CITY MANAGER'S OFFICE

City Clerk's Office

Early Voting in Rancho Palos Verdes – One Day Only Sites

In late October, one-day early voting for the November 3 election will be available in Rancho Palos Verdes at select locations and dates, as listed below. Please note that social distancing and face coverings will be required to help prevent the spread of COVID-19.

Saturday, October 24 (one day only)

10 a.m. – 6 p.m.

Ladera Linda Community Center (classroom)

32201 Forrestal Drive

Rancho Palos Verdes

Monday, October 26 (one day only)

10 a.m. - 6 p.m.

Rancho Palos Verdes City Hall (Community Room)
30940 Hawthorne Boulevard
Rancho Palos Verdes

Wednesday, October 28 (one day only)

10 a.m. – 6 p.m.

Fred Hesse Community Park (mobile unit in parking lot)
29301 Hawthorne Boulevard
Rancho Palos Verdes

If you have questions about one-day early voting in RPV, please contact the City Clerk's Office at 310-544-5217 or cityclerk@rpvca.gov.

Additional Information:

Rancho Palos Verdes Voting PSA: <https://www.youtube.com/watch?v=Dzt5o-vBkqk>

For more information on voting in L.A. County, visit <https://lavote.net/>

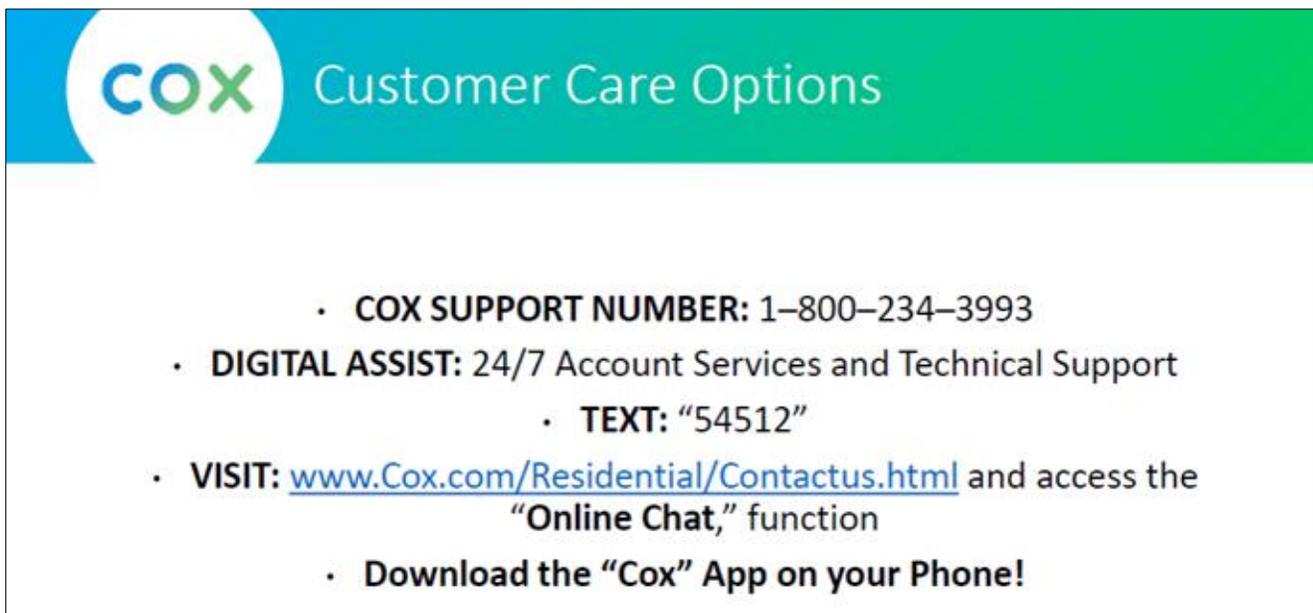

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

How to Identify an Official Vote by Mail Drop Box

The Secretary of State's Office is reminding voters that guidance is available to identify an official ballot drop box. Official Los Angeles County ballot drop boxes are clearly recognizable, designed to meet state standards for security, and, importantly, bear the official Los Angeles County logo. For a list of all drop boxes in the county, please visit lavote.net.

Remember, there is an official Los Angeles County Vote by Mail Drop Box near the flagpole outside Rancho Palos Verdes City Hall at 30940 Hawthorne Boulevard.

A graphic with a teal and green header. The header contains the Cox logo (the word "COX" in white on a teal circle) and the text "Customer Care Options" in white. Below the header, on a white background, is a bulleted list of customer care options.

- **COX SUPPORT NUMBER: 1-800-234-3993**
- **DIGITAL ASSIST: 24/7 Account Services and Technical Support**
 - **TEXT: "54512"**
- **VISIT: www.Cox.com/Residential/Contactus.html and access the "Online Chat," function**
- **Download the "Cox" App on your Phone!**

Cox Communications Customer Care Options

On October 6, Cox Communications provided a presentation to the City Council and the residents of Rancho Palos Verdes (view the meeting video at rpvca.gov/agendas). The presentation included information on Cox's network investment in the community. Cox provided updates on construction to address network congestion in certain neighborhoods, discussed changes in the way households are now using their network and shared resources for residents to troubleshoot issues in their home. Please take an opportunity to visit www.Cox.com to view home Wi-Fi network tips, information on Cox's Connect2Compete low-income Internet program and tutorials on Cox Contour TV. Lastly, Cox shared the various options to reach its Customer Care team, such as text messaging, online chat messenger and the Cox App available for download on your smartphone. Additionally, residents can visit the Cox Solution Store in the Peninsula

Shopping Center at 423 Silver Spur Rd, Rolling Hills Estates, CA 90274 for in-person assistance. Cox representatives are available there Monday- Friday from 10:00 am – 6:00 pm and Saturday from 10:00 am-2:00 pm.

Cal Water's Palos Verdes Peninsula Water Reliability Project is Now Complete!

On October 13, Cal Water shared the following announcement regarding the completion of the Palos Verdes Peninsula Water Reliability Project, as well as a [video](#) featuring RPV Mayor John Cruikshank:

Dear Residents,

After 15 years of planning, two years of construction, seven miles of pipeline, and months of testing, we are pleased to announce that California Water Service's (Cal Water) Palos Verdes Peninsula Water Reliability Project is now complete! The new pump station and drinking water pipeline are in service and the 30-day acceptance period has concluded.

We know the last two years of construction have not been easy or convenient for residents. We want you to know how much we have appreciated your continued patience and support as we completed this much-needed upgrade to the Peninsula's water infrastructure. These improvements are already helping ensure that Peninsula

residents and firefighters have reliable water service for everyday and emergency needs. Check out our video [HERE](#) for a look at where we've been and a special thank you from the Cal Water team.

Now that the project has come to an end, so will our project email (PVPWaterProject@CalWater.com) and Facebook page. For any future questions, please reach out to our customer service team at (310) 257-1400 or via the Cal Water website at www.calwater.com/contact-us.

On behalf of Cal Water and our essential crew members, we want to reiterate our gratitude for your patience and understanding. We look forward to continuing to provide you with safe, reliable water service for years to come. Thank you!

Best,

Palos Verdes Peninsula Water Reliability Project Team

LAST CHANCE: Complete Your 2020 Census Today!

Have you completed your 2020 census? Responses to the census shape decisions about how billions of dollars in federal funds flow into communities each year for the next 10 years for critical services, including health care, emergency response, schools and

education programs, and roads and bridges. The COVID-19 pandemic underscores the importance of census data and census participation.

