

EDCO'S CITY-WIDE BRUSH CLEARING EVENT

Fall Season 2023

Help prevent brush fires by taking advantage of this event!

The City holds bi-annual brush clearing event. The Fall season brush-clearing event begins in October. The goal of the event is to assist homeowners' dispose of (free of charge) excess brush, shrubs, hedges, tree branches, and bushes in order to comply with the fire safety guidelines. This event is especially helpful for large and/or canyon properties, and/or homes with trees in need of trimming.

Acceptable green waste may be in tied bundles, in EDCO carts, and/or in other personal cans. Greens placed in plastic bags will be accepted, however use of plastic bags are discouraged due to possible contamination issues at the processing facilities. Loose material, trash or construction and demolition material will not be collected.

EDCO will recycle the collected green waste. This free event is in addition to the regularly scheduled weekly green waste collection. **The event starts on October 7nd for five consecutive Saturdays**, each week concentrating on a different area in RPV depending on that area's regular collection day. Schedule your brush clearing work with your gardener and landscapers in advance. Listed below are the scheduled brush clearing collection dates:

Regular EDCO Collection Day	Fall Season 2023 Brush Clearing Day
Monday Route	Saturday, October 7 th
Tuesday Route	Saturday, October 14 th
Wednesday Route	Saturday, October 21 st
Thursday Route	Saturday, October 28 th
Friday Route	Saturday, November 4 th
