G. Overtime Pay

1. Overtime shall be defined as any combination of actual hours worked and paid leave, which exceeds forty (40) hours in any work week.
2. Work in excess of forty (40) hours in the workweek requires written approval of the non-exempt employee's Department Head or the City Manager. Whenever possible, the employee shall obtain the Department Head's or the City Manager's written approval in advance. If a supervisor orders an employee to work overtime, the employee must work it and be paid for it.
3. An employee, with their supervisor approval, may flex their time (i.e., work on different hours of the day or move hours from one day to the next for flexibility). Flexing is permitted for the convenience of the employee and/or CITY operations and shall not result in additional overtime costs.
4. Employees working in the Park Ranger or Senior Park Ranger classifications, overtime will be all hours worked in excess of ten (10) hours a day and forty (40) hours per week.

H. Compensatory Time

Non-exempt employees and non-exempt probationary employees may elect to be credited with compensatory time off in lieu of paid overtime at the time such overtime is recorded. Such compensatory time shall be at the rate of one and one half (1 ½) hours for each hour of overtime worked. Compensatory time may not be accumulated to exceed forty (40) hours.

The taking of all compensatory time off shall first be approved by the Department Head or the City Manager and shall be granted unless the time off will unduly disrupt the City's operations and in accordance with the federal Fair Labor Standards Act.

Employees who have accrued compensatory time on the books as of the date that they are designated to be exempt shall be paid out at the non-exempt rate.

Upon separation from employment, employees shall be paid for accumulated compensatory time.

I. Acting Pay

Upon approval of the Department Head or the City Manager, an employee who performs the duties of a position within a classification with a higher salary range for a period of one (1) calendar month or more and not to exceed the limits as defined by CalPERS, shall receive compensation as specified below:

1. The employee shall be compensated at a level within the higher classification as will accord such employee an increase of at least five percent (5%) over his/her current rate of compensation, provided that the salary does not exceed the maximum amount of compensation within the new salary range.
2. Such compensation shall be retroactive to the first day of the assignment through the duration of the assignment.
3. As soon as the employee reaches the CalPERS limits, the higher classification duties will

be immediately removed, and the employee shall return to their regular assignment. Should the City fail to remove the higher classification duties once the CalPERS limits have been reached, the employee shall continue to receive acting pay until the higher classification duties are removed.

J. On-Call Duty and Pay (formerly referred to as standby pay)

On-Call duty must be authorized by the City Manager, or designee, to provide operational coverage during normal non-working hours when there is a likelihood that a situation may develop that could jeopardize the City, the public, or City employees if corrective action were not taken prior to the start of regular working hours.

1. Only bargaining unit members in classifications that are non-exempt from federal Fair Labor Standards Act ("FLSA") overtime pay rules shall be eligible for on-call duty and pay.
2. On-call duty shall, whenever possible, be assigned on a voluntary basis. When voluntary participation is insufficient to meet the needs of the Department, then on-call shifts will be assigned on a rotational basis whenever possible within the affected work units.
3. While assigned to an on-call shift, employees must respond within fifteen (15) minutes to all calls during a specified continuous seven-day period, 24 hours a day. If it is determined during the call that the employee's physical presence is required, employee must respond on scene within one hour of the call. Employees accepting on-call assignments, who are not able to meet the above criteria due to distance, must make prior arrangements with management before accepting on-call assignments.
4. Each on-call shift is defined as a continuous seven calendar day period. No employee shall be assigned consecutive on-call shifts; each shift must be separated by a minimum of seven calendar days in between. In the event of an emergency when the Emergency Operations Center is activated, the City Manager reserves the right to assign consecutive on-call shifts in order to mitigate the emergency.
5. Employees who work 16 consecutive hours will receive a minimum of 10 hours of uninterrupted rest.
6. Employees are not required to wear City or work uniforms and may engage in their own personal activities while they are on on-call duty. However, during their on-call shift, employees must refrain from the use of intoxicants, be fit for duty, and reachable by phone. Employees not obligated to remain on on-call have no obligation to meet these requirements.
7. Employees assigned to on-call shifts shall receive \$400 for each on-call shift an employee is assigned and available to respond to. If an employee cannot be reached or does not respond to an emergency call, the employee shall forfeit \$57.14 of on-call pay for each day they fail to respond to an on-call emergency call.
8. When a City paid holiday falls during the scheduled workweek in which an employee is on an on-call shift, said employee shall receive holiday on-call pay, which is an additional two (2) hours of regular pay for being on the on-call shift for that holiday. On-call holiday pay shall not be considered hours worked for over-time calculations.

9. On December 24, 25, and January 1, an employee working an on-call shift shall be eligible for holiday on-call pay, but the rest of the days of the Winter Break shall be exempt from holiday on-call pay.
10. Employees that are assigned to on-call shifts must document their on-call week and actual time worked on the On-Call/Call-Out Form. Employees must submit the form to their supervisor for review and approval at the same time that they submit their timesheet.