As of October 12, Rancho Palos Verdes had a self-response rate of 80.6%, above state and national averages, but behind our goal of 100% participation. **Following a court ruling, the deadline to complete the census is TOMORROW, October 15.** If you haven't already done so, complete your census form now online at my2020census.gov, by phone at 844-330-2020, or by mail if you receive a paper form.

COVID-19 Community Updates

The City continues to monitor the spread of the novel coronavirus in Los Angeles County and distributes **COVID-19 Community Updates via listserv and social media on Thursdays**, though any major announcements in between will be shared with the community. The newsletter provides a range of information, such as up-to-date case numbers for the City, and the neighboring Peninsula cities, along with information on resources and services available.

If you haven't done so already, sign up for COVID-19 Community Updates by subscribing to the Breaking News listserv at rpvca.gov/notify. An archive of COVID-19 Community Updates is available at: <http://rpvca.gov/1304/Community-Updates>

A webpage on the City website with coronavirus updates, resources and information is continuously being updated at rpvca.gov/coronavirus

And be sure to follow the City on [Nextdoor](#), [Facebook](#), [Twitter](#) and [Instagram](#)!

COVID-19 Cases

As of October 13, there are 283,750 confirmed cases of COVID-19 across Los Angeles County (population 10.17 million), including the South Bay, so the public should not think one location is safer than another and everyone should be aware and practice physical distancing. The total includes 320 cases in Rancho Palos Verdes (population 41,731), 104 in Palos Verdes Estates (population 13,190), 44 in Rolling Hills Estates

(population 8,066), 12 in Rolling Hills (population 1,874), and 11 in the unincorporated areas of the Peninsula. Countywide, 6,790 people have died.

According to the Department of Public Health, 13 deaths have been reported in Rancho Palos Verdes. The City extends its deepest condolences to the families of these residents.

For a list of cases broken down by city, demographic characteristics, and settings, visit: <http://publichealth.lacounty.gov/media/Coronavirus/locations.htm>

For an interactive dashboard with maps and graphs showing testing, cases and death data by community, poverty level, age, sex and race/ethnicity visit: http://dashboard.publichealth.lacounty.gov/covid19_surveillance_dashboard/

An interactive dashboard of COVID-19 cases in the South Bay maintained by the City of Torrance is available at bit.ly/2XB1fv1. The dashboard reflects information sourced by the Los Angeles County Department of Public Health.

Carve out a
new tradition.
Give Blood!

Red Cross Blood Drive October 23: Donate for a Chance to Win a \$1,000 Amazon Gift Card!

Blood donations have decreased dramatically during the COVID-19 pandemic. Healthy, eligible donors are urged to come out and give to ensure there's lifesaving blood on the shelves for those who need it.

The City and the Rotary Club of Palos Verdes Peninsula are holding a **Red Cross Blood Drive on Friday, October 23 from 11 a.m. to 5 p.m.** at Fred Hesse Jr. Community Park, 29301 Hawthorne Boulevard in Rancho Palos Verdes.

Reserve a time online at redcrossblood.org and enter the sponsor code: PVPRotary. Visit redcrossblood.org/rapidpass to complete the pre-donation paperwork.

Come to give for your chance to win a \$1,000 Amazon gift card! (The Red Cross is giving away five in October. Restrictions, terms and conditions apply. Visit rcblood.org/unite for details.)

The Red Cross is testing all blood, platelet and plasma donations for COVID-19 antibodies. Help save lives and get insight into whether you may have been exposed to the novel coronavirus.

If you have questions about this event, please contact Julia Parton at jparton@malagabank.com or 310-613-4085.

Download event flyer at bit.ly/36fTclq

If you are a person with a disability and need an accommodation to participate in programs, services, activities, and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

Joint Hazard Mitigation Plan Eligible for Final FEMA Approval

In Spring 2019, staff from Rancho Palos Verdes (RPV) and Rolling Hills Estates (RHE) began meeting with Carolyn Harshman of Emergency Planning Consultants to prepare an update to both cities' Joint Hazard Mitigation Plan. This plan identifies hazards and ways to minimize damage by natural and human-caused disasters and ensures continuing eligibility for Hazard Mitigation Grant Program funding. The Disaster Mitigation Act of 2000 mandates it, also known as Public Law 106-390, which requires state and local governments to prepare mitigation plans to document their mitigation planning process and identify hazards, potential losses, mitigation needs, goals, and strategies.

The most recent RPV/RHE Hazard Mitigation Plan was released in August 2014 and updated in January 2016. The 2020 update incorporates all federal requirements relating to local hazard mitigation plans. The updated plan will have the following benefits:

- Reduce loss of life and property, human suffering, economic disruption, and disaster costs.
- Prioritize hazard mitigation at the local level with increased emphasis on planning and public involvement, assessing risks, implementing loss reduction measures, and ensuring critical facilities/services survive a disaster.
- Promote education and economic incentives to form community-based partnerships and leverage non-federal resources to commit to and implement long-term hazard mitigation activities.

A draft of the plan was submitted to the Federal Emergency Management Agency (FEMA) on September 22 for formal review and approval pending adoption by City Council. On October 7, City Staff was notified that the Federal Emergency Management Agency (FEMA) completed their review of the Joint Hazard Mitigation Plan and determined that the plan is eligible for final approval pending its adoption by the City of Rancho Palos Verdes and the City of Rolling Hill Estates. A final draft of the plan incorporating mandated amendments will be posted for public review before each city council for adoption. Formal adoption documentation and the adopted plan will then be resubmitted to FEMA for final approval.

CARES ACT Reporting

The City is slated to receive approximately \$515,000 as reimbursement through the CARES Act Coronavirus Relief Funds for expenditures the City incurred because of COVID-19. The City submitted its second cycle of reporting to the California Department of Finance on October 12, 2020. Control Section 11.90 (CS 11.90) of the Budget Act of 2020 requires cities and counties to report on expenditures, obligations, and projections and summarize regional collaboration efforts and non-duplication of efforts through September 30, 2020. This report will include expenditures between July 1 and September 30, 2020. To date, the City has received three disbursements of funds representing 50% of the total available funds as of September 18.

Governor Newsom signed the state budget on June 29, which included \$500 million of CARES Act funding for cities — \$225 million for cities with populations greater than

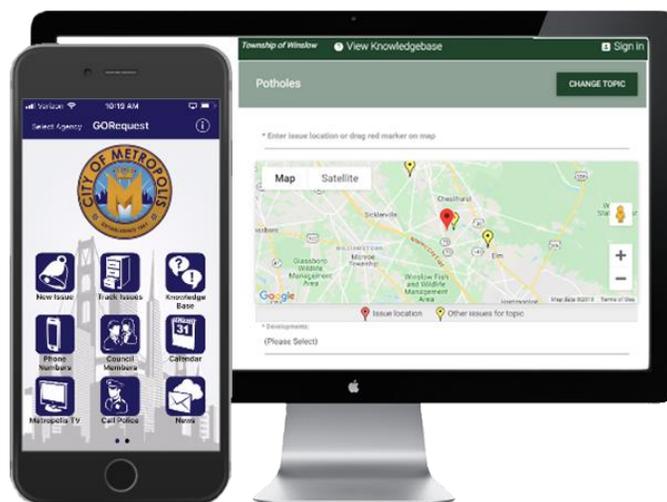

300,000 and \$275 million for cities with populations less than 300,000. Each City will receive a minimum amount of \$50,000. To receive the monies, the City submitted a certification form of adherence to federal guidance, the state’s stay-at-home requirements, and other health requirements as directed in the Governor’s Executive Order N-33-20, any subsequent executive orders or statutes, and all California Department of Public Health orders, directives, and guidance issued in response to the COVID-19 public health emergency.

