Recycling Rebate: Effective January 1, 2013, residential customers are eligible for a recycling rebate (credit) of \$1.31/month. This credit is the City of RPV's way of thanking residents for recycling.

* Specific segments of this service area exclusively receive manual backyard collection. Backyard service consists of unlimited manual collection of trash, recycling and green waste, with the use of manual cans, and collected by non-automated trucks.

** Manure rate is per 32-gallon manual can, per month. The manure rate is in addition to the monthly trash/recycling/green waste rates.
