EXOTIC ANIMAL PERMIT

An Exotic Animal Permit is required to keep wild animals, which are defined as any wild, exotic, dangerous or non-domestic animal, including but not limited to mammals, fowl, fish or reptiles, or other domestic animals not specifically permitted in the Development Code.

If you are uncertain whether you need an Exotic Animal Permit, please contact the City's Planning staff.

The City's criteria in reviewing a request for an Exotic Animal Permit are the following:

• The proposed site is adequate in size and shape to accommodate the proposed use and that the proposed use is an appropriate use of the site.

• The proposed request will not be detrimental to the public health, safety and welfare or to the use, enjoyment, or valuation of property in the area.

In explaining why your proposal for an Exotic Animal Permit should be approved, you should direct your response specifically to these three points of concern.

When you are ready to file the application, please make sure that the entire form is completed and that you have all the required materials. This will allow us to process your application without unnecessary delay.

These are the materials you must submit:

• A completed Exotic Animal Permit Application that is signed by the owner of the property in which the animals will be kept.

• A processing filing in the amount of $1,040.00 + 4.00 (data processing fee) payable to the City.

• Three copies of a site plan, drawn to scale, which indicates all existing structures, and the location and dimensions of any structures or fences, which will be used for the keeping of animals.

• All plans must be assembled in complete sets and folded no larger than 9 1/2” x 14”. If so desired by the applicant, only one copy of the site plan, elevation drawing and floor plan may be submitted as part of the initial application package. Once it is determined by the Director that the submitted plans contain all the necessary information described in this application, then the appropriate number of plans (3 copies) will be requested from the applicant.

• Two (2) copies of a "vicinity map", prepared to scale, which shows all neighboring properties within a 500 foot radius of the subject property (applicant). The "Vicinity Map" must be prepared exactly as described in the attached instruction sheet.
Two (2) sets of self-adhesive mailing labels and one (1) photocopy of the labels which list the property owner of every parcel which falls within a 500 foot radius of the subject property (applicant). The name and address of every property owner (including applicant) and the local Homeowners' Association, if any, must be typed on 8 1/2" x 11" sheets of self-adhesive labels. The mailing labels must be keyed to the corresponding lots, as shown on the vicinity map described above. The property owners mailing list must be prepared exactly as described in the attached instruction sheet. If the property owners mailing list is not prepared by a Title Company or other professional mailing preparation service, the applicant must sign and submit the attached "Certificate of Property Owners Mailing List" form.

Please reference Section 17.76.110 of City's Development Code if you have any questions regarding this permit.

➢ Important ➢

• Notice: CC&R’s are private restrictions or agreements. Therefore the City is not responsible for a property owner’s compliance with any CC&R’s that may govern their property and the City does not enforce private CC&R’s. The City recommends that property owners review their title report to see if any CC&R's govern their property, and if so, consult such CC&R’s prior to submittal of their application. Additionally, property owners should review their title report for any other private property restrictions (Deed Restriction, Private Easement, etc.) that may govern their property.

CITY OF RANCHO PALOS VERDES
INSTRUCTIONS FOR PREPARING A VICINITY MAP AND PROPERTY OWNERS LIST

In order to satisfy public noticing requirements, certain planning applications require the submittal of a vicinity map and accompanying property owners list. The size of the vicinity map varies by application and may involve either adjacent properties, a 100’ radius, or a 500’ radius. Please check on the application form you are submitting for the vicinity map size you must submit.

With the exception of “Adjacent Properties” maps, a vicinity map and property owners list must be prepared by a Title Company or other professional mailing list preparation service. The mailing labels must be certified as accurate by the agent preparing the mailing list. Attached is a list of firms that provide services in preparation of vicinity maps and certified mailing labels. This is not intended to be an exhaustive list and the cost of the services provided will vary.

If you have any questions regarding properties of the vicinity map or property owners list, as described below, please contact a planner at (310) 544-5228.

VICINITY MAP

The purpose of the vicinity map is to clearly show all properties within the required radius of the subject lot (applicant). The vicinity map must clearly show the required radius line, dimensioned and drawn from the exterior boundaries of the subject lot, as shown below. All neighboring properties (including lots outside R.P.V. city limits) which fall completely within, partially within or are just touched by the radius line, must be consecutively numbered and the names and the addresses of the owners provided to the City as described below. Please devise your own consecutive numbering system on the map and ignore the lot number, Assessor's number, or any other number already found on the lots on the vicinity maps. An “adjacent properties” vicinity map does not involve a set radius but rather needs to identify all properties behind, beside, and in front of the proposed project site, as shown below. The City's planning staff can provide the base map for preparing the vicinity map for a nominal charge. Applicants may also prepare their own maps, at a clearly marked scale of not less than 1” = 200’.

PROPERTY OWNERS MAILING LIST

The property owner of every parcel (even if vacant, rented or government owned), which falls completely or partially within the required radius on the vicinity map must be identified, placed on a mailing list and submitted to the City. The name and address of every property owner along with the assigned lot identification number, which corresponds to the vicinity map, must be neatly typed on 8 ½” x 11 sheets of Xerox or Avery self-adhesive labels, as shown below. Two (2) sets of self-adhesive labels and a Xerox copy of the list must be provided to the City with your subject application. These labels will be used by the City to mail notice of your subject application to neighboring property owners. The property owners list must be obtained from the most current L.A. County Tax Assessor’s roll. The City does not provide this service. The Assessor’s office located at 500 W. Temple Street, Room 205, Los Angeles, CA 90012. Office hours are 8:00 am to 4:30 pm Monday-Friday. The telephone number is (213) 974-3441.
