or on Google Play.

- In addition to routine weekly landscape maintenance at all City parks, the following were completed:
 - Repaired the rattlesnake warning sign at Ladera Linda Community Park
 - Repaired the entrance gate at Ladera Linda Community Park
 - Replaced four trash receptacles at Eastview Park

- This week, ROW maintenance crews conducted landscape clearing, weed whacking, and general landscape maintenance along medians and the public right-of-way throughout various City areas. Work locations included:
 - Hawthorne Boulevard center medians and right of way
 - Palos Verdes Drive South center medians and right of way
 - Palos Verdes Drive East and Calle Entradero right of way
 - Highridge Road center medians from Crest Road to Hawthorne Boulevard
- This week, the irrigation team completed inspections, repairs, and system upgrades at these locations:
 - Adjusted the irrigation controller at Ladera Linda Community Park
- Use the following link to watch our virtual landscape maintenance:
<https://www.relive.com/view/vxOQ5PyE4MO>

- In addition to routine tree trimming throughout the City, the Public Works Department continuously inspects trees for structural integrity and safety. Below is the list of trees inspected this week for potential City action, such as trimming or removal:
 - Birchfield Avenue: 1 tree
 - Flambeau Road: 1 tree
 - Avenida Aprenda: 2 trees
 - Newstar Drive: 1 tree

- Upland Street: 2 trees
- 4333 Via Frascati: 1 tree

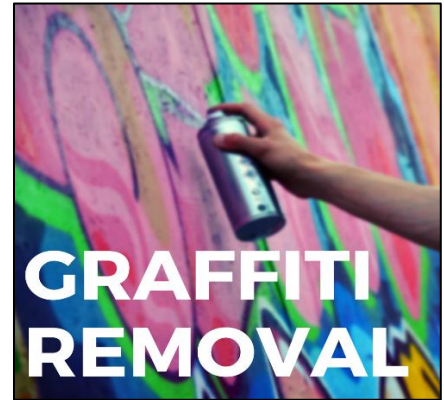

- The Public Works Department performed the following infrastructure repairs and replacements in the public right-of-way:
 - Grinded sidewalk deviations at the following locations:
 - Grayslake Road
 - Sea Breeze Avenue
 - Repaired signage at the following locations;
 - Relocated several "No Outlet" signs along Dauntless Drive
 - Repaired two "Down Bike" signs along Palos Verdes Drive South landslide area
 - Filled potholes at the following locations:
 - Sea Cove Drive near Palos Verdes Drive South
 - Palos Verdes Drive South landslide area

- Traffic signals and street lights were recently serviced at the following locations:
 - Grayslake Road / Highridge Road
 - Abbottswood Drive
 - Alvarez Drive

Graffiti Removal

- **33** graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

- On September 17, 2025, crews responded to an emergency tree down blocking the roadway along Montemalaga Drive. No injuries were reported, and the road was cleared and reopened.

- On September 21, 2025, a water issue was reported at Dovernidge Drive. After inspection, California Water Services was notified to complete the repairs.

COMMUNITY DEVELOPMENT DEPARTMENT

General Plan Update Amendments to the Conservation and Open Space Element

The State of California requires both a Conservation Element and an Open Space Element to be included in every local government General Plan. Recent California State legislation requires significant updates to local General Plans, these mandates are designed to create more inclusive, resilient, and interconnected communities and ecosystems. The City's Conservation and Open Space Element was last updated in 2018 and is required to be updated by recent State laws Senate Bill (SB)1425 and Assembly Bill (AB) 1889.

The Community Development Department is now seeking qualified consulting firms and their subconsultants to assist in the preparation of a General Plan Update to amend the City's existing Conservation and Open Space Element to comply with SB1425 and AB 1889. Additional information about the project and associated request for proposals is available for download [here](#). For questions, please contact Senior Planner, Jessica Bobbett (310) 544-5224 or via email at jbobbett@rpvca.gov.

Landslide Area Development Regulations

On August 19, 2025, the City Council adopted Ordinance No. 692 amending the Rancho Palos Verdes Municipal Code (RPVMC) to permanently prohibit new residential construction in the Greater Portuguese Bend Landslide Complex, including home additions, effective September 18, 2025. The ordinance includes some exception categories established through Section 15.20.040 of the RPVMC, which include replacement, restoration, and repair of existing structures through an approval of an Exception Permit. A listing of all exception categories is available for review [here](#). A copy of the Exception Permit is available for review [here](#).