Information Technology

New RPV Mobile App Coming Soon!

The IT Department, in close cooperation with the Public Works Department, the City Clerk, and City’s Public Information Officer, is continuing to work with GoGov, the chosen mobile app provider, on the initial configuration for the upcoming mobile app. Currently, we are finalizing the integration with City’s work order system and working on the graphics required to brand the app. The next scheduled steps will include testing public and internal service requests, and identifying and configuring all the desired applets (buttons/categories/info within the app).

The new mobile app, which is expected to go live next month, will provide many capabilities, which are expected to improve and streamline the overall user experience of RPV residents and guests. The new enhancements include submitting service requests, receiving updates from City Staff, and making access to important City information easier.

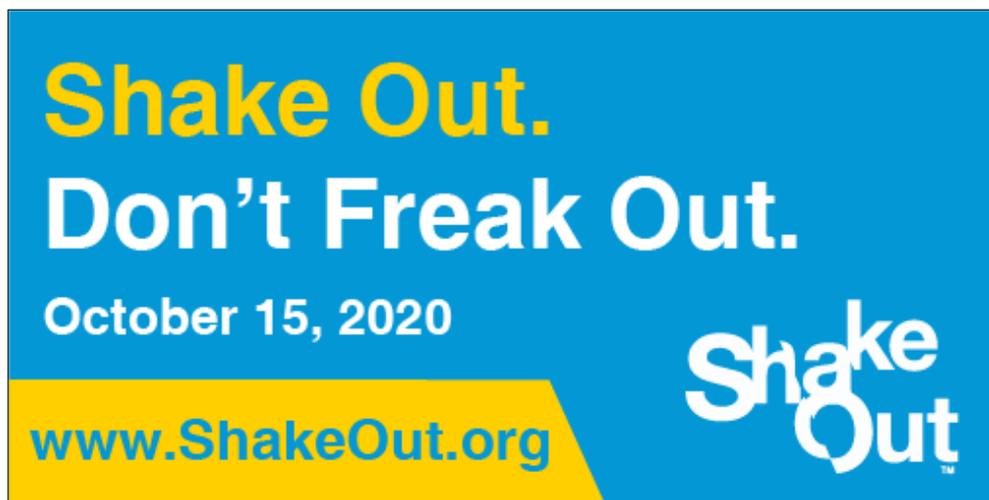

South Bay Fiber Network (SBFN) Update

After successfully conducting a series of connectivity and stability tests, the IT Department has expanded the use of SBFN, and now the RPV City Hall is using the SBFN circuit as the primary Internet connection. The former primary connection provided by TPx will be now designated as backup and other Internet services, which became redundant with the introduction of SBFN, will be terminated.

Emergency Preparedness

Drop, Cover and Hold On for the Great ShakeOut on 10/15 at 10:15 a.m.

While some areas of California are more likely to have earthquakes than others, all of California is at higher risk compared to the rest of the country. You could be anywhere when an earthquake strikes: at home, at work, at school, or even on vacation. The key to surviving an earthquake and reducing your risk of injury lies in planning, preparing, and practicing what you and your loved ones will do if it happens.

Join us wherever you are this **Thursday, October 15 at 10:15 a.m.** and practice how to "Drop, Cover and Hold On" for the Great ShakeOut, a worldwide earthquake drill. City Staff will be participating in this important exercise.

In a year of uncertainties and challenges, ShakeOut provides the opportunity to increase individual and community resilience. Participating is a great way for your family or organization to be prepared to survive and recover quickly from big earthquakes – wherever you live, work, or travel.

For the first time, Earthquake Warning California is coordinating a statewide test to coincide with ShakeOut on October 15. People who have downloaded the MyShake app to their phone will receive a TEST warning at 10:15 a.m. with guidance to Drop, Cover, and Hold On! Learn more at earthquake.ca.gov.

For videos and more resources, visit shakeout.org.

Earthquake Preparedness

Plan and practice what to do if an earthquake strikes

By planning and practicing what to do if an earthquake strikes, you and your loved ones can learn to react correctly and automatically when the shaking begins.

- Get the entire family to practice an earthquake drill, especially if you have children. Participating in an earthquake drill will help you and your loved ones understand what to do in case you are not with them during an earthquake.
- Make sure you and your children also understand the school's emergency procedures for disasters. This will help you coordinate where, when, and how to reunite with your children after an earthquake.

Drop, cover, and hold on during your earthquake drill

- **DROP down onto your hands and knees** immediately. This position protects you from falling but still allows you to move if necessary.
- **COVER your head and neck** (and your entire body if possible) underneath a sturdy table or desk. If there is no shelter nearby, get down near an interior wall or next to low-lying furniture that won't fall on you, and cover your head and neck with your arms and hands. Try to stay clear of windows or glass that could shatter or objects that could fall on you.
- **HOLD ON to your shelter** (or to your head and neck) until the shaking stops. Be prepared to move with your shelter if the shaking shifts it around.

Create an evacuation plan

If an earthquake happens, you and your loved ones may need to evacuate a damaged area afterward. By planning and practicing for evacuation, you will be better prepared to respond appropriately and efficiently to signs of danger or directions by civil authorities.

- Take a few minutes with your family to discuss a home evacuation plan. Sketch a floor plan of your home, walk through each room, and discuss evacuation details.
- Plan a second way to exit from each room or area, if possible. If you need special equipment, such as a rope ladder, mark where it is located.
- Mark where your emergency supply kit (including food, water, first aid) and fire extinguishers are located.
- Locate where the utility switches or valves are located so that they can be turned off, if possible.
- Indicate the location of your family's emergency outdoor meeting place.

Prepare Emergency Supply Kits

Stock up on emergency supplies that can be used after an earthquake. These supplies should include a first aid kit and emergency supply kits for the home, work, and your vehicle.

You should also make a list of important information (like telephone numbers of emergency contacts, insurance information, and important medical information) and gather any important documents (like medical documents, birth certificates, and passports). Store these items in a secure location like a fireproof or waterproof safe.

Stay Safe During an Earthquake

If an earthquake happens, protect yourself right away:

- If you are in a car, pull over and stop. Set your parking brake.
- If you are in bed, turn face down and cover your head and neck with a pillow.
- If you are outdoors, stay outdoors away from buildings.
- If you are inside, stay and do not run outside and avoid doorway

Protect Yourself During Earthquakes

Drop (or Lock)

- Wherever you are, drop down to your hands and knees and hold onto something sturdy. If you're using a wheelchair or walker with a seat, make sure your wheels are locked and remain seated until the shaking stops.

Cover

- Cover your head and neck with your arms. If a sturdy table or desk is nearby, crawl underneath it for shelter. If no shelter is nearby, crawl next to an interior wall (away from windows). Crawl only if you can reach better cover without going through an area with more debris. Stay on your knees or bent over to protect vital organs.

Hold On

- If you are under a table or desk, hold on with one hand and be ready to move with it if it moves. If seated and unable to drop to the floor, bend forward, cover your head with your arms and hold on to your neck with both hands.

Stay Safe After an Earthquake

After an earthquake, there can be serious hazards such as damage to the building, leaking gas and water lines, or downed power lines.

- Expect aftershocks to follow the main shock of an earthquake. Be ready to Drop, Cover, and Hold On if you feel an aftershock.
- If you are in a damaged building, go outside and quickly move away from the building. Do not enter damaged buildings.
- If you are trapped, protect your mouth, nose and eyes from dust. Send a text, bang on a pipe or wall or use a whistle instead of shouting to help rescuers locate you.
- Check yourself to see if you are hurt and help others if you have training.

