

## **TRAFFIC SAFETY ADVISORY COMMITTEE FY 2022-2023 WORK PLAN**

### **MISSION STATEMENT**

The mission of the Traffic Safety Committee (TSC) is to provide community input by advising the City Council on traffic issues, development proposals and special projects as assigned by the City Council. The TSC reviews and advises on neighborhood traffic calming guidelines and proposed projects, and collaboratively work with Staff to address residents' requests for improving livability and drivability of neighborhood streets in Rancho Palos Verdes. (Resolution No. 2008-77)

### **SPECIFIC 2022-23 ASSIGNMENTS**

During the 2022-2023 fiscal year, the TSC will continue to implement its mission, with emphasis on the following goals:

1. Review and assess any item requested by residents, members of the City Council, the Traffic Safety Committee, and Staff.
2. Explore possible means, options, and opportunities to control or reduce vehicular traffic speeds throughout Rancho Palos Verdes.
3. Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns. Further, utilize community and stakeholder workshops to educate residents regarding traffic calming measures and City traffic initiatives. Outreach activities may also include community events, the City's quarterly newsletter, and through RPVtv.

### **SUMMARY OF STAFF TIME**

A summary of the total staff time estimated for the assignments outlined in this work plan is as follows:

Assignment	No.	Potential Meeting Date	Staff Support Hours
Review and assess any item requested by residents, members of the City Council, Traffic Safety Committee, and City Staff.	1	July 2022 - June 2023	Dependent upon the number of requests.
Explore possible means, options, and opportunities to control or reduce vehicular traffic speeds throughout Rancho Palos Verdes.	2	July 2022 - June 2023	Dependent upon the scope of the project.
Establish and participate in community and stakeholder workshops to solicit both general and neighborhood-specific comments related to traffic concerns. Further, utilize community and stakeholder workshops to educate residents regarding traffic calming measures and City traffic initiatives. Outreach activities may also include community events, the City's quarterly newsletter, and through RPVtv.	3	July 2022 - June 2023	Dependent upon the number of requests.