K. Call-Back Pay

All FLSA non-exempt bargaining unit members contacted by the City outside their normal working hours and asked to perform work on behalf of the City outside of normal working hours shall be eligible for call-back pay. Call-back duty occurs when off-duty personnel are required to return to duty because of unanticipated work requirements, either because they are ordered to return/report to work or are already on an on-call assignment. Except as otherwise indicated in the provisions below, an employee must report for work in order to be eligible for call-back pay.

1. Response Time

Employees who receive a call-back must report to work within one (1) hour of the call if their physical presence is required.

2. Compensation

- a. Employees shall receive a minimum of four (4) hours at time and one-half (1½) or actual time worked at time and one-half (1½), whichever is greater, for reporting to work on a call-back.
 - i. Multiple calls received within any four (4) hour period already being paid shall not result in any additional compensation.
 - ii. If the four (4) hour minimum period overlaps with the regular work schedule, the employee will receive regular pay at the beginning of the regular work schedule.
- b. Employees shall receive a minimum of fifteen (15) minutes at time and one-half (1½) or actual time worked at time and one-half (1½), whichever is greater, for resolving issues remotely (via telephone, computer, etc.). This provision will only apply for work done that is specifically related to the call-back request, and not for general work duties that can be done during normal working hours.

3. Travel Time for Call-Back Assignments

- a. When reporting to a regular City reporting location (such as the City Yard or an assigned City facility before going to the reported incident) and to the reported incident on a regularly scheduled work day, employees shall receive a maximum of thirty (30) minutes, or actual round-trip travel time, whichever is less, paid at the regular rate of pay.
- b. When reporting to a regular City reporting location (such as the City Yard or an

assigned city facility before going to the reported incident) on a non-regularly scheduled work day, employees shall receive a maximum of thirty (30) minutes, or actual round-trip travel time, whichever is less, paid at time and one half (1½) of their regular rate of pay.

- c. When reporting directly to a location that is not a regular City reporting location (location of an incident that is not at a City facility) on a regularly scheduled work day, employees shall receive actual round-trip travel time at their regular rate of pay.
- d. When reporting directly to a location that is not a regular City reporting location (location of an incident that is not at a City facility) on a non-regularly scheduled work day, employees shall receive actual round-trip travel time at time and one half (1½) of their regular rate of pay.

4. Reporting

Employees that receive a call-back must document the date of the call-back, travel time, and actual time worked on the On-Call/Call-Out Form. Employees must submit the form to their supervisor for review and approval at the same time that they submit their timesheet.

V. Probationary Period and Procedures

A. Objective of the Probationary Period

The probationary period shall be regarded as part of the selection and evaluation process. The CITY shall closely observe the probationary employee's work performance during the probationary period.

B. Duration of the Probation Period

All initial-hire appointments shall be tentative and subject to a probationary period of not less than twelve (12) months of actual service. All transfers involving a new classification and promotional appointments shall be tentative and subject to a probationary period of six (6) months of actual service. The City Manager may extend a new-hire probationary period up to twelve (12) additional months of actual service and a promotional probationary period up to an additional six (6) months of actual service. Wherever possible, the City Manager shall give the probationary employee written notice of the extension of the probationary period ten (10) days before its expiration. The written notice shall state the reason for the extension. Failure to give the probationary employee notice of the extension prior to the expiration of the initial probationary period shall automatically extend the period. The length of the automatic extension without a written notice shall not exceed a period of over thirty (30) days.

C. Termination of Initial Hire Probationary Employee

During or at the conclusion of the initial-hire probationary period, or any extension thereof, the City Manager, after consultation with the probationary employee's department head, where practical, may terminate an initial hire probationary employee without cause, and without a hearing or right of appeal.

D. Procedures: Regular Appointment Following Probationary Period

The City Manager shall be notified in writing two (2) weeks prior to the expiration of any probationary

period. After consultation with the probationary employee's department head and immediate supervisor, the City Manager shall determine whether:

1. The initial-hire probationary employee shall become a regular employee;
2. The initial-hire probationary employee shall be terminated or discharged;
3. The transfer probationary employee's transfer shall be confirmed;
4. The transfer probationary employee's transfer shall be rejected;
5. The promotional probationary employee's promotion shall be confirmed;
6. The promotional probationary employee's promotion shall be rejected; or
7. The employee's initial or promotional probationary period shall be extended.

E. Rejection Following Transfer or Promotion

Any probationary employee rejected during or at the conclusion of a probationary period following a transfer to a new classification or promotional appointment shall be reinstated to the classification from which the employee was transferred or promoted unless (a) charges are filed and the employee is dismissed from employment in the manner provided in this MOU, (b) there is no vacancy in such position, or (c) the employee is terminated from employment due to a layoff or other basis. If there is no vacancy, the employee may request to be placed on a reemployment list.