Once you are safe, pay attention to local news reports for emergency information and instructions via battery-operated radio, TV, social media or from cell phone text alerts.

- Register on the American Red Cross "[Safe and Well](#)" website so people will know you are okay.
- Use text messages to communicate, which may be more reliable than phone calls.
- Be careful when cleaning up. Wear protective clothing, including a long-sleeved shirt, long pants, work gloves and sturdy thick-soled shoes. Do not try to remove heavy debris by yourself.

Wildfire Preparedness

With an uptick in recent brush fires across the Los Angeles County region, Peninsula residents are reminded to be on heightened alert and to be prepared for wildfire.

- If you see something, say something. Report any sign of smoke or fire immediately to your local fire department by dialing 9-1-1. If you dial 9-1-1 from your cellphone, be sure to know your location.
- Have your Ready! Set! Go! Wildfire Action Plan in place. It is critical for residents to be familiar with the Ready! Set! Go! program that provides important pre-planning and evacuation information.
- Download the Ready! Set! Go! Wildfire Action Plan and view informational how-to videos, visit fire.lacounty.gov/rsg
- Find more preparedness tips at ready.lacounty.gov/fire
- Sign up for Alert SouthBay emergency alerts by texting “alertsb” to 888-777 Stay connected and get updates from the City by following RPV on [Nextdoor](#), [Facebook](#), [Twitter](#) and [Instagram](#).

Ready! Set! Go! and Red Flag Warnings

Connecting the Red Flag Warning Program to Ready! Set! Go! To Better Ensure Public Response to Evacuations

Ready! Safeguard your home. Building and maintaining your defensible space.

Set! *Fire Weather Watch or Red Flag Warning*
Assemble your emergency supply kit.
Be set to evacuate when told to do so!

Go! Follow evacuation instructions of local officials when wildfires strike!

NWS Los Angeles/Oxnard CA

Follow us:

The poster features a house at night with a wildfire in the background. The text 'READY! SET! GO!' is prominently displayed in large, bold letters. Below it, it says 'YOUR PERSONAL WILDFIRE ACTION PLAN'. There are icons for a house, a checkmark, and a car. The bottom of the poster has the website 'fire.lacounty.gov'.

Sign up for Alert SouthBay

Alert SouthBay is a multi-jurisdictional emergency notification system used by 13 South Bay cities – including Rancho Palos Verdes -- to keep our communities informed about disasters and emergencies with uniform, expeditious alerts.

Alert SouthBay is an opt-in system using the Everbridge software application. Similar to Nixle alerts, Everbridge sends notifications via email, text message, cellular, and landline

phones. Users can subscribe to receive alerts from multiple South Bay cities. If you live in Rancho Palos Verdes, for example, but work in Torrance, you can subscribe to alerts from both cities.

Everbridge is the City's primary vehicle for emergency communication. Users can sign up by:

- Texting "alertsrb" to 888-777, which returns a link to register for Everbridge (for COVID-19-related alerts, text the keyword "cv19rpv")
- Registering online at alertsouthbay.com
- Downloading the free [Everbridge app](#) on an iOS or Android device from the [App Store](#) or [Google Play](#)

Wildfire Preparedness Coordination with the City of Malibu and the Topanga Coalition for Emergency Preparedness

On October 8 and 13, City Staff and Emergency Preparedness Committee Members met with the Public Safety Manager for the City of Malibu and representatives from the

Topanga Coalition for Emergency Preparedness (T-CEP) in the sharing of lessons learned in responding to the Woolsey Fire. At these meetings, the City of Malibu and representatives from T-CEP shared with City Staff and Committee Members best practices, lessons learned, and communication issues in preparing for and responding to a destructive wildfire. City staff will continue to outreach to cities that have been recently affected by wildfires and or disasters to glean information on lessons learned and best practices in preparing and responding to wildfire incidents.

Monthly Disaster Preparedness Messaging- Courtesy of the RPV Emergency Preparedness Committee

The City of Rancho Palos Verdes Emergency Preparedness Committee will be providing monthly emailing messaging to residents with emergency preparedness information and educational materials. To receive the Committee’s monthly messaging, be sure to sign up for the “Emergency Notifications” city listserv at rpvca.gov/notify. For additional information about emergency preparedness in the City of Rancho Palos Verdes, visit the City’s website at www.rpvca.gov/Emergency.

Weekly Crime Report Summaries

The City continues to provide its residents with crime report summaries when they are made available. These weekly summaries include information about reported crimes and arrests served by the Lomita Sheriff's Station, including the City of Rancho Palos Verdes. The summaries are updated on the City’s website, distributed via Nextdoor and the Public Safety Alerts listserv, and included in the Weekly Administrative Report (see attachments).

These summaries can be found on the City website under City Services > Public Safety > Law Enforcement > Crime Reports – Weekly Summaries. <http://rpvca.gov/1030/Crime-Reports---Weekly-Summaries>

Additionally, the Los Angeles Sheriff’s Department maintains a website mapping incidences of Part 1 Crimes within its jurisdiction, including the City of Rancho Palos

Verdes. To view the City's incidences on the website, please visit:
<https://www.crimemapping.com/map/agency/304>

On the website, you may view incidences from other cities and jurisdictions as well. Please visit the website and follow instructions as given:
<https://www.crimemapping.com/>

City of Rancho Palos Verdes Partners with Flock Safety to Offer Grants for HOA Security Cameras

The City of Rancho Palos Verdes has partnered with Flock Safety, a crime-fighting technology company, to offer neighborhoods affordable access to license plate-reading cameras to enhance public safety.

Homeowners associations in Rancho Palos Verdes looking to boost their security measures and assist law enforcement in investigating crimes may apply for grants from the City to cover half the cost of Flock Safety license plate-reading cameras that can be installed at neighborhood entrances. Applications and a checklist are available on the City website at rpvca.gov/flock. Due to a limited amount of available funding, participation will be on a first-come, first-served basis.

See the attached press release for more information.

Flock Camera Press Release – Page 58

FINANCE DEPARTMENT

FAC Meeting

The Finance Advisory Committee (FAC) will conduct a meeting on October 29, 2020, at 7 p.m. At this meeting, FAC will discuss and/or take actions on the proposed Pension Guidelines, FY 2020-21 First Quarter Review, updated Five Year Model, and the Committee's bi-annual report. Pursuant to Section 3 of Executive Order N-29-20, issued by Governor Newsom on March 17, 2020, the regular meeting will be conducted via teleconference using the Zoom platform. **For instructions on how to participate in the meeting, please fill out the form at <http://rpvca.gov/participate>**

FY 2019-2020 Audit

FY 2019-20 Financial Audit: On the week of October 19, the City's independent auditor, White Nelson Diehl Evans (WNDE), will perform an off-site financial audit for Fiscal Year 2019-2020. In accordance with the Government Auditing Standards, WNDE's responsibility is to express an opinion about whether the City's financial statements prepared by management are fairly presented, in all material respects, in conformity with the U.S. generally accepting accounting principles and the Uniform Guidance.

The following are the main scope of services that will be performed by WNDE:

- Testing internal controls (proper approvals, authorizations, timing);
- Examining compliance with provisions of laws, regulations, contracts, award agreements;
- Evaluating the effectiveness of the design and operation of controls;
- Examining the supporting documents (i.e., invoices, contracts, cash receipts) for the amounts in the financial statements;

- Evaluating appropriateness of accounting policies used;
- Evaluating the overall presentation of the financial statements;
- Performing audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

The final audit results and the City's Comprehensive Annual Financial Report (CAFR) are issued around mid-December, and subsequently presented to the City Council.

