NEW VOLUNTEER TRAIL WATCH PROGRAM

A Volunteer Trail Watch Program will begin soon in the Palos Verdes Nature Preserve. The Palos Verdes Peninsula Land Conservancy (PVPLC) is heading up this Program with assistance from the City of Rancho Palos Verdes. The Program's mission is to serve as the eyes and ears of the PVPLC and City with a view to protect the natural resources of the Palos Verdes Nature Preserve and enhance the safety of and promote an enjoyable experience for all Preserve users. One of the Program's goals is to increase rules compliance and minimize trail user conflict through public education.

Twenty-six volunteers have completed a training course offered by the Mountains Recreation and Conservation Authority Rangers (MRCA), PVPLC, and City of Rancho Palos Verdes; and will begin volunteering in the Preserve this fall. Volunteers will monitor the Preserve by foot, on horseback, and by mountain bike; and they will be identified by their beige polo shirts and their badges. If you see a

volunteer during your Preserve visit, please take a moment to stop and say hello!

Although the 1,400-acre Nature Preserve is comprised of eleven separate Reserves, volunteers will initially focus their activities on the more commonly used Reserves, including Forrestal Reserve, Portuguese Bend Reserve, and Filiorum Reserve. The next recruitment and training will likely take place in January 2014, so please contact Volunteer Manager Barbara Ailor at info@pvplc.org soon if you are interested in becoming a Trail Watch Volunteer.

The City would like to thank and acknowledge the hard work of the team that helped put this Program together, including Volunteer Manager Barbara Ailor, PVPLC board members and staff, MRCA Rangers, City staff, and several of the trail enthusiasts and experts from different user groups, including Troy Braswell, Dan Crane, Mike Lewis, Kurt Loheit, Jack Smith, and John Wessel.

I'LL GRANT YOU THAT! CITY AND LAND CONSERVANCY RECEIVE CONSERVATION GRANT

California State Parks officials recently notified the City and the Palos Verdes Peninsula Land Conservancy (PVPLC) that they are co-recipients of a 2012 Habitat Conservation Fund (HCF) grant for trail and habitat restoration work at various locations throughout the 1,400 acre Palos Verdes Nature Preserve. The jointly-filed grant awarded to the City and the PVPLC covers the following items (the responsible entity follows each item):

- Improving the condition of the existing trails for access and connectivity purposes (PVPLC)
- Closing unofficial trails (PVPLC)
- Installing bicycle racks at various trailhead locations (RPV)
- Installing mutt mitt stations (RPV)
- Replacing trash bins (RPV)
- Installing, replacing and repairing trail marker signs (PVPLC)
- Installing interpretive signs (PVPLC)
- Installing Reserve Gateway Entry signs at key entry points to the Preserve (PVPLC)
- Developing brochures and trail maps for the public's use (PVPLC)
- Developing a smart phone application to access trail and interpretative information while on a trail (PVPLC)
- Habitat re-vegetation that consists of a combination of seeding with native plant seeds and planting container plants (PVPLC)

CONSTRUCTION UNDERWAY ON THE CALIFORNIA COASTAL TRAIL

The Rancho Palos Verdes' segment of the California Coastal Trail (CCT) extends the entire length of the City's 7.5 mile coastline between the boundary lines of the City of Palos Verdes Estates and the City of Los Angeles. In an effort to enhance public trails and recreational opportunities at minimal cost, the City, in partnership with the Palos Verdes Peninsula Land Conservancy, submitted a grant application to the State Coastal Conservancy for completing the City's segment of the CCT. On October 21, 2010, the State Coastal Conservancy Board awarded the

City \$500,000 for completing the City's segment of the CCT with a City match of \$60,000.

The route of the City's segment of the CCT is primarily along Palos Verdes Drive West and South with portions of the trail traversing the Palos Verdes Nature Preserve, Terranea Resort, and Trump National Golf Club. While some segments of the CCT through the City are complete, a good portion is still unimproved. This grant allows for completion of the CCT by funding the following improvements along the trail route:

- Construction of a decomposed granite trail in unimproved areas along the Palos Verdes Drive West and South trail route;
- Replacement of some of the asphalt bluff top trail at Lower Point Vicente with a decomposed granite trail;
- Installation of trail markers and interpretive signs; and,
- Installation of viewing nodes with benches and trash bins;

On June 3, 2013, the City's contractor began construction on

California Coastal Cleanup Day

Abalone Cove Shoreline Park
Saturday, September 21st 9:00 a.m. - Noon

Coastal Cleanup Day is about much more than just picking up trash. It's a chance for Californians to join people from around the world to express their respect for our oceans and waterways.

This year's event is sponsored by Los Serenos de Point Vicente and the City of Rancho Palos Verdes, with support from the Palos Verdes Peninsula Land Conservancy. The cleanup will begin at 9:00 a.m. at Abalone Cove Shoreline Park, located at 5970 Palos Verdes Drive South, across the street from the Wayfarers Chapel. The parking lot will open at 8:30 a.m. and parking is free if you arrive before 9:30 a.m.

Wear sturdy shoes for walking on cobblestones, and bring sun block, gloves, and a hat. Plastic bags will be provided to hold the trash and recyclables. All participants will be required to sign a liability waiver.

For more information, contact the Recreation and Parks Department at 310-544-5260.

CONSERVANCY GRANT

(Continued from page 1)

The HCF grant requires a 100% matching fund. The total cost for the project components listed above is valued at \$261,600. Based on the terms of the awarded grant, the PVPLC will provide \$120,000 as the matching fund for its components of the project and the City will provide \$10,800 as the matching fund for its components of the project. These improvements will be implemented in conjunction

with other improvement projects in the Nature Preserve over the next five years.