VI. Performance Evaluations

Probationary Employees. A probationary employee shall receive a probationary performance evaluation at the conclusion of the probationary period, or any extension thereof. Upon completion of the probationary period, they shall be considered a "regular" employee and shall receive an annual performance evaluation based upon the annual anniversary date of their appointment to their current classification. The annual performance evaluation date shall be adjusted as required by any break in service, transfer or promotion.

Salary Merit Adjustments. Represented employees shall be eligible for new salary merit adjustments, within an individual salary range, based upon each employee's annual performance evaluation rating as follows:

- Meets Expectations (Satisfactory): 1.0%
- Exceeds Expectations (Good): 3.5%-4.5%
- Exceptional (Excellent): 5.0%-6.0%

Salary Merit Bonuses. Represented employees at the top of their salary range cannot exceed their base salary range but will continue to be eligible for an annual lump sum merit bonus based upon the annual performance evaluation rating as follows:

- Meets Expectations (Satisfactory): 1.0%
- Exceeds Expectations (Good): 3.5%-4.5%
- Exceptional (Excellent): 5.0%-6.0%

The City Manager shall retain the sole discretion to approve salary merit bonuses for employees at the top of their salary range on an annual basis. The percentage salary bonus within a range will be the same for all employees who receive the same performance evaluation rating.

Annual Performance Evaluations. Employees' annual performance evaluations will be due within two weeks after their anniversary date; and based on their annual performance evaluation, eligible employees will receive a merit pay adjustment and/or bonus as set forth in this MOU. However, an employee who is absent from work for 90 or more days due to an unprotected (non-statutory) leave shall have their annual anniversary and performance evaluation date adjusted in accordance with the number of days of the unprotected (non-statutory) leave of absence.

Regardless of the date that an employee actually receives their annual performance evaluation, the advancement of an employee within a classification's salary range, or merit bonus payment, shall have an effective date of the first day of the pay period in which the employee's anniversary date in the classification falls, subject to the City Manager's approval.

Employees will be permitted to grieve performance evaluations that are less than an "Exceeds Expectations (Good)" rating.

The CITY will provide the Association with the total annual performance evaluation ratings for each employee and their department on a quarterly basis or monthly basis, if mutually agreed upon. The total annual performance evaluation ratings report will be anonymous and will not contain information that would link a rating to an individual employee.

A. Merit Advance within a Range

Other than the annual performance evaluation, the only reason for advancement within a range shall be meritorious performance in an employee's assigned duties.

1. Except as allowed in this section, probationary employees will not be eligible for merit advancement at the conclusion of the probationary period.
2. Meritorious performance shall be determined by the overall rating on the employee's evaluation for merit advancement.
3. Merit increases shall be based on meritorious service, described in the evaluation. Granted increases shall be effective on the same day in which the employee's evaluation date for the merit advancement falls, whether or not the annual performance evaluation is conducted on the anniversary date.
4. All proposed advancements shall be recommended by the Department Head and approved by the City Manager before becoming effective. The City Manager shall make a final determination on all proposed merit increases based upon the overall rating on the employee's most recent annual performance evaluation and the Department Head's recommendation. Advancements under this section shall not change the employee's annual performance evaluation date.

B. Promotional Advancement

When an employee is promoted from employment in one classification to employment in a classification assigned a higher salary range, advancement shall be at least five percent (5%) over his/her current rate of compensation, provided that the salary does not exceed the maximum amount of compensation within the new salary range.

VII. Benefits

The first of the month following initial appointment, all employees are eligible to participate in the CITY's group medical, dental, and vision insurance plans. For employee-only coverage, the City currently pays the entire premium for the employee, and for employee plus dependent coverage, the City currently pays the amount equivalent to the employee-only coverage, plus 50% of the remaining dependent care premium.

A. Medical Insurance and Opt-Out

1. Medical Insurance

The City has five (5) medical plans available to employees (3 HMO's, 1 traditional PPO, and a high deductible PPO).

The high deductible PPO plan comes with a Health Savings Account (HSA) that is funded by the City. The City's annual contribution to an employee's HSA plan for the 2025 calendar year is Four-Thousand Three Hundred dollars (\$4,300.00) for single coverage or Eight-Thousand Five Hundred Fifty dollars (\$8,550.00) for employee and dependent coverage. Employees can make additional contributions, on a pre-tax basis, to their HSA account through payroll deductions, up to the IRS limits, based on their age (50+) and coverage level.

2. Opt-Out

Employees who show proof of insurance elsewhere and do not enroll in the City's medical plan can receive up to seventy-five percent (75%) of the premium cost of the least expensive medical plan.

