CITY MANAGER'S OFFICE

City Council Meeting Agenda Now Available

The agenda for the October 21, 2025 City Council meeting is available at rpvca.gov/agendas.

Meeting topic highlights include:

- Considering conducting a study exploring the feasibility of creating a potential toll road along a portion of Palos Verdes Drive South within the landslide complex that would help pay for maintenance of the roadway in the landslide area.
- Whether to advocate for the introduction of state legislation requiring local grocery stores to continue offering paper coupons to ensure access for all patrons.
- Adopting the 2025 California Building Standards Code, a compilation of building standards that apply to all types of construction in the state.

The meeting will take place at 7 p.m. in McTaggart Hall at Hesse Park and via Zoom. Watch live on RPVtv's [YouTube channel](https://www.youtube.com/channel/UC...), at rpvca.gov, or on Cox 33/FiOS 38.

To participate in public comment, complete a form at rpvca.gov/participate.

Email your comments on agenda items to cc@rpvca.gov.

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 424-327-3982 adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

RPV Attends Cal Cities Conference

Last week, City officials attended the Cal Cities Annual Conference and Expo in Long Beach.

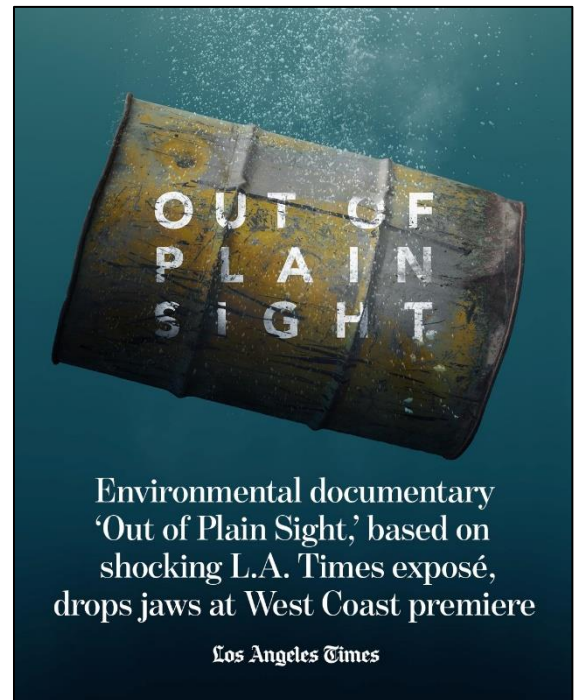

Established in 1898, Cal Cities is a nonprofit statewide association that advocates for cities with state and federal governments and provides education and training services to elected and appointed city officials. Cal Cities' mission is to expand and protect local control for cities through education and advocacy to enhance the quality of life for all Californians.

City Staff attended informative sessions on disaster preparedness, emergency communications, leadership, grants, and wireless facility permitting, among other topics. No General Assembly was held this year, as no conference resolutions to shape Cal Cities policy were submitted for consideration.

San Pedro International Film Festival to Screen Documentary on DDT Dumping

The San Pedro International Film Festival, which takes place November 7-9 in RPV and San Pedro, will present a screening of an LA Times documentary about deep-water chemical dumping off the coast of the Palos Verdes Peninsula.

From the Los Angeles Times and Pulitzer Prize-finalist Rosanna Xia, "Out of Plain Sight" is a cinematic exposé of an environmental disaster lurking just off the coast of Southern California. Not far from Catalina Island, aboard one of the most advanced research ships in the world, David Valentine discovered a corroded barrel on the seafloor that gave him chills. The full environmental horror sharpens into greater clarity once he calls Xia, who pieces together a shocking revelation: In the years after World War II, as many as half a million barrels of toxic waste had been quietly dumped into the ocean – and the consequences continue to haunt the world today.

Red Cross Blood Drive October 17

The City and the Rotary Club of Palos Verdes Peninsula are holding a Red Cross Blood Drive on October 17 from 11 a.m. to 5 p.m. in McTaggart Hall at Hesse Park.

To make an appointment, please sign up online at RedCrossBlood.org and enter sponsor code: PVPRotary.

Streamline your donation experience and save up to 15 minutes by visiting

RedCrossBlood.org/RapidPass to complete your pre-donation reading and health history questions on the day of your appointment.