Property owners may apply for their parcel to be excluded from the landslide regulation area through an existing process, yet there are strict submittal criteria and findings to meet, including a safety threshold. More information about this process and associated applications are available to review [here](#).

Western Avenue Commercial Storefront Improvement Program

On February 18, 2025, the City Council approved four grants to local property owners as part of the City's Western Avenue Commercial Storefront Improvement Program. The focus of the grants aims to enhance or restore the physical condition or appearance of businesses along Western Avenue through the installation of new lighting, landscaping, and/or other physical improvements.

On September 23, 2025, Staff confirmed that all requirements of the grant agreement for the property at 29051 S. Western Avenue (Old Marie Calendars) had been met. Grant improvements included replacement of exterior doors, frames, hardware, windows, glass and glazing. Renovation of the front entrance and updates to the exterior finishes are highlighted in the accompanying site photograph.

As a reminder, Round 3 of the grant program is now open and accepting applications. For more information about the Western Avenue Commercial Storefront Improvement Program, please visit the City's website at <https://www.rpvca.gov/1780/Western-Avenue-Commercial-Storefront-Imp>. For questions, please contact Senior Administrative Analyst, Lisa Garrett at (310) 544-5236 or via email at LisaG@rpvca.gov

City Recognition at Palos Verdes Peninsula Chamber of Commerce Meeting

On September 18, 2025, Senior Planner Amy Seeraty represented the City at a business networking lunch held by the Palos Verdes Peninsula Chamber of Commerce where the City was recognized for 38 years of membership in the Chamber. Senior Planner Seeraty thanked the Chamber for the recognition and also provided a short presentation mentioning the Western Avenue Storefront Improvement Grant Program, as well as a possible Public Safety & Business Owner meeting with the Sheriff to explore public safety concerns in the Western Avenue corridor.

Follow-Up Planning Commission Meeting Agenda

See attached Follow-Up Planning Commission meeting agenda for meeting on Tuesday, September 23, 2025.

RECREATION AND PARKS DEPARTMENT

Coastal Cleanup Day Recap-A Successful Day of Service!

Coastal Cleanup Day is an international day of action dedicated to protecting our precious oceans, watersheds, and wildlife from trash and plastic pollution.

More than 60 volunteers, including docents from Los Serenos Docents de Point Vicente, gathered at Founders Park to help clean up RPV Beach and the Ocean Trails Reserve. Thanks to their tireless efforts, over 500 pounds of trash were removed — including 7 lobster traps, a commercial fishing net, and large amounts of Styrofoam.

Founders Park served as both a beautiful cleanup site and an educational venue to raise awareness about the impact of public pollution.

Thank you to everyone who contributed to this successful event. Their hard work helped make our shores cleaner and more beautiful for all to enjoy.

Stories, Songs & Smiles: Little Fish Tales Makes a Big Splash

The Little Fish Tales event on September 18 was a big success! A total of 32 people (15 adults and 17 children) enjoyed a free, fun and interactive story time designed for toddlers at the Pointe Vicente Interpretive Center. This engaging program features stories, songs, counting, movement and hands-on craft. Two volunteers from I CAN, a nonprofit organization that provides quality employment, life skills, and social programs for Southern California's adults with intellectual and developmental disabilities assisted at the sign-in table. Upcoming dates include October 16 and November 20. Don't miss out on these exciting opportunities for toddlers to learn through storytelling and play.

Howl Much Fun Is This Going to Be? Trunk or Treat Draws Nigh!

What does a panda ghost eat? Bam-BOO! Bad puns aren't scary and neither is our fun, family-friendly trunk-or-treat event which is coming soon on October 11 from 11 a.m. to 2 p.m. at the Ken Dyda Civic Center. The event will feature lots of family friendly activities such as crafts, face painting, inflatables, a costume parade, food trucks and more. It promises to be a ghoulishly good time. There are still spaces available for individuals, businesses, or organizations interested in hosting a decorated car trunk for this annual celebration. If you'd like to participate, please email events@rpvca.gov to sign up.

Beautification Project Underway at Eastview Dog Park: Temporary Dog Park Enclosures Open

As part of Recreation and Parks' commitment to enhancing the park experience for visitors and their dogs, both dog enclosures will be temporarily closed for grass restoration. This closure will allow the new grass to take root and thrive, creating a more enjoyable and durable space for all our furry friends. Temporary dog enclosures for large and small dogs opened to the public on August 21.