Property Tax Update

The City of Rancho Palos Verdes experienced a net taxable property value increase of 4.4% or \$596 million for the 2020/21 tax roll, based on the calendar year 2019. The increase brought the total net taxable property value for the City to \$14.14 billion. This increase is slightly less than the 6.1% increase seen across Los Angeles County as a whole. Of the \$596 million increase, \$566 million was from growth in residential properties, which makes up 92% of the total property value, followed by an \$18 million increase in commercial property (5.5% of total property value).

Property tax increases are capped at 2% annually based on inflation as a result of Proposition 13. The Prop 13 increase accounted for roughly \$243.9 million (40.9%) of the property value increase within the City. This increase was only second to the \$250.2 million (42%) increase that came as a result of the reassessment of the property after the transfer of ownership.

Looking out into the future, the impact that the pandemic will have on property tax revenue for FY 2021-22 is still not fully known. The annual property tax increase and transfer of ownership are the two largest factors that determine the City's property tax revenue growth.

Annual Property Tax Increase

The annual property tax increase is based on CPI, which through June 2020 was at 0.9%. If this holds steady, then a smaller increase in revenue can be expected next fiscal year. The total CPI figure will be available sometime between January and early February.

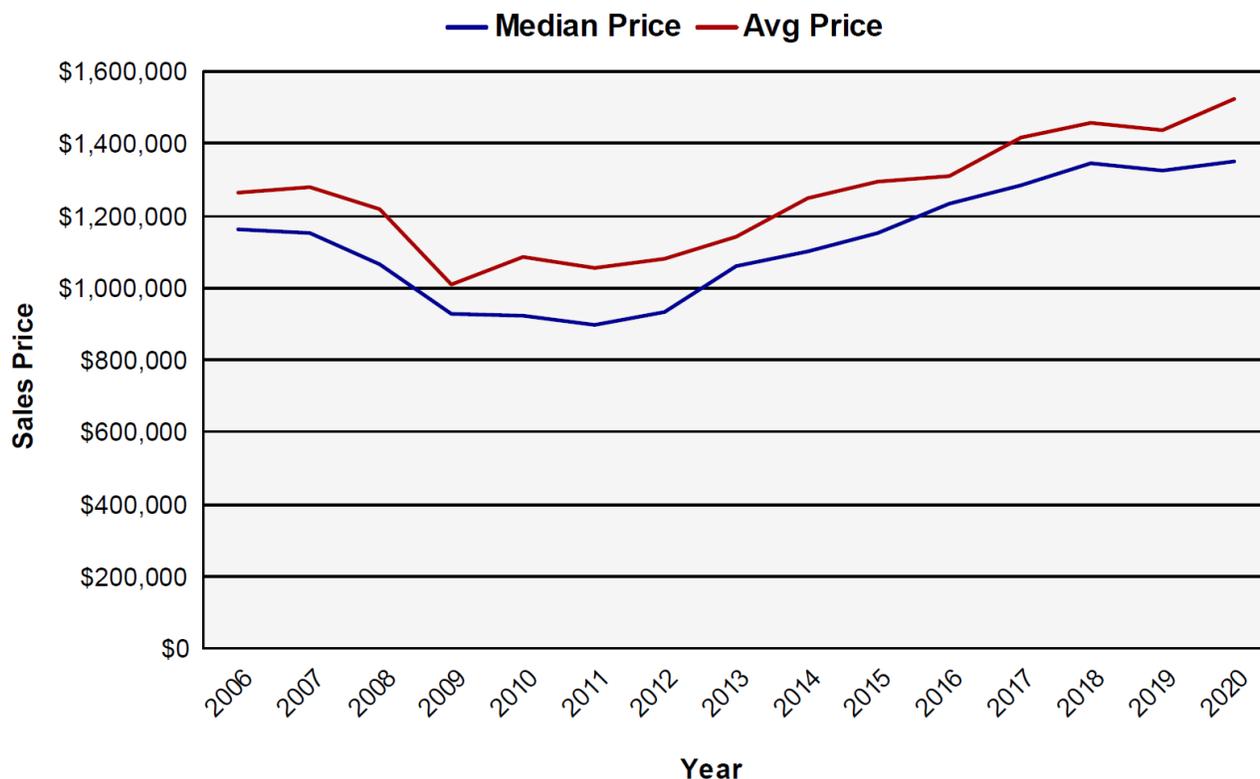

Transfer of Ownership

Growth in the number of home sales slowed and even declined by mid-2019. Fewer properties were on the market compared with 2018 despite declining mortgage rates. In 2019, economists forecasted a weaker housing market in 2020, even for cities that had achieved pre-recession peak values. Across Los Angeles County, transfers of ownership have decreased on average by 50%. The City is faring well comparatively, with property transfers already reaching 63% of last year’s total numbers with data only available through August 31, 2020. A decrease in property tax revenue that is derived from the reassessment of the property after the transfer of ownership is expected but it is projected to be less severe than that experience by other City’s throughout Los Angeles County.

Prices have continued to rise in response to lower inventory and lower interest rates. The median sale price of a detached single-family residential home in Rancho Palos Verdes from January through August 2020 was \$1,350,000. This represents a \$25,000 (1.9%) increase in median sale price from 2019.

Detached Single Family Residential Full Value Sales (01/01/2006 - 08/31/2020)

Year	Full Value Sales	Average Price	Median Price	Median % Change
2006	330	\$1,266,198	\$1,162,500	
2007	317	\$1,281,282	\$1,150,000	-1.08%
2008	250	\$1,219,502	\$1,065,000	-7.39%
2009	276	\$1,009,067	\$925,000	-13.15%
2010	297	\$1,084,080	\$920,000	-0.54%
2011	352	\$1,054,709	\$897,500	-2.45%
2012	355	\$1,079,336	\$935,000	4.18%
2013	461	\$1,139,483	\$1,060,000	13.37%
2014	380	\$1,248,990	\$1,100,000	3.77%
2015	415	\$1,293,004	\$1,150,000	4.55%
2016	441	\$1,310,689	\$1,233,500	7.26%
2017	429	\$1,418,357	\$1,285,000	4.18%
2018	389	\$1,455,199	\$1,345,000	4.67%
2019	397	\$1,438,650	\$1,325,000	-1.49%
2020	261	\$1,523,113	\$1,350,000	1.89%

Small Business Financial Assistance Plan Update

On April 8, 2020, the City of Rancho Palos Verdes implemented the Small Business Financial Assistance Plan to provide relief and promote the general welfare of the City’s small business community experiencing negative financial impacts stemming from the COVID-19 pandemic. The Small Business Financial Assistance Plan provides a one-time refund of the 2020 business license.

On June 2, 2020, the City Council received a status report on the Small Business Financial Assistance Plan. As a result of the low response, the City Council expressed a desire to increase the number of eligible small businesses by removing the limitation that a small business must have a “brick-and-mortar” location to be eligible to receive a refund.

Since the implementation on April 8th:

- the City has received 22 requests for business license tax refunds
- 14 refunds totaling \$4,939 have been issued to date

We encourage businesses in need of assistance to visit <http://www.rpvca.gov/1284/Financial-Assistance> for information on the program and submit a request. Businesses that apply will receive a confirmation email from the staff. If an application is approved a check will be mailed directly to the business at the address on file.