Pursuant to the Affordable Care Act (ACA) Employer Mandate "affordability" determination, an Eligible Opt-Out Arrangement requires the following for employees who opt-out of employer-provided health coverage and receive cash in lieu payment:

- a. Employee must provide reasonable evidence that the employee and each member of the employee's expected tax family (individuals the employee expects to claim personal exemption deduction) have or will have minimum essential coverage (other than coverage in the individual market, whether or not obtained through Covered California) during the period of coverage to which the opt-out arrangement applies;
- b. The evidence of alternative coverage must be provided every plan year to which the eligible opt-out arrangement applies; and
- c. The reasonable evidence must be provided no earlier than a reasonable period of time before the plan year begins.

B. Retirement Health Savings Account

Employees shall be enrolled in the retirement health savings account upon completion of their initial probationary period.

The Account is funded by a one percent (1%) employee deduction and a CITY contribution.

Effective the first full pay period in July 2025, the CITY contribution is one hundred dollars (\$100.00) per pay period. This amount shall annually increase in the first full pay period each July by the

Consumer Price Index (CPI-U) in the Los Angeles-Long Beach-Anaheim area for the twelve (12) month period ending March to March of each calendar year.

The City shall continue the practice of annually increasing the City contribution effective the first full pay period in July by the percentage increase in CPI-U.

C. Employee Assistance Program

The CITY provides the Employee Assistance Program at no cost to the employee and employees' family.

D. Section 125 Flexible Benefits Plan

Employees are eligible to enroll in the CITY's flexible Benefits Plan on the first of the month following their date of hire and during the annual Open Enrollment event. The Section 125 plan allows employees to withhold a portion of their paycheck on a pre-tax basis. The money is then used to pay for health expenses not covered by their respective insurance providers or for reimbursement of the employee's dependent care expenses, such as day care, throughout the year. Employees should calculate their deductions and track their expenses carefully, as any unused amount will be forfeited per IRS regulations.

E. Life Insurance

Employees are eligible for life insurance on the first of the month following their date of hire. The CITY pays the entire premium on a life insurance policy with a benefit of twice the employee's annual salary, up to a maximum benefit of \$350,000.

All employees are required to participate in the California State Disability Insurance (SDI) program, which provides partial salary replacement benefits when an employee is disabled due to a non-work-related illness or injury. The program is funded by employee payroll deductions from the employee's bi-weekly paycheck until a cap established by the State is reached. The benefits and terms are established by the State.

H. Long Term Disability Insurance

On the first day of the month following six full months of employment, eligible employees are covered by the CITY's long term disability insurance program, which provides partial salary benefits when an employee is disabled due to a non-work-related illness or injury. Benefits are provided at a rate of 66.6667% of an employee's monthly earnings, up to a maximum benefit of \$10,000 per month.

I. California Public Employees' Retirement System (CalPERS)

In addition, new members will be required to pay one half (1/2) of the total normal cost rate for their pension benefit. That rate is determined by CalPERS and will be communicated to the Association (and as it is adjusted in the future) once it is known by the CITY. As defined by CalPERS, a "new member" is:

For example, if an employee who earns \$40 per hour donated 10 hours of vacation to an employee who earns \$30 per hour, the donee would receive \$400 divided by \$30 or 13.333 hours of vacation.

M. Other Leaves

The City Manager shall grant such other leaves as are required by law. Except as otherwise provided by law or by circumstances beyond the employee’s control, employees shall request such leave and obtain approval in advance. XII. Work Schedules, Hours, Attendance and Breaks

A. Work Schedules and Hours

The work schedule at City Hall is a 9/80 schedule. Employees work a 9-hour day, 7:30 AM to 5:30 PM, Monday through Thursday. Staff is divided into two teams, the "A" Team and the "B" Team, which alternate working every other Friday. For employees who work the 9/80 work schedule, their workweek shall begin exactly four hours after their start time on the day of the week which is their

alternating regular day off (typically Friday). During their Fridays “on,” employees work an 8-hour day, from 7:30 AM to 4:30 PM. City Hall offices remain open with at least one person in each department on duty to answer questions and to receive visitors. It is up to each Department Head to decide how best to divide his or her staff so that sufficient staff coverage is available on Fridays.

When a team’s Friday “off” falls on a CITY Holiday, that team takes the prior workday off instead. For example, if Christmas Eve falls on a Friday, the team that would have had that Friday off takes the Thursday off instead. At the beginning of each calendar year, the “A” and “B” Teams alternate which one takes the first Friday of the year off following the return to work from the CITY’s Winter Break. Employees are generally not allowed to switch Fridays, however, the Department Head may grant permission to do so, but only if to do so would not cause the employee to earn overtime as a result of the switch, if circumstances warrant and the staffing needs of the Department can still be met. An employee’s supervisor and/or Department Head shall set the hourly work schedule and workday for that employee. In the absence of other arrangements, working hours are 7:30 AM to 5:30 PM, Monday through Thursday and 7:30 AM to 4:30 PM every other Friday, with one hour for lunch.