Give blood by October 19 and get a \$10 Amazon.com gift card by email. See rcblood.org/fall.

Last Chance: Neighborhood Beautification Grant Applications Due October 17

Applications for the Neighborhood Beautification Grant Program will be accepted through October 17. Beautification projects must be visible from arterial or collector streets to receive a reimbursement for 50% of the project costs, up to \$5,000.

For full program details, visit rpvca.gov/NBG.

Prepare for the Citywide Brush Clearing

The fall season brush-clearing event began on October 4 and will continue for four consecutive Saturdays. Each week a different area of RPV is serviced. The goal of the event is to assist homeowners dispose (free of charge) excess brush, shrubs, hedges, tree branches, and bushes to comply with the Los Angeles County Fire Department's fire safety guidelines. This is a great opportunity to help prevent local brush fires! For more information, you may contact the City's waste collection contractor, EDCO, at 310-540-2977 or go to rpvrecycles.com.

Next Paper Shredding Event, October 25

Mark your calendars! Our next paper/document shredding event will be on October 25 from 8-11 a.m. The event will be held at City Hall's overflow parking lot and will be free for all Rancho Palos Verdes residents. During the event, electronic waste will be collected for recycling, and mulch will be available to residents.

October 29: "Halloween Music Special"

Members Ann and Lee Strong will present several pieces of music written for or about Halloween, featuring creepy music from the 17th through the 20th century.

Call Renee Reymond, Program Coordinator, at 310-377-3003 for details.

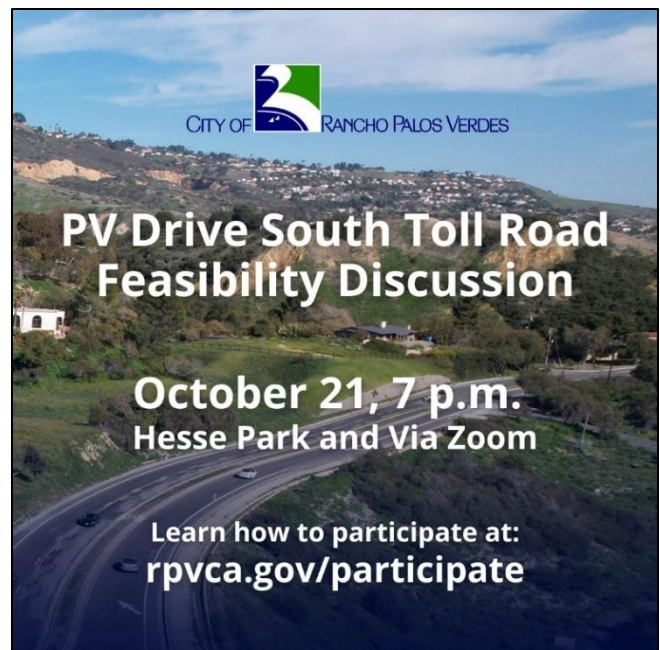

City Council to Consider PV Drive South Toll Road Feasibility Study

On October 21, 2025, the City Council will consider conducting a study exploring the feasibility of converting a portion of Palos Verdes Drive South into a toll road that would help pay for maintenance of the roadway in the landslide area.

Establishing a toll facility on a public roadway involves multiple layers of legal, procedural, and regulatory approvals. The process is primarily governed by the California Streets and Highways Code and requires coordination among state, regional, and federal agencies.

The Council will be asked to consider these complex requirements, as well as the potential unintended consequences of establishing a toll road, before deciding whether to seek a consultant for a feasibility study, which is estimated to cost \$25,000-\$50,000. The study could provide needed information to determine whether the toll road would be economically feasible, estimating the cost of operating the toll system and forecasting a net revenue estimate under different toll schemes.

A [staff report \(PDF\)](#) with more information is available on the City website.

Meeting Info

The City Council meeting will take place on October 21, 2025, at 7 p.m. in McTaggart Hall at Hesse Park and via Zoom. Watch live on RPTV's [YouTube channel](#), at rpvca.gov, or on Cox 33/FIOS 38.

To participate in public comment during the meeting in person or virtually, complete a form at rpvca.gov/participate. Email your comments on this topic to cc@rpvca.gov.

