

WIN \$250!

RECYCLERS OF THE MONTH DRAWING

The success of the RPV residential curbside recycling* program is dependent upon community-wide participating and support. The RPV "Recyclers of the Month" program further encourages recycling.

Each July a "Recyclers of the Month" drawing card is enclosed in your trash bill (EDCO or UWS invoice). If you recycle, fill in the card and mail it in. At each City Council meeting, two cards randomly (a total of 4 cards a month) will be drawn. Those lucky residents will be checked for participation in the curbside recycling* program. After verification of their recycling activity, the winners' names will be announced at the next Council meeting and a check for \$250 will be mailed to each of them.

There are 48 lucky winners a year. This is the City of RPV's way of thanking its residents for recycling.

This year, in addition to the \$250, a few lucky winners will each also get a Personalized Emergency Preparedness Kit (valued at \$60).