PUBLIC WORKS DEPARTMENT

October’s Citywide Brush Clearing Continues

RPV/EDCO’s Fall season brush-clearing started on October 3 and will continue for four consecutive Saturdays in the month of October. Each week a different area of Rancho Palos Verdes will be serviced. The goal of the event is to assist homeowners with disposal (free of charge) of excess brush, shrubs, hedges, tree branches, and bushes in order to comply with the fire safety guidelines. This is a great opportunity to help prevent wildfires! Public outreach for this event continues. Listed below are the scheduled brush clearing collection dates:

Regular EDCO Collection Day	Fall Season 2020 Brush Clearing Day	Tonage of Brush Collected
Monday Route	Saturday, October 3rd Completed	4.86
Tuesday Route	Saturday, October 10th Completed	6.15
Wednesday Route	Saturday, October 17 th	N/A
Thursday Route	Saturday, October 24 th	N/A
Friday Route	Saturday, October 31 st	N/A

Paper/Document Shredding Event Preparation

Staff and EDCO are preparing for the City's next Document Shredding Event which is scheduled for Saturday, October 17 from 8 am to 11 am with new COVID-19 safety precautions. Public outreach for the event continues. Ads have been placed in local papers, banners have been placed, and announcements have been made through the City's website and social media. All attendees are asked to wear a face covering, always remain in their vehicles, and have their windows closed, if possible. Event staff will remove boxes or bags from the vehicle trunk/pick-up bed. ***The event will be exclusively for paper/document shredding.*** There will be no mulch giveaway or electronic waste collection. Electronic waste collection is available by EDCO on a call-in basis at the curbside. Call EDCO at 310-540-2977.

Residents will be advised to please stay home if they are experiencing any COVID-19 symptoms, have been asked to quarantine, or have recently traveled internationally.

Coastal Bluff Fence Replacement Project Continues

The Coastal Bluff Fence Replacement project along the Vicente Bluffs Reserve continues. This week, concrete was installed in the footings of the fence posts resulting in a total of 170 feet of fencing completed. Staff continues to coordinate the project closely with the Recreation and Parks Department. As mentioned previously, due to increased traffic hiking through the "One Way" section of Seascape Trail, and in order to help with social distancing guidelines, the pathway will continue to be closed until the completion of the bluff top fence running parallel to the trail. For those looking for additional access points, Golden Cove Trail links up with other pathways in the Reserve and the Point Vicente Interpretive Center through Terrace Trail. We thank you for your patience as we work to complete our bluff-top fence replacement project. Completion of this project is expected by mid-December.

Western Avenue Congestion Improvement Project

Metro Board has approved \$1.33M funding for Western Avenue Congestion Improvement project, for Fiscal Years 2021 to 2024, in their last meeting in August 2020. This funding is from Metro Measure M funds. The funds will be used to complete the Project Study Report (PSR) and the Project Approval and Environmental Document (PAED) phases. Staff is coordinating with Metro in preparing the funding agreement document and its attachments.

Maintenance Activities

This week, Public Works continued its regularly scheduled maintenance, trash pickup, irrigation repairs, and general repairs at all City parks and facilities. Public Works continues to sanitize its parks' and facilities' restrooms daily to help reduce COVID-19 spread. The right-of-way landscape maintenance team continued working along Palos Verdes Drive South, clearing the weeds along the median and sidewalk.

This week in roadway and right-of-way maintenance, Public Works Maintenance continued making minor repairs to playgrounds around City park facilities. Public Works also made several pothole repairs on Palos Verdes Drive South, located near the Archery Club and Peppertree Trail entrances. On Highridge Road, Public Works repaired over 15

potholes in various sizes from 6 inches to 2 feet. Public Works continues to patrol the City and repair potholes when they are identified or reported.

On Palos Verdes Drive East, a large section of guardrail was damaged by a vehicle. Public Works responded and placed cones to warn motorists of the damaged section. The rail has been identified and added to the rail replacement program that will repair or replace several rails along this stretch of roadway.

The Public Works Department will also commence road repairs on Eddinghill Drive next week. The road repair work will consist of large bump repairs on several locations from the 6660 -6700 block of Eddinghill Drive. Work is scheduled for October 20 through October 22. Please expect small delays and restricted parking during this time. Work hours are from 7:30 a.m. - 5:00 p.m.

The Public Works Department responded to the following urgent/emergency requests:

- 10 Graffiti removals cases were addressed during this week.
- Responded to a large amount of debris on Palos Verdes Drive East. A construction delivery truck dropped a pallet of cinder blocks on the roadway; Public Works quickly removed it.

COMMUNITY DEVELOPMENT DEPARTMENT

Cayuse Lane - Abatement Update

For the past several months, Code Enforcement staff has continuously attempted to work with the property owner on Cayuse Lane to address dilapidated and substandard conditions on the property, including accumulation of junk, trash, debris, and overgrown, dead vegetation; to the extent that it endangers the health, safety, and welfare of the public. Based on a property history of violations and a recent fire on September 23, the City issued and posted a Notice and Order to Abate a Public Nuisance on September 25. The Notice and Order informed the property owner of the action required to correct violations within ten (10) days. With no attempt to gain voluntary compliance from the property owner and the entire structure demonstrating serious and dangerous hoarding issues that pose a threat to the surrounding residential area, the City was issued an inspection and abatement warrant to clean up the property by the Torrance Court on October 9, 2020. Clean up was executed on October 13. Staff will continue to coordinate with surrounding neighbors during the abatement process and provide updates as necessary.

11th Annual Southern California Economic Summit

On December 1, 2020, the Southern California Association of Governments (SCAG) will virtually host the Southern California Economic Summit. This summit will focus on the state of the region's economy during the COVID-19 pandemic and the challenges on the road to recovery. Registration fees may be waived for elected officials and city managers of SCAG's member jurisdictions. For more information, please visit the following website: <http://www.scag.ca.gov/calendar/Pages/11thEconomicSummit.aspx>

Planning Commission Follow-up Agenda

See attached follow-up agenda from the Planning Commission meeting on Tuesday, October 13, 2020.

P.C. Follow-up Agenda for Tuesday, October 13, 2020 – Page 60

RECREATION AND PARKS DEPARTMENT

Palos Verdes Nature Preserve Public Forum

The City and Palos Verdes Peninsula Land Conservancy (PVPLC) held a Preserve Public Forum last night, October 13 at 6 p.m. using the zoom platform. The purpose of these quarterly public meetings is to enhance transparency in Preserve operations. These public meetings are an opportunity for the public to learn about current projects and activities taking place in the Preserve and to receive updates on maintenance, operations, and public use issues. They are also a valuable tool for the City and PVPLC to gather public input on Preserve maintenance, operations, and policy.

The main topic at last night's meeting was the upcoming October 20 City Council agenda item on parking and access solutions for the Preserve. A total of 53 individuals attended the meeting, and meaningful dialogue on the topic took place. Seven attendees communicated quality of life concerns near Crenshaw Blvd., south of Crest Rd., and four attendees requested additional parking and more access to the Portuguese Bend Reserve. The minutes to the meeting will be provided to the City Council as late correspondence on the October 20 agenda and available on the City's Open Space Management webpage.

NCCP/HCP Implementing Agreement

The City has received the Implementing Agreement (IA) from the US Fish and Wildlife Service for signing. Signing the IA is part of the process to obtain permits associated with the City Council-adopted NCCP/HCP. Specifically, the IA is a joint document between the applicant (City and PVPLC) and the Wildlife Agencies that clarifies the provisions of a habitat conservation plan and specifies how those provisions will be carried out. The City anticipates final review and signing (by the Mayor) over the next two weeks.

Playgrounds Now Open

Following Governor Newsom's and The California Department of Public Health's announcement that outdoor playgrounds are permitted to open statewide, The Los

Angeles County Department of Public Health released Reopening Protocols for Outdoor Playgrounds on October 1, 2020. While the Los Angeles County Department of Public Health issued guidance, the decision to re-open outdoor playgrounds is made by each individual agency. City Staff worked to ensure that all playgrounds were in compliance with health guidance and safety standards and then opened playgrounds at all parks on Friday, October 9.

