# About REACH

REACH began in 1977 as a pilot day camp for youth, ages 7 – 18, with developmental disabilities. We've been operating on the Palos Verdes Peninsula for 44 years now! REACH is currently a recreation program that helps young adults transition towards social independence outside of school, the "work" day program, and family structure through exciting recreational activities.

The REACH Program is coordinated by the Rancho Palos Verdes Recreation and Parks Department.

## IMPORTANT INFORMATION!

**If you are new to REACH, please contact the REACH coordinator by phone at (424) 703-9655 or by email at [REACH@rpvca.gov](mailto:REACH@rpvca.gov) prior to attempting to sign up for programming.**

- All participants must go through an interview process prior to onboarding
- After the interview, the participant or guardians of the participant must fill out extensive paper work prior to attending their first event.
- Once paper work is received the participant will be invited to one free event at Hesse Park.
- After that, participants must attend a minimum of 3 events at the park prior to signing up for community excursions.
- After attending a minimum of 3 community excursions, the participant may be invited to our Saturday day trips
  - This is to ensure the safety of the new participant, our current participants, and our staff. Due to the extensive nature of our trips, some events may not be suitable to all participants.
  - Supervision for participants is limited, and participants must be able to independently participate with the expectation of a 1:7 staff ratio.
  - Participants must be nonviolent, have sufficient hygiene skills, and comfortable handing money in the community. Staff are not able to assist with handling money for participants.
  - Participants will begin as “drop in” registrants. After attending a sufficient amount of programming, they will be able to sign up for memberships.
  - Due to limited staffing and resources, many events are at capacity and priority is given to individuals with memberships first, those already attending as drop-in subsequent.

# Fall 2025

What is a ghost's favorite dessert?  
I-scream!

Fall is all about gratitude and showing care for the ones you love! At REACH, we are grateful for all the days we get to spend together as a group making new memories, partaking in beloved traditions, and cultivating a cozy atmosphere where everyone feels safe, supported, and valued.

On behalf of the REACH Staff, thank you for the love and care you bring with you to the program every single week!
