

Dear Neighbor

You may not be aware that the City recently changed the hours trash carts can be placed at the curb for pick-up. Beginning January 3, 2014 trash, recycle, and green waste carts cannot be placed at the curb for collection before 4:00 p.m. on the day before the scheduled collection and must be removed from the curb no later than 10:00 p.m. on the day of the scheduled collection.

When trash carts are not at the curb for collection they must be stored on the property so that they are substantially screened from view from the street and/or sidewalk.

For more information, you may want to check the City's website at www.palosverdes.com/rpv. Thank you for helping keep our neighborhood beautiful.