FEMA Disaster Recovery Assistance Update – Appeals Denied

In March 2025, the City [formally appealed](#) the Federal Emergency Management Agency's (FEMA) decision to deny \$37.9 million in disaster recovery funding requested by the City for costs incurred responding to the landslide emergency due to the winter storms in late January and early February 2024. On October 8, the City [was notified](#) that FEMA District 9 Administrator Robert Fenton has denied the City's appeals, upholding the agency's position that while the winter storms may have greatly accelerated land movement, what FEMA considers to be pre-existing conditions in the landslide make the City ineligible for reimbursement under the 2024 federal disaster declaration. The City believes the unprecedented land movement experienced as a result of the 2024 winter storms was not just a simple expansion of the shallower Portuguese Bend Landslide Complex, but the activation of the Altamira Landslide, a much larger and deeper landslide that had been dormant prior to the record storms. City staff is now preparing a final appeal to FEMA headquarters, which will be submitted within the 60-day deadline.

EPC Regular Meeting

The City's Emergency Preparedness Committee (EPC) will be convening a regular meeting on October 16, 2025 @ 6 pm at the City Hall Community Room and via zoom.

DROP! COVER! and HOLD ON!

The Great ShakeOut is 10/16 at 10:16 am

You could be anywhere when an earthquake strikes: at home, at work, at school, or even on vacation. To survive an earthquake and reduce your risk of injury you must plan, prepare, and practice what you and your loved ones will do when it happens.

Join us wherever you are this Thursday, October 16, at 10:16 a.m. and practice how to "Drop! Cover! and Hold On!" for the Great ShakeOut, a worldwide earthquake drill. City Staff will be participating in this important exercise. Learn more at ShakeOut.org

Download MyShake, a free earthquake early warning app that sends alerts to users' smartphones when an earthquake is detected. Learn more: <https://myshake.berkeley.edu/>

Wildfire Home Hardening Expo Recap

The RPV Council of Homeowner's Association (CHOA) and the City partnered to put together a wildfire home hardening expo for the community at Hesse Park on September 27th. Dozens of local emergency response agencies and wildfire mitigation vendors came together to provide information and resources to the community.

- CHOA raffled off free emergency bags filled with supplies.
- The City provided free pool signs to residents to display near their homes to help firefighters identify pools during response operations.
- LA County Fire Department provided free NOAA weather radios that can warn residents of local emergencies and conducted a fire extinguisher demo during the expo, teaching residents how to use a fire extinguisher and letting them try it themselves.

Check out the RPVtv recap video at: <https://www.youtube.com/watch?v=hGgMrCHyBSk>

CHOA is actively working to compile information from all booth participants at the expo and will post this information on their website in the coming weeks:

FINANCE DEPARTMENT

FAC Meeting Recap

In the latest meeting of the Finance Advisory Committee (FAC) held on October 9th, several key items were discussed.

Final Review of the City's Debt Management Policy.

The Committee received a report and presentation from staff detailing the final draft of the City's updated Debt Management Policy. The FAC approved the updated Debt Management Policy with a few recommended revisions to the glossary. The revised Debt Management Policy will be presented to the

City Council at the November 18th meeting, with two FAC members anticipated to be in attendance and in support of the proposed revision.

Other FAC items

FAC also received presentations from staff on the California Public Employee's Retirement System Actuarial Valuation Report as of June 30, 2024 and a financial update on the Greater Portuguese Bend Landslide Complex.

The next FAC meeting is scheduled for November 13th, in the Community Room at the Ken Dyda Civic Center, 30940 Hawthorne Blvd. The tentative agenda will include:

- A presentation on potentially establishing a line of credit for the City;
- A presentation and update for the successor agency obligations;
- The Fiscal Year 2025-26 First Quarter Financial Report for General Fund;
- A quarterly presentation on the Treasury activities and investment reports.

Job Openings and Labor Turnover – August 2025

On September 30, 2025, the Bureau of Labor Statistics released the August 2025 data from the Job Openings and Labor Turnover Survey (JOLTS). This monthly report includes estimates of the number and rate of job openings, hires, and separations and provides insights into the current labor market.

