CHRISTMAS IN JULY!!!! July 26, 2021 5pm -6pm VIA Zoom.

Who said Christmas has to come just once a year? Christmas in July originated in the southern hemisphere as July is the peak of their winter season. This concept came to America as early as the 1930's at a summer camp in North Carolina. Later in the 1940's a movie called Christmas In July hit theaters, creating a pop culture phenomenon! REACH will be celebrating Christmas in July this year via zoom. Participants are encouraged to break out some decorations, don their "ugly sweaters," and gather for a Christmas in July themed round of Kahoot!

SCULPTURE GARDEN AT HESSE PARK COMING SOON!

An on-going display of REACH participants clay artwork and a space where participants can garden and learn about nature!