The work schedule for the classifications of Park Ranger and Senior Park Ranger is a 4/10 work week schedule. Employees work a 10-hour day, 4 days per work week. The schedule is flexible since open space needs to be patrolled 365 days a year. It is up to the department to best decide how to divide staff so that sufficient coverage is available. Employees are generally not allowed to switch days off; however, the Department Head, and/or designee, may grant permission to do so, but only if to do so would not cause the employee to earn overtime as a result of the switch, and the staffing needs of the department can still be met. An employee’s supervisor and/or Department Head shall set the hourly work schedule and workday for Park Rangers and Senior Park Ranger. Standard daily hours are 7:30 a.m. to 6:30 p.m.; however, daily hours may vary depending on season and/or time of year (i.e. daylight savings time). If hour variation is necessary, then hours would be 6:30 a.m. to 5:30 p.m. or 6:00 a.m. to 5:00 p.m.

B. Attendance

Failure of an employee, who is absent without leave, to return to work within 24 hours of notice to return, or failure to request leave of absence within the same period, shall be cause of disciplinary action, which may lead to discharge. Employees who leave during work hours without first notifying and receiving prior approval from their supervisor or Department Head of their whereabouts are subject to appropriate disciplinary action.

C. Breaks

1. Lunch

Lunch periods for office employees should be scheduled between 11:00 a.m. and 2:00 p.m. and are generally expected to be limited to one hour, except when CITY business is conducted during that time period. Department Heads have the responsibility for scheduling lunch periods for their employees.

2. Breaks

The CITY allows every employee to take two (2) 15-minute paid break periods per day. Breaks for office employees are not to be taken outside the Civic Center area without permission of the Department Head. In addition, eating food in public areas is generally not accepted. Employees in the field, or those classifications that have been designated to a 4/10 work schedule, may suit the time of

work break to the situation at hand, recognizing that they are CITY representatives in all daily activities. Scheduling of breaks will be at the discretion of the Department Head or his/her designee.

XIII. Grievance Procedures

A. Purpose of Grievance Procedure

The grievance procedure shall be used to resolve employee or probationary employee complaints concerning the express terms and condition of employment with the CITY. Except for oral warnings and written reprimands, the grievance procedure shall not be used for resolving any complaint concerning disciplinary action.

Except as otherwise provided in this MOU, the grievance procedure may be utilized to resolve alleged:

1. Improper application of rules, regulations and procedures;
2. Unfair treatment, including coercion, restraint and reprisal;
3. Improper procedures utilized in employee layoff;
4. Discrimination because of race, color, religion, creed, sex, sexual orientation, pregnancy, national origin, ancestry, age (40 and over), marital status, disability, alienage, citizenship status or medical condition (cancer-related); or because of any other statutorily or constitutionally impermissible basis.
5. Any manner affecting an employee's or probationary employee's:
 - a. Work schedule;
 - b. Fringe benefits;
 - c. Holidays;
 - d. Vacation;
 - e. Sick leave;
 - f. Retirement;
6. Any alleged violation of this MOU.
7. Any other matter regarding the terms and conditions of employment.

B. Informal Discussion of Grievance

When an employee or probationary employee has a grievance, the employee or probationary employee shall first informally discuss the matter with the employee's or probationary employee's immediate supervisor within five (5) working days from the date of the incident or decision generating the grievance. If, after a discussion with the immediate supervisor, the grievance has not been satisfactorily resolved, the employee or probationary employee shall have the right to informally discuss the grievance with the supervisor's immediate superior. The informal discussion with the supervisor's immediate superior shall occur within ten (10) working days from the date of the incident or decision generating the grievance. If, after such a discussion, the grievance has not been satisfactorily resolved, the employee or probationary employee shall have the right to file a formal grievance.

If an employee's or probationary employee's grievance is with his/her immediate supervisor or the supervisor's immediate superior, and such employee or probationary employee reasonably believes that such grievance will not be resolved at that level, he/she may proceed to the next step of the grievance procedure.

C. Formal Grievance Procedure

The formal grievance procedure shall be used to resolve an employee's or probationary employee's grievance not satisfactorily resolved by informal discussion or otherwise allowed by this Rule.

1. An employee or probationary employee shall have the right to present a formal grievance in writing to the City Manager within fifteen (15) working days from the date of the incident or decision generating the grievance. All formal grievances shall state the reasons for the complaint and the employee's suggested solution.
2. A formal grievance shall be timely presented to the City Manager. When the employee or probationary employee presents a formal grievance to the City Manager, the City Manager shall discuss the grievance with the employee or probationary employee. Within fifteen (15) working days after receipt of the formal grievance, the City Manager shall render a written decision. The decision of the City Manager shall resolve the grievance and no further review of the subject matter of the grievance shall be permitted.

