## WILD WEATHER TIPS

Weather is often unpredictable. It's important to be prepared for any potential severe weather events that may occur in our area. Taking the time to prepare now can help keep you and your loved ones safe in the event of an emergency. Below are some tips and resources to help you get started.

### THUNDERSTORMS:

- Stay indoors and away from windows during a thunderstorm. [Learn More](#)
- Have a battery-powered or hand-crank radio and extra batteries ready. [Details](#)
- Unplug appliances and electronics to protect them from power surges. [More Info Here](#)

### EXTREME HEAT:

- Know what to do before, during, and after extreme heat. [More Info Here](#)
- Never leave a child, adult, or animal alone inside a vehicle on a warm day. [Learn More](#)
- Find places in your community where you can go to get cool. [Details](#)
- Stay Weather-Ready by learning the symptoms of excessive heat exposure and the appropriate responses. [Learn More](#)

### LANDSLIDES:

- Know the signs of an impending landslide and evacuate immediately if necessary. [Learn More](#)
- Have an emergency kit and plan in place. [Learn More](#)
- Be aware of the risks in your area and take appropriate measures to reduce potential damage. [Learn More](#)

### FLOODING:

- Keep a battery-powered or hand-crank radio and extra batteries. [Click for More](#)
- Have sandbags ready to protect your property. [Click for More](#)
- Do not walk, swim or drive through flood waters. [Turn Around. Don't Drown!](#)
- Elevate electrical system components. [Click for More](#)
- Move valuables and important documents to a higher place. [Click for More](#)

### TSUNAMIS:

- Know the warning signs of a tsunami and evacuate immediately if necessary. [Details Here](#)
- Have an emergency kit and plan in place. [Details Here](#)
- Familiarize yourself with evacuation routes and shelter locations. [Details Here](#)
- Follow instructions from emergency officials and listen to local news sources for updates. [Details Here](#)

**Remember to stay informed and be prepared to take action when necessary.**

## CONNECT TO EMERGENCY ALERTS:

- Subscribe to Alert South Bay (text AlertSB to 888-777). [Subscribe Here](#)
- Download the MyRPV app to all your devices. Visit your app store.
- Download the official MyShake app from your device's app store. [Grab the App Here](#)

### GET CONNECTED TODAY!

**Subscribe for Emergency Alerts:** Sign up for Alert SouthBay emergency notifications by scanning the QR Code or by texting "alertsrb" to 888-777 or visiting [alertsouthbay.com](http://alertsouthbay.com). Download the free MyRPV app to your devices from your app store.

**Scan for AlertSB RPV Alerts**

# STORM PLANNING TIMELINE

## A few days out

*If the forecast calls for severe weather in a few days, start preparing now.*

Make sure that you have emergency supplies

Know your safe places

Have a family communication plan

## The day before

*The day before, forecast accuracy continues to improve.*

Adjust plans

Make sure your phone can receive WEAs

Ensure your shelter is clean and accessible

## The day of

*Remain vigilant and aware of any active Watches. A Warning may be issued at a moment's notice!*

Remind your family of the communication plan

Know how to evacuate and/or get to safety from wherever you are

When a Warning is issued, you may only have seconds to take action!
