

CITY OF RANCHO PALOS VERDES INSTRUCTIONS FOR PREPARING A VICINITY MAP AND PROPERTY OWNERS LIST

In order to satisfy public noticing requirements, certain planning applications require the submittal of a vicinity map and accompanying property owners list. The size of the vicinity map varies by application and may involve either adjacent properties, a 100' radius, or a 500' radius. Please check on the application form you are submitting for the vicinity map size you must submit.

With the exception of "Adjacent Properties" maps, a vicinity map and property owners list must be prepared by a Title Company or other professional mailing list preparation service. The mailing labels must be certified as accurate by the agent preparing the mailing list. Attached is a list of firms that provide services in preparation of vicinity maps and certified mailing labels. This is not intended to be an exhaustive list and the cost of the services provided will vary.

If you have any questions regarding properties of the vicinity map or property owners list, as described below, please contact a planner at (310) 544-5228.

VICINITY MAP

The purpose of the vicinity map is to clearly show all properties within the required radius of the subject lot (applicant). The vicinity map must clearly show the required radius line, dimensioned and drawn from the exterior boundaries of the subject lot, as shown below. All neighboring properties (including lots outside R.P.V. city limits) which fall completely within, partially within or are just touched by the radius line, must be consecutively numbered and the names and the addresses of the owners provided to the City as described below. Please devise your own consecutive numbering system on the map and ignore the lot number, Assessors number, or any other number already found on the lots on the vicinity maps. An "adjacent properties" vicinity map does not involve a set radius but rather needs to identify all properties behind, besides, and in front of the proposed project site, as shown below. The city's planning staff can provide the base map for preparing the vicinity map for a nominal charge. Applicants may also prepare their own maps, at a clearly marked scale of not less than 1" = 200'.

PROPERTY OWNERS MAILING LIST

The property owner of every parcel (even if vacant, rented or government owned), which falls completely or partially within the required radius on the vicinity map must be identified, placed on a mailing list and submitted to the City. The name and address of every property owner along with the assigned lot identification number, which corresponds to the vicinity map, must be neatly typed on 8 1/2" x 11 sheets of Xerox or Avery self-adhesive labels, as shown below. Two (2) sets of self-adhesive labels and a Xerox copy of the list must be provided to the City with your subject application. These labels will be used by the City to mail notice of your subject application to neighboring property owners. The property owners list must be obtained from the most current L.A. County Tax Assessor's roll. The City does not provide this service. The Assessor's office located at 500 W. Temple Street, Room 205, Los Angeles, CA 90012. Office hours are 8:00 am to 4:30 pm Monday- Friday. The telephone number is (213) 974-3441.
