NOTICE

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Rancho Palos Verdes will conduct a meeting **on February 9, 2021, at 7:00 p.m. via a virtual meeting. The public hearing will be conducted pursuant to the provisions of the Governor's Executive Orders N-25-20 (<https://www.gov.ca.gov/wp-content/uploads/2020/03/3.12.20-EO-N-25-20-COVID-19.pdf>) and N-29-20 (<https://www.gov.ca.gov/wp-content/uploads/2020/03/3.17.20-N-29-20-EO.pdf>).** Please note that depending on the COVID-19 circumstances in the following weeks, an amended notice may be issued on the change from a virtual meeting to a regular meeting at Hesse Park Community Building, 29301 Hawthorne Boulevard, Rancho Palos Verdes. The Planning Commission will consider the following proposed project:

HEIGHT VARIATION & SITE PLAN REVIEW (CASE NO. PLHV2020-0005) – A request to allow the following improvements:

- Construction of a 936 ft² addition to an existing two-story residence, consisting of 134 ft² to the first floor and 802 ft² to the second floor, resulting in a new total structure size of 3,923 ft² (garage included); and
- Construction of ancillary site improvements including new mechanical equipment, a walkway and landscaping in the rear yard, and removal of 182 ft² of landscaping along the front façade.

The height of the proposed residence will be 22.67 feet, as measured from highest elevation of the existing grade covered by the structure (elev. 101.20 feet) to the highest proposed roof ridgeline (elev. 123.87 feet); and an overall height of 23.23 feet, as measured from lowest finished grade adjacent to the structure (elev. 100.64 feet) to the highest proposed roof ridgeline (elev. 123.87 feet).

LOCATION: 29508 DRIFTWOOD LANE

**APPLICANT/
LANDOWNER: PHILLIP TIU**

This project is categorically exempt pursuant to California Environmental Quality Act, Article 19, Section 15301 (Existing Facilities).

The Height Variation procedure is for the construction of additions to existing residential structures taller than 16 feet, but not to exceed the maximum height of 26 feet when measured as defined in §17.020.040 of the Rancho Palos Verdes Municipal Code (RPVMC) (as amended by Proposition M). The City's primary concerns in reviewing a Height Variation are the impact of the structure on the views from neighboring properties and from public areas, its cumulative impact on the affected properties, and compatibility of the proposed structure with existing surrounding uses (see RPVMC §17.02.040). RPVMC §17.02.030(B) requires a finding of "Neighborhood Compatibility" for the proposed first and second story additions. In making such

a finding, the City will review the proposed project relative to the following criteria for the immediate neighborhood: 1) scale of surrounding residences; 2) architectural style and materials; and 3) front, side, and rear yard setbacks.

The reason you are receiving this notice is because your property is located within 500 feet of the proposed project. A temporary frame structure (silhouette) has been constructed on the project site outlining the height and bulk of the proposed residence. This frame will be in place throughout the duration of the public comment period to better assist you and the City in assessing any potential project impacts.

If you have any comments or concerns about the proposed project, please communicate those thoughts in writing to Senior Planner, Jaehee Yoon, via e-mail at jyoon@rpvca.gov by noon on Tuesday, February 2, 2021. By doing so, you will ensure that your comments are included in the Staff Report. Written comments submitted after noon, on Tuesday, February 2, 2021, will be given to the Planning Commission on the night of the meeting. Please note that written materials, including emails, submitted to the City are public records and may be posted on the City's website. Accordingly, you may wish to omit personal information from your written materials as it may become part of the public record. In addition, this virtual City meeting will be televised and can be accessed through the City's website.

If you would like the opportunity to review application materials, the information is on file in the Community Development Department at 30940 Hawthorne Boulevard, Rancho Palos Verdes, and is available for review from 7:30 a.m. to 5:30 p.m. Monday through Thursday, and from 7:30 a.m. to 4:30 p.m. Friday. **In light of COVID-19 response measures from the Governor of the State of California and the Los Angeles County Public Health Department, and in the interest of the health and well-being of residents and City employees, City Hall is limiting counter hours and walk-ins by appointment only. Staff is also able to provide electronic files upon request. Please note that City Hall offices will be closed from December 24, 2020, to January 1, 2021, for the Winter Holiday Break, and that the commenting period has been extended to account for this closure.**

The final staff report will be available on the City's website, <http://www.rpvca.gov>, on Thursday, February 4, 2021, under Planning Commission Agenda.