Grant work in the Preserve is not expected to commence until the paper work is filed and crews can be assembled, which will likely take place later this year. Staff will continue to keep the Council and the public updated.

SAN RAMON CANYON PROJECT IN FULL SWING

Construction continues on the \$20M San Ramon Canyon Flood Prevention Project, the largest public works project ever undertaken by the City. The project includes installation of a 4,000-foot long, 54-inch diameter, thick walled steel drainage pipe, running from the middle of San Ramon Canyon just east of the Palos Verdes Drive East Switchbacks to the ocean. The pipe is being installed using several methods including two types of tunnels, and a more traditional "cut and cover" section. All methods are underway, with the first sections of pipe already laid in the cut and cover portion.

In order to reach the beach, a large crane positioned near the bluff supports both tunneling operations and construction of the outlet structure on the beach. The outlet structure will be built using similar methods as and by the same sub-contractor responsible for the sculptured retaining walls along

Interstate 405 through the Sepulveda Pass. In the end, the outlet structure will closely resemble the bluffs themselves to minimize aesthetic impact along the shore. This construction method also contributes to reduced environmental impacts on the beach.

To date, the construction work is on schedule, with completion anticipated in April 2014. Value engineering, a process by which the City and contractor agree on cost-saving ideas during construction, has yielded about \$300,000 in savings from the construction award price. The City has also received its first reimbursement check from the State, which will cover 50% of the eligible project costs. The Contractor and City Staff appreciate the patience and overwhelming support of the residents and neighbors during construction of this important project.

EDCO'S FALL BRUSH CLEARANCE EVENT

EDCO's fall free excess green waste collection event allows property owners to remove excess vegetation growth, overgrown bushes and shrubbery, and trim trees in their backyard, canyon, and elsewhere on their property without having to rent bins, or incur additional costs for hauling the green waste material away.

Find your regular collection day below and then see your brush clearance day. Plan ahead accordingly to complete your brush clearing before your designated day.

TAKE A HIKE WITH US!

Members of the Los Serenos de Point Vicente docent organization lead free monthly hikes at several Peninsula locales, as well as museum tours at the Point Vicente Interpretive Center, including a tour of the Point Vicente Lighthouse and an easy walk along the bluff-top overlooking the ocean. The hikes and tours take approximately two hours, no reservations are required, and parking is free. Rain the night before or day of the hike cancels the event. Participants should wear comfortable walking shoes, sunscreen and a hat, and bring a small bottle of water. If you attend the hikes at Abalone Cove Beach, sturdy shoes are recommended, as part of the hike will be on cobblestones. For more information about these fun and interesting docent-led nature walks, please call 310-377-5370 or visit the City's website.

CALIFORNIA COASTAL TRAIL (Continued from page 1)

the City's segment of the CCT. The first phase of construction work has started along Palos Verdes Drive West and South in the area west of Ocean Front Estates and in the area between Lower Point Vicente and Terranea Resort. In the coming weeks, work will proceed along Palos Verdes Drive South towards the City boundary line with Los Angeles. Construction is anticipated to be completed by fall 2013.

Once completed, the City' segment of the CCT will provide the public with a continuous coastal trail that

is as close to the ocean as possible, creating connections to the City's beaches, parks and preserve areas. The coastal trail will foster the public's appreciation and stewardship of the scenic and natural resources of the coast while promoting outdoor recreation.

Information on this project, including the conceptual plans, can be found on the City's website. Please join the City's list-serve to receive electronic updates on the project's progress.

PADDLE TENNIS TOURNAMENT BY THE SEA

The City of Rancho Palos Verdes is holding its fourth annual paddle tennis tournament on Saturday, September 28th at the Ladera Linda Community Center. The tournament will be open to A (advanced) and B (intermediate) mixed doubles teams. "A" level games will begin at 8:00 a.m. and "B" level games will begin at 11:30 a.m. If paddle tennis is your racket, sign up to compete in this double elimination tournament and "net" the Rancho Palos Verdes Paddle Tennis Trophy! Last year we had a

full house, so this year we are limiting registration to a total of 15 teams. This ocean-view tournament includes lively competition, an event t-shirt, and fun! Don't delay, sign up today! Participants must be 18 years or older, and the price is \$40 per doubles team. Pre-registration is required. To register, please complete a registration form available on the City's website. For more information, call the Recreation and Parks Department at 310-544-5260.

FREE DOCUMENT SHREDDING & E-WASTE COLLECTION & MULCH GIVEAWAY EVENT

Back by popular demand! Once again, the City, in cooperation with EDCO, is offering RPV residents a free document-shredding event. If you have sensitive documents such as tax returns, paycheck stubs, mortgage, bank and/or credit card statements that you want shredded, come to this event. Shredding trucks will be present to shred your documents **on-site**. The event is on Saturday October 19, 2013 at Point Vicente Park (City Hall), 30940 Hawthorne Blvd., from 9:00 am to 12:00 noon. This event is open to RPV's EDCO and UWS residential customers only. Please bring proof of RPV residency such as a recent utility bill or your driver's license. There will be a special-event traffic control plan in the vicinity of the Civic Center. Please follow all traffic signs and drive carefully.

Additionally, for your convenience, there will be two other activities for residents at the same time, date and location. 1) EDCO will collect your unwanted electronics including TVs, computer monitors, printers, fax machines, VCRs, DVD players, and answering machines. Absolutely no household hazardous waste (HHW) material will be accepted! 2) For gardening enthusiasts - Free mulch giveaway to residents (while supplies last). This is a self-service, self-haul event, so please bring your own trashcans or sturdy yard bags, and shovel. Limit of 3 cans/bags per vehicle. If you plan to haul your mulch in an open truck or trailer, please remember to bring a tarp to cover your material.