As reported, the number of job openings totaled 7.2 million for the month ending August 2025, with no change from July's 7.2 million job openings. At 4.3 percent, the job opening rate did not change from July. Within the month of August, establishments with one to nine employees and establishments with 5,000 or more employees showed little or no change in job openings, hires and separation rates.

In August, the number and rate of total separations had little change at 5.1 million and 3.2 percent respectively. The number of total separations decreased in accommodation and food services and in arts, entertainment and recreation at -113,000 and -48,000 respectively. The total separations increased in state and local government, excluding education, at +27,000.

PUBLIC WORKS DEPARTMENT

Landslide Emergency Stabilization

In response to unprecedented movement of the deep slide plane in the Greater Portuguese Bend-Ancient Altamira Landslide Complex (Landslide Complex), the City installed vertical deep de-watering wells (DDWs) to penetrate the deep slide plane and relieve water pressure. Additionally, the City introduced an emergency winterization program in the form of filling fissures/grabens, lining canyons, and improving drainage.

Status of the Deep Dewatering Wells Program

- The DDWs continue to be monitored and re-drilled or replaced as needed within the current approved budget.
- The total combined water extraction rate of the DDWs is currently at approximately **670 gallons per minute** or approximately **1.0 million gallons per day**.
- Since the start of the DDW program, approximately **357 million gallons** or **1,097 acre-feet** of water have been extracted from certain locations around the toe of the Landslide Complex. Weekly extraction rates are currently influenced by the following circumstances:
 - DDW-9 is currently offline due to low water level. The City's Geologists are studying how quickly its water level rises and will then recommend adjustments to the pump's operation to minimize the risk of it running dry and burning out.

DDW Current Water Extraction Rates as of October 13, 2025

DDW No.	Date Operational	Current Approximate Water Extraction Rate (Gallons Per Minute)	Total Water Extraction to Date

Status of Winterization:

Construction work began this week on winterization measures. The work is expected to take approximately one month to complete.

Hawthorne Boulevard at Eddinghill/Seamount Left Turn Signal Construction Update

On March 4, 2025, the City Council awarded a construction contract to install a left turn signal arrow for Hawthorne Boulevard at Eddinghill Drive/Seamount Drive. Since that time, the construction contractor has been ordering and acquiring the long lead items like the steel poles, signal heads, and the controllers. The fabrication and acquisition of those items is now nearly complete.

On Monday, October 6, 2025, construction activities began at the intersection. The project includes the following improvements:

- Left-Turn Arrow for both northbound and southbound Hawthorne Boulevard left turns.
- Traffic signal hardware and equipment updates including a new traffic cabinet and signal controller; upgraded traffic signal mast arms to accommodate the new

left turn signal heads; upgraded intersection lighting, new illuminated street name signs; and upgraded intersection accessibility curb ramps.

To minimize traffic disruptions, work hours are generally Monday – Friday from 9am to 4pm. Construction is anticipated to be complete by the end of the year.

Project rendering of new northbound left turn signal.

Infrastructure Management Advisory Committee (IMAC)

The IMAC meeting scheduled for October 20 is cancelled. The next scheduled regular meeting will be held on November 17, 2025.

Traffic Safety Committee (TSC)

The TSC special meeting scheduled for October 27 is cancelled. A new date is currently being reviewed and will be announced when confirmed.

- This week, the following resident service requests were submitted to the City and addressed by staff and/or contractors:
 - **100** service requests were reported.
 - **69** service requests were completed and closed out.

You can report needed repairs in the public right-of-way using the City's app. Residents can help keep RPV looking great by downloading the "MY RPV" app via Apple Store or on Google Play.

- In addition to routine weekly landscape maintenance at all City parks, the following were completed:
 - Replaced the push button on the drinking fountain at Eastview Park
 - Repaired the door mechanism on the indoor women's restroom at Point Vicente Interpretive Center
 - Completed installation of an electrical panel at City Hall

- This week, ROW maintenance crews conducted landscape cleaning, weed whacking, and general landscape maintenance along medians and the public right-of-way throughout various City areas. Work locations included:
 - Montemalaga Drive center medians and right of way
 - Palos Verdes Drive West center medians and right of way
 - Palos Verdes Drive East right of way from Crest Road to Miraleste Drive
 - Highridge Road and Crest Road center medians
 - Granvia Altamira center median
- This week, the irrigation team completed inspections, repairs, and system upgrades at these locations:
 - Replaced three irrigation sprinklers at Hesse Park
- Use the following link to watch our virtual landscape maintenance:
<https://www.relive.com/view/vNOPzBjWBYq>