D. General Procedures

1. The employee or probationary employee and the CITY have the right to representation at any step in the grievance process.
2. Any grievance not filed or taken to the next step by the employee or probationary employee within the specified time limits shall be deemed settled on the basis of the last decision, and not subject to further reconsideration. By mutual agreement and for good cause, reasonable extensions of time may be given in writing to the employee or probationary employee by the City Manager at any step in the grievance procedure.
3. An employee or probationary employee who has filed a grievance shall suffer no discrimination for filing the grievance.

XIV. Discipline Procedures

A. Cause for Discipline

Each of the following constitutes cause for discipline of any employee. It is the intent of these procedures to include as a cause for discipline any action or non-action by an employee which impedes or disrupts the performance of the CITY and its organizational component units, is detrimental to employees or public safety, violates properly established rules and procedures or adversely affects the reputation of the CITY, its officers or employees. 27. Failure to observe or comply with safe working standards, to endanger, to injure, or to damage public property or the private property of any employee or member of the public through negligent, improper or careless conduct or use of equipment; or to permit such actions on the part of any employee under his/her supervision or control.
28. Conduct disrespectful to the public, elected and appointed CITY officials, supervisors, superiors, Department Heads, City Manager, Deputy City Manager or members of CITY boards and commissions.
29. Failure to report any criminal conviction and/or arrest pending final adjudication as required by the City of Rancho Palos Verdes' Policy for Conducting Criminal Background Checks and Securing Received Criminal History Information.

In the event the CITY imposes disciplinary action for cause, including but not limited to any of the above acts or omissions, the employee shall have the right to contest or seek review of the disciplinary action or the basis thereof, in accordance with procedures set forth in this MOU.

B. Types of Disciplinary Action

Disciplinary actions include reprimands, suspensions, demotions, reductions in pay and dismissal, as defined below:

1. **Verbal Reprimand.** An oral warning that may be given to the employee in the event that a deficiency in performance or conduct is not of sufficient magnitude to warrant a more formal disciplinary action. A written record may be made of such conferences and a copy provided to the employee. Verbal reprimands are not subject to appeal. However, the employee has the right to a written response or rebuttal to any written record of verbal reprimand, provided that such response or rebuttal is submitted within thirty (30) days of the employee's receipt of the written record.
2. **Written Reprimand.** A written statement relating to an action or omission which meets any of the grounds for disciplinary action listed in these procedures, indicating that there

is cause for dissatisfaction with the employee's services and that further disciplinary measures may be taken if the cause is not corrected. The written statement shall be placed in the employee's personnel file, with a copy provided to the employee. Written reprimands are not subject to appeal. However, the employee has the right to place in his/her personnel file a written response or rebuttal to any written statement, provided that such response or rebuttal is submitted for inclusion in the personnel file within thirty (30) days of the employee's receipt of the written statement.

3. Suspension. The temporary separation of the employee from CITY service without pay for disciplinary purposes for a period not to exceed thirty (30) days per occurrence.
4. Demotion. A change in employment status from one position to another having a lower rate of pay and/or change in duties which are allocated to a class having a lower maximum rate of pay for disciplinary reasons. The disciplinary demotion may be temporary or permanent.
5. Reduction in Pay. A change in the salary of an employee to a lower rate within the same salary range for disciplinary reasons.
6. Dismissal. The discharge of the employee from CITY service for disciplinary reasons. Discharge and dismissal are used interchangeably in these procedures.

C. Disciplinary Procedures

1. When an employee is to be suspended, demoted, reduced in pay or dismissed for disciplinary reasons, a preliminary written notification shall be provided to the employee. The written notice shall include:
 - a. The charges against the employee and reasons for the proposed disciplinary action to be taken;
 - b. The proposed disciplinary action to be taken;
 - c. Copies of the charges and materials on which the proposed action is based; and,
 - d. A statement advising the employee that, before any proposed disciplinary action takes effect, the employee or his/her representative has the right to respond orally or in writing within five (5) working days from the employee's receipt of the written notice. If the employee chooses to respond orally, a meeting (i.e., a Skelly meeting) will be scheduled to allow the employee to present his/her response to the proposed discipline.
2. Within ten (10) working days after the employee has had the opportunity to respond, the employee shall be notified in writing of any disciplinary action to be taken and the effective date of such disciplinary action.

D. Appeal of Disciplinary Action

1. An employee who has been suspended, demoted, reduced in pay or dismissed for disciplinary reasons may appeal the disciplinary action.

2. In order to appeal the disciplinary action, the employee must file a written notice of appeal with the City Manager for a hearing within ten (10) working days after having been furnished with a copy of the notice of disciplinary action.

E. Time of Hearing

The hearing on the employee's appeal shall be conducted within ninety (90) days after the employee's filing of the written notice of appeal with the City Manager. The time limit may be extended by the City Manager for good cause and by agreement of the employee and the City Manager.

