

COMMUNITY DEVELOPMENT DEPARTMENT

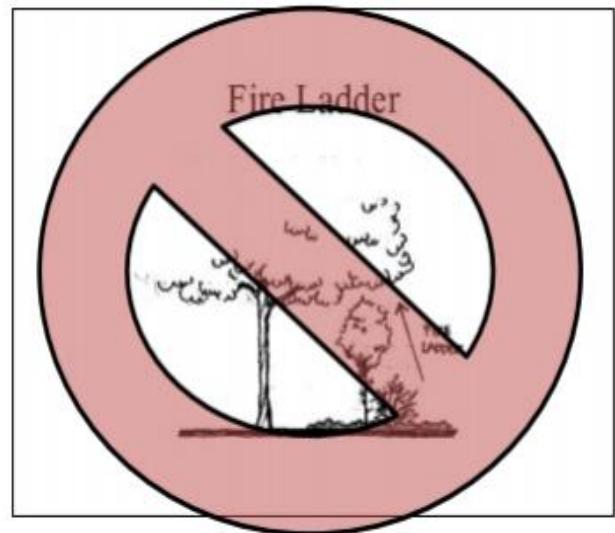

LAX Community Noise Roundtable Meeting Summary

On September 21, 2022, the Los Angeles International Airport (LAX)/Community Noise Roundtable held a regularly scheduled meeting to discuss noise concerns caused by passenger jets arriving and departing from LAX. See attached agenda. During the meeting, Los Angeles World Airport (LAWA) staff distributed passenger jet data for flights that occurred during June to August (attached). The data reveals a 5-year downward trend in the number of passenger jets that fly over the Palos Verdes Peninsula.

The Roundtable decided to continue meeting virtually. The next regular scheduled Roundtable meeting will be on Wednesday, November 16, 2022, at 1:30 p.m. For more information concerning the Roundtable meetings, please click the LAWA website [here](#) or contact LAWA staff David Chan at (424) 646-6508 or email dchan@lawa.org.

Fuel Modification Plan Review

In areas served by the County of Los Angeles Fire Department (LAFD), which includes the City of Rancho Palos Verdes, all new construction, remodeling of 50 percent or greater of a structure, construction of certain outbuildings and accessory structures over 120 square feet, and parcel splits and subdivision/developments within areas designated as Very Fire Hazard Severity Zones will require a Fuel Modification Plan approval. LAFD's Fuel Modification Unit is responsible for processing, reviewing, and approving these plans. The process of approval consists of reviewing aspects such as:

- Structure Location
- Type of Construction
- Topography and Slope
- Arrangement of vegetation
- Site settings

AGENDA

LOS ANGELES INTERNATIONAL AIRPORT/COMMUNITY NOISE ROUNDTABLE

Regular Meeting of the Roundtable

Wednesday, September 21, 2022 at 1:30 PM
