

## **TRAFFIC SAFETY ADVISORY COMMITTEE ADVISORY BOARD ACCOMPLISHMENTS AND WORK PLAN**

### **MISSION STATEMENT**

The mission of the Traffic Safety Committee (TSC) is to provide community input by advising the City Council on traffic issues, development proposals and special projects as assigned by the City Council. The TSC also reviews and advises on neighborhood traffic calming guidelines and proposed projects, and collaboratively work with Staff to address residents' requests for improving livability and drivability of neighborhood streets in Rancho Palos Verdes. (Resolution No. 2008-77)

### **SPECIFIC 2021-2022 ASSIGNMENTS**

During Fiscal Year 2021-2022, the TSC will continue to implement its mission, with emphasis on the following goals:

1. Review and assess any item requested by residents, members of the City Council, the Traffic Safety Committee, and Staff.
2. Explore possible means, options, and opportunities to control or reduce vehicular traffic speeds throughout Rancho Palos Verdes.
3. Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns. Further, utilize community and stakeholder workshops to educate residents regarding traffic calming measures and City traffic initiatives.

**RECOMMENDATIONS TO THE CITY COUNCIL**

As an advisory body, the TSC has the ability to bring comments, ideas, and recommendations to the City Council for consideration. If a majority of Committee members are in agreement and have voted accordingly to move the topic forward, Staff will work to agendize the matter on the City Council's calendar. The Chair of the Committee, or his/her designee, will present the item before the City Council at the meeting. Staff will be available to assist the Committee on preparing the staff report and related materials for the agenda.