F. Hearing Procedure

The following procedure shall govern hearings on appeals of disciplinary action:

1. The City Manager may conduct the hearing or the City Manager may designate any third party to conduct the hearing. If the City Manager files the written statement to discipline an employee who works directly for the City Manager, the Deputy City Manager may conduct the hearing or the Deputy City Manager may designate any third party to conduct the hearing.
2. Hearings shall be conducted in the manner most conducive to determination of the truth, and the City Manager shall not be bound by technical rules of evidence. Decisions made shall not be invalidated by informality in the proceedings.
3. The City Manager shall make arrangements to have the hearing transcribed or recorded to preserve the proceedings and testimony. The employee may obtain a copy of the transcript or recording upon written request.
4. The City Manager shall determine the relevancy, weight and credibility of all testimony and evidence.
5. The City Manager shall base his/her findings and decision on the preponderance of the evidence presented.
6. The Department Head shall have the burden of proof. Each side will be permitted an opening statement and closing argument. The Department Head shall first present its witnesses and evidence to support the charges and disciplinary action. The employee shall then present his/her witnesses in defense. The Department Head may thereafter present witnesses and evidence in rebuttal.
7. Each side will be allowed to examine and cross-examine witnesses. All witnesses shall testify under oath. The City Manager may question any witness.
8. Both the Department Head and the employee may be represented by a designee or by legal counsel. The City Manager may obtain the legal advice of the City Attorney in performing the function of the hearing officer.
9. The City Manager shall, if requested by either side, subpoena witnesses and/or require the production of documents or other material evidence.
10. The City Manager may, during a hearing, grant a continuance for any reason believed to

be important to the reaching of a fair and proper decision.

11. Within thirty (30) days after the conclusion of the hearing, the City Manager shall prepare and serve on both sides a written decision setting forth the charges found to be sustained, and the reasons therefore, and the propriety of the disciplinary action imposed. The City Manager may sustain, reject or modify the disciplinary action imposed. If the City Manager rejects or modifies the disciplinary action imposed, all or part of any loss of the employee's full compensation may be ordered restored.

G. Finality of City Manager's Decision

The decision of the City Manager shall be final and conclusive.

H. Judicial Review

Any legal action to challenge any decision of the City Manager must be filed in a court of competent jurisdiction no later than ninety (90) days following the date the City Manager's written decision becomes final as provided in California Code of Civil Procedure Section 1094.6.

XV. Miscellaneous Procedures

A. Transfers

Transfers are permitted, subject to written consent of the Department Heads involved and the City Manager. Such changes are authorized only from one (1) position to another in the same class or to a position in another class having the same maximum salary limit and involving the performance of similar duties and requiring substantially the same qualifications.

B. Reclassification

The duties of positions that have changed materially may be allocated to a more appropriate class by the City Manager. An incumbent meeting the new qualifications of the reclassified position shall move with the position.

C. Reinstatement

With the written approval of the City Manager, a former employee or probationary employee may be reinstated (1) to his/her former position, if vacant; or (2) to a vacant position in the same comparable class; provided that the employee or probationary employee left the CITY's employ less than one (1) year prior to seeking reinstatement. The City Manager may require that a reinstated employee or probationary employee serve an initial-hire probationary period.

D. Dress Code

All employees must present a professional appearance by wearing appropriate and clean attire for the position held and tasks to be completed. Attire should be considered business appropriate. If a uniform is required, it should be well maintained and worn in a presentable fashion. Matters of employee attire **will** be managed at the department level.

Examples of appropriate attire include slacks or khakis; dress shirt or blouse; open- collar or polo shirt; optional tie or sport coat; a dress or skirt at knee-length or below; a tailored blazer, knit shirt or

sweater; loafers or dress shoes that cover all or most of the foot. Examples of inappropriate attire include t-shirts; gym or sweat clothing, including work out wear; halter tops, tank tops or crop tops; leggings or spandex (except with dresses); low back dresses, blouses, or shirts; sheer, see through or revealing clothing; shorts; and casual sandals (flip flops). Baseball hats are not acceptable, unless they are part of a uniform. Jeans and athletic shoes are limited to “Friday” casual unless the position held requires jeans and/or athletic shoes.

“Friday” dress may be casual and allows for jeans and athletic shoes to be worn. Inappropriate attire listed above remains applicable for “Friday” dress.

XVI. Administrative Instructions and Departmental Policies and Procedures:

A. Administrative Instructions

Without limiting the application of other Administrative Instructions, unless otherwise inconsistent with this MOU or the law, all employees are subject to Administrative Instructions 2-02 (Office Procedure), 2-03 (Workers’ Compensation Claims Procedures), 2-05 (Attendance), 2-09 (Gifts), 2-11 (Tuition Reimbursement Program), 2-12 (Outside Employment), 2-13 (Pets), 2-14 (Bulletin Boards), 7-01 (Safety Program), 8-01 (Use of City Vehicles), 8-02 (Use of Employee Vehicle for City Business), 8-05 (Computer Network Use), 8-07 (Electronic Mail and Internet Use) to the extent such instructions are not inconsistent with this MOU. Copies of the current Administrative Instructions are available in the Administrative Instruction Manual and from the Human Resources Office. Any changes to these documents that fall within the scope of bargaining remain subject to meet and confer.