We understand this may cause some inconvenience, and we sincerely appreciate your patience and support as we work to improve the park for everyone.

Park patrons can also visit Rancho Caninos Dog Park, located at 30940 Hawthorne Blvd, Rancho Palos Verdes, as a great alternative for you and your dogs to enjoy during this restoration period.

Both Eastview dog enclosures are projected to reopen by late November. For any questions, park patrons are encouraged to ask onsite staff or call Eastview Park at 310-544-5269.

Recreation and Parks' Interest Survey Ends This Week

The City of Rancho Palos Verdes is constantly working to bring positive opportunities for residents and visitors to engage in recreation. In order to help determine the best possible recreation experiences, the Recreation and Parks Department is seeking feedback from the public.

There are two interest surveys available: one for adult recreation programs (over 17) and one for youth and teen programs (under 17). Please select the form that corresponds best with you or your household's age group. You may also complete both. To access the surveys, scan the QR codes below or click on the flyer link. **Surveys can be submitted until September 30.**

[Click here to open the Flyer](#)

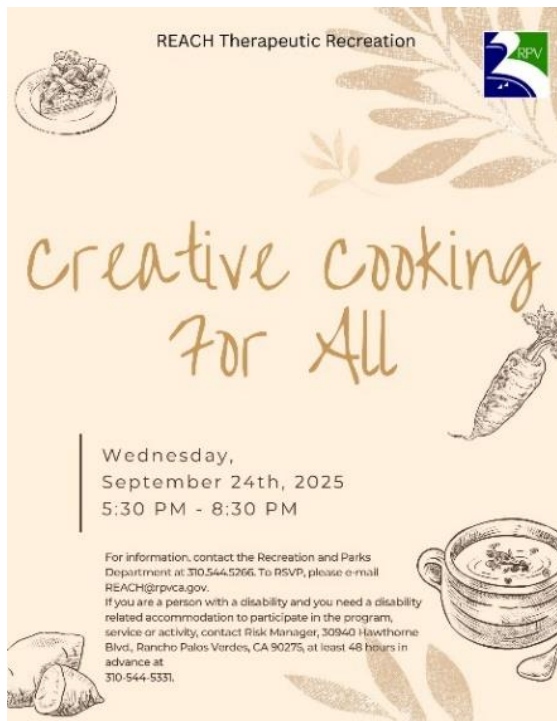

REACH Update

The REACH program serves the social and recreational needs of youth and adults with developmental disabilities. To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

REACH Celebrates the End of Summer BBQ Style

September 22 marks the beginning of fall. So what better way to say goodbye to another awesome summer than with a barbecue in the park. It soon started to get a little chilly so we took all the fun indoors. Even better was the nostalgic feeling of being back in elementary school PE playing with everyone's favorite game, the parachute! The night was filled with fun and laughter as we made more memories with each other.

Parks Weekend Attendance Report

Below is a summary report of estimated public usage for the past weekend.

- HESSE PARK - walking paths, playground, and grass area
Estimated total park attendance: 998
- RYAN PARK - walking paths, playground, basketball court, and grass area
Estimated total park attendance: 403
- EASTVIEW PARK - walking paths, playground, dog park, and grass area
Estimated total park attendance: 485
- LOWER POINT VICENTE PARK - walking paths and grass area
Estimated total park attendance: 4,210
- LADERA LINDA COMMUNITY PARK – walking paths, grass areas, playgrounds, basketball and paddle tennis courts.
Estimated total park attendance: 332

Total Weekend Attendance: 6,428

Preserve and Beach Weekend

September 20-21

Public Contacts: 239

Violations observed: 8

Notice of Parking Citations: 4

Abalone Cove Reserve

On September 19, Park Rangers located and retrieved a sleeping bag that was found within the habitat. No individuals or other personal belongings were present.

Forrestal Reserve

On September 20, Park Rangers received a report of a water leak along Forrestal Drive. Public Works was notified of the issue. The valves were shut off until further inspection and repairs could take place.

Ocean Trails Reserve

On September 20, Staff assisted Los Serenos de Point Vicente with the annual California Coastal Clean-up event. Staff was able to assist with loading heavier items, including lobster traps—that were collected by volunteers.

FIRE WEATHER

KNOW WHAT TO DO

Prevent Fires | Get Alerts | Be Ready

The devastating fires throughout Los Angeles County that were magnified by the “Particularly Dangerous Red Flag Situation” are a grave reminder that we must do more to mitigate against and be ready for a major wildfire in our area. Read below to learn what you can do to help prevent and prepare for wildfire.