- In addition to routine tree trimming throughout the City, the Public Works Department regularly inspects trees for structural integrity and safety. Below is the list of trees inspected this week for potential City action, such as trimming or removal:
 - Dauntless Drive- 5 Trees
 - Via Sonoma- 2 Trees
 - Springcreek Road- 1 Tree
 - Beechgate Drive- 17 Trees
 - Browndeer Lane- 1 Tree
 - Longhill Drive- 1 Tree
 - Toscani Drive- 1 Tree
 - Capeswood Drive- 1 Tree

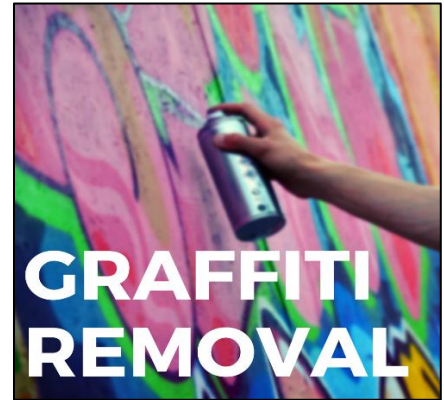

- The Public Works Department performed the following infrastructure repairs and replacements in the public right-of-way:
 - Removed anchoring cables for trash cans along Western Avenue and replaced them with new L-brackets to better secure them to the sidewalk.
 - Installed new signs at the Avenida Classica traffic circles.
 - Installed new hardware to repair a damaged sign at Flaming Arrow Drive and Longhill Drive.

 - Crenshaw / Indian Peak

Graffiti Removal

- **36** graffiti incidents were reported and removed this week.
- Residents can help keep RPV looking great by downloading the **RPV Clean** app to report graffiti to City staff.

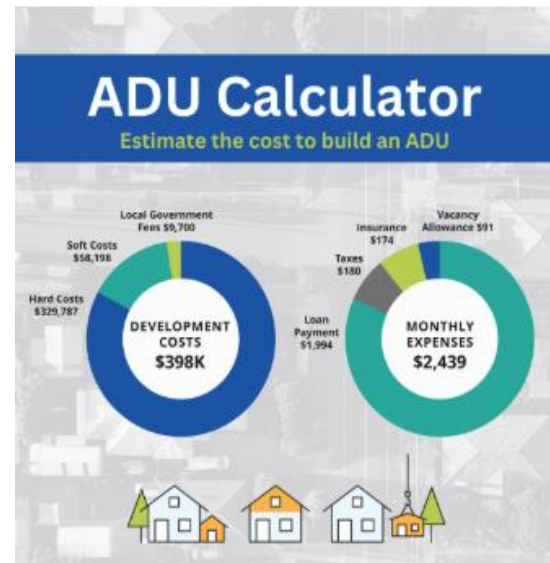

- There are no reported emergencies at this time. For questions or to report an issue, please contact the City of Rancho Palos Verdes Public Works Department at (310) 544-5252 or by email at publicworks@rpvca.gov.

COMMUNITY DEVELOPMENT DEPARTMENT

Accessory Dwelling Unit (ADU) Calculator Now Available

The Community Development Department is excited to launch the ADU Calculator. The ADU calculator is a digital tool that helps homeowners through the steps to develop an ADU project profile in order to give homeowners a better understanding of estimated project costs. To access the ADU Calculator click [Here](#) or go to the city's website [Here](#). For more information on building an ADU on your property, please contact the City's Planning Division at Planning Division at 310-544-5228 or planning@rpvca.gov.

Building Code Update

On October 21, the City Council will consider introducing, by title only, an ordinance to adopt the 2025 California Building Standards Code. This update is in response to the California Building Standards Commission (CBSC), which updates the Uniform Codes governing construction practices in the State of California every three years. As part of this effort, the City's Building official is proposing local amendments to the code to establish more stringent standards deemed reasonably necessary due to local conditions, including seismic activity, soil instability, and other geotechnical factors that pose potential risks to life and property. If the ordinance is introduced by the City Council, the first reading of the ordinance will be considered by the City Council as part of a public hearing at its meeting on November 18. For more information about the proposed code update, please contact the City's Building & Safety Division at (310) 544-5280 or via email at BuildingSafety@rpvca.gov.