Unrelated to Covid-19 and in accordance with industry best practices, the City recently conducted a playground equipment safety inspection. When the safety inspection report was received, the City took action to remediate items that could be addressed immediately. Some playground equipment will require longer-term solutions to remediate. As a result, the following equipment will remain closed to the public until further notice:

- Swings for ages 5-12 years at Hesse Park, Ryan Park, Ladera Linda Park, and Eastview Park
- Select playground structure elements including slides and climbers at Hesse Park and Ladera Linda Park.

A schedule for the remaining work is under development and will be shared as soon as it is available.

The following equipment will be open to the public:

- Playground structures at Hesse Park, Ryan Park, Ladera Linda Park, and Eastview Park
- Swings for ages 4 years and under at Eastview Park

Click on the links below to see the complete State and County orders and protocols:

Television Series Filming

This week, two filming projects have applied to be in our community. Catalina View Gardens will be hosting a television series production from October 12, 2020 through November 30, 2020. The Portuguese Bend Beach Club will host a television series production on October 13 through 15, 2020 with the production crew base camp and parking at Marymount University.

NEW Recreation Classes Available – Starting This Week!

Let's get moving! Ready to get active and have some fun? Multiple classes are now available for registration. Hip Hop Dance, Shimmy & Shake Dance Fitness, Art, Yoga and Lacrosse classes are starting as early as next week! Visit https://apm.activecommunities.com/rpv/Activity_Search for more information and to register TODAY!

**City of Rancho Palos Verdes
Recreation and Parks**

**TRIDENT
LACROSSE**

**Oct 17 to Nov 7
Each Saturday
3:30pm-4:30pm**

This is an Introduction to the game of lacrosse for boys and girls in grades 1-6 with an emphasis on developing proper fundamentals and building a solid foundation of lacrosse concepts. Players will be grouped by age, and taught skills in a fun and positive environment.
Instructor: Alexis Goeller
Price: \$125.00
Ages: 5 - 11

**Register soon, these classes will fill up:
<https://apm.activecommunities.com/rpv>**

If you are a person with a disability and need an accommodation to participate in programs, services, activities and meetings, contact the City's ADA Coordinator/Risk Manager at 310-683-3157, adarequests@rpvca.gov, 30940 Hawthorne Blvd., Rancho Palos Verdes, CA 90275, at least 48 hours in advance to request an auxiliary aid or accommodation.

**City of Rancho Palos Verdes
Recreation and Parks**

**HESSE PARK
FIRESIDE ROOM PATIO**

**THURSDAYS
OCT 15- NOV 5TH
10AM TO 11AM
PRICE: \$60.00
AGES: 18 AND UP**

Temporary Dog Park Closure on Oct. 17

Due to the City’s document shredding event held on the morning of Saturday, October 17, the Rancho Caninos Dog Park will be closed from 6:30 am-12:00 pm that day. We anticipate long lines of vehicles entering City Hall. We regret any inconvenience this may cause you and your pet. Please contact the Recreation and Parks Department at 310-544-5260 if you have any questions. Please note: Eastview Dog Park will be open all day that day at 1700 Westmont, RPV.

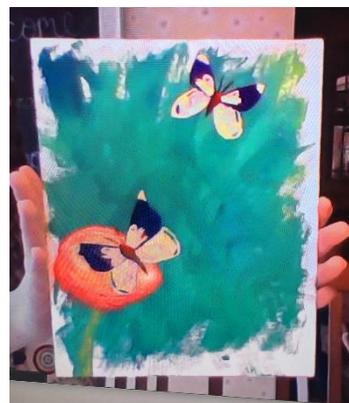

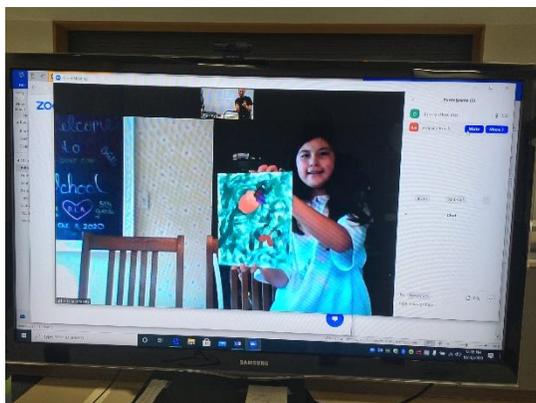

Float Like a Butterfly at Ryan Park

Dana Torrey, mural artist, and R&P staff, will be celebrating the volunteers who participated in painting the mural by adding their names to the side wall. Children who complete and submit this statement “If I were a butterfly...” may have their entry included on the wall. Please email submissions to parks@rpvca.gov and include the child’s name and age.

Virtual Art Class

On Saturday, October 10, Recreation Leader Dana Torrey led an online art class, guiding students through creating their own painting themed on the Dogface Butterfly. Art supply kits were provided in advance to all participants, who then signed on to Zoom for the two-hour workshop. Each participant finished the class with a unique piece of art.

Shining a Light on James Woodward

As a commemoration for his efforts on the Third Order Fresnel Lens project in 2019, the City presented James “Woody” Woodward with the framed picture below. He successfully led the team in removing, restoring and installing the Point Vicente Lighthouse lens to the Point Vicente Interpretive Center. This project was made possible by a matching grant from the California Cultural Historical Endowment. The City of Rancho Palos Verdes thanks Jim Woodward for his services in leading and working with the City of RPV and the United States Coast Guard to make this exhibit possible.

Update on Preserve Traffic, Noise, and Access Issues

On September 1, 2020, the City Council adopted a resolution to temporarily restrict parking along an approximately 390-foot section of the south side of Crenshaw Blvd. from roughly Rattlesnake Trailhead to Park Place. This temporary parking to relieve traffic and congestion issues in the area and will be reviewed by the City Council on October 20. City Council also approved a drop off zone near Del Cerro Park and the Portuguese Bend trailhead.

Signs have been posted at major trailheads with information on upcoming City Council agenda items impacting the Preserve, and how to join the Preserve listserv group and Preserve Public Forum Meeting.

During the temporary parking restriction, the staff is looking into longer-term solutions for traffic congestion issues on Crenshaw Blvd. south of Crest Rd. Staff is also using a holistic approach to look at traffic and parking solutions near the Preserve's 53 entry points. Please contact trails@rpvca.gov or 310-544-5260 for additional info. Del Cerro and Preserve Parking issues are on the October 20, 2020, City Council agenda.

