RE: The City Council of Rancho Palos Verdes Resolution No. 2023-29, Local Streets and Roads Project List, FY2023-24

On June 20, 2023, the City Council adopted Resolution No. 2023-29 approving our SB-1 FY2023-24 Project List. The list included two projects: the Roadway Asset Management Program – Residential Streets and Street Sweeping - Citywide. We have been asked to clarify the Street Sweeping – Citywide project's useful life and project location.

Street Sweeping – Citywide is an annual project with a useful life of one year. Street sweeping will be performed on arterial/collector and residential streets throughout the City. We are aware that SB-1 may not be used to maintain state highways. The sweeping of Western Avenue, a state highway, will not be paid for using SB-1 funds.

Sincerely,