Palos Verdes Peninsula Association of Realtors (PVPAR) Presentation

On October 15, Staff in the Community Development Department provided an informational presentation to representatives of the PVPAR. The presentation provided background and resource information about the City of Rancho Palos Verdes including development applications and processes that are of interest to realtors and their clients. As part of the presentation, Code Enforcement Division Staff also outlined code requirements related to the posting of real estate signage both on private and public property.

This outreach effort provided an opportunity to educate and inform interested parties about the importance of code complaint signs and practices throughout the City. Additional information regarding real estate signage is available on the City's website or by contacting the Code Enforcement Division at (310) 544-5281 or via email at CodeEnforcement@rpvca.gov.

REMINDER: Applications for the Western Avenue Storefront Improvement Program Closing Soon

As a reminder, applications are currently being accepted for participating in the Western Avenue Storefront Improvement Program. **The submittal deadline is October 31, 2025.**

Grants of \$5,000-\$20,000, requiring a 50% match, are available for eligible projects that enhance or restore the physical condition or appearance of the building (must be visible from the street). Examples include new exterior paint, lighting, landscaping, signs, awnings, entry doors, outdoor seating, and resolving code violations. Storefronts must be located along Western Avenue within the boundaries of the City of Rancho Palos Verdes (NOT in the City of Los Angeles). Point Vicente Interpretive Center Enhances Sea Cave Exhibit

The Point Vicente Interpretive Center (PVIC) has unveiled exciting upgrades to its popular Sea Cave Exhibit, offering visitors a more interactive and engaging experience for all ages.

New additions include:

- Improved lighting to better highlight existing displays

- A fossil display case
- Prehistoric life graphic
- Enhanced Palos Verdes Hills Pleistocene Mammals exhibit (Interactive LED/Push Buttons Installed and new graphics)
- A casting from an over 600-pound fossil fish

These updates bring the sea cave exhibit to life. PVIC is open daily from 10 a.m. to 5 p.m. Stop by soon to explore the latest additions.

Beautification Project Underway at Eastview Dog Park: Temporary Dog Park Enclosures Open

As part of Recreation and Parks' commitment to enhancing the park experience for visitors and their dogs, both dog enclosures will be temporarily closed for grass restoration. This closure will allow the new grass to take root and thrive, creating a more enjoyable and durable space for all our furry friends. Temporary dog enclosures for large and small dogs opened to the public on August 21.

We understand this may cause some inconvenience, and we sincerely appreciate your patience and support as we work to improve the park for everyone.

Park patrons can also visit Rancho Caninos Dog Park, located at 30940 Hawthorne Blvd, Rancho Palos Verdes, as a great alternative for you and your dogs to enjoy during this restoration period.

Both Eastview dog enclosures are projected to reopen by late November. For any questions, park patrons are encouraged to ask onsite staff or call Eastview Park at 310-544-5269.

REACH Update

The REACH program serves the social and recreational needs of youth and adults with developmental disabilities. To RSVP for REACH activities or if you have questions, please email reach@rpvca.gov.

Trick or Treasure: REACH's Pirate Candy Cove

Ahoy, Mateys! This Halloween season, REACH set sail on their spookiest adventure yet with a pirate-themed trunk for Trunk or Treat on October 11. No map required for this treasure trove of treats. There's no arrrrgument that REACH's trunk was pure swashbuckling fun. Make sure to be on the look-out, you just

might spot some spooky skeletons on the prowl, creepy chains a clangin', and even the great and mighty awakened Kraken! Don't worry, if the journey beame too perilous, all you had to do is have a little bit of faith, trust and pixie dust... and JUMP off the plank to soar on a new adventure.

Upcoming REACH events include taking a night off to swing in style at the Top Golf in El Segundo on October 15. We also welcome back Recreation Specialist and artist extraordinaire Dana Torrey to come create something wonderful with us on October 22.