The temporary restrictions on a portion of Crenshaw Blvd. are part of a six-level mitigation approach approved by the City Council to address long-standing noise and traffic impacts in neighborhoods adjacent to Preserve, particularly in the Del Cerro area. A status update on all six (6) mitigation measures is scheduled for the October 18 City Council meeting. Below are status updates on the other mitigation measures:

1. Continue the social media campaign including exploring novel ways to direct/educate visitors. Status update to be presented at October 18 City Council meeting.
 - a. Continue claiming Google Business websites. Status: Ongoing
 - b. Explore editing google maps with accurate Preserve information. Status: Ongoing
 - c. Public education campaign
 - i. Order banners to place at Burma and Rattlesnake Gates. Banners to be in place by August 27. Status: Completed

- ii. Send a listserv message to Preserve listserv group on the City Council action taken. Status: Completed
 - iii. Post information signage at major trailheads about upcoming City Council Preserve-related items and ways for the public to be involved and informed, Status: Completed
 - d. Finalize SEO Contact with Tripepi Smith. Status: Completed
 - e. Continue Social media marketing campaign directing the public to alternative preserve trail locations. Status: Ongoing
 - f. Identify websites with RPV Trails and Open Space information on the internet to edit with approved messaging and information. Status: Ongoing
- 2. Staff to return with a holistic analysis of alternatives for reserve parking for the entire Preserve (incl. Ladera Linda, Abalone Cove Cove, Forrestal, Gateway Park). Staff will create a holistic integrated parking roadmap. Status update to be presented at October 18 City Council meeting.
 - a. Reach out to all HOAs adjacent to the Preserve to ask about their experiences and major concerns/challenges they are facing. Status: Completed. 2 Letters sent to all adjacent HOAs. Extensive feedbacks received-meetings being conducted with individual HOAs.
 - b. Evaluate all parking available for the Preserve. Status: In Progress
 - c. Explore traffic safety measures to address Abalone Cove parking lot overflow issues. Status: Completed
- 3. Within 60 days install- or provide City Council with the road map to install gates at Burma Rd. and Rattlesnake trailheads. Status update to be presented at October 18 City Council meeting.
 - a. Work with City Attorney on HOA's liability concerns related to the Rattlesnake fence. Status: HOA approved the Agreement
 - b. Break ground on Burma Road project following contract award. Status: Project started-expected completion date October 16.
 - c. Break ground on Rattlesnake Gate. Status: Construction contract was awarded at October 6, City Council meeting.
- 4. Within 60 days Staff to investigate additional alternatives for enforcement of parking via use of additional code enforcement staff/rangers/sheriff deputies. Status update to be presented at October 18 City Council meeting.
 - a. Work with Finance on cost to hire Part-time Rangers and/or Code Enforcement Officers. Status: Complete

- b. Research sending OSM Part-time Staff to PC832 training to give the ability to cite. Status: In Progress
 - c. Explore third party vendor to provide parking enforcement. Status: Several vendors researched and interviewed. Status: Complete
 - d. Provide updates and options to City Council. Status: In Progress
 - e. Explore modifying the City's parking fee schedule and what it would take to increase the fee for no parking violations. Status: In progress
5. Investigate parking reservation and/or pay systems/alternatives along with analysis of parking limitation system (for Del Cerro area specifically).
Status update to be presented at October 18 City Council meeting.
- a. Identify best practice parking App for Del Cerro area that can be applied to other areas of the City if needed. Status: In Progress
 - b. Meet with reps from companies to discuss their Parking applications. Researching other companies. Status: Complete
 - c. Lay out the cost and enforcement needs for all paid parking/reservation alternatives. Status: In progress.

Preserve and Beach Weekend Activity: Saturday, October 10 & Sunday, October 11:

Public Contacts: 1,264

Notice to Appear Citations Issued: 0

Parking citations: 53

Violations Observed: usually corrected and/or warning given: 16

Abalone Cove Reserve:

Staff observed several MPA violations, and educated patrons about fishing areas, and tidepool etiquette.

The parking lot closed 2 times throughout the whole weekend.

Portuguese Bend Reserve & Del Cerro Park:

Staff distributed water bottles to patrons suffering from heat exhaustion.

Rangers educated patrons about drone policy at Del Cerro Park and provided them information about the permit process. Additionally, a group was educated about special permits and approval from the City upon seeing props.

On Thursday, October 8th, CalWater alerted residents in the Portuguese Bend Community about a main break. Vanderlip trail remained closed throughout the weekend.

Parks and Preserve Weekend Report

Beaches, parks, and trails, including the Palos Verdes Nature Preserve, have been open since May 13 with physical distancing, in accordance with guidance from the County of Los Angeles. Please go to www.rpvca.gov for further information.

Below is a public usage summary report over the past weekend.

FOR IMMEDIATE RELEASE

City of Rancho Palos Verdes Partners with Flock Safety to Offer Grants for HOA Security Cameras

October 14, 2020 (Ranchos Palos Verdes, CA) — The City of Rancho Palos Verdes has partnered with Flock Safety, a crime-fighting technology company, to offer neighborhoods affordable access to license plate-reading cameras to enhance public safety.

Homeowners associations in Rancho Palos Verdes looking to boost their security measures and assist law enforcement in investigating crimes may apply for grants from the City to cover half the cost of Flock Safety license plate-reading cameras that can be installed at neighborhood entrances. Applications and a checklist are available on the City website at rpvca.gov/flock. Due to a limited amount of available funding, participation will be on a first-come, first-served basis.

Founded in 2017 in Atlanta, Georgia, Flock Safety strives to provide technology solutions for neighborhoods and cities to help law enforcement by gathering evidence, such as car descriptions and license plate numbers, to help solve crimes.

The City is offering this grant program to HOAs citywide following a pilot program in the Oceanfront Estates neighborhood that launched earlier this year.

“We encourage our HOAs to take advantage of this innovative tool to help deter and solve crimes in our community,” said Rancho Palos Verdes Mayor John Cruikshank.

For each HOA that chooses to participate in the program, the City will provide a 50% match for each Flock Safety Camera per year while the program is active. The grant will cover the expense of half the annual camera cost at approved neighborhood entrance locations. An HOA may choose to purchase more than one camera to place in different approved locations. The Lomita Sheriff’s Station and a limited number of City staff will have secure access to footage captured on the cameras for investigative purposes only, upon the request of detectives.

Flock Safety built its first automated license plate recognition (ALPR) camera specifically for neighborhoods, with privacy-first policies. Footage is securely stored in the cloud and

automatically deletes every 30 days on a rolling basis. The cameras are not used for traffic enforcement and there is no facial recognition technology.

“We believe everyone has the right to public safety,” said Garrett Langley, CEO of Flock Safety. “Our mission is to eliminate crime and be a solution for agencies that want cost-effective tools to solve and deter crimes. We’re looking forward to working with the City of Rancho Palos Verdes to make the area even safer.”

Flock Safety cameras are solar-powered and come with camera hardware and software, installation, maintenance, cloud storage, cellular connectivity, ongoing software enhancements, unlimited user licenses, hotlist integration and alerts to law enforcement, plus dedicated community affairs and customer support.

The cameras are used by neighborhoods and cities throughout California, including Los Angeles, San Francisco, Sacramento, and parts of San Bernardino and Orange counties. Today, Flock Safety cameras provide evidence for more than 400 police agencies to solve crime in 750 cities across the country.

For more information about the Flock Safety Grant program, visit rpvca.gov/flock.

About the City of Rancho Palos Verdes

The City of Rancho Palos Verdes is located on a coastal peninsula overlooking the Pacific Ocean in the South Bay of Los Angeles County. Incorporated in 1973, the City is home to 42,000 residents, 7 1/2 miles of coastline, a 1400-acre nature preserve, and hundreds more acres of open space. Residents and visitors enjoy expansive ocean views and ample opportunities for recreation, including golfing, hiking, beach access, and whale watching. Notable landmarks and points of interest include the Wayfarers Chapel designed by Lloyd Wright, the Point Vicente Lighthouse, the Point Vicente Interpretive Center, Terranea Resort, the Palos Verdes Nature Preserve, and Trump National Golf Club.

About Flock Safety

Flock Safety is a crime-solving company that provides the most advanced and affordable security for neighborhoods, small businesses, and law enforcement. With its 24-hour wireless cameras designed to capture license plates, Flock Safety gathers information that can be used by local police to investigate crime and is using that technology to solve up to five crimes per hour, nationwide. Flock Safety is a venture-backed startup based in Atlanta, Georgia. Visit www.flocksafety.com for more information.