B. Departmental Policies and Procedures

Where a department or work group has adopted employment and workplace policies, procedures or other instructions, employees within that group are subject to those policies, procedures and instructions. This includes, but is not limited to Department of Planning, Building and Code Enforcement Department Procedures Manual. Any changes to department policies or procedures that fall within the scope of bargaining remain subject to meet and confer.

XVII. Written Notice

Any written notice required to be given by the provisions of this MOU, unless herein otherwise specifically provided, may be given either by personal service or by mail. In the case of service by mail, the notice must be deposited in the United States mail, in a sealed envelope, with postage prepaid; addressed to the person on whom it is to be served; at the address in any notice given by him/her of his/her last known address, and, if there be no last known address, then addressed to him/her at the CITY (if still associated with the CITY in some capacity). Service by mail shall be deemed complete at the time of the deposit in the mail.

XVIII. Outside Employment

Employees and probationary employees shall be allowed to engage in employment other than their job with the CITY, with the understanding that CITY employment is the highest priority and such employment does not interfere with the performance of assigned duties and does not constitute a conflict of interest. The employee or probationary employee must notify the City Manager in writing regarding their outside employment.

XIX. Dues Deduction

At RPVEA's request, the CITY shall deduct membership dues, initiation fees, and general assessments, as well as payment of any other membership benefit program sponsored by RPVEA, from the wages and salaries of members of RPVEA. RPVEA hereby certifies that it has and shall maintain all such deduction authorizations signed by the individual from whose salary or wages the deduction is to be made and shall not be required to provide a copy of an individual authorization to the CITY unless a dispute arises about the existence or terms of the authorization. RPVEA membership dues shall be deducted each pay period in accordance with CITY procedures and provisions of applicable law from the salary of each employee whose name is provided by RPVEA.

The CITY shall provide for payroll deductions on each payroll period (twenty-four times per calendar year). The CITY shall remit the total amount of deductions to RPVEA within thirty (30) days of the date of the deduction. Any changes in RPVEA dues must be given to the City a minimum of thirty (30) days prior to change to accommodate changes to payroll.

RPVEA shall indemnify the CITY from any claims relating to the CITY's compliance with this Dues Deduction provision, except for any claims arising from CITY's own negligence.

XX. Severability

If any provisions of this MOU are declared to be illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of the MOU will continue in full force and effect.

XXI. Job Description

Class Specifications: The classification plan shall consist of job specifications, which shall set forth a descriptive title, typical duties and responsibilities, essential functions of the position, and the training, experience, and other qualifications necessary or desirable for the effective performance of each position within a classification.

XXII. Internet Use and Electronic Mail

Employees are allowed to use CITY computers for legal Internet and electronic mail access. However, personal use is to be kept to a minimum. No employee is allowed to download information from an unknown source. The CITY reserves the right to review any and all information contained on all CITY computers and no personal privacy is granted or guaranteed. Employees have no expectation of privacy in information contained in CITY computers. Any illegal use of the Internet on any CITY computer may result in disciplinary action, which may include termination.

XXIII. Association Access to New Hires and Employee Information

The CITY will notify RPVEA's President in writing or via email regarding all new hires at least ten (10) days prior to the employee's orientation unless there is an urgent need that was not reasonably foreseeable. Within the earlier of thirty (30) days after the date of hire or by the first pay period of the month following the hire of each newly hired employee, the CITY will provide the RPVEA President with the new employee's name, job title, department, work location, work email, and work phone numbers. No other information from the CITY is being requested by RPVEA even though RPVEA may be entitled to such additional information under law.

The new hire will receive a copy of the MOU with his/her new employee orientation packet. RPVEA

shall be permitted one (1) hour for each orientation session to privately talk to new bargaining unit members to explain the rights and benefits under the MOU.

The CITY will provide the RPVEA President a quarterly list of all employees in the represented bargaining unit, including the employee's name, job title, department, work location, work email, and work phone number.

The parties will mutually agree on a form to use to track said employee information.

XXIV. Reopeners

The parties shall reopen any provision of this MOU for the purpose of complying with any final order of a federal or state agency or court of competent jurisdiction requiring a modification or change in any provision or provisions of this MOU in order to comply with state or federal laws. The parties also agree to reopen the contract for the purpose of the following:

- A. Drafting, ratifying, adopting and implementing an Employer-Employee Relations Resolution for the City;
- B. Updating the City's Personnel Rules and adding to the Definition of Terms for clarity;
- C. Merging Competitive Personnel Rules with Management Personnel Rules in a single document;
- D. Addressing the Maintenance Superintendent outstanding work schedule, call back and emergency call-in issues.

Electronic Record and Signature Disclosure
--

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Rancho Palos Verdes (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
