

**RANCHO PALOS VERDES**  
California

# Hawthorne Blvd and Eddinghill Dr / Seamount Dr

10.2.2024

Disclaimer: This presentation is not for construction purposes. Refer to signal plan for proposed construction details. Renderings are provided for the purpose of visualizing the proposed signal equipment.

## Existing – Northbound Hawthorne

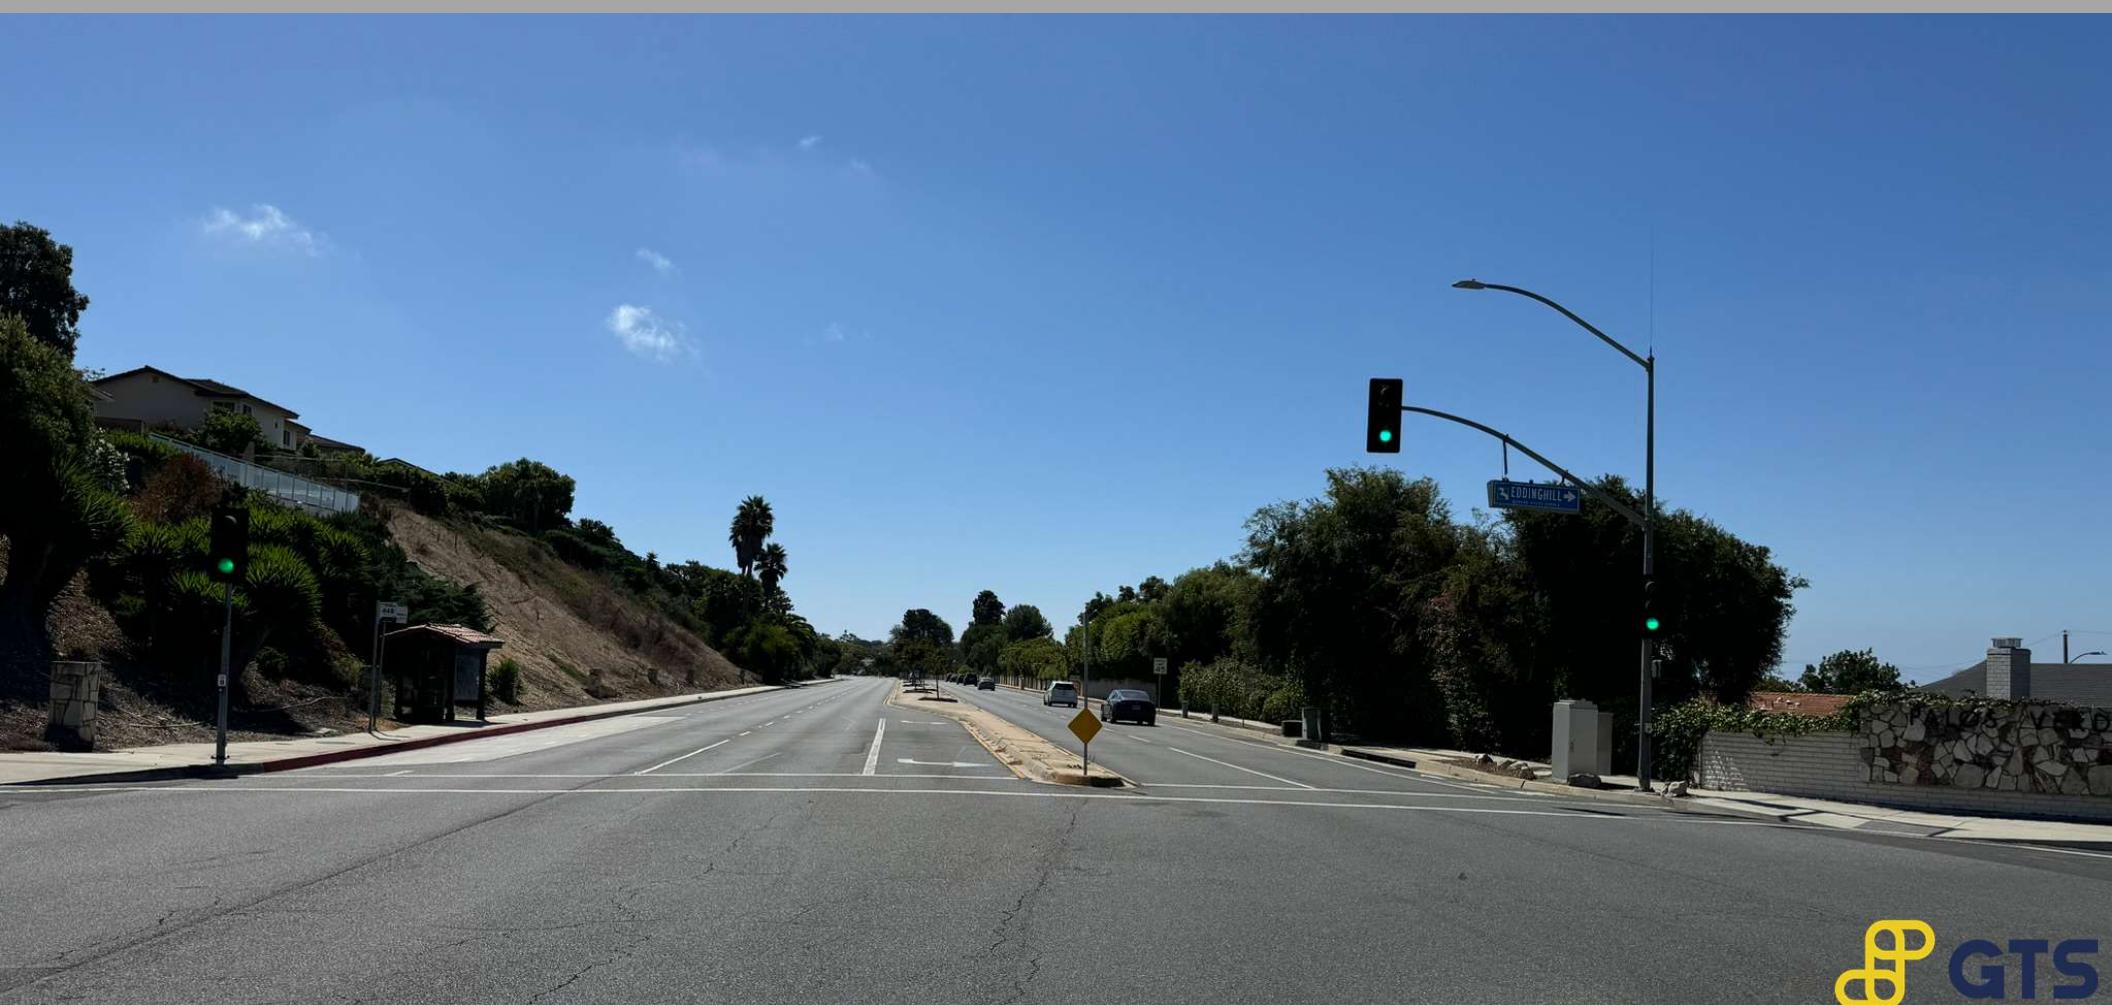

# Proposed – Northbound Hawthorne

Notes:

1. New pole and mast arm with protected LT to the east
2. Streetlight will be replaced by another streetlight at same corner (see following slides)

## Existing – Southbound Hawthorne

# Proposed – Southbound Hawthorne

Notes:

1. New pole and mast arm with protected LT to the east
2. Existing pole with new signal head to the west

## Existing – Eddinghill (WB)

## Proposed Eddinghill (WB)

### Notes:

1. Pole with safety light to the northside (combined with signal pole). The other pole at this same corner along Hawthorne is removed.

Existing –  
Seamount (EB)

## Proposed Seamount (EB)

### Notes:

1. Pole with safety light to the southside that combines existing street light pole and signal pole
