Re: Excessive Noise Concerns from Low Flying Aircraft Departing Hawthorne
Municipal Airport

Messrs. Shadbehr, Fernandez & Sandusky:

We are the City Attorney for the City of Rancho Palos Verdes. We have been directed by the City Council to inform you about reported excessive aircraft noise over this community caused by low flying aircraft, including helicopters, departing Hawthorne Municipal Airport.

We understand that the Palos Verdes coastline and its adjacent ocean are a destination for pilot flight training, scenic tour operations, aerial advertising, and light sport aircraft enthusiasts. However, residents have complained about excessive noise disturbances caused by small aircraft flying too closely to or just above residential areas in Rancho Palos Verdes.

On behalf of the City of Rancho Palos Verdes and our residents, we strongly urge the managers of Hawthorne Municipal Airport to convey to the small aircraft operators, organizations and pilots who use the airport to follow the Federal Aviation Association regulations for minimum altitudes for low flying aircraft when flying over or near the City of Rancho Palos Verdes.