PREVENT FIRES

1. **Create defensible space** around your home by regularly cleaning your roof, gutters, decks, the base of walls, windows and doors within 5 feet of your home to avoid the accumulation of fallen leaves, needles and other flammable materials. Remove all dead or dying grass, plants, shrubs, trees, branches, leaves, weeds, and pine needles within 30 ft of structures or to the property line. In depth info and tips are available from United Policyholders Wildfire Risk Reduction and Asset Protection (“WRAP”) Resource Center: <https://uphelp.org/preparedness/wrap-resource-center/>
2. **Avoid activities that could generate sparks**, such as smoking or using power tools or machinery, and postpone outdoor burning during high-risk periods (check aqmd.gov/advisory to learn when a mandatory no burn day alert is issued).
3. **If you see something, say something.** Report smoke or signs of a fire immediately to authorities, it can help prevent the spread of fire. If a building you are in is on fire, pull the fire alarm and warn as many people as you can on your way out.
4. **Build and repair your home with fire resistant material.**

GET THE ALERTS

Alert South Bay is an opt-in emergency alert system that will inform you if there is a local emergency affecting your area that require you to take actions to stay safe (ex. Evacuate, Shelter in Place). To sign up visit alertsouthbay.com, ext “alerts” to 888-777, or download the free Everbridge app on Google Play or App Store

Know which zone you are in and if it is affected to help you respond quickly if an emergency threatens your life. Visit www.pvpready.gov and type in your address on the map to learn the zone of your home, work, and other frequented locations and to see the most up to date information about emergencies in your zone. Visit the EPC booth at our next event to get a free “Know Your Zone” fridge magnet.

Download the MyRPV app for the most up to date information about all local emergencies and resources in the City of RPV, or visit: <https://www.rpvca.gov/1401/MyRPV>

You may have heard about the **Watch Duty app**. For more detailed information about a specific **fire**, this app provides a good one stop shop of local fires and their current status. Learn more: <https://www.watchduty.org/>

BE READY

To Evacuate

If you had to leave right now, where would you go and how would you get there?

Determine multiple locations you can go to and think of multiple routes you can use to get there. Make sure your plans include everyone in your household, including animals and that you have the supplies needed to help you evacuate

Emergency Supplies for Evacuation

- Food and water
- Important medical supplies and equipment
- Changes of clothes, including sturdy shoes
- Flashlights with batteries
- Important documents (or copies of), including ID, insurance, and proof of residence.
- Cash
- Entertainment that does not require electricity or data
- Chargers and cables for important devices
- Anything very important to you, such as sentimental and irreplaceable items
- Keep your vehicle fuels/charge to at least 1/2 capacity
- Hard copy of a map with multiple evacuation routes highlighted

For Power Outages

- Charge essential devices (phones, laptops, medical equipment, power banks).
- Stock up on batteries, flashlights, and non-perishable food.
- For medical needs requiring electricity, have a backup plan ready. The ADA provides a checklist that can help with planning [here](#).
- Visit <https://www.sce.com/outage-center/check-outage-status> for outage information or to report downed power lines.
- If power goes out, avoid opening refrigerators or freezers to preserve food.

To Support One Another

- ★ Sign up for a local Community Emergency Response Team (CERT) to get trained on how to help your community during an emergency. Learn more: <http://www.pvpcert.org/>
- ★ Get trained and/or volunteer with the American Red Cross to support emergency response: <https://www.redcross.org/take-a-class/disaster-training>
- ★ Support the Survivors of the fires in Los Angeles: <https://lafd.org/news/wildfire-donations-your-generosity-inspiring>

The **Emergency Preparedness Committee (EPC)** encourages all residents to explore additional methods for emergency notifications that may be best for their individual needs. For additional information and resources, please contact the EPC at EPC@rpvca.gov or (310) 544-5209.

FOLLOW-UP AGENDA
RANCHO PALOS VERDES PLANNING COMMISSION
TUESDAY, SEPTEMBER 23, 2025
FRED HESSE COMMUNITY PARK, 29301 HAWTHORNE BOULEVARD
REGULAR MEETING
7:00 P.M.

NEXT P.C. RESOLUTION 2025-06

CALL TO ORDER: **7:00 P.M.**

PLEDGE OF ALLEGIANCE: **LED BY COMMISSIONER CHRISTEN**
